NON-PROFIT INFORMATION AREA

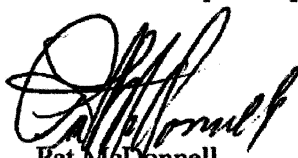

The City of Vancouver recognizes that individuals and/or groups may wish to disseminate information at the Vancouver Farmer's Market. The City has granted the Market an exclusive Street Use Permit to operate from the West curb of Esther Street to the East edge of the sidewalk on the West side of Esther Short Park area on Esther Street between 8th and 6th Streets and, for Saturdays only, on 6th Street West of Esther Street.

In the interest of public safety and to ensure the smooth flow of pedestrian traffic within the Market area and Esther Short Park during the period of April 3rd through Oct. 30th, 2004, the following areas have been reserved for the use of public interest groups or individuals to disseminate information:

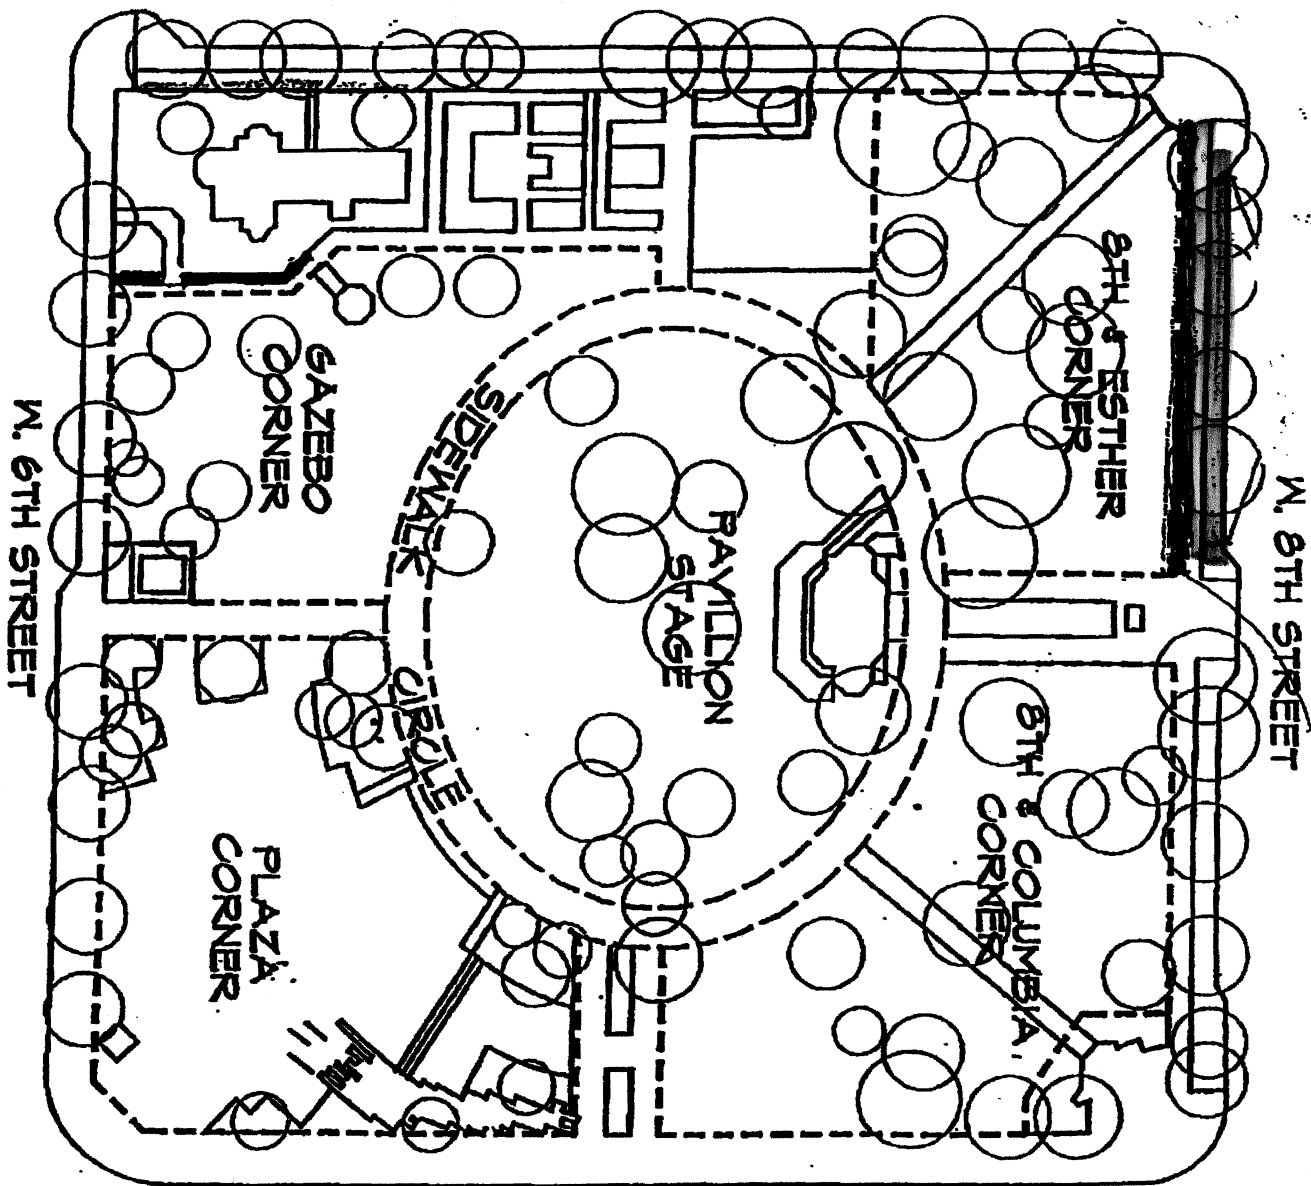

- The Southern side of the sidewalk on the North side of Esther Short Park along 8th Street beginning at the East side of the Northwest entrance to Esther Short Park and continuing mid-park to the Pioneer Mother Statue.
- The Southern side of the sidewalk on the North side of the Esther Short Commons property along 8th Street beginning at the West edge of the Esther Street sidewalk and continuing West along 8th Street to the first parking lot driveway, pending construction.
- The West side of the sidewalk on the East side of the Slocum House beginning at the 6th Street sidewalk and continuing to the Esther Short Park gazebo.

To facilitate use of the area, each group is limited to one table, two chairs, and a pop-up awning or umbrella with a maximum size of 10'x 10'. To keep the sidewalk clear, the awning or tent may extend over the grass planting area. It must not hamper Market vendors or pedestrian access.

Any other placement of display materials on the street or sidewalk requires a Street Use Permit from Transportation Services. Additionally, in order to avoid conflicts with other approved programs and/or events any placement of materials within Esther Short Park requires approval of the City Events Coordinator.
