50 and better **Center**

Program Mission

You will meet new friends and see things you have never seen in the 50+ Travel Program! If you are age 50+, you could join us for affordable day trips, exploring attractions, events, festivals and culture in the Pacific Northwest.

Trips are planned and escorted by trained volunteers, and are offered in varying categories of difficulty.

Specific Trip Information

Detailed information on trips is available in the monthly Messenger newspaper and at www.cityofvancouver.us/messenger.

Trips are also listed at the Vancouver Parks and Recreation website at www.vanparksrec.org.

Fliers with trip details are posted at Luepke Center and Firstenburg Center. The Marshall Community Center hosts a 50+ Travel Expo three times per year, detailing upcoming trips.

Program Staff

All 50+ Travel Program drivers and planners are trained volunteers. They have passed a Washington State Patrol background check and are members of the Retired and Senior Volunteer Program (RSVP).

Registration

Register for trips online at www.vanparksrec.org, or by calling 360-487-7100.

Safety

Trips use 15-passenger vans and wheelchair accessible vans that are owned, maintained and insured by the City of Vancouver. There are no bathrooms on the vans.

State law requires passengers to have seatbelts fastened when the vehicle is in motion.

The travel program is not responsible for the safety of your valuables even when in a locked vehicle.

While riding in the van please use soft voices so the driver is not distracted.

If we need to call 911 for you on a trip, we will notify your personal contacts. Any expense is your responsibility.

Age of Program Participants

Our travel program is designed for adults age 50 and over. Those age 18-49 may register for trips with permission from the program director (call 360-487-7084).

Children age 15-18 may register with an adult with permission from the program director (call 360-487-7084).

Persons with Disabilities

If registering for a trip and you use an assistive device, service animal, caregiver or are in need of special assistance you must register 10 working days before a trip departs in order to be accommodated.

Please call 360-487-7060 for the required inclusion request form.

Departure and Return

All trips leave from and return to Luepke Center, 1009 E. McLoughlin Blvd.

You must travel on the van with the 50+ Travel Program. Trips leave promptly at advertised times. Return time is carefully planned; however, is dependent on weather and traffic.

While on trips, you are responsible for returning at the designated time to the designated meeting site named by the planner. If a van has to return to Luepke Center without you, your return trip is your responsibility and at your expense.

Cancellation and Refunds

All cancellations must be made through the Vancouver Parks and Recreation registration system. Upon cancelling, you relinquish your right to attend the trip.

Cancellations must be made five working days before the trip to be eligible for a credit or refund. There is a \$5 processing charge for refunds.

Any trip that requires advance purchase of tickets is advertised as transferable to another person but non-refundable. No refund or credit can be given for that trip. However, you may transfer the trip to another person but must notify registration of the correct person's name.

When the travel program cancels a trip, the fee is credited to the participant's account or refunded with no charge.
