Northwood Neighborhood Association

Hi Neighbors!

Mark your calendars! The City of Vancouver has brought back the **neighborhood cleanup day** scheduled for Saturday, June 8th from 8:00 am to 12:00 pm. Like last year, we again are joining the effort with other neighborhoods. **Therefore, the drop off location is on the property north of PeaceHealth and 92nd Ave.**

Volunteers are the only way we can make this day happen for our neighborhood each year. Please contact Lorna at 360-608-3924 if you can help for a couple hours or more. Please also check with your elderly neighbors who may need assistance getting their clean up materials to the trucks. Loads must be secured prior to driving out of the neighborhood.

Neighborhoods will be collecting the scrap metal, please no Junkers. Wet paint cans, refrigerators, air conditioners, freezers, tires or household garbage will not be accepted.

Thank you!!
