OF THE CURBSIDE WINDOW**

*FOR ANGLED
PARKING, USE
SIDE WINDOW BY
DRIVER'S SEAT.*

CURB

PAY STATION RECEIPTS

A receipt will be printed that must be placed in your car window.

On the back of the receipt is a removable sticky label. Peel this off and re-position it so the sticky side can be attached to the inside of your curbside car window. For angled parking use front window of driver's side. Motorcycles tape to headlight cover.

Make sure the expiration time is facing out.

FORGET HOW MUCH TIME IS LEFT ON THE METER?
Your receipt shows the expiration time.

STILL HAVE TIME LEFT?

Your receipt allows you to move your car to another parking space as long as you don't exceed the posted time limit in the new space.

NEED TO SHOW PROOF OF PAYMENT?

Your receipt eliminates any questions about when you paid for parking, and can also be used on expense reports.
