Aging Readiness Plan Update

The Clark County Aging Readiness Plan assesses the county's readiness to serve as a home for a growing number of older residents. The plan includes strategies to improve the community's capacity to support its growing older population and ultimately benefit people of all ages. The plan covers the topics of housing, transportation/mobility, health care, support services, and civic activities.

The Commission on Aging is updating the Aging Readiness Plan and wants public feedback to help assess implementation to date, refine existing strategies, brainstorm new ideas for the updated plan, and guide the creation of a new chapter focused on emergency preparedness.

The commission will host interactive public workshops in 2023 at the following times and locations:

- **Workshop #1: Strategy Feedback & Brainstorm.** Attend one of the following:
 - Jan. 18, 2023, 4:30-6:00pm, in-person event at Public Service Center
 - Jan. 18, 2023, 4:30-6:00pm, virtual event via Webex
 - Mar. 15, 2023, 3:30-5:00pm, in-person event at Battle Ground City Hall
- **Workshop #2: Strategy Priorities.** Attend one of the following:
 - Apr. 19, 2023, 4:30-6:00pm, in-person event at Public Service Center
 - Apr. 19, 2023, 4:30-6:00pm, virtual event via Webex

For workshop details, please visit: <https://bit.ly/agingreadiness>

The Commission on Aging, supported by the Clark County Council, is a nine-member volunteer group that implements the Aging Readiness Plan and provides leadership addressing needs of aging community members.
