CASE NUMBER:

TYPE II APPLICATIONS

Type II applications apply to quasi-judicial permits and actions that contain some discretionary criteria. Type II applications are decided by the Planning Official with public notice and an opportunity for comment. The following developments are classified as Type II applications:

- Adult Entertainment
- Binding Site Plans
- Flood Plain Permit per VMC 20.730
- Grading Permits which do not require a Type III or Type IV development approval or SEPA determination pursuant to VMC Title 20
- Human Services Facility
- Land Use Permit issued under clear and objective standards
- Minor B Variance that results in the modification of a numerical development standard from 10%-20% per VMC 20.290
- Preliminary Short Subdivision (2-9 lots) not requiring major variances per VMC 20.320
- Shoreline Management Minor Substantial Development Permit**
- Site Plan Review
- Wetland Permit

SUBMITTING PLANS FOR REVIEW:

Counter complete status:

An application will be accepted by the City of Vancouver only after the City finds that the application appears to include all the information required. No effort will be made to evaluate the substantive adequacy of the information. If all required information is not submitted, the application will not be accepted.

Fully complete status:

Within 28 days of acceptance of a counter complete application, the City will notify the applicant, in writing, as to the completeness of the application. An application will not be deemed fully complete until all information necessary to evaluate the proposed activity, its impacts, and its compliance with the provisions of the Vancouver Municipal Code and other applicable codes and statutes have been provided.

Public Notification:

Within 14 days after the application is accepted as fully complete, the City will issue a public notice of the application pending review.

Decision:

The Staff Report shall be completed and mailed not more than 120 calendar days, (90 calendar days is our performance goal), after the date that a fully complete determination is made.

Incomplete applications will not be accepted

SHORELINE MANAGEMENT MINOR SUBSTANTIAL DEVELOPMENT PERMIT MINIMUM SUBMITTAL REQUIREMENTS

Please read carefully

- The following information is required to be submitted with a Site Plan Review application per VMC 20.270. Applications without the required information will not be accepted. The Planning Official may require information in addition to that required by VMC 20.270 if it is determined that such information is necessary to properly evaluate the application. The Planning Official may waive information required by VMC 20.270 if it is determined that such information is not necessary to properly evaluate the application.
- Applications submitted without the additional information requested under Section J below will not be deemed fully complete unless the applicant signs a written statement at Section K of this application which states that the applicant chooses not to submit the specified items, but realizes that by not submitting such items, the application may be DELAYED or DENIED.

A. Required fee. Refer to VMC 20.180

As per WAC 173-14-110 Shoreline Management applications require that the following information be submitted at the time of application. Provide 1 original and 9 copies of each.

B. Completed application form

C. Narrative demonstrating compliance with applicable shoreline master plan policies

D. Site Plan drawn to scale, with scale indicated on lower right-hand corner, showing the following

1. Accurate representation of the site boundary, containing the size and shape of the parcel(s), including easements of any kind and all dimensions and parcel orientation. Include north arrow.
2. Ordinary high water mark and setback line.
3. Typical cross section(s) showing:
 - a. Existing ground elevations
 - b. Proposed ground elevations
 - c. Height of existing structure(s)
 - d. Height of proposed structure(s)
4. If development involves grading, cutting, filling, or other alteration of land contours, note proposed land contours using 5'-foot intervals in water area and 10'-foot intervals on areas landward of ordinary high water mark.
5. Show dimensions and locations of existing structures which will be maintained.
6. Show dimensions and locations of proposed structures.
7. Identify source, composition, and volume of fill material.
8. Identify composition and volume of any extracted materials, and identify proposed disposal area.
9. Show location of proposed utilities, including sewer, septic tanks and drainfields, water, gas, and electricity. Show vegetation that will be preserved. Refer to submittal requirements for Tree Plan Removal Permit, VMC 20.770.
10. If the development proposes septic tanks, provide proof of Southwest Washington Health Department approval.
11. Note shoreline environment designation according to master program:
 Urban Rural Conservancy Natural
12. Show which areas are shorelines and which are shorelines of statewide significance.

E. SEPA Checklist

F. Archaeological Predetermination, if necessary

G. Current Clark County assessor map(s) showing the property(ies) within a radius of 500' of the site and a complete mailing list with the names and addresses of owners of all properties within that radius, certified as accurate and complete by the Clark County assessor, a title company, licensed surveyor, or other party approved by the review authority.

H. Two sets of mailing labels for the required certified mailing list. For non-owner occupied properties, provide mailing labels addressed to "occupant," as can be determined from assessor records.

- I. Vicinity map
1. Indicate site location using natural points of reference (roads, state highways, prominent landmarks, etc.).
 2. If the development involves the removal of any soils by dredging or otherwise, identify the proposed disposal site on the map. If the disposal site is beyond the confines of the vicinity map, provide another vicinity map showing the precise location of the disposal site and its distance to the nearest city or town.
 3. Give a brief narrative description of the general nature of the improvements and land uses within one thousand feet in all directions from the development site, i.e., residential to the north, commercial to the south, etc.

J. **Other applications, plans, studies, etc.** Other information shall be provided as requested at the pre-application conference, including related applications or studies, to show that the development complies with other applicable standards.

Additional information identified at the pre-application conference:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____

K. **Applicant's Statement Regarding Information Not Provided at Time of Application:**

I (the applicant) respectfully request that this application be deemed fully complete without the following information requested at Section J above (complete both sections of the table):

Information Not Submitted	Reason Not Submitted
1. _____	_____
2. _____	_____
3. _____	_____
4. _____	_____
5. _____	_____
6. _____	_____
7. _____	_____
8. _____	_____

NOTE: The materials listed above are required for a review by a Counter Staff member to determine if the minimum submittal requirements have been met. Failure to supply all the above information will result in the return of all materials and fees.

I fully understand that the absence of this additional information, particularly if not submitted by the end of the public comment period, may result in my application being DELAYED or DENIED.
