How to Use this Document

This budget book is the City of Vancouver's financial plan to be used by the Mayor and City Council as a guideline for meeting goals while providing the best service at the lowest cost to the people of Vancouver. The budget book is broken up into easy-to-read sections allowing any person to read and understand the information.

Introduction

The introduction includes a community profile with demographics and information about the local area. This section also includes a list of City officials and an organizational chart.

Budget Message

This section includes the budget message providing an overview for 2025-2026 including any major national and local changes and upcoming issues being addressed. The City's mission statement as well as citywide goals and objectives providing progress reports and performance metrics are also included in this section. The other half of this section details the City's budget process and budget calendar.

Personnel Summary

This section includes the highlights of position changes during the biennium as well as the summary of changes from 2024-2025.

Financial Section

This section presents information on the 2024 current forecast and the 2025-2026 biennial budget and analysis for both budgeted revenues and expenditures.

How to Use this Document

Department Budgets

This section contains individual department overviews with departmental budget summaries of revenues and expenditures, a list of accomplishments of the previous year, strategic goals, and performance measures. The budget section is divided by fund, starting with the General Fund; the departments are in numerical order within each fund.

Capital Budget

The capital budget section outlines the major capital improvement projects and summary and itemized capital outlay information. It also includes the City's six-year forecast.

Appendix

The Appendix section of the budget book includes Acronyms, a Glossary of Terms, and the Decision Package report, which details each request with revenue, expenditures, and Full-Time Employee requests.

About Vancouver

Vancouver, Washington sits on the north bank of the Columbia River directly across from Portland, Oregon. The Pacific Coast is less than 90 miles to the west. The Cascade Mountain Range rises on the east. Mount St. Helens National Volcanic Monument and Mt. Hood are less than two hours away. The spectacular Columbia River Gorge National Scenic Area lies 30 minutes to the east.

Vancouver combines the excitement of a major metropolitan area with small-town charm and abundant recreational opportunities. Vancouver enjoys mild weather with less average annual rainfall than Boston, Washington, D.C. or Atlanta. The seasons are distinct. Summer temperatures are generally in the 70 to 80-degree Fahrenheit range. Winter nights rarely fall below 30 degrees. Our moderate climate results in lush forests and abundant foliage. Springtime explodes with blossoming trees and shrubs.

City of Vancouver Organizational Chart

2025-26 Budget Process

The City of Vancouver's budget is prepared in conformance with Washington State Law, generally accepted accounting principles (GAAP), City Council actions, and the Government Finance Officers Association (GFOA) professional standards. The standards set by these authorities establish the budget process and provide for budget control.

The budget process assigns resources to the goals, objectives, and community priorities set by the City Council. New programs are added based on Council service and program priorities. Pursuant to the City Charter, the City Manager prepares and recommends to the City Council an operating budget and a capital improvement program budget for consideration and adoption.

The budget process begins with the development of Budget Instructions and a Budget Calendar that includes policy directives for City staff. The City Manager develops a balanced budget that reflects the organization's needs based on available resources and submits it to the Mayor and City Council.

Any changes approved by the City Council through the budget process are incorporated into the budget before formal adoption. Multi-year forecasts for the General Fund and key revenue funds are included as part of this process to assist with decision-making, allowing the Council to consider resources as part of long-term policy initiatives beyond the budget year.

**Honorable Anne McEnery-Ogle, Mayor
Vancouver City Council
Residents and Community members of the City of Vancouver**

It is our honor to offer the recommended City of Vancouver 2025-2026 budget for your consideration. The budget recommendations were developed as the City faces slower growth, ongoing economic uncertainty, and had a significant forecasted budget gap to fill. Despite these challenges, guided by the City's Strategic Plan, we continue to drive investments in Vancouver's future.

This year's budget development happened during a unique time of transition for the City. Eric Holmes, Vancouver's City Manager since 2010, is retiring October 11, and the City Council has selected Lon Pluckhahn, who has been serving as Deputy City Manager, as his successor. This deliberate leadership succession created the opportunity for collaborative budget development that supports a seamless transition.

While there are variable economic headwinds in the local economy, it remains an exceptionally exciting time for Vancouver. In 2024, the City's population broke 200,000. The Waterfront development is about two-thirds complete, delivering \$1 billion in private investment with \$500 million more planned in the next few years. And while persistent high interest rates have slowed development, key projects that began during the pandemic have continued to progress. The office portion of the Terminal 1 project opened in September of this year and ground broke on two new urban multi-family projects in downtown. Major investments are underway at key economic drivers such as SEH America, a new HP campus in Section 30, and ongoing investments in Columbia Tech Center. The Waterfront Gateway project plans to break ground in 2025, adding new public spaces, affordable housing and retail, while Columbia Palisades and the Vancouver Innovation Center are poised to grow dramatically in the coming years. The first three blocks of development in The Heights District are in pre-design, germinating growth of a new thriving, inclusive urban neighborhood in central Vancouver. Vancouver's ongoing transformation from a suburb to national class urban waterfront city has solid momentum.

Despite this progress, record high inflation, a resulting slowing of development and softening of revenues - combined with the ongoing structural deficit - contribute to a challenging environment in the coming biennium and created a forecasted \$43 million gap to fill. Through a combination of targeted spending reductions, cost reallocations among

funds and the addition of new revenues, this recommended budget largely maintains capacity to serve the community and enables a range of strategic investments to serve our growing and urbanizing community. And while not a part of this budget, this fall voters will consider Proposition 4, which if passed will allow further investment in police and community safety services and facilities. If it passes, the new resources from Proposition 4 will be added to the budget through supplemental action in 2025.

The budget was formulated around the universal policy themes of safety, equity, and climate action, all of which inform and guide our work over a horizon that extends beyond the coming biennium. In doing so, this budget supports the City's ongoing journey toward becoming a safer, more resilient, equitable and inclusive community for all. Aligning with this, the recommended budget reflects the focus areas included in the Strategic Plan as follows:

- Transportation and Mobility
- Economic Opportunity
- Housing and Human Needs
- Vibrant and Distinct Neighborhoods
- Culture and Heritage
- Safe and Prepared Community
- Climate and Natural Systems
- High Performing Government

In addition to these focus areas, the recommended budget was developed on touchstones of the community vision and the City's adopted financial policies. It also considered input from various sources, including input from a range of community engagement efforts associated with projects underway, our biennial community survey, and an online prioritization tool. Capital and program investments were also informed by Vancouver's newly developed Social Vulnerability Index and consultation with relevant boards and commissions.

The balanced budget includes approximately \$2.1 billion in total expenditures across all funds for the biennium, including \$769.2 million for the general, street and fire funds and \$582.9 in capital expenditures. This is consistent with policy and community priorities as well as forecasted resources for the biennium, the recommended budget reduces staffing by a net 10.05 full time equivalent across the City organization, while investing in capacity needed to deliver a robust capital program. Appropriations are supported by forecasted revenues from the general and enterprise funds, planned, strategic deployment of capital and operating reserves in multiple funds directed to one-time capital projects, or limited-term initiatives.

In addition, the budget incorporates new revenues from multiple sources. Continued implementation of the business license surcharge and park impact fee program adopted in 2022 support investments in police, economic development, parks and transportation infrastructure. The Budget includes a new Commercial Parking Tax to support new

transportation and mobility investments. The budget also recommends to the Transportation Benefits District a \$10 increase to the License Tab Fee in mid-2026 to augment transportation funding. A new Cable Utility Tax and broader application of taxes on city-owned utilities to support general fund services, and reliance on banked property tax capacity created with the passage of Proposition 2 supports fire and EMS services and puts in motion fire facilities construction. An Admission Tax and a Cultural Access Sales Tax support new, transformative investments in arts and cultural facilities and programs. The recommended budget also includes implementation of a Business and Occupation Tax on retail services only to fund construction and operations of a new bridge shelter for help address our continued homelessness emergency. With these investments, the City will continue its leadership on climate, equity and safety.

The recommended budget continues to fully fund City reserves and depreciation accounts to the levels dictated in the Council-approved financial policies, while maintaining adequate operating capital throughout the biennium. The Executive Summary and the remainder of the budget document provide more details on each initiative included in the recommended budget.

While the forecasted deficit for this biennium was addressed with a relatively modest impact on City services, doing so will become increasingly difficult in future biennia. The structure of the revenue system for the City's general government services does not pace with the compounding demands of a growing population and inflation: the real per capita revenues for general governmental purposes at the City decline year-over-year (the structural deficit). While this budget generally maintains stability in services and funds some new investments in focused areas, the pressures of the structural deficit are expected to grow in the future. Reducing, reallocating and in some cases enhancing spending levels in the near term may increase risk and pressure in the long-range forecast. However, the investment in this budget aligns with the City's pursuit of the unique opportunities associated with the current economic environment and policy ambition.

A message from outgoing City Manager Holmes:

After 14 years as City Manager and 17 years in leadership with the City of Vancouver, this recommended budget represents my last.

I am glad to have been able to collaborate with incoming City Manager Lon Pluckhahn to develop this budget that continues to make strategic investments in this amazing community.

I took on leadership of the City organization in the depths of the great recession. I am proud of our accomplishments in service to Vancouver's potential over the last 14 years and am equally proud to be leaving the City organizationally stronger and fiscally healthier than when I began.

I look forward to seeing how the solid foundation of talent in this organization and available financial resources continues to deliver exceptional results for our community.

The City is a complex organization. Forecasting our resources, preparing the budget, monitoring its implementation, assuring accountability and transparency, all while getting the work done, takes an exceptional group of professionals. We want to thank the City's Management Leadership team, Budget Office, and the hundreds of employees across the City who participated in the development and preparation of this budget during a challenging fiscal cycle. As we both support this transition of leadership, we especially want to thank City Council, whose ambition, leadership and policy direction on behalf of the Vancouver community enables the strategic investments found in this recommended budget. Lastly, we thank the residents and community of Vancouver, without whom we would not have a purpose.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Eric Holmes', with a stylized flourish at the end.

Eric Holmes,
City Manager (Outgoing)

A handwritten signature in blue ink, appearing to read 'Lon Pluckhahn', with a stylized flourish at the end.

Lon Pluckhahn,
City Manager (Incoming)

Executive Summary

For the first time in a number of years the City of Vancouver is facing a budget shortfall in the upcoming biennium. The shortfall is caused by historically high inflation over the last three years, which have impacted all the costs of the City. City revenues did not reflect a commensurate increase. To address the shortfall, the City utilizes a combination of revenue increases and expenditure reductions. To cover a portion of the shortfall, reduction targets were developed to minimize the impact on public safety agencies and several new revenues are recommended to be implemented. These revenues include a Cable Utility Excise Tax, Commercial Parking Tax, Admissions Tax, along with inflationary increases in a number of fee and license revenues.

The recommended budget also includes the implementation of several new revenue sources to fund high-priority programs: a Business and Occupation (B&O) Tax (on retail only) to fund construction and future operations of the new houseless shelter that is anticipated to house up to 150 people and a 1/10 of 1% increase in Sales Tax to inject into eligible public schools for providing student access to arts and culture and to create a funding stream to support capital facilities dedicated to supporting arts and culture in the City for generations to come.

Executive Summary

The City Manager's 2025-2026 Recommended Budget is balanced over the biennium. The ongoing expenditures are covered by ongoing revenues and one-time expenditures are funded by existing cash in various City funds, including highly restricted to capital projects. The 2025-26 Recommended Budget totals \$2.1 billion for all operating and capital funds, representing no increase over the 2023-24 biennial budget. The budget includes a robust capital program, funded by revenues specifically put in place to fund capital programs, including the business license surcharge program, among others. It proposes using approximately \$92.3 million in existing cash reserves citywide to fund both the City's 2025-2026 Capital program and one-time initiatives.

By 2026, 1,355.70 Full Time Equivalent (FTE) positions are funded in the Recommended Budget, a .66% decrease over the 2024 authorized FTE count, including a total of 27.0 new FTE's (21.0 regular and 6.0 limited term duration), that are recommended to be added in the budget. The two-year budget for all funds is approximately 2.2% higher than the current 2023-2024 Budget. The majority of new positions added in the 2025-2026 Biennial Budget are funded by external revenues, including the Interstate Bridge Replacement revenue, grants, American Rescue Plan Act (ARPA) funding.

	2024 Revenue Budget	2024 Expense Budget	2024 Estimated Ending Balance	2025-2026 Projected Revenue	2025-2026 Projected Expenses	2026 Estimated Ending Balance
Total, All City Funds	914,158,530	955,659,236	625,511,587	2,023,129,410	2,115,479,385	533,161,612

Executive Summary

In the 2023-2024 Biennium, the City spent down a portion of the reserves in the General, Street and Fire Funds to fund some of the high priority initiatives. The 2025-26 Budget proposes to restore reserves to Council policy levels to better prepare the City to address unanticipated financial issues during the biennium and beyond.

	2024 Revenue Budget	2024 Expense Budget	2024 Estimated Ending Balance	2025-2026 Projected Revenue	2025-2026 Projected Expenses	2026 Estimated Ending Balance
General Fund	265,503,527	271,538,892	86,354,618	553,441,021	543,309,160	96,486,479
Street Fund	19,273,973	19,428,444	7,538,227	39,347,341	39,853,444	7,032,124
Street Initiatives Fund	19,802,299	27,656,852	3,647,517	36,301,293	35,315,249	4,633,562
Fire Fund	81,142,041	86,311,498	5,496,107	174,034,823	173,903,249	5,627,681
Total - General, Street, Fire Funds	385,721,840	404,935,686	103,036,469	803,124,478	792,381,102	113,779,846

The following assumptions guided budget preparation and are included in the Recommended Budget.

Executive Summary

Revenues

The Recommended Budget reflects the following revenue assumptions:

- The 2025-2026 biennium anticipates continued tempered economic growth. The last several years have been characterized by the highest inflationary rates since the early 1980's. High inflationary rates negatively impacted new construction in the City. The property tax growth rate is anticipated to be tempered by the multi-family tax exemption program during the forecasted six-year period. The sales tax revenue trends in 2024 are showing a flattening of the trend. Largely, the trend is related to reduction in construction activity, which is one of the major drivers of the sales tax revenue increases of the past decade. The other driver relates to customers pulling back on the discretionary purchases to account for the inflationary increases in necessary goods and services. The budget anticipates the trend to reverse to a paced growth pace beginning in 2025. Some of the city fee revenues driven by new construction, notably the land use and building fund fees are seeing the same trends as those impacting the sales tax revenues. Revenues from taxes on privately owned utilities, such as gas, electric, phone and cable are anticipated to grow at historic trends.
- Several new revenue sources are recommended to be utilized to balance the budget. Those include implementing a 6% excise tax on Cable utility, implementing a 5% admissions tax on movie theatres with more than two screens, implementing a commercial parking tax of \$0.15 per transaction in lots and \$0.20 for street parking transactions. Revenue recommendations also include passing to consumers the credit card fee charged by credit card companies and adjusting a number of fees for inflationary pressures, notably, the special license fees, and land use fees. The Budget also proposes to adjust recreation fees to eliminate subsidization of non-city residents in all parks and recreation activities.

Executive Summary

- There are two additional revenues recommended to be implemented by Council in the next biennium to fund specific activities:
 - Business and Occupation Tax on Retail only, at \$0.001, effective in 2026, to generate funds to help cover the operation of the future new 150-bed houseless shelter the City is proposing to construct during the 2025-26 biennium.
 - Cultural Access Sales Tax of 1/10 of 1%, effective in 2026. This revenue source is recommended to be dedicated to funding school student access to cultural events, 5% of the total and the balance is to be utilized for funding of the new cultural facilities in the City of Vancouver's Arts District.
- Other major assumptions include:
 - Implementation of the statutorily authorized 1% increase in property tax revenues for the first year of the biennium and tapping into the city's banked property tax capacity to fund a portion of Fire capital included in Proposition 2: replacement of stations 3, 6 and remodel of station 8.
 - A weighted average of 6% increase is anticipated in utility revenue on city-owned utilities: water, sewer, drainage and solid waste. Rate adjustments in city utilities reflect inflationary cost increases and help build a resilient capital program.
 - Optimized fee rates in fee-for-service enterprise areas, such as building, fire marshal review and inspection, parking, and planning.

Executive Summary

- A recommendation to increase Parks Impact Fee (PIF) rates consistent with the final recommendations from the A Stronger Vancouver initiative. The first four years of the increase were implemented during the 2021-2024 Biennia; the last two annual increases covering the following two-year time period are included in the Recommended Budget. It is highly likely, that the high inflationary environment experienced in the last several years have eroded the PIF capacity and further inflationary adjustments will need to be made in the 2027-28 biennia.
- Staff will be making a recommendation to the Transportation Benefits District Board to implement an additional \$10 license fee in mid-2025 for funding Transportation projects. The revenue is planned to be dedicated to supporting transportation projects included in the City's Capital Transportation Budget.

Expenditures

The expenditures in the recommended budget were developed consistent with the following:

- Modest personnel cost increases.
- Significant increases in the City's cost of health insurance, mostly driven by a spike in medical claims over the last 12-month period.
- Significant increase in the cost of liability and workers compensation insurance coverages, as well as increases in claims activity.
- Significant inflationary increases across the board (e.g. supplies and services), resulting from a historically high inflation experienced over the last three years.

Executive Summary

- Positions – The Budget includes a net reduction of 9.05 full time equivalent (FTE) across all funds and programs. A total of 26.55 FTE are recommended to be eliminated, of those reductions 9.0 FTE are filled (12 positions). Additionally, 8.50 LTD FTE's are recommended to be eliminated, impacting two employees. There are no reductions in sworn public safety positions. Twenty-one (21.0) FTE's and 6.00 LTD FTE's are recommended to be added to the 2025-26 budget; the majority are funded by either external revenues or grants, utility fee revenues, or capital funding.
- A zero-based budgeting approach was utilized for one-time professional services, interfund charges and transfers.
- The City Manager's Recommended Budget anticipates issuing debt for the 60% portion of the cost of new public works operations campus in 2026. The debt service has already been included in the 6% annual rate increases in the water utility in 2023-2024 and no further adjustments are needed. No new general debt is recommended to be issued in the upcoming biennium; however, there will be a need to issue debt to fund the constructions costs of fire stations 3 and 6 replacements in the next biennial budget.
- The ARPA funding will be spent during the next two years on the Main Street project, Fourth Plain Corridor investments, and Bagley Park.
- A robust capital program is included in the Recommended Budget, funded by designated capital resources, specifically, the additional Sales Tax added by the Transportation Benefits District for complete streets program funding, increased business license surcharge revenue and increased parks impact fee revenues. Some of the highlights of funded projects include City Hall Plaza construction in concert with the Waterfront Gateway Development, the Heights Loop and Plaza construction, Connector trail along the 18th St extension will be advanced, Stations 3, 6 will be designed and construction started, the Chkalov building remodel is anticipated to be completed in 2026 and the replacement operations campus will be in construction during the next biennium. The affordable housing property tax is anticipated to fund several new affordable housing projects within city limits as well.

Executive Summary

Forecast

The original 2025-2030 forecast included a \$43 million two-year shortfall over the 2025-2026 biennium and an additional \$7-8 million shortfall during 2027-2030. Vancouver's original revenue forecast remained unchanged, with sales tax as the City's most volatile source of funding. It is directly linked to the state of the economy, and it fluctuates accordingly. The last twelve months of sales tax collections indicate flattening in the rate of growth of this revenue. This particular revenue is on track to come \$2 million below forecast in 2024. Staff will be monitoring the revenues closely and will utilize the reserve, if necessary.

The 2025-2026 City Manager's Recommended Budget has been carefully crafted to align the City's Strategic Plan, and the Council and community's priorities and expectations within the existing resource constraints. The recommended budget reflects the following themes: assure a firm foundation; implement several high priority initiatives; advance key strategic projects; and continue crafting a long-term strategy for sustainable city services.

Executive Summary

High Performing Government

The Recommended Budget rebuilds City reserves and depreciation accounts to the levels dictated in the Council's adopted financial policies while maintaining adequate operating capital throughout the biennium.

The following are some highlights from the Recommended Budget consistent with this key initiative:

- The budget maintains operating capital and funds a full reserve and depreciation regimen in the General Fund to the levels dictated in the financial policies.
- Budget reductions included in the Recommended Budget were crafted to minimize impact on residents of the City.
- Utility funds added 17 new FTE addressing mostly the capital program needs in the next biennium.
- The budget assures the competitiveness needed to retain and recruit workers by maintaining compensation market relevance. A current market study is anticipated to wrap up in the next few months. The budget proposes to fund 90% of employee and 80% of dependent's coverage for employees not covered by labor agreements.
- The budget recommends starting a proactive outreach program to small and historically disadvantaged businesses, including those owned by minority, women residents in the City designed to help them navigate state certification and become more successful in bidding on city projects.

Executive Summary

Safe and Prepared Community

- One (1.0) FTE support staff is recommended to be eliminated. Five (5.0) FTE corporal positions are being reclassified and shifted to patrol. Two (2.0) FTE sergeant positions are also being recommended to be shifted to patrol.
- Three (3.0) FTE positions are eliminated in Fire, all non-uniformed support positions. Inflationary increases in Fire have eroded the capacity originally included in Proposition 2 that was dedicated to capital. The budget anticipates tapping the City's banked capacity created with passage of this Proposition to start funding capital investments in fire stations that was included in the Proposition.
- The Recommended Budget continues funding for coordination of the City's efforts to respond to houselessness. A total of one Safe Park and four Supported Campsite Programs are recommended to continue to be funded. The budget also recommends implementing B & O on Retail in 2026 to fund operating and capital costs of the new shelter that would house 150 individuals and provide additional services.

Climate and Natural Systems

- A dedicated position in the City Manager's Office (CMO) is continued to be funded to further community engagement around the City's Climate Action Plan initiatives.
- Funding appropriated in 2024 for solar panels to city buildings, replace lights with LED lights in City facilities is being carried forward to complete these projects. The study of the best locations for creating a citywide net of electric charges for city vehicles is underway. A pilot project in Parking is recommended, converting parking enforcement vehicles to electric in the 2025-26 biennium.

Executive Summary

- The Budget includes seed funding to leverage potential federal and state grant funds in support of a Firstenburg solar panel project, furthering its Climate Action goals.
- The Citywide trail program recommends building a trail segment connecting Burnt Bridge Creek to the existing trail along 18th Street to allow for citywide movement of pedestrians and bikes, and facilitating moving residents from vehicles to alternate modes of transportation.

Vibrant and District Neighborhoods and Economic Opportunity

- Almost \$25 million in ARPA federal funds is being appropriated to construct an array of projects in the Fourth Plain Corridor in the next two-year time period.
- Several new/updated parks will provide new resources for areas of the City with economically disadvantaged residents. New parks are expected to include amenities for older children and teens. Parks investments are creating new unique experiences for children and parents alike.
- A significant portion of the City Utility program will be investing in replacement and repair of infrastructure in the areas of the City with lower residential incomes.
- Four major scale economic development projects continue through the next biennium to modernize different parts of the City, including the Heights, Section 30, Fourth Plain and Waterfront Gateway.

