### Soccer Skills Clinics—Fall 2024

Skills clinics will allow players an age-appropriate level of training alongside a **parent/guardian** that is challenging, exciting, rewarding, but most importantly FUN to promote social emotional well-being. Players will learn proper dribbling, passing, running, scoring and defending through engaging drills and games. **Parent/guardian must remain on site and participate with their child throughout the clinic. These are not leagues; they are instructional skills clinics.**
