

Steps to take **BEFORE** calling the Vancouver Police Department or your local law enforcement agency:

- 1) Run your credit report and review for any unauthorized accounts
- 2) Review bank/credit card statements for any unauthorized charges
- 3) Contact your bank/credit card company **if** unauthorized charges are found on your credit report or statements
- 4) **If** you have documentation of unauthorized charges, then file a police report **in the jurisdiction that you LIVE in.**

Do not call the Vancouver Police Department for information on this list unless you are a citizen of Vancouver and have documented theft.