Culture and Heritage

- The Recommended budget extends funding for the Vancouver Arts Festival for one more year and supports a number of concerts in city parks that remain free for city residents.

Executive Summary

- The Budget anticipates a completed design for the Arts Hub in the biennium.
- The Budget includes a recommendation of implementing a 1/10 of 1% cultural access sales tax. A portion of the revenue (5%) is recommended to fund school children access to arts program, another 5% is recommended to be set aside for grants and the remainder of the funding is recommended to fund capital investments into the arts and cultural facilities in the Vancouver Arts District.

Advance Key Strategic Capital Projects and Programs

There are a number of key strategic projects the City has undertaken that will play a transformative role in the City's evolution. These include funding of the design of the **Public Works Operations Center**, which will occur over the next two biennia and will result in a vastly more efficient, effective, and resilient facility that will better meet our daily operating and emergency response needs. It also includes civic planning efforts, such as designing public infrastructure at the Heights Redevelopment Area, furthering efforts in the **Waterfront Gateway** and wrapping up the **City's Comprehensive Plan Update** (the guiding policy for hundreds of millions of dollars in future City investments). An update to the City's Center Vision is also included in the Budget.

Vancouver has more than \$2 billion in total capital assets (buildings, streets, land, utility lines, etc.). Stewardship of these capital assets is crucial to efficient, effective, and sustainable service delivery. While the true cost of managing these assets throughout their lifetime is daunting, the City is positioned to begin making meaningful, strategic investments in our assets without needing new debt.

Executive Summary

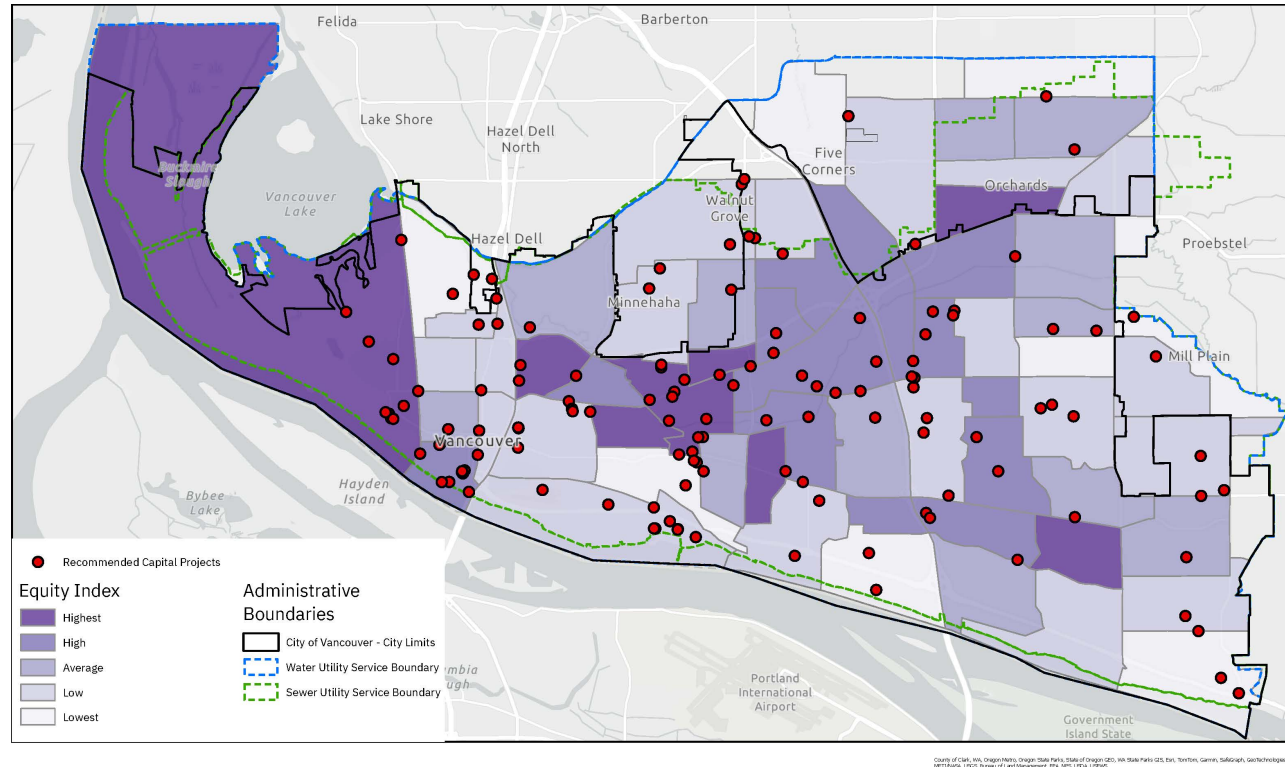

The following are highlights of the capital projects included in the Recommended Budget.

- A total of \$116.8 million is included in the Recommended Budget for investment in fire stations, police facilities, and general capital. Following are some of the major projects in these areas:
 - A total of \$20 million for design and construction of a new Police Headquarters facility.
 - Completing the design of the new City of Vancouver Arts Facility.
 - Finishing the design and starting construction of the new Operations Center. The project will likely go into construction in 2026.
 - Fire Station 8 remodel and design of Fire Stations 3 and 6 are included in the 2025-2026 Biennial Budget, relying on the City's property tax banked capacity.
 - A total of \$10 million is set aside for asset management of City and Fire facilities. A number of asset management projects are recommended, including roof replacements, major maintenance, sealing, painting, and HVAC repair.
- The Recommended Budget includes a \$109.9 million investment in City streets. Major projects include \$21.8 million for ROW purchases and design of road infrastructure in the Heights, \$15.9 million for Main Street Project, funded by a combination of ARPA and the General Capital local match to ARPA, \$2 million for SE 1st from 177th to 192nd St, \$7.6 million for Multi-Modal Safety and Accessibility Program, \$6.5 million for Mill Plain/MacArthur intersection improvements, and \$5.8 million for Safe Routes for All Projects.

Executive Summary

- Parks capital includes a total of \$40 million in funding, including an estimated \$7 million in ARPA funds for Bagley park and several playground replacements in the Fourth Plain corridor. Included in the Parks Capital program is purchase of land for new parks in PIF district 4, including Fishers Quarry and Vancouver Innovation Center Park and \$4 million for development of the new connector trail between the Burnt Bridge Creek Trail and the trail along 18th Street. Two new urban plazas are funded in the Recommended Budget – the Heights Plaza and the Waterfront Gateway Plaza. The next planned two-year increase in PIF rates, supported by City Council as part of a six-year PIF rate stabilization program adopted in 2022, are included in the Recommended Budget.
- Utilities projects totaling \$173.3 million include: Capital Water program of \$95.3 million, some projects include: \$54.2 for Operations Center Redevelopment, \$10 million for Water Station 14 Polyfluoroalkyl Substances (PFAS) Treatment System, \$5.4 million for Ellsworth Well 1 Replacement, and \$3.9 million for Burton Road Transmission Main (T-34) improvements. The Wastewater capital program totals \$62.5 million; some highlights include: \$9.7 million for Capital Preservation, Compliance, and Collection Improvements, \$5.5 million for Marine Park Phase 2A, \$5.2 million E-Interceptor Rehab Phase 3, \$4.0 million for Interceptor Rehabilitation. The Surface Water capital program totals \$15.5 million; some projects include \$3.6 million for Fruit Valley Neighborhood Storm Retrofit, \$3.2 million for Columbia Slope Culvert – Mill Creek, \$2.3 million for West 22nd Street and Thompson, \$1.4 million for Columbia Way to Columbia River Retrofits, and \$900 thousand for Downtown Capacity Analysis and Upgrade.

Executive Summary

Conclusion

The Recommended Budget addresses the top priorities of the community, utilizing both ongoing and one-time City resources, to further the aspirational vision for the City of Vancouver. The budget is balanced by using ongoing revenues, and one-time expenses are funded by existing cash or one-time revenues. The budget sets initiatives in place that will bear financial savings in future biennia and will temper the growth in City expenditures.

The following sections include detailed recommendations by fund, department, and project for the entire City. A detailed listing of all the decision packages submitted is also included in the report. This report is posted on the City website for public review.

Strategic Planning Summary

The Strategic Plan, adopted by City Council in 2023, is built on core values and focus areas affirmed by the Council and community engagement that included the development of a community vision. A project team attended Council workshops and retreats, conducted interviews with community-based organizations and partners, convened a 16-person advisory committee, and engaged the public through the visioning process to learn about priorities for the future. The project team also worked closely with City staff to ensure the proposed strategic outcomes and metrics were realistic and aligned with other planning efforts.

In preparing the 2025-2026 Biennial Budget, departments submitted performance packets identifying objectives aligned with the strategic plan's focus areas. This section includes each focus area and the associated department objectives.

A community survey conducted in June 2024 indicated that budget priorities remain consistent with research from 2022: police and fire are at the top of the priority list, as is maintaining streets and managing traffic flow and access to affordable housing for residents of all income levels. This information helped shape the allocation of funds for the next two years. The City continues to advance its focus and work on resilience, social and economic recovery and growth, and enhancing safety and livability for the entire community.

Strategic Planning Summary

Community Vision - where we want to be

Vancouver is an equitable and prosperous community, which ensures that all residents, businesses and organizations benefit from the growth and advancement we make together. Vancouver will be recognized for our quality of life, as evidenced by affordable housing in vibrant, safe and walkable neighborhoods, access to jobs and economic opportunity for all, and leading-edge efforts to address climate change.

Core Values - how we will do our work

The core values guide a vision for engaging with the public and help re-imagine City structures, practices, and policies.

- Livability
- Sustainability and Resiliency
- Equity and Inclusion
- Community Trust and Relationships
- Innovation

Focus Areas - defines topics of priority and methods to measure

- Culture & Heritage
- High Performing Government
- Climate & Natural Systems
- Safe & Prepared Community
- Economic Opportunity
- Transportation & Mobility
- Housing & Human Needs
- Vibrant & Distinct Neighborhoods

Culture & Heritage

Vancouver celebrates culture and heritage. Public events, museums, cultural centers, concerts, and exhibits offer opportunities for communities to learn about different cultures and experiences.

Outcomes

Well-attended public events
Museums with a diversity of exhibits
Access to art and music events

Community Indicators

Arts-Related Businesses
Economic Impact
Creative Vitality Index

Performance Measures

Participation in Arts, Culture, and Heritage Experiences

Direct and Indirect Investment in Arts, Culture, and Heritage

Geographic Distribution of Arts, Culture, and Heritage Resources

Objectives

Parks Recreation and Cultural Services - Advance the design of the arts hub facility and complete initial improvements that expand use and engage the community.

Climate & Natural Systems

Environmental stewardship and efforts to address climate change ensure that everyone has a sustainable future. We recognize the intrinsic value of the land beyond the economic benefits it provides. Vancouver protects, restores, and cares for the natural environment upon which all living things depend. The health of our natural systems supports the health of all who live, work, and play in our community.

Outcomes

Land valued beyond economic benefits
Protection and restoration of natural resources
Healthy natural systems
Environmental stewardship and efforts to address climate change ensure that everyone has a sustainable future.

Community Indicators

Greenhouse gas emissions
Waste Diversion
Tree Canopy
Parkland Acreage per 1,000 Residents

Performance Measures

Wastewater Solids Renewal Program
Proximity to Parks
PFAS Regulatory Compliance
Parking Demand Program
Organic Waste Sent to Landfill
GHG Emissions Inventory
GHG Emissions Goals
Business Inspections
Increase Naturespaces
Planting of large caliper trees
Monitor National Pollutant Discharge Elimination System (NPDES) Permit noncompliance notices and maintain 100% compliance as issued by the Washington State Department of Ecology.

Climate & Natural Systems

Environmental stewardship and efforts to address climate change ensure that everyone has a sustainable future. We recognize the intrinsic value of the land beyond the economic benefits it provides. Vancouver protects, restores, and cares for the natural environment upon which all living things depend. The health of our natural systems supports the health of all who live, work, and play in our community.

Objectives

City Manager's Office - Lead the City's climate action program. Track progress of citywide policy implementation and revise Climate Action Framework based on updated GHG inventory and Council direction.

Parks Recreation and Cultural Services - Complete the acquisition and design for the park at the Vancouver Innovation Center.

Parks Recreation and Cultural Services - Collaborate with Public Works and community volunteers to advance new Naturespaces sites as planned.

Public Works - Increase diversion of organics and food waste disposal from landfills by 5% annually. The Solid Waste program is

responsive to mandates established under Washington State House Bill 1799 (HB1799) and will continue to support regional priorities including food waste prevention and long-term disposal and treatment of food waste through solids planning processes with Utilities Engineering.

Public Works - Plant 1,800 large caliper trees annually to outpace tree mortality and expand the urban tree canopy to maximize the many benefits trees provide, including clean air and water, and to ensure a healthy, green Vancouver for future generations.

Climate & Natural Systems

Environmental stewardship and efforts to address climate change ensure that everyone has a sustainable future. We recognize the intrinsic value of the land beyond the economic benefits it provides. Vancouver protects, restores, and cares for the natural environment upon which all living things depend. The health of our natural systems supports the health of all who live, work, and play in our community.

Objectives continued...

Public Works - Inspire connections between healthy water and people through education, exploration, and stewardship of the natural world. New exhibits will provide new programs that will bring more visitors to the Water Center, enhance curriculum, and serve a broader range of students visiting during educational field trips.

Public Works - Eliminate water pollution by regulating point sources that discharge into surface waters and ensure that discharges are not harmful to public health and the environment.

Economic Opportunity

Vancouver is a place where a wide variety of businesses of all sizes, from young startups to established enterprises, grow and thrive. A host of education and training opportunities bring prosperity to those who live here and provide a skilled workforce for companies.

Outcomes

Thriving businesses – new and established

Workforce skills match business needs

Training and education opportunities available to community members

City services and programs that enhance quality of life and community prosperity

Community Indicators

Per Capita Income

Median Household Income

Economic Opportunity

Vancouver is a place where a wide variety of businesses of all sizes, from young startups to established enterprises, grow and thrive. A host of education and training opportunities bring prosperity to those who live here and provide a skilled workforce for companies.

Objectives

Economic Prosperity and Housing - Successful retention of 95% of Main Street businesses within the Main Street Promise project corridor during and after construction by end of FY 2026.

Economic Prosperity and Housing - Establishment of a new, local small businesses access to capital program by end of FY 2026.

Economic Prosperity and Housing - Establishment of a local small business/startup incubator program by end of FY 2026.

Housing & Human Needs

Vancouver meets basic needs and partners with organizations to support its communities. All communities have access to safe and affordable housing, healthcare, food, transportation, education, and dependable access to utilities.

Outcomes

All communities have basic needs met.

Partnerships between the City and organizations support its communities

Access to safe and affordable housing, transportation, and dependable utilities.

Housing & Human Needs

Vancouver meets basic needs and partners with organizations to support its communities. All communities have access to safe and affordable housing, healthcare, food, transportation, education, and dependable access to utilities.

Performance Measures

City Attorney's Office - Number of contacts between homeless service providers and individuals accused of quality-of-life offenses.

City Manager's Office - Reduced demand on emergency services related to unsheltered homeless, occupancy rate, and homeless service provider.

Community Development Department - Establish and start to implement a 10-Year Action Plan to increase equity and address geographic and identity-based disparities in access to essential places and services.

Economic Prosperity and Housing - Number of households stably rehoused.

Economic Prosperity and Housing - Number of households supported with safety net services.

Economic Prosperity and Housing - Amount of non-city resources leveraged by city housing funding.

Economic Prosperity and Housing – number of first-time homebuyers purchasing an affordable home.

Office of Equity and Inclusion - ADA compliance, Reduction in complaints about barriers for community members with disabilities.

Office of Equity and Inclusion - Reduce bias incidents, support healthy conflict, and prevent the creation of harm.

Housing & Human Needs

Vancouver meets basic needs and partners with organizations to support its communities. All communities have access to safe and affordable housing, healthcare, food, transportation, education, and dependable access to utilities.

Objectives

City Attorney's Office - Increase contacts between individuals experiencing unsheltered homelessness and homeless service providers through community court.

City Manager's Office - Collaborate with key partners and define roles and responsibilities to successfully open and operate a bridge shelter while maintaining existing Safe Stay Communities.

City Manager's Office - Provide services, including more shelter beds, medication assistance treatment (MAT) program and expanded HART, to promote harm reduction and prevent crisis situations.

Community Development Department – Increase the supply and range of housing options available in the community through process and code changes that remove barriers and expedite the permit and approval process.

Community Development Department – Develop a citywide Equitable Development Plan that

Identifies strategies, programs, tools, and geographic focus areas for advancing equity across the community.

Economic Prosperity and Housing – Complete Waterfront Gateway design and break ground by Q2 2026

Economic Prosperity and Housing –Finalize development agreements on the first of 3 development sites in the Heights District by Q2 2025 and break ground by end of FY 2026

Economic Prosperity and Housing - Identification and implementation of a new funding tool/incentive to support housing and commercial redevelopment in the downtown Opportunity Areas identified in the Downtown Redevelopment Study by Q1 2026.

Economic Prosperity and Housing - Finalize a District Plan for the redevelopment of the Fourth Plain Operations Center Site based on the community's vision by end of FY 2026.

Housing & Human Needs

Vancouver meets basic needs and partners with organizations to support its communities. All communities have access to safe and affordable housing, healthcare, food, transportation, education, and dependable access to utilities

Objectives continued...

Economic Prosperity and Housing - Support at least 50 households per year exiting homelessness with rental assistance, housing supports and case management.

Economic Prosperity and Housing - Support 500 households per year through services including emergency shelter, childcare, homeless outreach, and food assistance.

Economic Prosperity and Housing - Achieve leverage on all housing investments of 10:1 for all awards in 2025 and 2026.

Economic Prosperity and Housing - Fund homeownership opportunities for 10 homeowners with low to moderate income annually by FY2025.

Office of Equity and Inclusion - Completion of the self-evaluation (of organization) and then the ADA transition plan. Evaluate city-owned properties, streets and sidewalks, and programming and services.

Office of Equity and Inclusion - Launch the Language Access Plan Across the City. Individuals with limited English, blind or vision impaired, are deaf or hard of hearing with have access to translation or interpretation of City services and programs.

Office of Equity and Inclusion - Integration of restorative practices and trauma informed decision making.

High Performing Government

Vancouver's government is reliable, fiscally responsible, equitable, and open to compromise. Decision-making processes are transparent. City leaders have integrity and work with the community to plan for the future.

Outcomes

Fiscally Responsible organization
Reliable government
Transparent, efficient, and effective decision-making processes
Equitable processes
Open to compromise
City leaders who follow through on actions, policies, and commitments.
Leadership that aligns community needs with strategic planning and City operations.

Community Indicators

Resident satisfaction with municipal services
Price of government
Bond rating

Performance Measures

Workforce profile alignment
Open Data Hub datasets
Legal and regulatory training
Female Police Department staff
Employee satisfaction and engagement
Audit results

High Performing Government

Vancouver's government is reliable, fiscally responsible, equitable, and open to compromise. Decision-making processes are transparent. City leaders have integrity and work with the community to plan for the future.

Performance Measures

City Attorney's Office - Number of legal opinions and instruments created on an annual basis; Percentage of clients that rate legal advice as timely and useful.

City Attorney's Office - % of City managers, directors, officials and board/commission who receive necessary training within 1-year of program rollout, appointment, or hire.

City Attorney's Office - Number of active civil litigation cases open at the end of the first fiscal quarter of each year.

City Attorney's Office - Serve as "keeper of the code" for the Vancouver Municipal Code (VMC), legal instruments, and forms, providing biennial updates as needed.

City Attorney's Office - Prosecute crimes and refer matters, as appropriate, to diversion and/or specialty courts.

City Attorney's Office - % of cases containing complete and accurate information in all eProsecutor prosecution case metric fields.

Communications - 5% increase in "How well of a job do you think the Vancouver City government is doing keeping residents informed."

Communications - Improve average engagement rates on video content across social channels by 20% as measured by social media analytics.

Communications - Reach of city social media platforms (Instagram, Twitter, Facebook, etc.)

- Followers of social media platforms (Instagram, Twitter, Facebook, etc.)
- Subscribers to Vancouver Connects monthly e-newsletter
- Subscriber open-rate of Vancouver Connects monthly e-newsletter
- Website pageviews

High Performing Government

Vancouver's government is reliable, fiscally responsible, equitable, and open to compromise. Decision-making processes are transparent. City leaders have integrity and work with the community to plan for the future.

Performance Measures continued...

Communications - 10% increase in engagement and positive sentiment on social media content related to street and transportation construction.

Community Development Department - Project Completion. After implementation, track customer satisfaction with new payment option through surveys and/or number of days to collect payment for permit.

Financial and Management Services - ACFR completed by June 30, Timely processing of loan payments

Financial and Management Services - Increase the number of training materials available in Workday Learning and on Currents (City's intranet site).

Financial and Management Services - Decrease the time it takes to evaluate asset removals and replacements, increase the reliability of the balance sheet.

Financial and Management Services - Successful implementation of new revenue programs, processes and policies.

General Services - Satisfaction levels of the community members using public properties.

Public Works - Achieve an annual average of less than 10% for both the number and dollar amount of change orders compared to the original contract amount, while minimizing the number of additional working days added to construction contracts due to change orders.

Public Works - Limit consultant contract labor to less than 20% of total project management hours on capital construction projects by the end of FY 2026.

Public Works - % of development reviews completed within required timelines. Target: Complete 95% of all private development reviews within required timelines. Decrease the amount of time between development application and approval by 50%.

High Performing Government

Vancouver's government is reliable, fiscally responsible, equitable, and open to compromise. Decision-making processes are transparent. City leaders have integrity and work with the community to plan for the future.

Performance Measures continued...

Public Works - PFAS Regulatory Compliance.
Number of water sources mitigated or treated for PFAS; % level of PFAS above regulation in water system.

High Performing Government

Vancouver's government is reliable, fiscally responsible, equitable, and open to compromise. Decision-making processes are transparent. City leaders have integrity and work with the community to plan for the future.

Objectives

City Attorney's Office - Provide legal advice to City officials, managers, and employees. Advise city elected officials, supervisors, and board/commission members in their legal roles, duties and powers.

City Attorney's Office - Train City leaders in their legal roles, duties and powers so that City elected officials, supervisors, and board/commission members will understand their legal roles, duties and powers.

City Attorney's Office - Represent City officials and employees in legal proceedings.

City Attorney's Office - Achieve 90% or better accuracy in data reporting. Enable informed decision-making by future City leaders on deployment of prosecution resources.

Communications - Increase the number of Vancouver residents who have positive sentiments regarding how well the City government keeps them informed.

Communications - Create and share compelling video content for strategic and council priorities that resonates with viewers and drives engagement and positive sentiment such as sharing, liking, commenting, or following.

Communications - Grow engagement and reach in key communication channels to increase awareness, drive engagement, and create a positive sentiment for the city's brand, work/programs, and strategic and council priorities.

Communications - To deliver the most complete, timely, and accurate information related to Public Works projects through City digital channels.

Community Development Department - Ensure an efficient and predictable permitting process through the implementation of a more effective online payment portal to replace the existing Dynamic Portal. Complete Phase 2 of project in 2025.

