Vancouver Parks, Recreation & Cultural Services offers engaging, age-appropriate, secular classes for students who are homeschooled or looking for additional weekday enrichment opportunities.

Classes are offered on Mondays and Thursdays at Firstenburg Community Center for students ages 4-18. Taught by educators, experts and qualified parents, these elective-style classes are meant to supplement home instruction in multiple content areas and provide multi-age peer interaction. Most classes are 50 minutes to 1-hour long and offered in 5-6-week sessions.

Homeschoolers and their families will have access to the Zone between 11:45am and 1:15pm to socialize and eat lunch!

Scholarships that cover 50% of class tuition are available to eligible Clark County residents, based on family size and household income. If approved, the scholarship is applied to all children within the household who meet the age guidelines.
