**EXTENSION OF INTERLOCAL SERVICES AGREEMENT  
BETWEEN CITY OF VANCOUVER AND CLARK COLLEGE  
FOR SWIM FACILITY USE  
ACADEMIC YEAR 2013-2014**

**THIS IS AN EXTENSION OF THE INTERLOCAL AGREEMENT (“the Agreement”)** FOR SWIM FACILITY USE between the City of Vancouver (“City”) and Clark College (“Clark”), dated January 10, 2010, and originally effective September 1, 2009, for use of Vancouver-Clark Parks and Recreation aquatics facilities or other pool locations for Clark College’s swimming programs for their students.

**WHEREAS**, Section 3 of the Agreement provides for administrative extensions on a year-to-year basis for up to a total of five (5) years, ending August 31, 2014, by the City Manager and the Clark College President subject to annual review of the level of services and adjustments of compensation, provided that the rate of compensation set forth in Section 6 of the Agreement may not be reduced without approval of City Council and Board of Trustees; and

**WHEREAS**, the City and Clark have extended the Agreement for each academic year since 2009; and

**WHEREAS**, the City and Clark have reviewed the level of service and compensation for the 2013-2014 academic year and desire to extend the Agreement again, subject to agreed to adjustments to level of service and compensation;

**NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:**

1. The Agreement shall be further extended from September 5, 2013 through August 31, 2014.

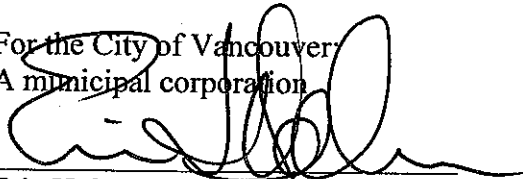

2. The City agrees to provide the following use of Marshall Pool to Clark during Clark's 2013 – 2014 academic year:
  - a) Physical Education Swim Classes. The City will provide use of Marshall Pool for Clark's Physical Education classes as set forth in Exhibit A, subject to the provisions of Section 9 (Change in Circumstances) of the Agreement. The City will provide a certified lifeguard. The prorated hourly rate is based on the City of Vancouver's ability to schedule other classes during this time to compensate their true hourly operational cost. Therefore, Clark agrees that the City of Vancouver may schedule other programs for partial pool use only during Clark's times of use to compensate the reduced hourly cost to Clark; and the City agrees to endeavor to schedule other programs which are compatible with Clark's usage during the times of shared use and includes use of selected equipment, such as kick boards, pull buoys, deep water exercise belts, and dumb bells.
  - b) Fitness Trainer Classes. The City will provide the use of Marshall Pool and use of selected equipment such as kick boards, swim buoys, water exercise belts, and dumb bells for Clark College's Fitness Trainer classes as set forth in Exhibit A, subject to the provisions of Section 9 (Change in Circumstances) of the Agreement.
  - c) Summer Quarter 2014. No classes scheduled.
2. Clark agrees to compensate the City at the rates set forth in Exhibit A to this Extension of the Agreement.
3. That all other terms of the Agreement shall remain in full force and effect.

4. Acts taken in conformity with this Extension Agreement prior to its execution are hereby ratified and affirmed.