High Performing Government

Vancouver's government is reliable, fiscally responsible, equitable, and open to compromise. Decision-making processes are transparent. City leaders have integrity and work with the community to plan for the future.

Objectives continued...

Community Development Department - Ensure an efficient and predictable permitting system through expanded remote inspection options and updated text-based inspection request window.

Parks Recreation and Cultural Services - In response to reduced resources, recreation services will be more focused on core programs and activities. Updated fees will also be implemented. We will work to ensure the community, and our staff understand the reasons for the changes and have information about all options that are available.

Financial and Management Services - Improve the delivery of the Annual Consolidated Financial Report and streamline loan administration through technology enhancements and process efficiencies.

Financial and Management Services - Develop, deliver and maintain training programs related to Financial and Management Services.

Financial and Management Services - Streamline capital asset management.

Financial and Management Services - Implementation of data governance projects identified for years one and two in the Data Management Strategy and Workplan.

Financial and Management Services - Create an effective way to collect and audit the new and existing revenues of the City.

General Services - Continue to improve access to City of Vancouver records for employees and the public. Provide transparency to the public by tracking the volume, types, status of Public Disclosure Requests.

General Services - Effectively manage City-owned properties to ensure that they serve the public needs while maintaining operational efficiency and financial sustainability.

High Performing Government

Vancouver's government is reliable, fiscally responsible, equitable, and open to compromise. Decision-making processes are transparent. City leaders have integrity and work with the community to plan for the future.

Objectives continued...

Human Resources - Partner with Information Technology to implement the Leave/Absence module in Workday that will automate processes, streamline work, reduce errors, and improve the employee experience related to requesting and tracking protected leave.

Human Resources - Improve and streamline Human Resources processes where possible; enhance overall service delivery and online resources to assist employees; and optimize overall the experience employees and candidates have with Human Resources.

Human Resources - Enhance recruitment and outreach efforts to continue to attract top talent and promote the City of Vancouver as a strong employer with a positive and welcoming culture.

Human Resources - Successfully negotiate collective bargaining contracts by individual expiration dates that effectively balance fiscal sustainability and union requests supporting organizational values.

Information Technology - Reduce costs and increase efficiencies by replacing the City's old legacy phone system with one that leverages the City's investment in Microsoft Teams, reduces on-going maintenance and support, and utilizes a common communication platform.

Information Technology - Migrate the City's Infor for Public Sector system, which operates within the City's data center, to a newer Software as a Service (SaaS) version hosted in the cloud by Infor to reduce dependency on the City's data center, reduce dependency on Oracle databases and infrastructure, and simplify future system upgrades.

Information Technology - To reduce software costs by decreasing software licenses, consolidating software systems and eliminating duplicate maintenance costs.

High Performing Government

Vancouver's government is reliable, fiscally responsible, equitable, and open to compromise. Decision-making processes are transparent. City leaders have integrity and work with the community to plan for the future.

Objectives continued...

Public Works - Geographic Information Systems (GIS) team will map new city infrastructure improvements from at least 100 construction projects per year into the GIS system as new assets.

Public Works - Business Services will increase the number of utility customers enrolled in e-billing and recurring payments by 5% each year.

Public Works - Business Services will maintain call wait times at or below 2023 levels recognizing that a single dissatisfactory caller interaction can quickly undermine confidence in the city's utilities.

Public Works - Minimize the impact of construction contract change orders on project budgets and schedules to ensure financial efficiency and project integrity.

Public Works - Utilize the expertise of City staff to complete the capital construction workplan, aiming to reduce reliance on consultant contract employees. By the end of FY 2026, limit consultant contract labor to less than 20% of total project management hours.

Public Works - Ensure Pearson Airport operations are self-sustaining by conducting a comparison of hangar rates and adjustments to remain competitive with other airports. This effort will be ongoing and reviewed annually to ensure rates are sufficient for 100% of operating costs including reserves needed for capital projects.

Public Works - Decrease development review timeframes to reduce resident and developer frustrations.

Public Works - Provide excellent resource planning and consistent capital workplan activities to support the review and recommendations for future utility rate setting for each utility.

High Performing Government

Vancouver's government is reliable, fiscally responsible, equitable, and open to compromise. Decision-making processes are transparent. City leaders have integrity and work with the community to plan for the future.

Objectives continued...

Public Works - Continue to follow new per- and polyfluoroalkyl substances (PFAS) regulations closely and complete mitigation and treatment projects at municipal water sources by the end of FY 2028. Utilities Engineering understands PFAS in the water system can decrease confidence in the city's municipal water utilities and will continually monitor PFAS levels and communicate results to the community in addition to treatment and mitigation.

Risk and Safety- Reduce average cost of non-litigated claim by 10%. This measure is important because it reflects claim complexity and effectiveness of claim management. Conducting a thorough investigation of first and third-party bodily injury and property damage claims and determining if there is any negligence. When necessary, negotiating a successful resolution based on liability and facts of the claim.

Risk and Safety - Department trainings to create greater understanding of Workers' Compensation incident/injury to facilitate claim reporting.

Risk and Safety - Ergonomic Self-Assessment tool in Origami to reduce RSI incidents. Ensure correct ergonomic workstation set up.

Risk and Safety – Decrease the timeframe for open, non-litigated General Liability claims.

Risk and Safety - Continue to increase the number of cases in recovery for subrogation and restitution matters whereas the City of Vancouver is the claimant and/or victim.

Vancouver Fire Department - Create environment where social equity can thrive.

High Performing Government

Vancouver's government is reliable, fiscally responsible, equitable, and open to compromise. Decision-making processes are transparent. City leaders have integrity and work with the community to plan for the future.

Objectives continued...

Vancouver Fire Department - Continue to successfully prioritize and compete for grants at the regional, state, and federal levels; Continue to fund and execute apparatus replacement program per industry standards.

Vancouver Police Department - Increase diversity within the Vancouver Police Department to more closely align with the community we serve and in parallel with our 30x30 pledge.

Vancouver Police Department - Develop formal retention plan. Implement strategies for officer wellness, measure and identify wellness services and components.

Safe & Prepared Community

Vancouver feels like a safe place to live, work, learn, and play. All communities are free from violence and crime and care for each other in times of need. Communities understand what to do in times of crisis because Vancouver plans for disasters and is ready to adapt to change. All communities have dependable access to utilities and buildings, bridges, and roads are designed to be modern, safe, inclusive, and accessible.

Outcomes

Effective emergency prevention and preparation strategies.

Well-executed emergency responses.

City services and future growth facilitated by high-quality public infrastructure and facilities

Communities free from violence and crime.

Community Indicators

Residents' Perception of Safety

Residents' Perception of Preparedness

Performance Measures

Fire Response Time

Training Events

Community for Disaster Building Assessment

Building Seismic Code

Cases resolved through successful completion of diversion/therapy court or conviction.

Disaster-ready Emergency Operations Center capability and upgraded Emergency Operations Plan.

Calls for service responded to within 72 hours when reported by HART; smaller calls responded to within one business day.

Water system leaks repaired within 24 hours.

Safe & Prepared Community

Vancouver feels like a safe place to live, work, learn, and play. All communities are free from violence and crime and care for each other in times of need. Communities understand what to do in times of crisis because Vancouver plans for disasters and is ready to adapt to change. All communities have dependable access to utilities and buildings, bridges, and roads are designed to be modern, safe, inclusive, and accessible.

Objectives

City Attorney's Office - Prosecute crimes and refer matters, as appropriate, to diversion and/or specialty courts.

General Services - Improve the City's capability to effectively manage response to and recovery from a major natural or human-caused disaster.

General Services - Provide city-wide capital project management over design and construction for the delivery of high-performing and efficient facilities.

General Services - Effectively maintain our City buildings and effectively manage the capital project budget.

Public Works - Operations and Maintenance will respond to calls for homeless encampment and litter cleanup within 72 hours when reported by HART or other community partnership team; in addition, smaller roadside cleanups will be responded to within one business day. Public Works recognizes that litter cleanup is a high

priority issue and can impact community perceptions of safety and wellbeing.

Public Works - Operations and Maintenance will enhance the safety and quality of life for residents by maintaining well-functioning and safe public infrastructure.

Public Works - Operations and Maintenance will implement proactive maintenance programs and infrastructure upgrades to minimize downtime and extend the lifespan of critical assets.

Public Works - Operations and Maintenance will repair system leaks within 24 hours to provide customers with safe and reliable drinking water. Maintenance of the existing aging water system is crucial to providing access to water for the community and includes proactive maintenance of hydrants, valves, wells, and booster systems. Public Works will also explore Automated Meter Reading and Advanced Metering Infrastructure technology to identify system leaks before a large system failure.

Safe & Prepared Community

Vancouver feels like a safe place to live, work, learn, and play. All communities are free from violence and crime and care for each other in times of need. Communities understand what to do in times of crisis because Vancouver plans for disasters and is ready to adapt to change. All communities have dependable access to utilities and buildings, bridges, and roads are designed to be modern, safe, inclusive, and accessible

Objectives continued...

Vancouver Fire Department - Meet Standard of Cover response goals for fire and emergency medical response.

Vancouver Fire Department - Strategically plan for future growth within service area.

Vancouver Fire Department - Determine fire origin and fire cause by conducting systematic, thorough, and professional investigations that concurrently increase the arrest and conviction rate for fire related crimes and decrease “preventable” caused fires (cooking, smoking, candles, etc.).

Vancouver Police Department - Decrease crime rates by implementing projects and programs.

Vancouver Police Department - Improve efficiency and enhance safety through the adoption of new technologies that extend our

ability to support community safety.

Vancouver Police Department - Increase staffing to more adequately meet the demand for police services.

Transportation & Mobility

Vancouver has a safe, future-ready and convenient transportation system that offers affordable and climate-friendly options for people to get where they need to be. All community members can walk, roll, bike, drive, and take transit to reach their destination. Vancouver considers the needs of different communities when designing transportation infrastructure and prioritizes equity. Vancouver's transportation network supports the local and regional economy and facilitates the movement of goods in addition to people.

Outcomes

A transportation system that supports multi-modal movement of people and goods.

Strategies and programs that create a safe, equitable and future-ready transportation system.

More community members are using climate-friendly options to move about.

Community Indicators

Mode Split

Transportation User Experience

Transportation Fatalities and Serious Injuries

Number of Complete Streets projects completed

Transportation & Mobility

Vancouver has a safe, future-ready and convenient transportation system that offers affordable and climate-friendly options for people to get where they need to be. All community members can walk, roll, bike, drive, and take transit to reach their destination. Vancouver considers the needs of different communities when designing transportation infrastructure and prioritizes equity. Vancouver's transportation network supports the local and regional economy and facilitates the movement of goods in addition to people.

Objectives

Community Development Department - Increase access to safe multimodal transportation options by completing four Complete Streets retrofit projects with the Pavement Management Program.

Economic Prosperity and Housing - Increase weekday parking enforcement and add weekend parking enforcement by the end of FY 2025.

Economic Prosperity and Housing - Create a public/private shared parking framework and execute three pilot agreements with private owners by the end of FY 2026.

Economic Prosperity and Housing – Redistribute parking throughout the downtown Parking Management Area by increasing utilization in subareas with significant capacity.

Economic Prosperity and Housing – Implement new wayfinding signs downtown for residents and visitors by the end of FY 2026.

Public Works - Implement sidewalk repair assistance program for property owners in Summer 2025.

Public Works - Administer and execute transportation projects in alignment with the Transportation Improvement Program.

Public Works - Secure grants to leverage City funding of Transportation projects. Maintain 95% budgetary constraints for Complete Streets program.

Vibrant & Distinct Neighborhoods

Vancouver offers a variety of accessible places and spaces to interact and enjoy nature, art, culture, food, shopping, and community. Neighbors care for each other and show up in times of need.

Outcomes

City services and programs that enhance quality of life and community prosperity.

Positive interactions between city staff, law enforcement and community members that builds trust.

Community Indicators

Neighborhood Cohesion

Diversity of Businesses

Business Districts Assessment

Performance Measures

Existence of Key Businesses

Proximity to Services

Active Neighborhood Associations

Community Surveys

Adopt updated Comprehensive Plan

Vibrant & Distinct Neighborhoods

Vancouver offers a variety of accessible places and spaces to interact and enjoy nature, art, culture, food, shopping, and community. Neighbors care for each other and show up in times of need.

Objectives

Communications - Increase feelings of safety and community connection by providing neighborhood and community groups with tools, training, and leadership development.

Community Development Department - Manage growth and development to achieve City policy priorities related to housing, climate, economic opportunity and environmental stewardship through adoption and implementation of an updated 2025-2045 Comprehensive Plan and Title 20 Development Code.

Parks Recreation and Cultural Services - Complete design and begin construction of new community park facilities at Oakbrook, Shaffer, Bagley, the Heights and Waterfront Gateway to increase the acres of park land per residents. Complete replacement of aged playground equipment at Fruit Valley and Homestead neighborhood parks.

City Financial Policies

In addition to following all laws related to budgeting as outlined by the Revised Code of Washington (RCW) 35, the City has internal Financial Management Policies that are adopted by the City Council and reviewed every two years during the budget development process. The Financial Management Policies are a compendium of all city policies that shape the budget. The policies ensure that the City maintains a healthy financial foundation into the future. The goal of these policies is to promote:

- An extended financial planning horizon to increase awareness of future potential challenges and opportunities.
- Setting aside reserves for contingencies, replacement of capital equipment, and other similar needs.
- Maintaining the effective buying power of fees and charges and modifying cost recovery targets when appropriate.
- Accountability for meeting standards for financial management and efficiency in providing services.
- Management of the City's physical assets to provide sustainable service levels into the future.
- Planning for the capital needs of the community and managing them for future use by citizens.
- Improved equity for those we serve through investments and revenue structures.
- An emphasis on improving community safety through strategic deployment of the City's financial resources.
- Improving the City's overall impact on climate change.
- Maintaining appropriate levels of debt while ensuring quality bond ratings.
- Investing public funds to provide maximum security with appropriate returns and timely liquidity.
- Communication to residents and customers on how the community goals are being addressed.

City Financial Policies

The policy statements are grouped by major category in alignment with the policy goals and are presented in the following order:

- Long Range Financial Planning and Resource Utilization
- Reserves
- Capital Planning and Asset Management
- Financial Asset and Liability Management

Long-Range Financial Planning and Resource Utilization

It is essential for the City to incorporate a long-term perspective and monitor the performance of programs competing to receive funding. Management will ensure compliance with the legally adopted budget. Purchases and expenditures will comply with legal requirements and policies and procedures set forth by the City.

1. A **long-term forecast** of revenues and expenditures will be developed for all operating funds for the six-year period following the end of the current biennial budget.
2. The financial **impact** of budget decisions made during the development of the biennial budget will be reviewed in the context of the **six-year** forecast.
3. The operating budget will be based on the principle that **current operating expenditures**, including debt service, will be **funded with current revenues**. The budget will not use one-time (non-recurring) sources to fund ongoing (recurring) uses, postpone expenditures, or use internal borrowing to fund operations. The budget will incorporate the best available estimates of revenues and expenditures.

City Financial Policies

4. **Performance management** will be utilized in the budget prioritization to ensure alignment with the City's goals and strategic commitments. Performance data will be used to support budgetary decisions. Measures will be developed to reflect the City's efficiency and effectiveness. Status of key performance measures will be reported to the Council.
5. Positive progress towards **climate action, social justice and community safety** will be measured annually. Equity and environmental sustainability lenses will be developed and utilized to support budgetary decisions. Status of key performance measures will be reported to Council annually.
6. **Service levels will be defined and measured** based on results, including improving equity, safety and advancing climate action goals in the community (e.g., units of service delivered, service quality and customer satisfaction) rather than resources allocated to provide the service, and shall be considered in development of the City Budget.
7. The City will endeavor to maintain a diversified general revenue base to diminish the effects of short-term fluctuations in any given revenue. The goal is to have a combination of revenues that grow in response to a good economy and those that remain stable during times of economic downturn. Examples of the former include sales taxes, utility taxes, and building permit fees. Examples of the latter include property taxes, court fine revenues, and gambling tax.
8. **Revenue estimates** will be developed using reasonably conservative, but realistic assumptions. Deviation of actual revenues from forecast shall not be greater than 2.5%. Revenues will be monitored and reported quarterly, including trends and year-end estimates.
9. **User fees and utility rates** in all funds will be based on balancing the cost of providing the service, the competitive market, public benefit, community affordability, and other appropriate policy considerations. User fees and rates will be adjusted annually at least by the CPI-W for the Seattle-Bellevue-Tacoma using the index for the 12 months ending in October of the prior year to reflect increases in the costs of providing services. Fees and rates will be reviewed every three to five years and further adjusted if necessary.

City Financial Policies

10. On a regular basis, the City will conduct **cost of service studies** to identify the full cost of providing services funded with fees, as well as the equity and affordability resulting from the cost recovery structures. The calculation of full cost will include all reasonable and justifiable direct and indirect cost components.
11. Specific council policies related to **cost recovery targets** by specific program are listed below.
 - Building Fee Cost Recovery Target: 100%
 - Land Use Fee Cost Recovery Target: 75%
 - Development Review Fees in Transportation Target: 75%
 - Recreation Fees Cost Recovery Target: 72% -under review

The above target rates represent percentage of the full cost of providing the services, including City administrative costs, Departmental administrative costs, cost of maintenance and operation of facilities that the services are provided from and maintenance and replacement of the equipment used.

12. **Full cost recovery** will be targeted in the enterprise fund operations:
 - City Utility Operations (water, sewer, storm water, and solid waste);
 - Pearson Airport (currently is fully recovering its operating costs);
 - Parking Fund (as of 2018 no longer receives a General Fund subsidy);
 - Tennis Center (the Center is operated by the United States Tennis Association (USTA), since September of 2018, but the General Fund will continue supporting indirect costs and up to \$10,000 per year in maintenance costs of the building).

City Financial Policies

13. **Overhead costs** will be appropriately shared by all operating funds as determined by the City's indirect cost allocation plan. The amount charged by the City for services provided under interlocal, or similar agreements, will include a factor to cover the City's overhead costs.
14. **Grants** that support city objectives and are consistent with high priority needs, including those helping to address climate action, social justice and community safety, will be aggressively sought. Grants requiring a local match or a continuing city obligation to fund programs will be carefully considered prior to applying for the grant to ensure that ongoing resources will be available to meet the obligation. The City shall attempt to recover all allowable costs, direct and indirect, associated with the administration and implementation of the program funded through grants.
15. **Expenditures will be controlled** by an annual appropriated budget at the department/fund level. The City Council shall establish appropriations through the budget process. The City Council does not require a re-appropriation of carry-forward funds in the second year of the biennium. New or increases in appropriations require council approval.
16. If a deficit is projected during the course of a fiscal year, the City will take steps to reduce expenditures, increase revenues, or, if the deficit is caused by an emergency, consider using one of the existing General Fund reserves. The City Manager may institute a variety of measures to ensure spending remains below reduced revenues.
17. The City's **classification and compensation plan** will be maintained in a manner consistent with the labor market by reviewing classification specifications and benchmark information from private and public employers, so that changes in the classification structure may coincide with the budget cycle. The City will target compensating employees at the market median, and other factors as necessary, within its ability to pay. A schedule of pay ranges of non-represented staff will be attached to the budget for Council review and adoption.

City Financial Policies

18. Positions may be overfilled by the City Manager or their designee for a limited time period to help maintain authorized staffing, reduce personnel-related costs, transfer knowledge, and provide a seamless transition between new, terminating, and retiring employees. Overfills will be managed within the fund/department budget appropriations and the overfill FTEs shall be included in the approved budget.
19. Actual expenditures will be closely and frequently monitored. The comparison of budget to actual expenditures shall be reported to council on a quarterly basis.

Reserves

Reserves are an important indicator of the City's financial position and its ability to withstand adverse events. Maintaining reserves is a prudent management practice.

1. An emergency General Fund reserve will be maintained equal to 7% of actual external revenues in the preceding fiscal year in the General, Street, and Fire Funds. The emergency reserve is for unexpected, large-scale events where damage in excess of \$1 million is incurred and immediate, remedial action must be taken to protect the health and safety of residents (e.g., major flood and earthquake). In the event that these "emergency reserve" funds are used, the City shall restore the reserve to the full 7% level within a reasonable amount of time as necessitated by the scale of emergency. A clear plan will be developed to refill the reserve, and the first significant deposit will occur the following fiscal year after the event.
2. The City will maintain additional "working capital" reserves sufficient to fund, on average, 60-90 days of operations in each operating city fund. This reserve will address cash flow requirements and allow the City to operate without funding its operations through short-term borrowing.

City Financial Policies

3. The City will maintain a **“revenue stabilization”** reserve with a goal of reaching 2.5% of the current year’s budget in the General Fund. This reserve may be used to provide funding to temporarily offset unanticipated fluctuations in ongoing revenues or unanticipated events, such as unexpected external mandates, reductions in state-shared revenues, etc. The reserve funds will provide time for the City to restructure its operations in a deliberate manner to ensure continuance of critical city activities. If the reserve is spent down, it shall be restored within the following two years. This reserve could be utilized if there is an identified 3–6-month trend of reduced revenues.
4. An additional **“designated liability funding”** reserve will be created when the City accepts funding leading to future liabilities. The reserve will be equal to the stated liability in the future. If a federal or state grant requires local resources to fund the initiative after the grant expiration, the cost of funding the initiative is considered to be a liability that will be funded from the “designated liability funding” reserve.
5. The City will set aside a reserve to fund no less than 50% of the liability associated with **accrued compensated absences** in all city operating funds.
6. Council may take action to designate reserves for a specific purpose. An example is council’s designation of reserves representing proceeds from the sale of the Columbia Arts Center.
7. Funds in excess of the reserves will be considered **unassigned General Fund balance** and could be used to fund high-priority council- designated one-time purposes. This includes but is not limited to funding accumulated currently unfunded deferred liabilities.
8. **Equipment replacement reserves** will be maintained in the equipment services capital fund sufficient to replace covered vehicles and heavy equipment at the end of their useful lives with like equipment. Equipment rates will include a factor to accrue the estimated replacement cost over the life of the equipment. Reserve balances and rates will be reviewed bi-annually for sufficiency.

City Financial Policies

9. **Technology equipment replacement reserves** will be maintained in the technology equipment replacement fund sufficient to repair covered equipment and major software systems for replacement at the end of its useful life.
10. A **liability self-insurance reserve** will be maintained to cover potential liability for tort claims. The unrestricted fund balance subtracts from available cash all the known claims against the City and those claims that might have occurred, but not yet reported. The fund balance will be based on the most recent actuarial study of the self-insurance fund. The actuarial study of the fund is to be performed no less frequently than once every two years.
11. A **benefits self-insurance reserve** will be maintained to cover two months of costs associated with benefit insurance premiums. Additional reserve might be set, as needed, to smooth out annual health insurance cost increases over time. Self-insured health insurance reserves will be maintained at a level consistent with State of Washington requirements for self-insured benefit plans.
12. **Fire pension** benefit obligations will be addressed by annual contributions to the fire pension fund in accordance with recommendations in the most recent actuarial study, as required by R.C.W. 41.16.050. (Note: This is a “closed” plan with no new participants.) City obligations arise only for those firefighters hired prior to March 1, 1970. The State of Washington has assumed all obligations for those hired on or after that date.

