### Summer Activities In The Neighborhood

**NEIGHBORHOOD GARAGE SALE:** Although we voted not to have a neighborhood garage sale this year, someone has stepped up to organize a sale if she gets some help. Please call Marilyn Romero at 360-798-4505 if you are interested in having a sale and would be willing to work with Marilyn on this event. It would be held the last weekend of June as before.

**PICNIC, ICE CREAM SOCIAL, NEIGHBOR'S NIGHT OUT:** August 3<sup>rd</sup> is the big date for our big summer event. We chose to consolidate these events into 1 big summertime bash in our neighborhood park. This should be a fun event with games, prizes and very good food since it will be potluck and our usual wonderful barbecued hot dogs. We will top it all off with ice cream sundaes and toppings we bring to share. Contact Judi Osburn at 693-0293 if you want to help with this event.

### News From King Elementary School

Recycle your outdated electronics and used cartridges at King Elementary and the school will make money while you are helping to save the earth. You can recycle the following items: cell phones, GPS devices, ipods, inkjet cartridges, laser cartridges, video games and consoles, digital cameras, laptops, PDA's, and DVD's. Drop these items off at King elementary school.

### Vancouver Sparkles Award

Although the City of Vancouver can no longer support a formal Sparkles Award program, they still encourage each neighborhood to honor someone who has contributed to the neighborhood in any chosen category. This may be someone who is inspirational, someone who picks up litter, adds to the beauty of the neighborhood with a lovely well kept yard, promotes friendliness etc. If you would like to nominate someone, please call one of the officers listed above. There are some prizes available from the city left from previous years. They include a choice of a T-shirt, tote bag, or garden flag while supplies last.
