

The Season is the Reason for Yard Debris Service!

Did you know that about 25% of the solid waste stream is compostable materials like leaves, grass and yard waste? For about the price of one matinee movie ticket, you can have up to 96 gallons of yard debris picked up every-other-week ...right at your curb!

Yard debris that is placed in your garbage container is not pulled out at the processing facility; it ends up in the landfill as garbage. Waste Connections' yard debris service is a sanitary way to locally recycle yard waste that you cannot compost yourself. All yard debris from Clark County is processed within the region and is available locally for purchase as compost! Waste Connections' curbside yard debris service is a convenient alternative to self-hauling yard debris, saving you time and fuel.

If you've hesitated to sign up because you don't think that you would utilize the service year around, you don't have to! Waste Connections offers an "on-call" service option that you can switch to during the months when you do not need the service as often. On-call service allows you to keep the cart until you decide it needs to be picked up! Find out more about curbside Yard Debris service at our web site wcnorthwest.com . Starting service today will divert weight from your garbage and possibly help to lower your garbage bill. When you call or email Waste Connections to start service a container will be delivered to you and will be picked up on the next service day in your area!