In addition to the pension payments, the City is also responsible for life-time medical benefits for the retired members that participated in the LEOFF 1 plan. The City contribution includes the projected annual pension payments for the retired members eligible for retirement benefits and projected annual medical benefit payments for those retired members eligible for medical and long-term coverage.

City Financial Policies

13. **Police pension** benefit obligation will be funded on a pay-as-you-go basis by making contributions to the police pension fund in an amount sufficient to meet police pension benefit obligations. (this is a “closed” plan with no new participants). City obligations arise only for those police officers hired prior to March 1, 1970. The State of Washington has assumed all obligations for those hired on or after that date.) In addition to the pension payments, the City is also responsible for the member’s lifetime medical benefits of retired members and none on active duty.
14. A **facilities asset management and replacement reserve** shall be established in a separate fund to provide for major maintenance and building replacement of the major city facilities at the end of their useful life.

City Financial Policies

Capital Planning and Asset Management

Asset management is a systematic process whereby the assets of the City (e.g., water system, sewer system, transportation system, property, buildings, etc.) are operated, maintained, replaced and upgraded cost-effectively. It includes operations and maintenance costs, as well as capital investments which can take the form of new construction, rehabilitation, or replacement.

1. In pursuit of an asset management strategy that prioritizes safety, equity and climate action, the City will:
 - Consider the climate impacts of asset investments and pursue asset management strategies that reduce its contribution to climate change over time.
 - Consider equity impacts of capital projects and asset management strategies and prioritize investments that improve equity within the City.
 - Consider the potential improvements to community safety associated with capital investments and prioritize investments that improve community safety, particularly in the transportation system.
2. Asset management best practice involves managing the performance, risk, and expenditures on infrastructure assets in an optimal and sustainable manner throughout their lifecycle covering planning, design, construction, operation, maintenance, and disposal. The City shall integrate the principles and best practices of asset management such as those embodied in the International Infrastructure Management Manual or equivalent methodology in the management of its assets. Asset inventory will be maintained with maintenance, repair and deferred maintenance costs identified and updated on an annual basis. Maintenance of City assets shall be addressed on a current need, rather than deferred into the future.

City Financial Policies

3. The resources that support current outstanding debt on street improvement projects shall, once that debt is retired, be dedicated to ongoing support of the capital program of the City's street fund. Eligible uses shall be consistent with the City's adopted Transportation System Plan, Comprehensive Plan, and annually updated six-year transportation improvement program.
4. A **six-year city-wide Capital Improvement Program** shall be developed annually and shall provide a prioritized list of reasonably funded projects and those in process of securing funding. Capital improvement plans for utility assets shall be updated no less frequently than every two years. The comprehensive plan will identify longer-term capital needs by program area.
5. Funding for capital projects, including major facilities maintenance projects, will be allocated in a manner that balances community needs with city priorities, the potential for attracting matching funds, and the ability to reduce or limit expenses in future years.
6. The City's objective is to incorporate a "pay-as-you-go" approach (using available cash and current resources) in the Capital Improvement Program. Proceeds from the sale of city capital assets no longer utilized in operations will be deposited consistent with the initial ownership of the asset and invested in the highest priority city capital projects. Debt funding shall be considered for large capital projects with long useful life to better reflect inter-generational equity.
7. The capital budget will be adopted at the same time the City operating budget is adopted. The capital budget will only include fully funded projects. The capital budget will only contain projects identified in the Capital Improvement Program.
8. A **capital repair appropriation** will be maintained for unanticipated major repairs of general operating facilities and for emergency replacement of general fund equipment. Additions to the capital repair contingency reserve will be made based on council directions.

City Financial Policies

9. Impacts on net annual operating and maintenance costs will be identified as part of the funding considerations for new capital projects such as buildings, parks, and street enhancements. This includes identifying potential reductions in maintenance costs if improvements are funded. The necessary funds to operate the capital facility will be identified at the time the capital budget is adopted.
10. To provide long-term sustainable utility services, the City will structure utility rates so that system reinvestment including major repair, rehabilitation and replacement of utility assets can be fully funded on an ongoing basis in accordance with the City's "pay as you go" policy. This will be achieved through a plan of smaller incremental rate increases to maintain affordability. As identified by the utility capital improvement plan, rates will also include an investment component for capacity improvements and system expansion.
11. A **system development reserve** will be maintained to fund growth related capital costs. All systems development charge revenue will be contributed to the fund.

City Financial Policies

Financial Asset and Liability Management

Investment Policies

1. The City will invest public funds in a manner which will provide maximum security of principal with the highest investment return, while meeting the daily cash flow demands of the City. Detailed policies are found in Exhibit A – Investment Policies.
2. The City will conform to all state and local statutes governing the investment of public funds.
3. All investment security transactions will be conducted on a delivery-versus-payment (DVP) basis.
4. The City will only deposit money with financial institutions qualified by the Washington Public Deposit Protection Commission and in accordance with the provisions of RCW 39.58.
5. The City will issue Request for Proposals (RFPs) for banking services, safekeeping, trust services, and other contracts related to financial services.

Debt Management Policies

1. The City will attempt to pay for capital projects on a “pay-as-you-go” basis. However, if debt is required, the City will follow debt policies as detailed in Exhibit B – Debt Management Policy
2. The City will issue debt in conformance with the requirements of its statutory general obligation debt limits. The non-voted debt limit is a sub-part of that limit.
3. The City will reserve 10% of its non-voted debt capacity as a contingency against unforeseen emergencies requiring the issuance of debt.

City Financial Policies

4. The City shall not exceed 85% of the non-voted legal debt limit, excluding the 10% reserved for emergency purposes.
5. The City's annual debt service payments will not exceed 10% of the total General Fund annual expenditure appropriation.
6. Any Capital projects financed through the issuance of bonds shall be financed for a period not to exceed the expected useful life of the project.
7. The City will adhere to all post-debt-issuance compliance policies as described in Exhibit B – Debt Management Policy.

Summary of Position Changes

General Fund

City Attorney's Office

- Assistant City Attorney II – Reduce two Regular 0.5 FTE within the Criminal Division
- Legal Assistant – Reclassify 1.0 Regular FTE from Legal Investigator to Legal Assistant in Domestic Violence Legal Services
- Legal Assistant – Reclassify 1.0 Regular FTE from Program Coordinator to Legal Assistant in Domestic Violence Legal Services

City Manager's Office

- Senior Management Analyst – Convert 1.0 Limited Term FTE to Regular FTE for citywide grant management
- Support Specialist – Extend 1.0 Limited Term FTE for two years

Community Development

- Assistant Planner – Reduce 1.0 Regular FTE in Land Use Planning
- Associate Planner – Extend 1.0 Limited Term FTE for two years to support Fourth Plain For All
- Associate Planner – Extend 1.0 Limited Term FTE for two years to support the Comprehensive Plan
- Associate Planner – Extend 1.0 Limited Term FTE for two years to support the Washington State Commute Trip Reduction program
- Senior Planner – Extend 1.0 Limited Term FTE for four years to support City engagement and the Interstate Bridge Replacement program
- Senior Planner – Extend 1.0 Limited Term FTE for two years to support the Comprehensive Plan
- Support Specialist – Reduce 0.5 FTE which supports Code Compliance

Summary of Position Changes

General Fund

Economic Prosperity and Housing (EPH)

- Associate Planner – Reduce 1.0 Regular FTE that supports Neighborhood Business Districts program

- Senior Project Coordinator – Extend 1.0 Limited Term FTE for three years to support downtown small business outreach

General Governmental

- Overhire – Convert 8.0 Limited Term FTE to Regular FTE to support contingent needs

General Services

- Emergency Preparedness Manager – Reduce 0.5 Regular FTE in General Services Emergency Management

Parks, Recreation and Cultural Services (PRCS)

- Associate Planner – Reclassify 1.0 Regular FTE from Park Developer to Associate Planner
- Customer Service Representative – Reduce two 0.5 Regular FTE positions in community centers
- Department Aide – Reduce 0.5 Regular FTE that supports Parks administration
- Fitness Attendant – Reclassify 0.5 Regular FTE from a Dual Certified Lifeguard to Fitness Attendant

- Park Developer – Add 2.0 Regular FTE to support Parks and Plaza projects
- Permits Specialist – Add 1.0 Regular FTE to support Special Events team
- Recreation Services Manager – Reduce 1.0 FTE in Recreation Administration
- Senior Recreation Specialist – Reduce 2.0 Regular FTE supporting Fitness and Senior programs

Summary of Position Changes

General Fund

Police

- Lead Police Records Specialist – Reduce 1.0 Regular FTE in Police Records Division
- Police Officer – Reclassify 5.0 Police Corporals and 2.0 Police Sergeants to Police Officers for patrol support

Street Fund

Operations and Maintenance

- Operations Superintendent – Add 1.0 Regular FTE supporting street and traffic operations

Transportation Engineering

- Civil Engineer – Add 1.0 Regular FTE for Complete Streets Design
- Engineering Technician – Add 1.0 Regular FTE for Complete Streets and Traffic Safety programs
- Senior Civil Engineer – Add 1.0 Regular FTE for Complete Streets Design
- Traffic Engineer – Add 1.0 Regular FTE for Complete Streets and Traffic Safety programs

Fire Fund

Fire

- Material Control Coordinator – Reduce 1.0 Regular FTE who supports the Logistics and Support Services Division
- Senior Support Specialist – Reduce 2.0 Regular FTE who provide Fire administrative support

Summary of Position Changes

Water Fund

Business Services

- IT Systems Analyst – Reclassify 1.0 Regular FTE from Engineering Specialist to IT Systems Analyst
- Lead Senior Accounting Clerk – Reclassify 1.0 Regular FTE from Senior Accounting Clerk to Lead Senior Accounting Clerk
- Senior Accounting Clerk – Add 1.0 Regular FTE to implement tiered utility rate structure
- Utility Accounting Clerk – Reduce 1.0 Regular FTE in Utility Administration and outsource printing and mailing to WA state
- Utility Customer Service Representative – Add 1.0 Limited Term FTE for two years to support the tiered utility rate structure implementation

Construction Management Services

- Construction Inspection Specialist – Add 1.0 Limited Term
- FTE to support the Public Works Operations Campus
- Construction Inspection Specialist – Add 1.0 Regular FTE to support the increase in capital projects
- Construction Inspection Specialist – Add 1.0 Regular FTE to support General Services Capital Workplan
- Construction Project Coordinator – Add 1.0 Limited Term FTE to support the Public Works Operations Campus
- Senior Civil Engineer – Add 1.0 Limited Term FTE to support the Public Works Operation Campus
- Senior Civil Engineer – Add 1.0 Regular FTE to support General Services Capital Workplan
- Senior Construction Inspector – Add 2.0 Limited Term FTE to support the Public Works Operations Campus
- Senior Construction Inspector – Add 1.0 Regular FTE to support the increase in capital projects
- Surveyor – Add 1.0 Regular FTE to support the increase in capital projects

Environmental Services

- Facilities Assistant – Add 1.0 Regular FTE to support Water Resources Education Center

Summary of Position Changes

Operations and Maintenance

- Department Aide – Reduce 0.75 Regular FTE which supports administrative functions

Utilities Engineering

- Department Aide – Reduce 0.75 Regular FTE which supports administrative functions

Sewer Utility Fund

Utilities Engineering

- Engineering Specialist – Add 1.0 Regular FTE in Wastewater Treatment Engineering for PFAS monitoring and management

Building Inspection Fund

Community Development

- Building Inspector II – Reduce 1.0 Regular FTE in Building and Code
- Building Inspector III – Reduce 1.0 Regular FTE in Building and Code
- Senior Plans Examiner – Reclass Lead Plans Examiner to Senior Plans Examiner and reduce by 0.5 Regular FTE in Plan Review

Summary of Position Changes

Solid Waste Fund

Environmental Services

- Solid Waste Analyst – Add 1.0 Regular FTE to serve as a planner for the Solid Waste Division

Parking Fund

Economic Prosperity & Housing

- Parking Officer – Reduce 0.5 Regular FTE in parking enforcement

Fleet Services Operation Fund

Operation & Maintenance

- Fleet Services Technician – Reduce 2.0 Regular FTE in the Fleet Shop

Internal Administration Services Fund

City Attorney's Office

- Assistant City Attorney III – Reduce 1.0 Regular FTE within the Criminal Division

Summary of Position Changes

Financial Management & Services

- Business Intelligence Analyst – Reduce 1.0 Regular FTE in Budget and Performance Management
- Principal Procurement Specialist – Reduce 1.0 FTE in Procurement (Supplier Diversity Program)
- Senior Accountant – Add 2.0 FTE to support growing tax initiatives (e.g., Commercial Parking Tax and B&O Tax-retail only)
- Senior Accounting Clerk – Reduce 0.5 FTE in Accounts Receivable

Human Resources

- Department Aide – Reduce 0.8 Regular FTE in Human Resources administration
- Human Resources Analyst – Reduce 1.0 Regular FTE which supports classification and compensation activities
- Human Resources Coordinator – Extend 1.0 Regular FTE for one-year to support areas of leave, new benefit programs, ADA accommodations and other leave-related requests
- Human Resources Specialist – Reduce 1.0 Regular FTE which supports recruitment in Police
- IT Systems Analyst – Reduce 1.0 Regular FTE which supports Human Resources Information Systems

Information Technology

- Senior System Analyst – Add 1.0 Regular FTE to support Human Resources Information Systems

Office of Equity & Inclusion

- ADA Coordinator – Extend 1.0 Limited Term FTE for two years to implement the Americans with Disabilities Act Transition Plan

Financial Summary Report

Financial Summary Report

As required by state law, the City's budget is divided into separate funds that are designated for a specific purpose or set of purposes. A fund is a self-contained, independent financial entity with its own assets and liabilities. Each fund has its own balance sheet. The number and variety of funds required by the state statute promotes accountability but can also make municipal budgeting and finance complex. Throughout this document you will find revenues and expenditures attributable to specific funds. Because the City has so many funds and each have a restricted purpose, understanding the fund structure is an important part of understanding the City's finances.

Major Governmental Funds

General Fund

In the City of Vancouver, the General Fund accounts for all receipt and disbursement transactions that are not specifically accounted for in other funds, and which are generally considered to represent the ordinary operations of a municipality. This fund is both tax and general revenue supported. Expenditures are budgeted biennially on a modified accrual basis and its appropriations lapse at year-end.

The primary sources of revenues for the General Fund are Property Tax; Sales Tax; Utility Taxes; licenses and permits; State Shared Liquor and Vehicle Excise Tax; court fines; and reimbursements from other City funds for pro-rating the costs of management and overhead.

Street Fund

The Street Fund is a general government service fund established in accordance with state statute RCW 35A.37.010 for the administration of street-oriented maintenance and construction. Revenues are derived from tax contributions distributed from the General Fund, state shared gasoline tax, an excise tax of $\frac{1}{4}$ of 1% of property value of transferred property, fines, and fees.

Consolidated Fire Fund

The Fire Fund was established as a result of an agreement between the City of Vancouver and Fire District 5 to provide fire services. Two fire services were consolidated and are now under the direction of the City. The fund accounts for money received and expenditures made in providing fire services to the City and Fire District 5 service areas.

Financial Summary Report

Capital Improvement Funds

Capital Improvement Funds were created in 1977 to fund major capital improvement projects. Originally, funding came primarily from Revenue Sharing monies until 1987. Current revenues include interest earnings, grants, and contributions from the General Fund.

Special Revenue Funds

Special Revenue Funds are established to account for earmarked proceeds of specific revenue sources (other than special assessments) to finance specific activities as required by law or administrative regulation. They are created by local ordinance and are often mandated by state statutes. Special revenue classified funds are reported under the modified accrual basis of accounting.

Investigative Fund

In 1983, the Investigative Fund was established pursuant to state statute RCW 10.105.010 to receive monies or property seized by city police when used in criminal activities. The funds are to be used by the police department for investigative purposes.

Drug Enforcement Fund

In 1983, the Drug Enforcement Fund was established to receive court-ordered “contribution” made by persons convicted of criminal drug offenses, and from monies or property seized by city police when used in criminal activities relating to controlled substances under state statute RCW 69.50.505. Monies paid into the funds are to be used by the police department for drug enforcement purposes.

CED Grants Fund

The Community Economic Development (CED) Grants Fund receives revenues (federal grants) from the US Department of Housing and Urban Development (HUD) for neighborhood improvements. Improvements include home rehabilitation, street paving, curbs and sidewalks, water and sewer lines, and park development.

Tourism Fund

The Tourism Fund receives 4% of revenue derived from Hotel-Motel tax. The funds are distributed by the State Treasurer to the City for the purpose of promoting tourism or building/leasing stadium/convention facilities, pursuant to state statute RCW 67.28.180.

Financial Summary Report

Affordable Housing Fund

Established 2017, statute RCW 84.52.105 allows the City to impose property tax levies to finance affordable housing for very low-income households and develop or preserve publicly or privately owned housing under RCW 35.21.685.

American Rescue Plan Act Fund

The American Rescue Plan Act (ARPA) provides funding to state and local governments in an effort to offset reduction in revenue or additional expenses incurred due to the COVID-10 public health emergency. This fund was established to track the revenues and the expenditures as it pertains to the American Rescue Plan Act.

National Opioid Settlements Fund

In 2023, the National Opioid Settlement Fund was established to account for revenues and expenses associated with settlement monies received from Opioid distributors and retailers.

Parkhill Cemetery Improvement Fund

The Parkhill Cemetery Improvement Fund receives 25% from the sales of city-owned grave sites to improve and maintain the City cemetery.

Multi-Family Tax Exemption Affordable Housing Fund

In 2023, the Multi-Family Tax Exemption Affordable Housing fund was established to account for revenues and expenses associated with Multi-Family Tax Exemption Affordable Housing Payments.

Criminal Justice Fund

Established in 1991, statute RCW 82.14.333 dedicates state funding on a formula by population and crime statistics basis to cities to be used exclusively for criminal justice purposes.

Affordable Housing Sales Tax Fund

As of September 2019, Substitute House Bill (SHB) 1406 allows the City to impose a sales tax to fund affordable and supportive housing.

REET 2002

This fund is used to account for the Real Estate Excise Tax received for planning, acquisition, construction, and repair of streets and street related improvements.

Financial Summary Report

Downtown Initiatives Fund

The Downtown Initiatives Fund was established in May 1997 to account for money used to facilitate the redevelopment of underutilized property in the City's downtown core.

VNHR Properties Fund

Effective January 1, 2006, the Vancouver National Historic Reserve (VNHR) fund was created to account for the revenues and expenses associated with the properties on the Vancouver National Historic Reserve.

City/County Cable TV Fund

City/County Cable TV is a separate entity jointly operated by the City and Clark County. The purpose of this fund is to provide staff support in matters relating to the administration of the joint city/county urban area cable television franchises.

Debt Service Funds

Debt Service Funds are accounted for and budgeted annually on a modified accrual basis and all appropriations lapse at year-end. Debt Service Funds in the City of Vancouver account for the principal and interest on general obligation bonds. General obligation bonds are those bonds for which the full faith and credit of the City are pledged for payment. They are generally payable from general property taxes and other general revenues. These funds exclude debt service payments for debt issued for the benefit of a governmental enterprise from those revenues it will be servicing.

GO Debt Service Fund

The General Obligation (GO) Debt Service fund was established to accumulate monies for the payment of general obligation debt of the City of Vancouver.

LID Fund

The Local Improvement District (LID) fund was established in November of 1988 in accordance with GASB Statement 6 to accumulate monies for the payment of special assessment bonds and notes issued to pay construction costs in providing special benefits to a particular area of the City. Revenue is derived from special assessments levied against property receiving the benefit or improvements.

Financial Summary Report

LID Guaranty Fund

This fund is authorized by law to ensure that no bonds or notes will be left unpaid when all assessments from approved local government districts have been received. Revenue is from money remaining on LIDs after all debt obligations have been met.

Transportation Debt Service Fund

This fund was created in 2006 to accommodate a new business license fee surcharge, approved by Council effective January 1, 2007, dedicated to provide funding for debt services that are used for transportation capital projects.

Capital Projects Funds

Capital Project funds account for the acquisition or development of capital facilities by a government unit, except those financed by assessment and enterprise funds. Their major sources of revenue are from proceeds from general obligation bonds, grants from other agencies, and contributions from other funds. The budgeting for capital project funds differs from that of the general and some of the special revenue funds. A capital budget is adopted which consists of a plan of proposed capital outlays and the means of financing them. The appropriations do not lapse at year-end but continue until the project is finalized. Bond funds receive appropriations equal to the proceeds received and are increased for expenditures supported from only additional revenues received. Though most of the capital project funds in the City represent individual projects, a number of them incorporate subsidiary project control for all projects related to the legal existence of the fund. The City utilizes the modified accrual method of accounting for capital project funds. The expenditures incurred are capitalized upon completion of the project to general fixed assets unless proprietary fund related.

Parks Construction Fund

The Parks Construction Fund was created in January 1981 to acquire or improve public parks and recreation facilities within the City.

Parks Impact Fees Funds

The Parks Impact Fees Funds were established in 1995 to account for the accumulation and disposition of impact fees assessed against new development under the Growth Management Act of 1990. Each is shown in separate legal funds.

Financial Summary Report

Transportation Capital Fund

This fund was created in 1998 to account for all capital projects in the Transportation Department. The funding for the projects is primarily from grants, bonds, and developer agreements, as well as other public and private funding sources.

Transportation Impact Fees Fund

The fund was established in 1995 to account for the accumulation and disposition of impact fees assessed against new development under the Growth Management Act of 1990. These fees are required to be used for public streets and roads in accordance with the approved Comprehensive Plan.

School Impact Fees Fund

School Impact Fees funds were established to account for the accumulation and disposition of impact fees assessed against new development growth per the Management Act of 1990. These fees are required to be used for capital school facilities. Using interlocal agreements, the City disburses funds to regional school districts to use in accordance with the approved Comprehensive Plan. Before 2019, these funds were reported as part of the General Fund.

Enterprise Funds

The accounting for Enterprise Funds generally follows the accounting principles and procedures used in commercial accounting very closely. Since operating results are a primary concern for enterprise funds, the accrual method of accounting must be used. In the City of Vancouver, all enterprise funds are budgeted annually as required by state law for the purpose of providing expense control.

The Enterprise Funds in the City of Vancouver are established to account for self-supporting services carried on by this governmental unit. Most services are provided to the general public whose user fees are used to support the activities of the specific enterprises.

Airport

The Airport Fund receives its revenue from hangar rentals and per gallon fees charged on all fuel sold at the airpark. Expenses are for the redemption of bonds sold to construct hangars, provide maintenance of the facility, and service to its customers.

Financial Summary Report

Building Inspection Fund

The Building Inspection Fund was created in 1987. Its revenues come from fees paid for building inspections, permit fees, zoning changes, and building demolition. Expenses are costs incurred to provide inspection services.

