

Help us paint a street mural in our neighborhood!

Date(s): _____

Hours: _____

Location of mural: _____

Dear Neighbor:

We're letting you know about a Street Mural painting permit we've applied for through the City of Vancouver Neighborhood Traffic Calming Program. Street murals are large scale, decorative paintings on the surface of the street. Street murals can help calm traffic by adding visual interest to a neighborhood street or intersection. Often, residents come together with an idea to paint a mural or design on the roadway to promote a sense of community pride, belonging, and fun in the neighborhood.

To paint the mural, we will be temporarily closing the street to through traffic. Please join in and help us. You'll find an image of the design for the mural on the back of this flyer.
