- Grading Permits which do not require a Type II, Type III or Type IV development approval or SEPA determination pursuant to VMC Title 20
- Joint Use Parking Agreement
- Land Use Permit issued under clear and objective standards
- Minor A Variance that results in the modification of up to 10% of a numerical development standard per VMC 20.290
- Planning Official Review
- Sign Permits that do not require variances
- Temporary Use**
- Tree Removal/Plan Permits

SUBMITTING PLANS FOR REVIEW:

Counter complete status:

An application will be accepted by the City of Vancouver only after the City finds that the application appears to include all the information required. No effort will be made to evaluate the substantive adequacy of the information. If all required information is not submitted, the application will not be accepted.

Fully complete status:

Within 21 days of acceptance of a counter complete application, the City will notify the applicant, in writing, as to the completeness of the application. An application will not be deemed fully complete until all information necessary to evaluate the proposed activity, its impacts, and its compliance with the provisions of the Vancouver Municipal Code and other applicable codes and statutes have been provided.

Decision:

The review authority for an application subject to a Type I procedure will approve, approve with conditions, or deny the application within 28 calendar days after the date the application was accepted as fully complete.

Notification:

Notice of a decision regarding a Type I procedure will be mailed to the applicant and applicant's representative. Type I decisions are subject to appeal pursuant to Section 20.210.130(A)(1)-(5) and 20.210.030(B)(1).

Incomplete applications will not be accepted
