#### **Section 8.22.010 Findings.**

People camping on public property and on public right of ways create a public health and safety hazard due to the lack of proper electrical and/or sanitary facilities for these people. People without proper sanitary facilities have openly urinated, defecated, and littered on public property on the public right of ways. Use of public property for camping purposes or storage of personal property interferes with the rights of others to use the areas for which they were intended.

(M-4133, Amended, 09/21/2015, Sec 1-Effective 10/21/2015; M-3323, Added, 10/06/1997)

#### **Section 8.22.020 Purpose.**

It is the purpose of this ordinance to prevent harm to the health or safety of the public and to promote the public health, safety and general welfare by making public streets and other areas readily accessible to the public and to prevent use of public property for camping purposes or storage of personal property which interferes with the rights of others to use the areas for which they were intended.

(M-3323, Added, 10/06/1997)
