Report Date: 5/2/2023
Hearing Date: 5/2/2023
Proposal: Formally recommend approval of the 2024-2029 TIP to the City Council
Recommendation: Recommend approval of 2024-2029 Transportation Improvement Program (Attachment A) as summarized in this staff report

I. PRIOR COMMISSION REVIEW (IF APPLICABLE):

- a. November 1, 2022 – Workshop review of initial proposed changes to incorporate in the 2024-2029 Transportation Improvement Program (TIP) and discussion of other Commission recommended updates
- b. March 7, 2023 – Additional workshop review of 2024-2029 Transportation Improvement Program (TIP) updates, and additional discussion.

II. BACKGROUND AND REVIEW PROCESS:

- a. State law requires the City of Vancouver to annually update its Transportation Improvement Program (TIP), which lists future transportation investments and level of committed funding and is required to be adopted by June 1 of each year.
- b. The Transportation and Mobility Commission enabling ordinance outlines the Commissions scope of authority and includes a recommendation to Council on adoption of the annual TIP update.
- c. A City Council public hearing review of the 2024-2029 TIP is scheduled for June 26, 2023.

III. SUMMARY OF ISSUE/ PROPOSAL:

- a. Included public comments and responses to each comment (starting on page 13).
- b. Included information about project implementation (page 31).
- c. Included information about the interim prioritization/scoring process (starting on page 33).
- d. Updated the TIP changes document (starting on page 36).
- e. Updated the project lists including updated project scores (starting on page 40).
- f. Added contact information for questions about the detail sheets (page 47).
- g. Updated the detail sheets including how the project originated (starting on page 48).
- h. No proposed changes to the arterial map this year (page 159). Map will be updated next year based on recommendations from the Transportation System Plan (TSP).

IV. RECOMMENDED ACTION:

Formally recommend approval of the 2024-2029 TIP to the City Council as outlined in this staff report and as included in Attachment A: 2024-2029 City of Vancouver Transportation Improvement Program.

Staff Contact Name, Chris Malone, Public works Finance and Asset Manager, 360-487-7711, chris.malone@cityofvancouver.us
