We appreciate everyone interested in the Bagley Downs neighborhood and Neighborhood Association, and welcome all who want to contribute their time and energy to the cause of creating and maintaining a safe and thriving community. We regret, however, that we are currently unable to provide interpreters for our members. We are an all volunteer organization, have limited time and resources, and have no budget. If you know of an interpretation resource or contact who could attend the association meetings, please help us include them in our meetings. We look forward to seeing!
