

2022 Consolidated Annual Performance Evaluation Report (CAPER)

July 1, 2022–June 30, 2023

HUD Entitlement Funding

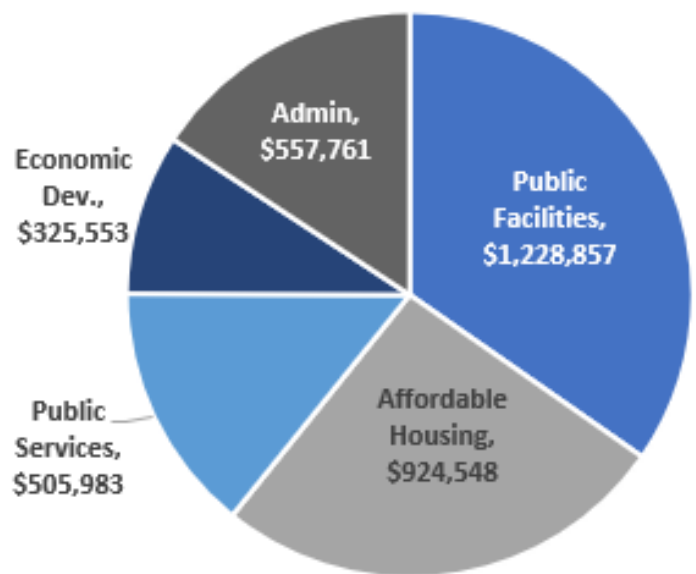

The City of Vancouver administers U.S. Department of Housing and Urban Development's Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) annual allocations.

In 2022, CDBG funding was used to fund a variety of programs and projects that benefit people with low to moderate income, including:

- a new community center
- case management
- homeowner rehabilitation
- small business assistance
- homeless outreach

HOME funds were primarily used for rental assistance for households exiting homelessness.

Program Year Expenditures

21 partners
providing services

65 households
stabilized with rent

244 small business
assisted

1,767 people
accessed services
