SUBMITTING PLANS FOR REVIEW:

Counter complete status:

An application will be accepted by the City of Vancouver only after the City finds that the application appears to include all the information required. No effort will be made to evaluate the substantive adequacy of the information. If all required information is not submitted, the application will not be accepted.

Fully complete status:

Within 28 days of acceptance of a counter complete application, the City will notify the applicant, in writing, as to the completeness of the application. An application will not be deemed fully complete until all information necessary to evaluate the proposed activity, its impacts, and its compliance with the provisions of the Vancouver Municipal Code and other applicable codes and statutes have been provided. Public hearing will not be scheduled until the application has been deemed fully complete.

Public notification:

Within 14 calendar days after the application is accepted as fully complete, the City will issue a public notice of the application pending review.

Incomplete applications will not be accepted.

MIXED USE MASTER PLAN SUBMITTAL REQUIREMENTS

Please read carefully:

- The following information is required to be submitted with a Mixed Use Master Plan application per VMC 20.430. Applications without the required information will not be accepted. The Planning Official may require information in addition to that required by VMC 20.430.060 Mixed Use District if it is determined that such information is necessary to properly evaluate the application. The Planning Official may waive information required by VMC 20.430.060 Mixed Use District if it is determined that such information is not necessary to properly evaluate the application.
- Applications submitted without the additional information requested at Section J below, as applicable, will not be deemed fully complete, unless the applicant signs a written statement at Section K of this application which states that the applicant chooses not to submit the specified items but realizes that by not submitting such items the application may be DELAYED or DENIED.

MIXED USE MASTER PLAN SUBMISSION REQUIREMENTS

- A. **Applicable fees. See VMC 20.180.**
- B. Current Clark County assessor map(s) showing the property(ies) within a radius of 500' of the site and a complete mailing list with the names and addresses of owners of all properties within that radius, certified as accurate and complete by the Clark County assessor, a title company, licensed surveyor, or other party approved by the review authority.
- C. Two sets of mailing labels for the required certified mailing list. For non-owner occupied properties, provide mailing labels addressed to "occupant," as can be determined from assessor records.

Provide 1 original and 7 folded and collated copies of the information below. A Mixed Use Master Plan application shall include the following information presented on separate sheets or combined. Drawings shall be on sheets not larger than 24" by 36". Mixed Use Master Plans shall be drawn at a scale of 1" = 60' or larger (e.g., 1" = 30').

- D. **Completed application form**
- E. **Mixed Use Master Plan – Mapping and written description of existing physical features including:**
1. Vicinity map that identifies surrounding uses within 400' of the site boundary.
 2. Zoning map that identifies base and overlay zoning designations and uses for the site and surrounding properties within 400' of the site boundary.
 3. Topography and natural resources including 100-year flood plain; drainage patterns and courses; wetlands, rivers, springs and other water bodies; significant stands of trees and individual trees with a caliper greater than 6"; significant fish and wildlife habitat, and natural hazards such as steep slopes greater than 15%, and unstable, impermeable or weak soils. Exhibit must include a site plan with no greater than 5-foot contours for slopes of 0–10% and no greater than 2-foot contours for slopes greater than 10%.
 4. Open space inventory including all natural and landscaped areas.
 5. Inventory of cultural, historic and/or archaeological resources on the site, if any.
 6. Existing buildings, if any, including use, location, size and date of construction.
 7. Existing on-site pedestrian, bicycle and vehicular circulation system, if any.
 8. Inventory of existing vehicular and bicycle parking spaces and location of surface and structured parking facilities, if any.
 9. Location and size of all public and private utilities on the site including water, sanitary sewer, stormwater retention/treatment facilities, and electrical, telephone and data transmission lines.
 10. Location of all public and private easements.
- F. **Mixed Use Master Plan – Proposed development in narrative form. Mapping as applicable**
1. Mapping and written description of all proposed uses and use types.
 2. If applicable, description of proposed future ownership or management provisions.
 3. If applicable, description of proposed future phasing.
 4. Written description of proposal's consistency with transportation and other service requirements.
 5. Written description of proposal's consistency with standards of this chapter.
 6. Written description of changes in circumstances since original adoption of the existing zoning

designations at the site.

- 7. Written description of the proposal's compatibility with surrounding land uses.
- 8. Plan for protecting designated environmental, historic/cultural and open space resources.

G. Provide a narrative that addresses the following:

- 1. The Master Plan and associated conditions of approval ensure future development will meet all applicable criteria of Chapter 20.430.060.
- 2. The proposal will not be detrimental to surrounding uses or Vancouver as a whole.
- 3. There is or will be sufficient capacity within the transportation system and public sewer, water, police, fire, and stormwater services to adequately serve all portions of the site at the time of development.
- 4. A change in circumstances has occurred since existing zoning designations at the site were originally adopted.

H. **Planning history.** Summary of all previous known land use cases affecting the property and a list of all outstanding conditions of approval that either have not been addressed in the past and/or that remain in force at the time of the application.

I. **SEPA checklist.**

J. **Other applications, plans, studies, etc.** Other information shall be provided as requested at the pre-application conference, including related applications or studies, to show that the development complies with other applicable standards, unless the applicant signs a statement at Section K below requesting that the application be deemed complete without the items requested here.
