

PROPOSED CHARTER AMENDMENT NO. 6- CONCERNS CLARIFYING CITY CONTRACTING AUTHORITY

The Charter wording is confusing as to whether the City may enter into contracts for longer than five years. This revision to Section 11.05 would clarify that the City may enter into contracts for longer than five years if approved by the City Council through ordinance.

Should this amendment to the Charter be enacted?

Yes

No

Full Text:

Section 11.05 Contracts Beyond One Year: No contract involving the payment of money ~~out of the appropriations of more than one year~~ shall be made for a period of more than five years ~~nor shall any such contract be valid unless made or~~ approved by ordinance.
