

Recreation Scholarship Guidelines

In order to qualify, your household's monthly gross income must fall within the Income Limits shown on this sheet. You must attach paperwork which validates your income, i.e. TANF/SSI Statement, or tax form from the most recent year plus current pay stub. All adults in the household must provide proof of residency.

Scholarship assistance will be determined by Vancouver-Clark Parks and Recreation Scholarship Program Staff, on a case-by-case basis. The average is \$30 per person per term, and no more than \$150 per family, subject to change. Adults may not use children's allotments, but unused adults' allotments may be applied to the children's registrations.

One application/registration per household may be submitted per registration period. Registration periods are January-April, May-August and September-December.

Please indicate on this form the classes you and your family wish to sign up for this registration period. Allow one week for approval. If you are approved, and the class has openings, you will receive notification and a receipt confirming you and/or family members have been successfully registered.

There may be a wait list for your spot in class, so please call five days prior, if you can't attend, in order to be considered for future scholarship awards.

Income Limits	
Family Size	Monthly Household Income
1	\$2,079
2	\$2,375
3	\$2,671
4	\$2,967
5	\$3,204
6	\$3,442
7	\$3,679

Example: if three people live in your household, the gross family monthly income must be less than \$2,671 in order to qualify for a Recreation Scholarship. (HUD 50% of area median)

If program funds run out during the year, it is possible the scholarship program will need to be halted, and assistance for all will be denied until funding is renewed.

As of July 1, 2009, there is no longer an option to buy a \$30 scholarship pass. You may use scholarship toward the purchase of a fitness pass to one of the centers, by paying whatever balance is not covered by the household's scholarship award. A family may not use the allotment of a child under 4 years old to obtain a larger discount on a pass.

Vancouver-Clark Parks and Recreation Scholarship Activity Registration

Please indicate the activities in which you and your family would like to participate. After this form is submitted, you will not be able to register for anything else until the next trimester, or Activity Guide release. Please allow one week for your application to be approved and the registration confirmed. The award is limited to \$30 per person (no more than \$150 per family). Adults may not use children's allotments, but adults' allotments may be applied to children's registrations. *As of July 1, 2009, there is no longer an option to buy a \$30 scholarship pass.*
