Update from the Board

On behalf of the neighborhood, the ESNA Board submitted letters in support of Federal funds for a transportation related project in the downtown area, and the City's Week Without Driving proclamation. More to report at the next meeting.

Next ESNA meeting is October 21, and is all about parking

Gabriel Montez, City of Vancouver Parking District Manager, will present an update on the ongoing parking study and parking plan. There will be time for residents to comment and submit concerns about residential parking needs and concerns.