Parking Services Fund

The Parking Services Fund was created in October 1981. It receives revenues from operations of City-owned or operated public parking lots. Its expenses are directly related to the operation and maintenance of those facilities.

Solid Waste

The Solid Waste Fund contracts for garbage and trash services and receives a franchise fee from the contractor. Revenues are used for the payment of city expenses related to monitoring the contract, funding for recycling programs, and general fund administrative expenses.

Tennis Center Fund

The Tennis Center Fund was established to monitor the Tennis Center contract with the United States Tennis Association (USTA) to run tennis programs year-round.

Water/Sewer/Surface Water Funds

Water, Sewer, and Surface Water Funds receive its revenue from service charges and from the sales of materials and supplies. Expenditures are for maintenance and extensions of drainage, water, and sewer service facilities, operating a water supply system, maintaining sewer treatment plants, and operating a water drainage system. These funds also reflect the operation of revenue bonds outstanding, funds available for redemption bonds, accumulative reserves, and construction funds.

Internal Service Funds

The Internal Service Funds in the City are service funds for the departments within this governmental entity. The services provided are reimbursed by transfers from the budget appropriations of the recipient departments, later reconciled to actual costs and bases. An internal service fund must recover its complete cost of operations without producing any significant profit.

Financial Summary Report

Fleet Services Repair & Replacement Fund

RCW 35.21.088 requires that all cities whose population exceeds 8,000 must establish an Equipment Rental Fund, charging rates to departments based on their Fleet needs for replacement, operation, and maintenance of equipment. The Equipment Repair and Replacement Fund is a working capital fund. Fixed assets are maintained with depreciation reserves programmed for each individual piece of equipment or other fixed assets.

Computer Repair and Replacement Fund

This fund was established in 1996 to account for the replacement of computer equipment originally purchased by user departments. Revenues are derived from monthly charges to city departments based on their technology usage.

Grounds Services Fund

The fund was established in 2019 to track the revenues and expenses for the grounds internal service operation to maintain City-owned facilities and properties.

Facilities Maintenance Services Fund

The Facilities Maintenance Service Fund was established in 2022 to track the revenues and expenses for the facilities internal service operation to maintain City-owned facilities and properties.

Self-Insured Worker's Comp & Liability Fund

In 1977, the City began a program of becoming self-insured except for major claims over the amounts specified in the insurance policies. The different operating funds are currently being charged on the basis of past insurance payments and actual claim history accumulated since 1977.

Internal Administrative Services Fund

This fund was established January 2015 to account for the revenues and expenses associated with providing administrative internal services to all City departments.

Benefits Fund

In 1992, the City began a program to consolidate the payment of premium costs out of one central point, the Benefits Fund. This fund pays premiums for all insurance including medical, dental, vision, life, and long-term disability. The fund pays

Financial Summary Report

administration costs, both internal and external, including the City Wellness Program. All operating funds are currently being charged a set monthly rate per full-time employee.

Self-Insured Health Insurance Fund

This fund was established January 2015 to account for revenues and expenses associated with providing self-insured health care to City employees.

Fiduciary Funds

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statement because the resources of those funds are not available to support the City of Vancouver's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

Basis of Presentation – Fund Accounting

The activities of the City are organized into separate funds that are designated for a specific purpose or set of purposes. Each fund is considered a separate accounting entity, so the operations of each fund are accounted for with a set of self-balancing accounts that comprise its revenues, expenses, assets, liabilities, and fund equity as appropriate. The City's basic accounting structure, including its chart of accounts and account coding format, is mandated by the State of Washington's Budgeting, Accounting and Reporting System (BARS) and is enforced by the office of the State Auditor through annual audits.

Basis of Budgeting

Basis of budgeting refers to the methodology used to include revenues and expenditures in the budget. The City of Vancouver primarily budgets on a modified cash basis. Revenues and expenditures are assumed to be collected or spent during the biennium. Using this assumption, the current year's revenues are compared to expenditures to ensure that each fund has sufficient revenues to cover expenditures during the biennium, or that there are sufficient cash reserves in the fund to cover one-time expenditures.

Financial Summary Report

Basis of Accounting

Basis of accounting refers to the point at which revenues or expenditures are recognized in the accounts and reported in the financial statements. The government-wide financial statements, as well as the financial statements for proprietary (enterprise and internal service funds) and fiduciary funds, are reported using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the when the cash is received.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Governmental funds include the General Fund, as well as special revenue, debt service, capital, and permanent funds (the City does not currently have any permanent funds). Under the modified accrual basis of accounting, revenues are recognized as soon as they become both measurable and available, and expenditures are recorded in the period that the expenditure occurs and becomes a liability. In the case of Federal and State grants, the grant revenues are recorded, and a receivable is established when eligible expenditures are incurred. One consequence of this type of fund accounting is the existence of inter-fund transactions, including transfers, internal service payments, loan payments, and capital. Internal transfers and transactions represent non-cash expenditures and non-cash revenue when the overall City budget is reviewed, because no cash enters or leaves the City.

Basis of Budgeting vs. Basis of Accounting

The basis of budgeting differs from the basis of accounting only by the assumptions that are made in regard to the timing of the recognition of revenues and expenditures. The budget assumes that all revenues and expenditures, as well as the associated cash, will be expended or received during the biennium. Conversely, the basis of accounting only recognizes revenues when they become both measurable and available, and it only recognizes expenditures when they are incurred. Cash is not necessarily received or expended at the same time.

Department Overviews

Department Overview and Performance: Reader's Guide

This section presents an introduction to the work performed by each department and an overview of financials. Each department's section is divided into three sections:

1. Department Overview

- **Functional Organization Chart** - The key function organization chart illustrates the structure of the department, helping to identify the services and programs that deliver community outcomes.
- **Mission Statement** - A brief statement describing the purpose of each department.
- **Description** - A summary list of major services or programs provided by the department in order to deliver outcomes.

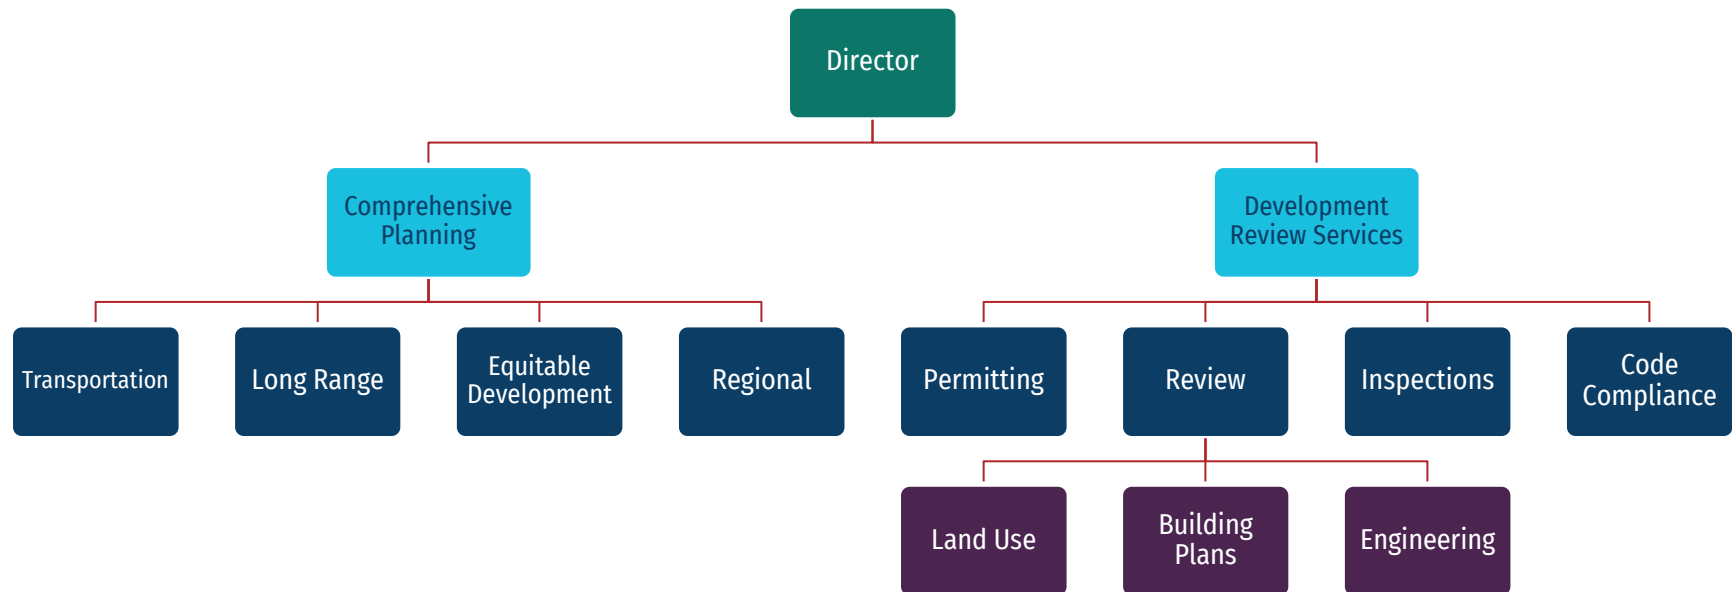

2. Performance

- **2023-2024 Accomplishments**
 - Major accomplishments and considerations from 2023-2024 that shaped the department's 2025-2026 objectives.
 - Performance measures – data for selected performance measures, which supports the objectives of the department and provides information on workload, productivity, efficiency and effectiveness.
- **2025-2026 Objectives**
 - Statement of the major objectives of the department for the 2025-2026 biennium
 - Align objectives to Strategic Plan Focus Area (outcome), Community Indicator, Performance Measures

Community and Economic Development

Community Development Department – Organizational Chart

Community Development

Divisions:

Comprehensive Planning, Development Review

Key service(s):

- Comprehensive planning (equitable development, long range planning, environmental, regional and mega projects)
- Transportation Planning
- Permits
- Review (Land Use, Building, Engineering)
- Building and Electrical Inspections
- Code Compliance

Mission statement:

To provide the environment for equitable development to occur, by ensuring that Vancouver continues to be a great place to live, work and locate or grow a business.

Department description:

The City's Community Development Department ensures Vancouver continues to be a great place to live, work and grow. We provide building and permitting services, code compliance, land use review for development projects, comprehensive planning and transportation planning.

Comprehensive Planning

The Comprehensive Planning Division plans for the physical and economic development of the city, implements plans, and develops programs that support businesses and the community. Efforts and resources are focused in specific geographic areas to make opportunities for growth more attractive to the private sector, and to ensure that development occurs equitably across the city. These functions include long range planning, transportation planning, and regional planning.

Development Review

The Development Review Division fosters the development of the community by ensuring orderly and safe growth within the city while providing exceptional customer service. It is the City's primary point of contact for zoning and building construction questions, plan review, permitting, inspections and code compliance. The division is comprised of Building Plan Review and Inspections, Land Use Planning, Code Compliance, Engineering Services and Permitting.

2023-2024 Accomplishments

Objective: Implement a more efficient and effective online payment portal to replace the existing Dynamic Portal.

Accomplishment: In progress. Currently working with the vendor on Phase 1, which is expected to be complete by the end of 2024.

Objective: Implementation of a more efficient building inspection scheduling portal via mobile device, as well as the ability for customers to send text messages to inspectors

Accomplishment: Completed. SelecTxt has been implemented and is currently available for customers to use.

Objective: Build on the success of virtual appointments by increasing to five days a week.

Accomplishment: In progress. Implementation is anticipated by the end of 2024.

Consideration: The Permit Center Supervisor position, responsible for project management, is currently vacant. Recruitment is underway and, once the position is filled, we will revisit this process improvement.

Objective: Transition electronic plan review system (ePlans) to the Cloud.

Accomplishment: Complete: ePlans was fully transitioned to the Cloud in October of 2023.

Consideration: The transition was successful, and now the software is completed, hosted, and supported by the software vendor, Avolve.

Comprehensive Planning

Objective: Adoption of an updated Transportation System Plan (TSP)

Accomplishment: Completed

Objective: Construction of the Fourth Plain Commons Project

Accomplishment: Completed

2023-2024 Accomplishments

Objective: Update Critical Areas Ordinance (CAO) code provisions

Accomplishment: In progress. Conducted an analysis of the existing ordinance and the most recent state issued best available science, conducted stakeholder engagement, and completed initial draft ordinance of the Critical Areas Ordinance.

Performance measure: Adoption of an updated Critical Areas Ordinance by December 31, 2025, as required by the Washington State Growth Management Act.

Consideration: Since the City's Critical Areas Ordinance was last updated in 2020, there is new and updated guidance from the Washington Department of Fish and Wildlife and Department of Ecology on priority habitat conservation areas, wetland buffer rating systems, and protection and preservation of white oak. Staff plans to make the draft code available for public comment in the third quarter of 2024 and schedule for Council adoption by the end of the year.

Objective: Implement 3-4 Complete Streets

projects in conjunction with Pavement Management Program

Accomplishment: In progress. The Transportation Planning team has completed the planning phase of the following Complete Streets projects: Fort Vancouver Way, Fourth Plain Boulevard, 34th Street, and McGillivray Blvd Safety and Mobility Projects.

Performance measure: In partnership with public works, the transportation planning team has executed four Complete Streets projects through planning, public engagement, and with planning-level design.

Consideration: Fort Vancouver Way was constructed during fall of 2023 and Fourth Plain Boulevard and 34th Street will be constructed during the 2024 summer paving season. Some mobility elements on 34th Street will be constructed in the 2025 paving season along with the McGillivray Boulevard. The planning team is currently in the planning phase on four additional Complete Streets Corridors (Main Street, 112th Avenue, 29th/33rd Streets, and St. Johns/St. James Couplet).

2023-2024 Accomplishments

Objective: Complete Comprehensive Plan, Downtown Design Guidelines Manual, and Title 20 Updates

Accomplishment: In progress. The 2025-2045 Comprehensive Plan update and associated Title 20 Development Code Rewrite are well underway, and are slated to wrap by December 31, 2025, per the Washington State Growth Management Act. Thus far, the project team has completed the Public Involvement Plan, Equity Analysis, the Equity, Goals and Partnership Frameworks (adopted by Council), phases 1 and 2a of community engagement, convened the community partners advisory group, six community working groups and technical advisory groups, and initiated development of land use possibilities, new code concepts, and plan chapter vision statements.

The Downtown Design Guidelines update is underway, including project initiation, selection of a consultant team, existing conditions review, initial stakeholder engagement, and early concept development. Updated design guidelines are targeted for Council adoption by

the end of 2024/early 2025.

Performance measure: Adoption by December 31, 2025, of the updated 2025-2045 Comprehensive Plan, associated Title 20 VMC code rewrite, and a final environmental impact statement supporting these actions. Adoption of updated design guidelines is slated for the end of 2024 or the first quarter of 2025.

Consideration: Both are multi-year projects currently on schedule to meet projected timelines.

2025-2026 Objectives

Objective: Ensure an efficient and predictable permitting process by implementing a more effective online payment portal to replace the existing Dynamic Portal. Complete Phase 2 of project in 2025.

Outcome: Customers experience an efficient online payment system with reduced processing times, increased transparency, cost savings, and improved user experience.

Focus Area: High Performing Government

Community Indicator: Resident satisfaction with municipal services

Performance Measure: Project Completion. After implementation, track customer satisfaction with the new payment option through surveys and/or the number of days to collect payment for the permit.

Objective: Ensure an efficient and predictable permitting system through expanded remote inspection options and updated text-based inspection request window.

Outcome: The inspection process is easy, efficient, and accessible and utilizes technology to provide the highest quality service.

Focus Area: High Performing Government

Community Indicator: High Performing Government

Performance Measure: Project completion; Resident satisfaction with municipal services

Objective: Increase the supply and range of housing options available in the community through process and code changes that remove barriers and expedite the permit and approval process.

Outcome: Vancouver is known as a place that facilitates housing development, with clear review processes and standards, predictable timelines, and helpful staff.

Focus Area: Housing and Human Needs

Community Indicator: Housing affordability, rental affordability

Performance Measure: Complete list of identified process improvements and code amendments; Housing permit activity; Number of new housing units.

2025-2026 Objectives

Comprehensive Planning

Objective: Manage growth and development to achieve City policy priorities related to housing, climate, economic opportunity and environmental stewardship through adoption and implementation of an updated 2025-2045 Comprehensive Plan and Title 20 Development Code.

Outcome: Policies, programs, and regulations guide public and private investment to build safe, connected and accessible 15-minute neighborhoods, with housing affordable at many income levels and robust transportation options that connect people to jobs, school, healthcare, parks and other essential services and destinations.

Focus Area: Vibrant and Distinct Neighborhoods

Community Indicator: Neighborhood cohesion, diversity of businesses, existence of key businesses

Performance Measure: Adopt updated Comprehensive Plan by state-mandated

deadline of December 31, 2025, and associated updated development code within six months of Plan adoption, in compliance the Washington State Growth Management Act and State Environmental Policy Act. Number of new housing units; access to services.

Objective: Increase access to safe multimodal transportation options by completing four Complete Streets retrofit projects in conjunction with Pavement Management Program.

Outcome: Projects and programs that create a safe, equitable and future-ready transportation system.

Focus Area: Transportation and Mobility

Community Indicator: Transportation User Experience

Performance Measure: The number of Complete Streets projects completed. Miles of Complete Streets added.

2025-2026 Objectives

Objective: Develop Citywide Equitable Development Plan that identifies strategies, programs, tools, and geographic focus areas for advancing equity across the community.

Outcome: Reduce identity-based disparities so that all communities have basic needs met and access to safe and affordable housing, transportation, education, healthcare, and jobs.

Focus Area: Housing and Human Needs

Community Indicator: Housing affordability; Rental affordability; Healthy Food Insecurity; Children in Poverty; People Living in Poverty.

Performance Measure: Establish and start to implement 10-Year Action Plan to increase equity and address geographic and identity-based disparities in access to essential places and services. Project Completion.

CD00937 - Director Reallocation of Position - General Fund Reduction

Not Recommended

Based on role and responsibilities, revising the proportion of payroll between the department divisions and programs. Position is currently allocated 80% General Fund and 20% Building and proposing 70% General Fund and 30% Building.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(29,729)	0.00	(29,861)	0.00
483 Building Inspection Fund	Expense	Ongoing	29,730	0.00	29,862	0.00

CD00938 - Deputy Director Reallocation of Position - General Fund Reduction

Not Recommended

Based on role and responsibilities, revising the proportion of payroll between the department divisions and programs. The position is currently all funded by General Fund and proposing to allocate 10% to Building.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
483 Building Inspection Fund	Expense	Ongoing	25,116	0.00	25,248	0.00
001 General Fund	Expense	Ongoing	(25,115)	0.00	(25,247)	0.00

CD00939 - Permit Center Supervisor Reallocation of Position - General Fund Reduction

Not Recommended

Based on role and responsibilities, revising the proportion of payroll between the department divisions and programs. Position is currently allocated 30% General Fund and 70% Building and proposing revised allocation of 5% General Fund and 95% Building.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
483 Building Inspection Fund	Expense	Ongoing	37,835	0.00	39,257	0.00
001 General Fund	Expense	Ongoing	(37,834)	0.00	(39,259)	0.00

CD00940 - Classification Clean Up - Lead Building Inspector

CD00941 - Classification Clean Up - Lead Building Inspector

Not Recommended

Clean up of position due to transition from legacy system to current financial system.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
483 Building Inspection Fund	Expense	Ongoing	2	0.00	2	0.00

CD00942 - Classification Clean Up - Building Inspector

Not Recommended

The Building Inspector position allows for progression through the series based on certifications and years of experience. This decision package reclassifies position to Level III with requirement of possession of appropriate valid driver's license; and ICC certification in at least two and distinct building inspection areas (such as building and mechanical). This allows for seamless transition between Building Inspector II and III, when staff have completed the requirements of certification and experience.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
483 Building Inspection Fund	Expense	Ongoing	0	0.00	14,977	0.00

CD00943 - Reduction of Travel Budget

Recommended

This decision package reduces the travel budget for staff and limits attendance for meetings and trainings to local events, while maintaining essential training for staff that need to maintain professional certifications as criteria for their employment (examples: building inspectors, plans examiners).

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(36,450)	0.00	(36,450)	0.00
483 Building Inspection Fund	Expense	Ongoing	0	0.00	(50,826)	0.00

CD00944 - Reduction of Supplies Budget for Commissions

Recommended

This decision package reduces budget used for meeting refreshments for Planning and Transportation & Mobility Commissions, as well as supplies. More cost-effective choices will be made, and this effort supports citywide goal to reduce costs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	0	0.00	(5,000)	0.00

Decision Packages by Type

Community Development

Operating

CD00945 - Reduction of Public Notices Supplies Budget

Recommended

The proposal is for a change in the public notice process with a shift in time and expense to the applicants. The process change would be to have the applicant obtain the necessary addresses, label the envelopes and put the postage on the envelopes and then provide them to the City with their development application. Once the application is deemed fully complete, the City would prepare the notice, make the copies, place them in the preaddressed and stamped envelopes and mail the notice of application to those property owners addressed on the envelopes.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(5,000)	0.00	(5,000)	0.00

CD00946 - Reductions of Development Review Supplies Budget

Recommended

This decision package reduces operating budget for supplies for Plans Review, Inspections, and Administration. More cost-effective choices will be made in purchases, and this effort supports citywide goal to reduce costs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
483 Building Inspection Fund	Expense	Ongoing	(9,498)	0.00	(16,749)	0.00

CD00947 - Development Review Software Reallocation

Not Recommended

This decision package reduces operating budget for software in the general fund by shifting an appropriate proportion to the Building Fund. This supports the citywide goal to reduce costs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(139,499)	0.00	(139,499)	0.00

CD00948 - Short Term Rental Monitoring

Recommended

This decision package is for software budget with revenues collected from short-term rental certificates covering the expense. In January of 2024 the City Council unanimously adopted the City's short-term rental ordinance. The ordinance was adopted as a 24-month pilot program that requires staff to periodically report out on the short-term rental market. Host Compliance Address Identification is the current software program the city uses that provides the ability to monitor, analyze and report on short-term listings. The software provides data about listing type, home size, rental activity, and compliance status in easy-to-read charts and graphs, allowing staff to understand the scale and scope of the local short-term rental market.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

001 General Fund	Revenue	Ongoing	13,250	0.00	26,500	0.00
------------------	---------	---------	--------	------	--------	------

CD00949 - Reclass 1.0 FTE Lead Plans Examiner to Senior Plans Examiner

Recommended

This decision package reduces staffing budget. With the implementation of the Plans Examiner Supervisor, the need for a lead PE has been eliminated. Filling the position is necessary, and reclassifying the position Senior Plans Examiner provides the adequate level of expertise to perform plan review. The supervisor may not perform plan review based on the union contract.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
483 Building Inspection Fund	Expense	Ongoing	(12,197)	0.00	(14,293)	0.00

CD00951 - .5 FTE Support Specialist Reduction

Recommended

The proposed reduction is for the 0.5 FTE Support Specialist, which directly supports the Code Compliance staff with all administrative functions. The position is vacant and non-essential, but admin work will be pushed on to the code officers, which will take time away from direct service they would otherwise be providing.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(45,147)	(0.50)	(46,863)	(0.50)

CD00952 - 1.0 FTE Classification Clean Up - Building Inspector

Not Recommended

The Building Inspector position allows for progression through the series based on certifications and years of experience. This decision package reclassifies position to Level III with requirement of possession of appropriate valid driver's license; and ICC certification in at least two and distinct building inspection areas (such as building and mechanical). This allows for seamless transition between Building Inspector II and III, when staff have completed the requirements of certification and experience.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
483 Building Inspection Fund	Expense	Ongoing	2	0.00	0	0.00

CD00954 - Development Review Technology Fee

Not Recommended

This decision package is for new technology fee that would enable the city to continually evolve with technology over time. The purpose of the fee is to recover software and other technology-related costs in processing all development applications and building permits. Other jurisdictions in Washington are increasingly charging a modest technology fee to account for these increased costs and meet cost recovery targets, and we are proposing that Vancouver do the same, by adding a technology fee of 5.5% to all land use and building applications only.

