Bring your ideas, stories, & photos!

This will be a working session to help update our Shoreline Master Programs. What's **your** vision for Clark County's shorelines? More recreation? Other activities? Homes? Businesses? Restoration? What kinds? Where? Your information and ideas will help focus our Shoreline Master Program updates.

The workshop will begin with a presentation at 6:00 pm. Then you will be asked to visit work stations and jot down what is important to you on questionnaires, posters, and maps. You are welcome at all three workshops. The Battle Ground workshop will emphasize north county; Camas, southeast county; and Vancouver, southwest county shoreline issues.

Help create a community shoreline vision!
