## Our Vancouver, Our Future 2045

PROVIDE INPUT ON THE COMPREHENSIVE PLAN

The *Our Vancouver Comprehensive Plan* is the City's plan for managing our growth and development, investing in infrastructure, and protecting the natural environment over the next 20 years. This plan is one of our community's most important tools to help plan for our future. Since the plan was last updated in 2011, we've experienced significant growth, as well as demographic, economic and social changes. Now, community members and the City are working together to update the plan to address these changes and we need your help!

The Comprehensive Plan will guide Vancouver's growth and development over the next 20 years by providing the long-term vision and policy direction for our City.

## Help Us Create A New Logo!

The VHNA logo, shown here, has been in use by the association for many years. Do you have relevant experience and the desire to help update our logo with a modern look? Email [jthogg@outlook.com](mailto:jthogg@outlook.com) with your submission.

## Neighborhood Traffic Safety Alliance

The NTSA has \$300,000 for neighborhood traffic calming and is funded by city tax-payer dollars. The new speed notification signs on St. Helens are a result of this program. Each neighborhood association is a member but VHNA does not have a representative right now. Could this be you? Email a board member to find out more.

## Report potholes and non-working streetlights

To report potholes and non-working streetlights inside Vancouver city limits, please email:

[opsdispatch@cityofvancouver.us](mailto:opsdispatch@cityofvancouver.us)

Or use the City of Vancouver app on your smartphone or other mobile device.