CD00955 - 2023-2025 Commute Trip Reduction Program - Carryforward

Recommended

This decision package provides the remaining program budget of current grant period ending 6/30/2025. The program fulfills the requirements of the Washington State Commute Trip Reduction Law and is supported by funding the City receives biannually from the Washington State Department of Transportation (WSDOT) to manage the state-mandated Commute Trip Reduction Program for all affected jurisdictions in Clark County, which participate via an interlocal agreement with COV as the manager for the fund.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	182,769	1.00	127,523	1.00
001 General Fund	Revenue	One-time	133,120	0.00	0	0.00

CD00956 - 2025-2027 Commute Trip Reduction Program

Recommended

This decision package provides program budget to fulfill the requirements of the Washington State Commute Trip Reduction Law and is supported by funding the City receives biannually from the Washington State Department of Transportation (WSDOT) to manage the state-mandated Commute Trip Reduction Program for all affected jurisdictions in Clark County, which participate via an interlocal agreement with COV as the manager for the fund. The upcoming contract will run from July 2025 to June 2027 and is for \$391,900 biannually and covers staffing, administrative, and direct expenses to implement the program.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

CD00958 - Extend 1.0 Limited Term Senior Planner (Regional Planning)

Recommended

Extend 1.0 Limited Term Senior Planner position for four years, to manage and support City engagement in the Interstate Bridge Replacement (IBR) Program, a critical infrastructure project that will have significant impacts on Downtown Vancouver, the Historic Reserve, and all who use Interstate 5 in the City. Revenue to support this extension is provided through an existing Intergovernmental Agreement (IGA) between the City and the Washington State Department of Transportation (WSDOT) that is regularly renewed and reimburses the City for time spent on this State-run project. The full extension of this position is contingent on IGA renewal in forthcoming years.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	One-time	159,548	0.00	163,527	0.00
001 General Fund	Expense	One-time	159,548	1.00	163,527	1.00

CD00959 - Extend 1.0 Limited Term Associate Planner (Equitable Development) American Rescue Plan Act (ARPA) Fourth Plains

Recommended

Extend 1.0 Limited Term Associate Planner position that manages implementation of the Fourth Plain For All (FPFA) investment strategy, which includes prioritization of American Rescue Plan Act (ARPA) funding dedicated to the Fourth Plain Corridor and identifies other community-supported investments that will be advanced through future programmatic and project specific investments. Revenue to fund the extension comes from the original ARPA funding.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	135,702	1.00	139,204	1.00
001 General Fund	Revenue	One-time	135,702	0.00	139,204	0.00
114 American Rescue Plan Act 2 Fund	Expense	One-time	135,702	0.00	139,204	0.00

CD00960 - Extend 2.0 Limited Term Planners (Long Range)

Recommended

Extend 2.0 Limited Term Long Range Planners (1 Senior Planner, 1 Associate Planner) for 2 years. These positions are necessary to complete the 2025-2045 Comprehensive Plan and Title 20 VMC update and to manage initial implementation steps. These positions would be funded through several Department of Commerce grants already awarded.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	One-time	609,846	0.00	0	0.00

Operating

CD00962 - Analysts (2) Reallocation of Position - General Fund Reduction

Not Recommended

Based on role and responsibilities, revising the proportion of payroll between the department divisions and programs. Both positions are at 50%/50% and moving to 35% General Fund and 65% Building.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
483 Building Inspection Fund	Expense	Ongoing	44,595	0.00	44,595	0.00
001 General Fund	Expense	Ongoing	(44,595)	0.00	(44,595)	0.00

CD00964 - Low Carbon Transportation Acceleration - Professional Services - Carryforward

Recommended

The City received a Climate Grant from the Department of Commerce to support climate initiatives in several areas, including \$200,000 for a Low Carbon Transportation Acceleration Strategy that is being managed by Transportation Planning. \$109,846 of this is being used to support LT position extensions. This decision package carries forward the remaining \$90,154 for professional service costs associated with this work, which will be completed in 2025.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	90,154	0.00	0	0.00
001 General Fund	Revenue	One-time	90,154	0.00	0	0.00

CD00965 - Land Use Fee Adjustments

Recommended

This decision package updates several land use fees and adds three new fees for services not previously charged to customer: 1) Add a fee for assigning a new address, 2) add a fee for Critical Areas Statement of Exemption Review, 3) add a fee for Shoreline Statement of Exemption Review, 4) update critical area full review fees to the same rate per area type in single-family duplex tier and update to same rate all others per area type, and 5) adjust planner review fees for construction and residential projects to more accurately reflect cost of service.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

Operating

CD00966 - Reclass 1.0 FTE Principal Planner to Long Range Planning Manager

Not Recommended

Reclass 1.0 FTE Principal Planner (current working title Senior Policy Advisor) to Long Range Planning Manager. This change fills a gap within the management structure of the Comprehensive Planning Division within Community Development without creating a new position, provides more consistent and sustainable oversight of long-range and equitable development planning functions, and grows internal expertise in support of proactive succession planning. Salary cost increases are offset by continuing Interstate Bridge Replacement (IBR) project funding for CDD staff engaged in the project per current Intergovernmental Agreement between the City of Vancouver and WSDOT for the next several biennia.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	15,736	0.00	19,267	0.00
001 General Fund	Revenue	Ongoing	15,736	0.00	19,267	0.00

CD00967 - Reclass 1.0 FTE Permit Center Supervisor to Permit Center Manager

Not Recommended

The purpose of this request is to create more parity with the other manager level positions within the Development Review Division of Community Development. Currently the Permit Center Supervisor manages a team of 8 Permit Specialists. The growing span of control, work expectations, including hiring, training, budget oversight and performance evaluations are all similar job duties to what all other managers in the division do. With the recently established Housing Action Plan, the permit process is one of the four focal points to the success of the City's housing production goals, The Permit Center Supervisor position is at the forefront of these objectives. Position is currently allocated 30% General Fund and 70% Building and updating to 5% General Fund and 95% Building.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
483 Building Inspection Fund	Expense	Ongoing	6,149	0.00	4,489	0.00
001 General Fund	Expense	Ongoing	324	0.00	238	0.00

CD00968 - Fourth Plain Commons Maintenance and Utilities Costs

Recommended

This decision package request is for the public works contracts for general building maintenance and repairs, janitorial services, and landscaping services for the Fourth Plain Commons, with various spaces: office, kitchen, and special event programming. These contracts were required to be pulled out of the operator contract due to Washington State law requirements around requiring prevailing wage on such contracts. In addition, this request adds funding for utilities (electricity, water, and trash removal). This is a new facility that needs temporary support as the City and the contractor work with the community to fully utilize the various spaces, and for operations to become self-supporting. A contract amendment for janitorial services and landscaping have been executed, however, building maintenance for the Commons will be added to existing City contracts upon renewal in late 2024/early 2025. Utility amounts have been updated based on recent usage.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

CD00970 - Comprehensive Plan Update - Professional Services - Carryforward

Recommended

This decision package is to carry forward already approved professional services for the 2025-2045 Comprehensive Plan and Title 20 Development Code update. We estimate \$797,823 is a carry forward of funds previously allocated for professional services in the 2023-24 biennium.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	797,823	0.00	0	0.00

CD00971 - Comprehensive Plan Update - Increase Professional Services - One-time

Not Recommended

This decision package is in addition to the carry forward already approved professional services for the 2025-2045 Comprehensive Plan and Title 20 Development Code update. We request \$525,000 to fund the remainder of the professional services consultant contract and one year of temporary staff support.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	452,679	0.00	0	0.00

CD00972 - 1.0 FTE Transportation Principal Planner - Funding Support from Streets

Recommended

This position is responsible for overseeing complex transportation planning projects and policy development initiatives and leads Transportation System Plan Implementation efforts. Keeping this position maintains current staffing for high priority transportation projects and initiatives. The position will be funded with Transportation Benefit District revenue, and no longer from the General Fund.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	171,055	0.00	177,436	0.00

CD00973 - IT Applications Contracted Services for Development Review

Recommended

This request is for IT Applications expertise specifically dedicated to supporting development review software platforms, programming requirements and reporting needs in the Community Development Department (CDD). The Development Review Division in CDD has an urgent need for a programmer who can address an existing backlog of software fixes and enhancements that are necessary to streamline development permit workflow(s), many of which are fixes that have been identified by customers or staff. With the current large scale software projects of updating Dynamic Portal and the possible changes to INFOR or INFOR replacement, IT staff resources would be dedicated/focused on those efforts and reduce availability to tackle the backlog of CDD software requests.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

Economic Prosperity and Housing – Organizational Chart

Economic Prosperity and Housing

Divisions: Economic Development, Housing, Parking Services

Key service(s):

- Oversee implementation of the Housing Action Plan to increase the overall supply of housing in Vancouver.
- Invest in partner organizations to support the development of permanently affordable housing and expand the range of services for unsheltered households.
- Support new investment in Vancouver by advancing strategic redevelopment projects throughout the city.
- Grow employment and entrepreneurship opportunities in Vancouver through collaboration with and strategic investments in our partners in support of the retention and expansion of Vancouver businesses.
- Manage the City's supply of public parking to support downtown businesses, employees and visitors, and expand use of alternative mobility options within downtown to maximize utilization of existing parking supply.

Mission statement:

Economic Prosperity & Housing seeks to improve the lives of Vancouver residents by making housing more affordable, raising household incomes through increased economic opportunity, and improving access to Vancouver's iconic downtown through enhanced mobility for all.

Department description:**Economic Development**

Economic Development leads programs and projects that drive private investment within the city and grow the local economy. Staff members manage strategic redevelopment projects to help achieve the City's equitable development goals. In addition, staff work with local partners to provide assistance to local businesses, with a focus on small and historically disadvantaged businesses. Economic Development collaborates with regional leaders to recruit new businesses, support start-ups and provide opportunities for business expansion with a focus on firms that leverage the competitive strengths of the region. Economic Development regularly partners with the Hispanic Chamber of Commerce, Fourth Plain Forward, Greater Vancouver Chamber of Commerce and Vancouver's Downtown Association, along with the Columbia River Economic Development Council and Greater Portland, Inc.

Housing

Housing invests federal, state, and local funds to increase the supply of affordable housing, preserve existing housing, provide homelessness assistance and other community improvements. The City's direct investments support projects and programs that increase housing options for Vancouver's most vulnerable residents, revitalize neighborhoods, and address public service and infrastructure needs. In addition, Housing oversees the implementation of the City's Housing Action Plan and manages the tax incentive program for multifamily projects (Multifamily Tax Exemption – MFTE) to provide incentives for additional affordable housing and density.

Parking

The mission of Parking Services is to operate an efficient and fiscally responsible parking system that serves residents, businesses and visitors to Vancouver's downtown. In addition, Parking Services seeks to enhance mobility throughout downtown Vancouver through programs and initiatives that support alternative transportation options in the city center. The division manages existing parking assets, evaluates parking demand, and forecasts future mobility needs with a goal of developing a sustainable downtown parking system that serves a growing downtown and prioritizes the City's climate action and equity goals.

2023-2024 Accomplishments

Economic Development

Objective: Complete Redevelopment Plan for Fourth Plain Ops Center by Q4 2024.

Accomplishment: Developed a preliminary plan outlining a rough project budget and schedule. Developing a grant funding strategy to maximize the leverage of City funds.

Performance measure: Number of Affordable Units Delivered (units are expected to start delivery in 2031 based on current projections)

Consideration: Economic Prosperity and Housing's ability to progress early design and community engagement work is highly dependent on general funds as the majority of grants available are for shovel-ready projects.

Objective: Complete Downtown Redevelopment Strategy and identification of Opportunity Areas for downtown Vancouver by Q4 2024.

Accomplishment: Consultant team selected, and work started June of 2024. The team is planning to deliver the final Priority Districts and Redevelopment Strategy recommendations to City Council by December 2024

Performance measure: 1) Number of affordable housing units delivered to market; 2) Amount of commercial or industrial square footage delivered to market to support job creation.

Consideration: This project is a preliminary study and strategy development that may reveal additional projects needed to maintain the momentum of downtown redevelopment activity.

Objective: Establish a tax increment financing district to support an existing redevelopment project by Q2 2023.

Accomplishment: Did not advance this objective during the reporting period due to staffing constraints and ongoing analysis about the best use of the two tax increment districts available to the City.

Consideration: Tax increment financing is a useful but limited tool for the City, and the primary challenge in implementing it is identifying the best geographic fit.

2023-2024 Accomplishments

Objective: Provide support for five company expansion or retentions within Vancouver during FY 23-24 biennium.

Accomplishment: Between January 2023 and March 2024, the City and Columbia River Economic Development Council achieved the following outcomes: 7 recruitments, resulting in an estimated 320 new jobs; the expansion of 4 existing businesses, resulting in an estimated 248 new jobs; and the retention of 2 existing businesses, resulting the retention of 87 jobs. Industries impacted include Advanced Manufacturing, Clean Tech, Life Sciences, and Computer & Electronics.

Performance measure: # of jobs created through business development (recruitment, expansion, retention) activities.

Consideration: Job data for business recruitment and expansion activities are estimated, and these jobs are expected to be created over time. Also, business development activity isn't linear; some projects take years to come to fruition.

Objective: Assist 100 BIPOC small businesses annually through investment in small business

assistance programs.

Accomplishment: The Community Development Block Grant Program Year is July 1, 2023, through June 30, 2024. In nine months, from 7/1/23 to 3/31/24, 85 BIPOC businesses were served. Micro Enterprise Services of Oregon served 40 businesses, 29 BIPOC; Hispanic Metropolitan Chamber served 25 BIPOC businesses; Fourth Plain Forward served 24 businesses, 19 BIPOC. Programs are on track to serve 100 BIPOC businesses by 6/30/24.

Performance measure: # of microenterprises start or grow their business with the help of technical assistance and business service providers.

Consideration: Fourth Plain Forward is a new business assistance provider still expanding its reach and services and will likely serve more businesses in the future with 2024 funding.

2023-2024 Accomplishments

Objective: Increase funds available for business assistance, in addition to Community Development Block Grants, by 10% each year in 2023 and 2024.

Accomplishment: Success. Secured additional funds from Washington Department of Commerce CDBG-CV(2) grant totaling \$100,000 across HUD 2023 and 2024 program years. These funds are for business assistance.

Performance measure: # of microenterprises start or grow their business with the help of technical assistance and business service providers.

Consideration: Funds are one time in nature and will not create ongoing capacity for business assistance programming.

Objective: Retain 95% of businesses during the Main Street Promise project during and post construction.

Accomplishment: The Main Street Promise project is 2023 through 2026. Initial business count during project launch in project corridor is 292 businesses. Program is on track to retain 95% of Main Street businesses at project completion.

Performance measure: # of businesses in 2023 initial business count versus post-project business count

Consideration: Data obtained using Department of Revenue business license registrations and site visits.

Housing

Objective: Complete construction, rehabilitation, or acquisition of two community facilities that will provide needed services to residents with low to moderate income.

Accomplishment: Two facilities complete. Family Solutions remodeled their space to create new therapy offices that will serve people on Medicaid. Council for the Homeless acquired a new service center to consolidate their staff and homeless services.

Performance measure: # of facilities completed

Consideration: Council for the Homeless now owns the building but will remodel it during Q3 2024 and start providing services to clients in the new space in Q4 2024.

2023-2024 Accomplishments

Objective: Support 50 households per year exiting Safe Stay sites with rental assistance, housing supports and case management.

Accomplishment: In 2023, 73 people moved into stable housing from Safe Stay; 38 people moved from Safe Stays to stable housing in Q1 2024. Economic Prosperity and Housing continues to provide supportive services, rental assistance and outreach to the Safe Stays and Safe Park.

Performance measure: # of people housed

Consideration: Four Safe Stays currently operating, which have served more than 240 people throughout 2023.

Objective: Rehouse at least 120 homeless households per year with rental assistance and case management services.

Accomplishment: The HOME Program (federal investment partnerships providing grant funds to the City) runs from July 1, 2023, through June 30, 2024. In nine months, from 7/1/23 to 3/31/24, 29 households have been served: Janus Youth: 15 youth; Lifeline Connections: 5 households in recovery; Second Step Housing: 9 households. Through December 2023, the Prevention

Consortium supported 81 households to help them re-enter or maintain their housing through rental assistance.

Performance measure: number of households rehoused.

Consideration: These numbers do not include the number of people rehoused through Safe Stay and Safe Park assistance, reported earlier.

2023-2024 Accomplishments

Objective: Support 500 households per year through services including emergency shelter, childcare, homeless outreach, and food assistance.

Accomplishment: The Community Development Block Grant Program Year is July 1, 2023 through June 30, 2024. In 9 months, from 7/1/23 to 3/31/24, 1,978 people have been served. Boys and Girls Club Youth Violence Prevention Program: 158 youth served, Volunteer Lawyers Legal Aid for Housing Program: 331 people, Community Mediation Eviction Mediation Program: 147 people, Council for the Homeless Diversion Program: 115 people, Janus Youth Case Management: 22 youth, New Life Friends Church: 22 people, Thrive to Survive outreach events: 1,178 people.

Performance measure: # of people served with supportive services and access to resources.

Consideration: Programs are awarded on a competitive basis and project number served are only estimates. This goal was significantly exceeded due to a new program, Thrive to Survive, hosting well-attended homeless

outreach events.

Objective: Deploy 100% of Affordable Housing Fund (AHF) property tax dollars by end of 2023.

Accomplishment: All funding committed and final report for 2017-2023 levy completed.

Performance measure: Amount of funding deployed.

Consideration: New 2024 levy funding also fully awarded and 2025 funding partially awarded.

Objective: Work with communications to share outcomes of AHF with Vancouver citizens.

Accomplishment: Finalized and published a 7-year AHF levy report as well as a 2023 Housing Report to share outcomes.

Performance measure: Outcomes shared with residents.

2023-2024 Accomplishments

Objective: Achieve leverage on all housing investments of 10:1 for all awards in 2023 and 2024.

Accomplishment: In 2023, the City awarded \$2,435,000 AHF to 3 projects, with total project costs of \$17,598,785; The City also awarded \$300,000 in 2023 HOME funds to Habitat to purchase 14 homes with a total cost of \$5,764,449. Total leveraged in 2023 was 8.5:1. In 2024, \$10,095,000 AHF funding and \$400,000 in HOME funding was awarded to 11 multifamily and homeownership projects, totaling \$229,347,683 in new development. Total leveraged in 2024 is 21.9:1.

Performance measure: Amount of non-City funding leveraged

Consideration: While leveraging was less than 10:1 in 2023, the City far exceeded its goal in 2024.

Objective: Implement update to Multi-Family Tax Exemption (MFTE) program and increase number of MFTE transactions by 10% each year in 2023 and 2024.

Accomplishment: City Council adopted updates to the Multi-Family Tax Exemption program in July 2023. Number of applications does not reflect growth: 2 in 2022, 11 in 2023. The City has only received 1 MFTE application in 2024 with 2 others pending.

Performance measure: Number of MFTE applications submitted and approved

Consideration: In 2024, construction costs and interest rates greatly increased and new housing development dramatically slowed.

Objective: Fund homeownership opportunities for 10 homeowners with low income annually by FY2025.

Accomplishment: In 2024, City awarded \$2M in AHF and \$400,000 in HOME funds to Habitat and Proud Ground, which will result in 33 new first-time homebuyers.

Performance measure: Number of new homebuyers with low to moderate income

2023-2024 Accomplishments

Consideration: The Vancouver Housing Authority partnered with single-family developers and land trust partners to build a pipeline of modest homes that are affordable to first time homebuyers with limited income. New homes are guaranteed to be purchased at completion, limiting developer's risk and holding costs. The availability of these new homes has greatly increased the City's homeownership opportunities.

Parking

Objective: Complete new Downtown Parking Plan by Q4 2023 to adopt a new set of guiding principles and employ best practices in transportation demand and parking management strategies.

Accomplishment: Walker Consultants has been contracted to complete this work. Project will complete in Q4 2024.

Performance measure: Completed plan

Consideration: Project start was delayed allowing Parking Services to hire a new Parking District Manager and post for the Parking

Demand Manager position.

Objective: Evaluate weekend parking enforcement by Q2 2023.

Accomplishment: Rick Williams Consulting evaluated current utilization in 2022. Further analysis is being completed as part of the Downtown Parking plan. Parking Services has started enforcing prohibited parking violations on Saturday and Sunday, building capacity of potential full enforcement in the future. Staff complete occupancy counts to inform decision making on future weekend enforcement.

Objective: Increase utilization of downtown parking supply to 80%.

Accomplishment: Parking Services has created a framework for more frequent and uniform occupancy data collection.

Performance measure: Utilization of existing public parking spaces.

2023-2024 Accomplishments

Consideration: Utilization remains below 80%, however, City Climate Action goals related to increased mode split and the reduction of single occupancy vehicles require us to reevaluate this objective. The Downtown Parking Plan is exploring desired parking utilization in more detail.

Objective: Recruit three downtown employers and five owners of downtown parking to participate in demand management program by Q4 2024.

Accomplishment: This objective will be embedded in the new Downtown Parking Plan which will establish metric and measurement tool.

Performance measure: number of private employer and property owners participating.

Consideration: Implementation of the Downtown Parking Plan will require the participation of downtown employers and private property owners to both influence commute behaviors and activate private parking for public use. Parking Services will work with the

Transportation Demand Program Coordinator on this objective.

2025-2026 Objectives

Economic Development - Redevelopment

Objective: Complete Waterfront Gateway design and break ground by Q2 2026.

Outcome: Access to Safe and Affordable Housing: Housing, Transportation, and Dependable Utilities

Focus Area: Housing & Human Needs

Community Indicator: Housing Affordability

Performance Measure: Number of New Housing Units

Objective: Finalize development agreements on first 3 development sites in the Heights District by Q2 2025 and break ground by end of FY 2026.

Outcome: Access to safe and affordable: Housing, Transportation, and Dependable Utilities

Focus Area: Housing & Human Needs

Community Indicator: Housing Affordability

Performance Measure: Number of new housing units

Objective: Identify and implement a new funding tool/incentive to support housing and commercial redevelopment in the downtown Opportunity Areas identified in the Downtown Redevelopment Study by Q1 2026.

