WHEREAS, in 2002 the Washington State Legislature passed substitute House Bill 2060, codified at RCW 36.22.178 and called the Affordable Housing For All Surcharge; and,

WHEREAS, this statute authorizes a ten dollar surcharge on documents recorded by the County Auditor's office with the funds to be used for housing programs for extremely low and very low income households; and,

WHEREAS, cities and Clark County are statutorily required to enter into an agreement regarding the use of these funds; and,

WHEREAS, it was agreed at the May 1, 2009 stakeholders' meeting to revise the provisions of the 2003 Agreement to eliminate the allocation of thirty percent of the funds to capital projects, due to the current need of Clark County shelters for additional operating funds; and,

WHEREAS, it was agreed at stakeholders' meetings on October 28 and November 18, 2013 to revise the 2003 Agreement to eliminate the allocation of \$250,000 of the surcharge funds for payment of a local housing bond after the bond debt was completely paid in December 2013, and to provide the reallocated funds for operations and maintenance of shelters and housing;

NOW THEREFORE, in consideration of the mutual housing benefits for extremely low-income and very low-income persons living throughout Clark County, the parties

agree as follows:

1. This agreement supersedes any agreement previously entered into between the Parties regarding the collection and use of HB 2060 funds.
2. The Parties do not intend to create a separate entity by entering into this Agreement.
3. The HB 2060 funds shall only serve persons at or below fifty percent (50%) of the Clark County household median income as determined by the Department of Housing and Urban Development (HUD).
4. These funds will provide for the following housing programs as developed through a public process involving grant applications, recommendations from both the Community Action Advisory Board and separately, municipal partners followed by awards to the successful applicants to meet the housing needs of county residents:
  - a. Operating funds for shelters, transitional, and permanent housing: Approximately two-thirds of the annual revenues will be used to maintain the current level of shelter services, grant operating subsidies to transitional or permanent housing providers, or offer rental assistance vouchers to private for-profit and non-profit housing providers. At least \$40,000 shall be distributed annually to the Council for the Homeless as the City of Vancouver's annual contribution to the planning, advocacy and coordination of the Council for the Homeless activities, especially in the City of Vancouver. Additional funds will be contributed by the County through its contract with the Council beginning July 1, 2015.
  - b. Other Fund Uses: Up to, but not to exceed, \$250,000 per year of the available revenue will be used for:
    - i. Operating costs of existing emergency shelters;
    - ii. Operations and maintenance of existing transitional housing units and permanent supported housing units. Operations and maintenance can include energy efficiency upgrades; and
