

Our neighborhood association is made up of many multi-family housing complexes including Columbia View Apartments (320 units), Evergreen Pointe Apartments (80 units), Shorewood East Condos (115 Units) and Shorewood West Condos (72 units), Shorewood Manor Apartments (126 units) and The Trees Mobile Home Park (60 spaces). The neighborhood also includes a motel, three businesses and two single family residences. Although a small footprint it is not small in population, as this area represents over 760 households. The Neighborhood Association hopes to create an environment of security and resiliency through the Evergreen Shores Neighborhood Association.