Outcome: Access to Safe and Affordable: Housing, Transportation, and Dependable Utilities

Focus Area: Housing & Human Needs

Community Indicator: Housing Affordability

Performance Measure: Diversity of Housing Stock

2025-2026 Objectives

Objective: Finalize a District Plan for the redevelopment of the Fourth Plain Operations Center Site based on the community's vision by end of FY 2026.

Outcome: Access to Safe and Affordable Housing: Housing, Transportation, and Dependable Utilities

Focus Area: Housing & Human Needs

Community Indicator: Housing Affordability

Performance Measure: Number of New Housing Units

Economic Development (Small Business Support)

Objective: Successful retention of 95% of Main Street businesses within the Main Street Promise project corridor during and after construction by end of FY 2026.

Outcome: Thriving Businesses – New and Established

Focus Area: Economic Opportunity

Community Indicators: Business Diversity

Performance Measure: Business Retention

Objective: Establishment of a new, local small businesses access to capital program by end of FY 2026

Outcome: Thriving Businesses – New and Established

Focus Area: Economic Opportunity

Community Indicator: Business Diversity

Performance Measure: Businesses Older than Two Years

Objective: Establishment of a local small business/startup incubator program by end of FY 2026

Outcome: Thriving Businesses – New and Established

Focus Area: Economic Opportunity

Community Indicator: Job Creation

Performance Measure: Number of New Business Licenses

2025-2026 Objectives

Housing

Objective: Support at least 50 households per year exiting homelessness with rental assistance, housing supports and case management.

Outcome: Access to safe and affordable: housing, transportation, and dependable utilities

Focus Area: Housing & Human Needs

Community Indicator: Housing Affordability

Performance Measure: Number of households stably rehoused

Objective: Support 500 households per year through services including emergency shelter, childcare, homeless outreach, and food assistance.

Outcome: Access to safe and affordable: housing, transportation, and dependable utilities

Focus Area: Housing & Human Needs

Community Indicator: Housing Affordability

Performance Measure: Number of households supported with safety net services.

Objective: Achieve leverage on all housing investments of 10:1 for all awards in 2025 and 2026.

Outcome: Access to safe and affordable: housing, transportation, and dependable utilities

Focus Area: Housing & Human Needs

Community Indicator: Housing Affordability

Performance Measure: Amount of non-city resources leveraged by city housing funding.

Objective: Fund homeownership opportunities for 10 homeowners with low to moderate income annually by FY2025.

Outcome: Access to safe and affordable: housing, transportation, and dependable utilities

Focus Area: Housing & Human Needs

Community Indicator: Housing Affordability

Performance Measure: Number of first-time homebuyers purchasing an affordable home.

2025-2026 Objectives

Parking

Objective: Increase weekday parking enforcement and add weekend parking enforcement by end of FY 2025.

Outcome: A transportation system that supports multi-modal movement of people and goods.

Focus Area: Transportation and Mobility

Community Indicator: Transportation User Experience

Performance Measure: Alternative Modes to Access Downtown

Objective: Create a public/private shared parking framework and execute three pilot agreements with private owners by end of FY 2026.

Outcome: A transportation system that supports multi-modal movement of people and goods

Focus Area: Transportation and Mobility

Community Indicator: Transportation User Experience

Performance Measure: Miles of Improved Facilities

Objective: Redistribute parking throughout the downtown Parking Management Area by increasing utilization in subareas with significant capacity.

Outcome: Strategies and programs that create a safe, future-ready transportation system.

Focus Area: Transportation and Mobility

Community Indicator: Transportation User Experience

Performance Measure: Alternative Modes to Access Downtown

Objective: Implement new wayfinding signs downtown for residents and visitors by end of FY 2026.

Outcome: More community members are using climate friendly options to move about

Focus Area: Transportation and Mobility

Community Indicator: Transportation User Experience

Performance Measure: Alternative Modes to Access Downtown

EPH0130 - Economic Development-Third Party legal services for Heights development agreement negotiations Not Recommended

Outside counsel support is required due to the volume and complexity of legal work required to negotiate and draft disposition and development agreements (DDA) as well as the contractual work related to implementing the DDAs, e.g., PSAs or ground leases. Estimated cost for the DDA negotiations which will be completed in 2025 is \$200,000 and the DDA implementation work is \$100,000 completed over 2026.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	200,000	0.00	100,000	0.00

EPH0132 - Economic Development - Heights general development support not related to infrastructure or parks development Recommended

Included in the infrastructure design contract amendment with First Forty Feet is development support related to platting the Tower Mall Redevelopment Area to create new legal lots. The city is required to do this in 2025 as part of the redevelopment process and in order to convey or ground lease the development sites to developers. Anticipated cost is \$18,000 (professional services.)

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	18,000	0.00	0	0.00

EPH0133 - Economic Development - Closing costs, including excise tax and recording fees for first phase of private development Recommended

Costs necessary to meet 2026 contractual obligations under the disposition and development agreements. Estimated costs are \$51,000

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	0	0.00	51,000	0.00

EPH0139 - Economic Development - Downtown value capture study

Not Recommended

Feasibility analysis required to implement value capture programs, including tax increment and Local Improvement District (LID), to fund redevelopment efforts. This is an early Comp Plan implementation activity to ensure the City has the resources to support infrastructure development associated with strategic redevelopment. Estimated cost is \$300,000.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	300,000	0.00	0	0.00

EPH0141 - Economic Development - Implementation of Small Business Support Programs

Recommended

Small businesses (<20 employees) account for 90% of Vancouver's businesses and are a key driver of shared prosperity and economic opportunity. To ensure a thriving local economy and a strong business sector, programs and investments are required to encourage entrepreneurship and enable small business growth. \$500,000 (\$250K in both 2025 and 2026) will support the implementation of small business and entrepreneurship support programs identified in the City of Vancouver's new Economic Development Strategy.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	0	0.00	125,000	0.00

EPH0142 - Economic Development - Regional Economic Development Services

Recommended

Effective local economic development relies on strong regional partners, particularly as it relates to economic marketing & promotion, and the retention and attraction of businesses. \$400,000 (\$200K in both 2025 and 2026) will go to support existing partners, such as CREDC, VDA, and GPI, in these efforts.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

Operating

EPH0155 - Parking - Parking Plan: Implementation of Phase 1 Downtown Wayfinding and Guided Parking System Capital Investments Recommended

The Parking Plan Study has identified a lack of customer awareness of parking facilities and assets downtown. \$100,000 will be used in 2026 to invest in new wayfinding signs, guided parking system technology, and communication tools based on implementation plan developed by third party expertise procured in EPH0153.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
491 Parking Services Fund	Expense	One-time	0	0.00	100,000	0.00

EPH0156 - Parking - Parking Plan: Implementation of a Pilot Circulator Service Recommended

\$150,000 will be used in both 2025 and 2026 to support the implementation of a circulator service to enable residents, workers, and visitors to move throughout the city center without having to access a private automobile.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
491 Parking Services Fund	Expense	One-time	150,000	0.00	150,000	0.00

EPH0157 - Parking - Garage Operator Recommended

\$200,000 for garage management and deferred maintenance in 2025. The Park 'N Go garage is approaching 25 years old, some of the major infrastructure is at the end of its life cycle. The Garage operator will manage projects to improve the garage elevator which is approx. \$130,000, exhaust, lighting, access control, permit system and cameras.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
491 Parking Services Fund	Expense	One-time	200,000	0.00	200,000	0.00

EPH0159 - Parking - Vehicle License Plate Reader Retrofit and Software Recommended

\$100,000 for mobile Licenses Plate Recognition (LPR) camera install, software and integration costs in 2026. LPR is a tool used enforce and capture data. Parking Services is currently using old models of enforcement and data collection, LPR will transition the department to best practices in both areas. Mobile LPR consist of mounted cameras on vehicles, which allows for more range and efficiency related to license plate capture.

EPH0160 - Parking - Access Control Additional Funds

Recommended

\$130,000 for new access control/Parking Access Control System in Lot 18 in 2025. Lot 18 access control is antiquated and at the end of its life cycle. The new system will incorporate updated hardware and parking focused software. Hardware updates to include, loops, card readers, electrical infrastructure, pay stations and cameras. Software updates will include permit management, license plate recognition, contemporary online portal features and updated validation features. Updating the access control to parking focused access control will allow the parking operator to execute best practice in customer parking experience and data collection.

EPH0163 - Tourism - Increase Lodging Tax Grant Program Funding to 50% of Annual Revenue (\$1.5 million)

Not Recommended

Of the annual lodging tax revenues generated each year, approximately \$3 million, City Council has approved 50% going toward debt-service related to the construction and expansion of the City Convention Center. The other 50% is available to the Lodging Tax Advisory Committee (LTAC) for grants to fund tourism-related activities designed to attract visitors to Vancouver. To date Council has authorized the LTAC to spend up to \$825,000 a year (\$1.6 million a biennium). The LTAC is seeking the authorization to spend up to the full 50%, which is estimated to be at least \$1.5 million in 2025 and 2026 (at least \$3 million over the biennium) to invest in tourism related facilities, events/festivals, and organizations in alignment with its recently redesigned grant program. This increase in authorization will also enable the City to shift certain staff and admin costs from the General Fund to the Lodging Tax Fund.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
109 Tourism Fund	Expense	One-time	720,920	0.00	720,920	0.00

EPH0131 - Economic Development - Property acquisition for Heights, not included in right of way purchases Recommended

Following receipt of the RAISE grant, acquiring a piece of property in 2025 is a critical, time sensitive step to construct the Grand Loop. The Loop is a critical piece of infrastructure to support the first phase of development in the Heights District. Based on the appraisal, this cost is \$69,000.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

General Services

General Services – Organizational Chart

General Services

Divisions: Facilities, Property Management, Capital Projects, Mail Services, Emergency Management, Records Management

Key service(s):

- Mail services
- Property management
- Emergency management
- Operations, management and planning of city-owned properties and facilities
- Public records management
- Capital projects

Mission statement:

The General Services Department provides customer-forward, reliable and innovative support to city departments and the public by efficiently managing the City's projects, assets, and operations across all departments. We ensure necessary workspaces, preserve vital records, and prepare the organization for response and recovery in an emergency.

Department description:

General Services provides enterprise-wide services. This includes supporting overall operations and strategic planning of City-owned property and facilities and City facility capital projects; overseeing public records requests and city-wide records management; and ensuring the City's framework is in place to recover from major disasters and provide services to Vancouver residents.

Facilities Maintenance

Manages over 1.8 million square feet of City-owned buildings and structures with responsibility for preventative maintenance, repair, and capital renovations.

Property Management

Leads the acquisition, leasing, management, and disposition of City properties, as well as the coordination of City department and tenant interior space needs.

Capital Projects

Manages the design and delivery of large-scale City facilities projects. Partners enterprise-wide to establish project management and delivery practices and create facility design and technical specifications.

Mail Services

Provides mailroom services for all City departments across the city.

Emergency Management

Develops and leads the City's Emergency Management Program using an all-hazard, "Whole Community" approach, coordinates disaster preparedness training and activities enterprise-wide, manages a complex framework of mitigation, response, and recovery plans and procedures.

Records Management

Manages Public Records Requests; maintains digital and physical records systems for governing and advisory boards/commissions, financial records, and other documents related to City business and processes; and supports all City departments for City-wide records retention requirements.

2023-2024 Accomplishments

Objective: Complete Alternative Fuel Infrastructure analysis for Vancouver community and identify first three locations for EV charging facilities at City properties.

Accomplishment: Sites identified, and contract awarded to install new electrical service and chargers at Brookside and Operation Center for fleet vehicles. Design in progress to install EV chargers at Chkalov building to support inspector vehicles.

Objective: Implement Climate Action Goals for municipal buildings and capital projects.

Accomplishment: Purchased a 10kw share in Clark PUD's Community Solar East project, which provides the City with an annual energy credit and advances the Climate Action Framework goal of 100% renewable energy for municipal buildings. Completed Facilities Conditions Assessments for most City facilities identifying ways to transition these facilities to 100% renewable energy.

Performance measure: Increase the amount and percentage of total City electricity derived from renewable sources by transitioning City facilities

to 100% renewable energy.

Consideration: An industry best practice for transitioning City facilities to 100% renewable energy is to complete this transition over time, replacing equipment as systems reach their end of life—an approach that will take multiple years to complete.

Objective: Identify ways to improve access for employees, and the public, to City records.

Accomplishment: The Public Records Disclosure Requests Dashboard was published to the community - providing data on the number, types, and status of requests – and the Joint Legislative Audit and Review Committee report, which provides similar data as well as information on the cost, staff and response time for each request response, was completed and provided to the State in both years. Increased efficient searchability and accessibility of City microfiche records by scanning them into a portable document format (PDF) and storing them in a more modern format. Produced and made available in Workday and Sharepoint an employee-focused Public Records Act and Records Retention training for internal use.

2023-2024 Accomplishments

Performance measure: Increase the online availability of public record documents.

Consideration: Citywide Data Governance initiative currently underway, includes an Open Data Policy and a five-year Data Management Strategy and Workplan. This initiative will help inform the technology, processes and procedures needed to increase the online availability of public record documents.

Objective: Provide quality services to our enterprise-wide customers.

Accomplishment: The General Services intranet site includes information on divisions, contact staff, and forms for various requests across all divisions.

Performance measure: Reduce the number of facility service request status inquiries from customers

Consideration: General Services has added an email status response to customers when there are service or supply issues that are delaying addressing an issue. The new General Services Sharepoint site includes information and links to

forms to report a facilities maintenance issues.

Objective: Incorporate community and City resiliency responses into emergency management procedures and protocols.

Accomplishment: A City Emergency Management Gap Analysis was completed, findings were presented to City Council, and a City Emergency Management Steering Committee with representatives from all departments was formed. ATC-20 and WAsafe training was provided to 60 professionals from the City of Vancouver, Clark County, and other partners. The Community Resilience Outreach Project (with Climate Team) which included community-based listening sessions to discuss and identify the information that would be most informative to provide to community members was completed.

Performance measure: 100% of City neighborhoods that hold meetings are offered a flyer and/or presentation about community safety hubs.

2025-2026 Objectives

Facilities Maintenance

Objective: To effectively maintain our city buildings and effectively manage the capital project budget.

Outcome: The General Services team will control project costs and ensure delivered projects are within budget.

Focus Area: Safe and Prepared Community

Community Indicators: Resident's Perception of Preparedness

Performance Measure: The Facilities team will actively track the number of capital projects completed and expenditures spent in each biennium. Results will be reported quarterly.

Property Management

Objective: To effectively manage city-owned properties to ensure that they serve the public needs while maintaining operational efficiency and financial sustainability.

Outcome: Transparency in the decision-making process of purchasing, developing, and

improving properties that will benefit the residents of Vancouver.

Focus Area: High Performing Government.

Community Indicator: Resident satisfaction with municipal services

Performance Measure: Collect and analyze feedback from community members by conducting a survey measuring satisfaction levels of the public using the properties.

Capital Projects

Objective: Provide city-wide capital project management over design and construction for the delivery of high performing and efficient facilities.

Outcome: New and improved buildings and structures designed for the Vancouver community's safety and needs.

Focus Area: Safe and Prepared Community

2025-2026 Objectives

Community Indicator: Resident's Perception of Preparedness

Performance Measure: Design and construction activities continue. Communication of progress through quarterly updates provided.

Emergency Management

Objective: Improve the City's capability to effectively manage response to and recovery from a major natural or human-caused disaster.

Outcome: Well-executed emergency responses. Residents understand the City has updated plans to respond to disasters and recognize their individual and neighborhood role in building a prepared and resilient "Whole Community."

Focus Area: Safe and Prepared Community.

Community Indicator: Resident's Perception of Preparedness

Performance Measure: A disaster-ready Emergency Operations Center capability and upgraded Emergency Operations Plan.

Central Records

Objective: Continue to improve access to City of Vancouver records for employees and the public. Provide transparency to the public by tracking the volume, types, status of Public Disclosure Requests.

Outcome: Transparent, efficient, and effective processes.

Focus Area: High Performing Government

Community Indicator: Resident Satisfaction with Municipal Services

Performance Measure: Increase the online availability of public record documents by maintaining and updating the Public Disclosure Requests Dashboard and JLARC annual report on the City website.

GS00181 - Covid-19 Janitorial Services Reduction

Recommended

Eliminating the additional COVID-19 related sanitization services including Bio-fogging, touch-point sanitization, disinfecting, and hand sanitization stations. Additional cleaning protocols will be eliminated city wide upon approval of this Decision Package. Basic janitorial services will revert to pre-pandemic service levels.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
507 Facilities Maintenance Services Fund	Expense	Ongoing	0	0.00	(207,339)	0.00

GS00182 - Additional Security Services Reduction

Recommended

Eliminating or reducing security patrols. Eliminating these patrols will lead to a decrease in awareness of vandalism at our sites. These patrols report vandalism only. Staff will likely not respond to nightly vandalism until the following business day when city employees arrive.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

▮CW00725 - Admissions Tax - New

Recommended

▮Implement 5% admissions tax on commercially ticketed events (primarily movie theatres). In 2025, \$150,000 of the revenue will be used to support the Performing Art Center (PAC) study.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
336 Capital Improvement Fund	Expense	One-time	250,000	0.00	400,000	0.00
336 Capital Improvement Fund	Revenue	One-time	250,000	0.00	400,000	0.00

▮FR00955 - Proposition 2 Banked Capacity to Support Fire Stations 3 and 6

Recommended

▮This decision package is to implement banked capacity dedicated to proposition 2 investments.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
335 Fire Acquisition Fund	Revenue	Ongoing	0	0.00	3,600,000	0.00

▮FR00958 - Station 3, 6, and 8 Capital Project - Fire District 5 Funding

Recommended

▮This is carrying forward fire district 5's contribution toward construction of Station 3 and 6.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
335 Fire Acquisition Fund	Revenue	One-time	0	0.00	2,371,200	0.00

▮GS00193 - Fire Station 5 Warehouse Construction - Carryforward

Recommended

▮Carry-forward of capital funds to complete construction on the Esther Short Bell Tower that will be completed in 2025

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
335 Fire Acquisition Fund	Expense	One-time	825,000	0.00	0	0.00

▮GS00194 - Fire Station 8 Remodel/Seismic Upgrade - Carryforward

Recommended

▮Carry-forward of capital funds to complete the seismic retrofit design and construction of fire station 8. Fire Station 8 would not be seismically retrofitted, a second crew for the new fire truck cannot be accommodated at Station 8 and the commitment made under Prop 2 funding would not be upheld.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

Legislative and General Government

City Attorney's Office – Organizational Chart

City Attorney's Office

Divisions: Civil and Criminal Prosecution

Key service(s):

Civil Division

- Advise and represent City's elected and appointed officials, department directors and employees.
- Represent the City and its employees in legal proceedings.
- Provide training to City employees and officials on their legal duties and responsibilities.

Criminal Prosecution

- Prosecute misdemeanor and gross misdemeanor cases in Clark County District Court.
- Provide advice and training to the Vancouver Police Department.
- Operate a diversion program and participate in conducting therapeutic treatment courts that present meaningful alternatives to conviction/confinement.
- Participate in the Domestic Violence Prosecution Center.

Mission Statement:

The City Attorney's Office team is committed to carrying out our duties through means that are just, equitable, and consistent with nationally recognized standards and best practices. We strive to treat all individuals with courtesy and respect. We are committed to advancing our understanding of who is, and is not, benefiting from the institutions our society has created. We seek opportunities to lawfully balance inequities that have long existed and repair imperfections in our systems.

Department Description:

The Civil Division is the City's law firm. Civil attorneys provide advice and representation to the City's elected and appointed officials, department directors and employees on a wide range of legal matters without the high price tag of a private law firm. Located in Vancouver City Hall, the Civil Division's practice areas include land use, internal services (contracts, government affairs, administrative law), and civil litigation.

The Criminal Prosecution Division prosecutes misdemeanor and gross misdemeanor criminal cases occurring in the City of Vancouver. This Division reviews police reports for charging decisions, engages in applicable plea negotiations, collects, and presents relevant evidence to the court and represents the City at pretrial hearings, jury, and bench trials. After securing a criminal conviction, this Division advocates for the City at criminal sentencing, seeks restitution for crime victims, and represents the City in any criminal appeals. The Criminal Prosecution Division provides up-to-date legal advice and training to the City police department through new officer orientation, notification of changes in the law, and focused training on pertinent subjects. This Division researches and responds to fact-specific legal questions posed by City police officers. The Criminal Prosecution Division monitors state criminal justice legislation and state and federal case law with potential impacts to the city or its residents. The Division drafts ordinances on specific criminal issues as needed.

Department Description cont.:

The Criminal Prosecution Division also staff specialty courts, including Veteran's Court, Treatment Alternative Court, Mental Health Court, and Community Court, and runs Diversion programs. The City's diversion programs allow qualifying offenders with limited criminal history an opportunity to avoid the adverse impacts of having a criminal conviction on their record. Domestic violence prosecution operates pursuant to an Interlocal Agreement, City and County prosecutors, legal support staff, and law enforcement work cooperatively to operate the Domestic Violence Prosecution Center (DVPC).

2023-2024 Accomplishments

Department-wide

Objective: Provide legal advice and training to the Vancouver Police Department and assist in the implementation of a new police camera program to increase transparency of our peace officers' interactions with our community.

Accomplishment: Provided over 12 trainings on topics including legal basics, legislative updates, possession of drug paraphernalia and implications of the "Blake Fix", and Community Court Protocols. Provided legal advice relating to new legislative changes impacting law enforcement, best practices for ensuring police camera footage is retained and produced in compliance with the law, and the applicability of certain exemptions under the Public Records Act to internal affairs investigations.

Objective: Complete the conversion of the City Attorney's Office to 100% paperless law office and reduce the physical footprint of the City Attorney's Office within City Hall.

Accomplishment: Reduced physical footprint within Vancouver City Hall by approximately 50% through the implementation of telework

arrangements. Three new initiatives have supported the efforts to become a 100% paperless law office: (1) the successful implementation of eProsecutor (an electronic case management system) by the Criminal Prosecution Division, (2) modernized file management practices within the Civil Division, and (3) an extensive archival effort was undertaken to sort and ensure proper disposition of paper records during the physical office moves implicated in the footprint reduction.

Consideration: Decades of paper records remain under the control of the City Attorney's Office. Resources and intentional effort will be needed to sort (archive, digitalize or destroy) all remaining records according to approved state archivist schedules.

2023-2024 Accomplishments

Department-wide

Objective: Devote intentional time and attention to refining and improving the communication and advocacy skills of all attorneys who represent the interests of the City and its employees and officials.

Accomplishment: Planned and conducted a training series devoted to improving the verbal communication skills of attorneys and staff who represent the interests of the City, its employees and officials.

Consideration: The City Attorney's Office is preparing a condensed version of this training series that will be available for all employees of through Workday Learning.

Objective: Establish real-time access to all current (non-historic) law office records by City Attorney's Office attorneys and staff.

Accomplishment: Launched eProsecutor and adopted a criminal prosecution data management policy; Revised record keeping protocols in the Civil Division and adopted standardized file naming conventions. Efforts to

achieve this objective remain active and on-going.

