A PROGRAM OF TRANSITION PROJECTS  
KNOWLEDGE • RESPONSIBILITY • STABILITY

Bring this 15-hour tenant education program to your agency and learn how to deliver a course that empowers individuals to **get the keys and keep the keys.**

As a Rent Well Instructor, you will learn how to empower others to:

- identify and overcome their rental barriers
- understand their rights and responsibilities as a tenant
- turn their rental roadblocks into housing opportunities
- find the confidence to secure housing and maintain their home
- become successful, stable renters that will impact generations to come

The Rent Well Program partners with agencies focused on improving housing in their communities. Through these partnerships, staff members can attend the Tenant Educator Academy to become fully certified Rent Well instructors.
