CARPOOL ON-STREET PARKING PERMIT RULES AND REGULATIONS

A "carpool" is defined as any instance in which two or more persons regularly drive together to and from downtown Vancouver at least four days per week.

Preference may be granted to carpools with three or more participants.

One On-street Carpool Parking Permit will be issued to a group of individuals (the carpool) applying for and qualifying for an on-street carpool parking permit.

An On-Street Carpool Parking Permit authorizes the carpool to park a single vehicle in an on-street parking space designated for carpools.

Designated On-Street Carpool Parking Permit spaces are reserved for vehicles displaying a valid On-Street Carpool Parking Permit between the hours of 7:00 am and 9:00 am, Monday through Friday.

After 9:00 am, designated On-Street Carpool Parking Permit spaces shall be open to other parking uses if not occupied by a vehicle with an On-Street Carpool Parking Permit.

The On-Street Carpool Parking Permit must be displayed on the vehicle as required.

Applications to participate in the carpool program must be completed and submitted to the City of Vancouver Customer Service.

All members of the carpool must complete and sign the completed application.

The fee for obtaining a carpool permit shall be \$15.00 per month.

Renewals may be obtained either in person at the City of Vancouver Customer Service or online.

Online permit renewals can only be made by one member of the carpool who is designated the "principle".

Any member of the carpool may renew the permit in person, by telephone, or mail.

On-Street Carpool Parking Permit holders must report any changes in carpool participation to the City of Vancouver Customer Service.

City of Vancouver staff may monitor the use of On-street Carpool Parking Permits, and may use reasonable means necessary to assure proper use of the permits. Any permit holder who misuses his or her permit is subject to the penalty provided in Section 9.92.060 VMC. Repeated violations may result in suspension or revocation of the permit.

It is a traffic infraction for any person, unless he or she has obtained an On-Street Carpool Parking Permit and has affixed such permit to his or her vehicle in accordance with applicable rules and regulations, to park in any parking space designated and signed for Carpool Parking on the street between the hours of 7:00 am and 9:00 am, Monday through Friday.

The City of Vancouver reserves the right to change these rules and responsibilities without prior notice.