Objective: Protect and connect individuals experiencing unsheltered homelessness with needed services. Monitor and refine VMC 8.22 (Camping/Outdoor Habitation) to balance community needs for shelter, sanitation, and safety

Accomplishment: In 2023, the City Attorney's Office collaborated with members of the City's Public Safety Departments, Homeless Assistance and Resources Team (HART), and City Manager's Office to draft a Declaration of Emergency for Unsheltered Homelessness and three emergency orders.

2023-2024 Accomplishments

Civil Division

Objective: Support the City's goal of implementing agency-wide DEI initiatives, specifically in connection to public procurement and contracting.

Accomplishment: The Civil Division of the City Attorney's Office has collaborated and compiled a list of actions that can be lawfully taken to advance equity and inclusion, particularly in the area of public procurement and contracting. Additionally, members of the City Attorney's Office have refined the language used within City contract documents for increased inclusivity. (E.g., shifting to gender neutral terms, offering changes for ease-of-reading, removing terms rooted in systemic racism.)

Consideration: The work of the City Attorney's Office will need to be harmonized with that of Keen Independent Research, LLC, which is conducting an independent disparity study pursuant to a contract approved on July 10, 2023.

Objective: Establish and refine administrative policies needed to implement the City's new Anti-Stalking Ordinance to ensure a uniform process for protecting the interests of City officials, employees, and volunteers from foreseeable risks of harm arising from their work in service to the residents of the City.

Accomplishment: The City has a long-standing practice that has allowed individuals seeking protection under the City's Anti-Stalking Ordinance to request and receive protection. To date, two (2) individuals have requested, and been afforded protection, via legal proceedings initiated by the City Attorney's Office.

Consideration: The estimate of 100 legal opinions is exceptionally conservative. The Civil Division of the City Attorney's Office is currently conducting a process improvement effort to refine its protocols for storing, archiving, retrieving, and quantifying legal opinions.

2023-2024 Accomplishments

Civil Division

Objective: Communicate availability and train supervisors in the availability and use of legal resources.

Accomplishment: The Civil Division to launch a training on the roles, powers and duties of municipal officials and employees (estimated launch 12/31/2024).

Criminal Prosecution Division

Objective: Launch Community Court Program to provide individuals who commit certain crimes (e.g.: violations of VMC 8.22) meaningful alternatives to confinement.

Accomplishment: Thirty-nine (39) individuals successfully connected to services and graduated from the program during the first year of the City's Community Court Program. Each program participant had an average of 4.5 contacts with service providers, resulting in approximately 175 contacts.

2025-2026 Objectives

City Attorney's Office

Objective: Provide legal advice to City officials, managers, and employees. Advise city elected officials, supervisors, and board/commission members in their legal roles, duties and powers.

Outcome: City leaders who follow through on actions, policies, and commitments

Focus Area: High Performing Government

Community Indicator: Resident satisfaction with municipal services

Performance Measure: Number of legal opinions and instruments created annually; Percentage of clients that rate legal advice as timely and useful.

Civil Division

Objective: Train City leaders in their legal roles, duties and powers so that City elected officials, supervisors, and board/commission members will understand their legal roles, duties and powers

Outcome: City leaders who follow through on actions, policies, and commitments

Focus Area: High Performing Government

Community Indicator: Resident satisfaction with municipal services

Performance Measure: Percent of City managers, directors, officials and board/commission who receive necessary training within one year of program rollout, appointment, or hire.

Objective: Represent City officials and employees in legal proceedings.

Outcome: Fiscally responsible organization. The City will responsibly manage its liability exposure to legal claims and lawsuits.

Focus Area: High Performing Government

Community Indicator: Price of Government

Performance Measure: Number of active civil litigation cases open at the end of the first fiscal quarter of each year.

2025-2026 Objectives

Objective: Serve as “keeper of the code” for the Vancouver Municipal Code (VMC), legal instruments, and forms; providing biennial updates as needed

Outcome: The Vancouver Municipal Code, legal forms, and legal instruments will be updated on a recurring basis to reflect best practices, and ensure modern, accessible, inclusive language usage

Focus Area: High Performing Government

Community Indicator: Resident satisfaction with municipal services

Performance Measure: Number of code sections, legal forms and instruments updated.

Criminal Division

Objective: Increase contacts between individuals experiencing unsheltered homelessness and homeless service providers through community court.

Outcome: Individuals experiencing unsheltered homelessness will connect with homeless service providers to assist in breaking barriers that stand in the way of obtaining stable employment and

housing.

Focus Area: Housing and Human Needs

Community Indicator: Point-in-Time Count of individuals experiencing homelessness

Performance Measure: Number of contacts between homeless service providers and individuals accused of quality-of-life offenses.

Objective: Prosecute crimes and refer matters, as appropriate, to diversion and/or specialty courts.

Outcome: Individuals who commit misdemeanor offenses within Vancouver city limits will be held accountable for their actions and acquire knowledge and skills to reduce recidivism.

Focus Area: Safe and Prepared Community

Community Indicator: Residents’ perception of safety

Performance Measure: Number of cases resolved through successful completion of diversion/therapy court or, in the alternative, conviction.

2025-2026 Objectives

Objective: Achieve 90% or better accuracy in data reporting. Enable informed decision-making by future City leaders on deployment of prosecution resources.

Outcome: Transparent, efficient, and effective decision-making processes.

Focus Area: High Performing Government

Community Indicator: Decision making processes are transparent.

Performance Measure: % of cases containing complete and accurate information in all eProsecutor prosecution case metric fields.

City Council– Organizational Chart

City Council

Key service(s):

- Enact ordinances
- Adopt budgets
- Determine policies
- Appoint the city manager

Department description:

The City Council in Vancouver, Washington, has specific powers and responsibilities. These include:

- Enacting ordinances or resolutions: The Council can create local laws or official decisions.
- Adopting rules and regulations: They establish guidelines for various aspects of city life.
- Appointing and removing the city manager: The Council oversees the hiring and firing of the city manager.
- Setting salaries: They determine how much city employees earn.
- Approving the budget: The Council reviews and approves the city's financial plan.
- Managing indebtedness and bonds: They handle borrowing and financial obligations.
- Conducting independent audits: The Council ensures transparency by reviewing departmental finances and operations.

The Council consists of seven members, including a mayor elected by the entire city. Both the Mayor and Councilmembers serve four-year terms. Additionally, one Councilmember is chosen every two years to be the Mayor Pro Tempore, who acts as mayor when the actual mayor is unavailable or unable to perform their duties.

City Manager's Office – Organizational Chart

City Manager's Office

Key service(s):

- Execute the laws and administer the government of the city as prescribed by the City Charter or Ordinance
- Program and Policy Development
- Local and Federal Governmental relations
- Climate Action Framework and Policy
- Homelessness Assistance and Resources
- Support for Boards & Commissions
- Timely delivery of information to support Council decision making

Mission Statement:

The City Manager's Office implements initiatives set forth by the City Council in the Vancouver Strategic Plan and serves as a liaison between the city departments and the Vancouver community.

Department Description:

The City Manager's Office, operating under the guidance of the City Manager, oversees the implementation of policies established by the City Council. Its primary goal is to ensure that City operations, programs, and services effectively serve the needs of the Vancouver community. Additionally, the City Manager's Office supports the policymaking efforts of the Mayor and City Council, overseeing policy implementation throughout the entire city organization. This includes developing organization-wide policies, strategic planning, legislative support, and government relations. Key priorities for the organization involve implementing a climate action framework, supporting relevant policies, addressing homelessness, and managing grants.

2023-2024 Accomplishments

Objective: Open new Safe Stay communities

Accomplishment: Two additional Safe Stay communities were opened in November and December 2023. The City now operates a total of four Safe Stay Communities and one Safe Park Community.

Consideration: Each Safe Stay Community is currently allowed to be located at the site for no more than three years. This requirement may need to be revisited by Council because the first two Safe Stay locations are nearing their three-year deadline.

Objective: Continued evaluation of congregate bridge shelter as next phase of city's homelessness response

Accomplishment: Staff has identified a potential location and have a plan for constructing the shelter and how it would be operated.

Performance measure: Establishment of a bridge shelter.

Consideration: Current restricted funds available to support the City's homelessness response

work are not enough to pay for bridge shelter operations, in addition to the four Stay Safe Communities, Safe Park, and general HART operations. A new funding source will need to be implemented by Council to allow for the establishment of a bridge shelter.

Objective: Complete next Vancouver Strategic Plan.

Accomplishment: The City Council adopted the 2023-2029 Vancouver Strategic Plan in June 2023.

Consideration: The new Strategic Plan has been integrated into the biennial budget process to ensure budget decisions are in support of the City's core values and focus areas. Performance progress is included in the quarterly budget reports.

2023-2024 Accomplishments

Objective: Undertake City Charter Review process.

Accomplishment: A Charter Review Committee of fifteen citizens met seven times between October 2023 and April 2024. They brought six recommendations to Council for consideration to place on the November 2024 general election ballot.

Consideration: While five recommendations have minimal budgetary implications, the recommendation to create electoral districts would require staff time to oversee the districting process.

Objective: Continue citywide evaluation of workforce planning efforts resulting from the COVID-19 pandemic

Accomplishment: Workforce planning efforts resulting from the COVID-19 pandemic have been completed.

Consideration: Terminated the City of Vancouver's declared state of emergency for the COVID-19 pandemic on October 24, 2022. As a

result, workplace planning efforts relating to the pandemic is closed.

Objective: Support City-wide organization efforts, with a focus on communications, strategic planning, long-range capital facility planning, remote/telework workforce planning.

Accomplishment: The Communications Department implemented a city-wide newsletter distributed to all addresses within the city. The City Council adopted the Strategic Plan. Long-range capital facility planning responsibility is transferred to General Services, with the City Manager's office's serving in consultation. Remote and telework workforce planning is implemented at the department level. Vision and Values updated and launched in 2023.

2025-2026 Objectives

Objective: Lead the City's Climate Action program. Track progress of citywide policy implementation and revise Climate Action Framework based on updated GHG inventory and Council direction.

Outcome: Efforts to address climate change ensure everyone has a sustainable future. City remains on target to meet adopted greenhouse gas reduction goals.

Focus Area: Climate and Natural Systems

Community Indicator: Greenhouse Gas Emissions

Performance Measure: GHG Emissions Inventory; GHG Emissions Goals

Objective: Collaborate with key partners and define roles and responsibilities to successfully open and operate a bridge shelter while maintaining existing Safe Stay Communities.

Outcome: Partnerships between the City and organizations support all its communities

Focus Area: Housing and Human Needs

Community Indicator: Point-in-Time Count

Performance Measure: Unsheltered Individuals; Occupancy Rate; Exit Destinations; Homeless Service Provider

Objective: Provide services, including more shelter beds, Medication Assistance Treatment (MAT) program and expanded HART, to promote harm reduction and prevent crisis situations.

Outcome: All communities have basic needs met

Focus Area: Housing and Human Needs

Community Indicator: Point-in-Time Count

Performance Measure: Reduced demand on emergency services related to unsheltered homeless, unsheltered Individuals, occupancy rate; homeless service provider.

Decision Packages by Type

City Manager's Office

Operating

CM00908 - Convert Limited Duration to Regular 1.0 FTE - Grants Management Analyst (Alternate DP - General Fund FTE) Recommended

This decision package shows the grant funding to support the Grants Management Analyst position within the General Fund. With the shift from department-specific to a centralized grants function, the office provides application support and technical assistance to all city departments. The research into funding opportunities bridges the whole organization and the expense should be reflected as such.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	139,896	1.00	143,483	1.00
001 General Fund	Revenue	Ongoing	83,938	0.00	86,090	0.00

CM00909 - Partial Grant Funded Management Analyst Position - Alternate DP Recommended

This decision package shows the grant funding to support the Grants Management Analyst position within the General Fund. With the shift from department-specific to a centralized grants function, the office provides application support and technical assistance to all city departments. The research into funding opportunities bridges the whole organization and the expense should be reflected as such.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	95,170	0.00	95,958	0.00

CM00913 - Add 1.0 Limited Term FTE for a Support Specialist through 2026 Recommended

This decision package is to add one limited term position for a Support Specialist role through 2026.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	100,795	1.00	103,552	1.00

CW00728 - 2025/2026 Fleet Replacement Shortfalls Recommended

This decision package is to request funding for vehicles that will be replaced in 2025 and 2026. The amount requested is the shortfall between the reserves collect, and the current cost of replacing the vehicles.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

Communications – Organizational Chart

Communications

Divisions:

City/County Cable Television (CVTV), Community Engagement, Core Communications, Public Works Communications

Key service(s):

- External communications (including media relations, social media management, website/cityofvancouver.us, publications, video production, etc.)
- Creative services (brand management, photography, graphic design)
- Internal communications
- Community engagement
- Office of Neighborhoods
- Government access cable channels/programming/franchise management (CVTV)

Mission statement:

We provide innovative, creative and data-driven communication and engagement solutions to advance the City's reputation, services, initiatives, and strategic vision.

Department description:

Communications supports the work and reputation of the City of Vancouver. Our full-service shop provides strategic communications consultation, creative services, media relations, community engagement, publications, social media management, website and intranet, crisis communications, internal communications, and city video production through CVTV. Communications creates creative, thoughtful, and data-driven strategies to advance the city's priorities, services, and initiatives.

City/County Cable Television Office

The City/County Cable Television Office was established in 1982 by an interlocal agreement between the City of Vancouver and Clark County to provide staff support for regulating the city and county cable television franchise agreements. The office ensures that Vancouver and Clark County residents receive the quality of service as required in the cable television franchise agreement(s). CVTV operates Clark/Vancouver Television, the government access channels on the Comcast cable system for SW Washington. City funds provide coverage of City and local meetings, hearings and events, at the request of city staff and local officials. CVTV produces informational programming regarding City initiatives, programs, services, and events and provides election programming, interviews, and a video voters' guide during election seasons. CVTV programming is broadcast over cable channels 23, 323HD, 21, 321HD. Cable channels 21 and 23 are streamed live on CVTV.org and the majority of CVTV programming is available on-demand through the website and on city social media channels.

Community Engagement

The Community Engagement team supports equitable and inclusive outreach, education and involvement efforts across the city. Working with staff from all City departments, the team helps ensure that community members can play an active role in decision-making, most often through consultation, collaboration and co-creation. Team members also support staff and City Councilors in listening to understand community needs, developing responsive communications and working to strengthen community relationships. The Community Engagement team includes the City Liaison and Office of Neighborhoods.

Core Communications

The Core Communications team provides clear, accessible and timely information about the City's departments, programs, and initiatives. Supporting both internal and external communications, the team is responsible for a range of strategies and services that include producing and implementing communications and marketing plans and providing strategic communication oversight and guidance to City departments. Services include media relations, graphic design, publications, brand management, photography, and curating and producing content for all digital and print channels.

Office of Neighborhoods

The Office of Neighborhoods helps build connections between neighbors, City staff and the Vancouver City Council. The Office directly supports neighborhood and community groups while promoting collaboration and communication between residents and City government. The Office provides training and coaching to neighborhood leaders, helps resolve neighborhood disputes and works with Public Works staff to coordinate neighborhood cleanups across the city. The City of Vancouver has recognized neighborhood associations since 1975.

Public Works Communications

The Public Works Communications team provides clear, accessible and timely information about Public Works programs. Supporting both internal and external communications, the team is responsible for a wide range of strategies and services, including communications planning, media relations, issuing press releases, graphic design, photography, social media channels, the City website and more.

2023-2024 Accomplishments

Objective: Deliver a user-centric City website that is easy for residents, businesses, and visitors to navigate and find information. As part of this project website governance, guidelines, and style guide will be produced.

Accomplishment: Project completed. New website built and launched, and governance, guidelines, and style guide created.

Performance measure: Project completed.

Objective: Partner with Information Technology to build a new city intranet to enable a well-informed workforce.

Accomplishment: New intranet and related internal communications strategy executed.

Performance measure: Project completed.

Objective: Create a new city brand.

Accomplishment: City brand and brand standards were created, and brand was rolled out across the organization.

Performance measure: Project completed.

Objective: Strengthen relationships, communication and engagement with community members who are traditionally

unrepresented in City decision-making.

Accomplishment: Supported recruitment, selection, onboarding and ongoing engagement for four high-impact projects, which emphasized representation from historically underrepresented communities: Fourth Plain for All Investment Strategy Committee, Comprehensive Plan, Police Community Advisory Committee and Housing Policy Workgroup

Performance measure: Project in progress (to be completed by winter 2024)

Objective: Negotiate a renewed cable franchise with Comcast.

Accomplishment: New franchise agreement negotiated and approved. Negotiated franchise expanded customer service standards, better stabilized Public, Educational, and Government (PEG) capital funding and added two additional High-Definition channels for PEG programming.

Objective: Update CVTV brand and station's graphic templates.

Accomplishment: Brand complete and implemented.

2023-2024 Accomplishments

Objective: Develop data-informed strategic communications plans to ensure timely, transparent, and creative communications with residents, businesses, employees, and other stakeholders.

Accomplishment: Completed multiple strategic communications projects aligned with Council priorities, including Affordable Housing Levy, Comprehensive Plan, Safe Stay Communities/Homelessness, Small Business Month, Community Court, PFAS and more.

Performance measure: Projects completed or on track to be completed.

2025-2026 Objectives

Objective: Increase the number of Vancouver residents who have positive sentiment regarding how well the City government keeps them informed.

Outcome: Informed residents

Focus Area: High-Performing Government

Community Indicator: Resident Satisfaction with Municipal Services as measured by the Community Priority Survey

Performance Measure: 5% increase in “How well of a job do you think the Vancouver City government is doing keeping residents informed.”

Objective: Increase feelings of safety and community connection by providing neighborhood and community groups with tools, training, and leadership development.

Outcome: Community members will feel safer and more connected to their community; neighborhood and community organizations will expand their capacity to lead community-building projects and programs

Focus Areas: Vibrant and Distinct Neighborhoods,

Safe and Prepared Community

Community Indicators: Neighborhood cohesion; residents’ perception of safety

Performance Measures: 80% of adults report a sense of high social cohesion (trust and feeling connected) in their neighborhoods; 80% of residents report that they feel safe in their neighborhood, as measured by community surveys.

2025-2026 Objectives

Objective: Grow engagement and reach in key communication channels to increase awareness, drive engagement, and create a positive sentiment for the city's brand, work/programs, and strategic and council priorities.

Outcome: Informed residents

Focus Area: High-Performing Government

Performance Measures:

1. Expand reach of city social media platforms (Instagram, Twitter, Facebook, etc.)
2. Grow followers of social media platforms (Instagram, Twitter, Facebook, etc.)
3. Increase subscribers to Vancouver Connects monthly e-newsletter
4. Increase City website pageviews
5. Improve average engagement rates on video content across social channels by 20% as measured by social media analytics.

Objective: Create and share compelling video content for strategic and council priorities that resonates with viewers and drives engagement

and positive sentiment such as sharing, liking, commenting, or following.

Outcome: Increased community engagement, informed community members

Focus Area: High-Performing Government

Community Indicator: Resident satisfaction with municipal services

Performance measure: Improve average engagement rates on video content across social channels by 20%, as measured by social media analytics.

Office of Equity and Inclusion – Organizational Chart

Office of Equity and Inclusion

Key service(s):

- **Promoting Inclusive Policies and Practices:** The Office of Equity and Inclusion ensures that institutional policies, procedures, and practices are designed to be inclusive and equitable for all. This includes reviewing and revising existing policies to eliminate biases and disparities and developing new policies that foster a more equitable environment.
- **Building Cultural Competence:** The Office of Equity and Inclusion plays a key role in providing training, resources, and support to build the cultural competence of individuals within the organization. This includes promoting awareness and understanding of diverse perspectives, identities, and experiences, thereby fostering a more inclusive community.
- **Enhancing Access and Opportunity:** The Office of Equity and Inclusion removes barriers and creates pathways for underrepresented or marginalized groups to

access opportunities within the organization. This includes ensuring equitable access to resources, programs, and opportunities for advancement.

- **Advocating for Systemic Change:** The Office of Equity and Inclusion drives efforts to address systemic inequities within the organization and the broader community. This includes identifying structural barriers to equity, advocating for necessary changes, and collaborating with stakeholders to implement those changes.
- **Fostering a Climate of Belonging:** The Office of Equity and Inclusion is deeply committed to creating a work and learning environment where all individuals feel respected, valued, and supported. This includes initiatives to enhance the sense of belonging and community among all members of the organization, regardless of their background or identity.

Mission statement:

Fostering Inclusivity, Advancing Equity, & Building a Thriving Vancouver for All.

Our mission is to actively promote inclusivity and advance equity in every City department, leadership, and City Council. We will work tirelessly to create a thriving, united workforce that embraces and benefits every community member.

Department description:

The Office of Equity and Inclusion (OEI) centralizes the City's efforts to prioritize and operationalize accessibility, equity, and inclusion within citywide services and culture. OEI is committed to reducing and ultimately eliminating disparities experienced by our most marginalized community members, ensuring that everyone can thrive and prosper. The Office does this by supporting the City through increasing awareness of how systems work together to reinforce and contribute to disparate and inequitable outcomes for people, developing people's understanding and skill to shift behaviors to produce more equitable results for the community and the organization, and initiating and supporting policy changes to ensure fair and just outcomes for all. The Office of Equity and Inclusion also promotes accessibility, equity, and inclusion across departments, Boards and Commissions, City Council, community stakeholders, and the community, instilling confidence in our commitment to fairness.

2023-2024 Accomplishments

Objective: Ensure that leaders at all levels promote the vision and business case for DEI by taking actions to increase diversity and equity in the workforce and maintain an inclusive workplace.

Accomplishment: Implementation of comprehensive Equity and Inclusion mandatory development for staff, 8 hours required. Accountability measures tied to performance evaluations.

Consideration: Limited staff capacity.

Objective: Recruit, hire, and develop a high-performing workforce that reflects the communities we serve by optimizing experiences throughout an employee's career.

Accomplishment: Successfully launched two cohorts of employees who participated in and graduated from JEDI Fellowship. Mandatory 8 hours of equity and inclusion professional development. Developed and launched Employee Resource Groups: BIPOC, LGBTQ, Women in Public Service, Disability.

Performance measure: Launched JEDI Leader Fellowship by Q1/2023. Representation and participation at 100% of all

Departments. Over 30 staff participated in and completed JEDI Fellowship over the biennium. Launched ERGs, 50 staff participating.

Consideration: Limited staff capacity.

Objective: Mature the DEI model to improve the consistency of desired outcomes by strengthening policies and procedures, utilizing technology, and enhancing DEI learning through data.

Accomplishment: Delayed.

Consideration: Staff capacity and technology prevented progress on this objective.

2023-2024 Accomplishments

Objective: Encourage DEI within the community. Fostering an equitable and an inclusionary community to live, work, play and learn. (Internal & External)

Accomplishment: Launched Summer of Neighborly Inclusion – skills building email newsletter program for community members and staff. Creation and launch of Civic Minds, a partnership with Vancouver and Evergreen Public Schools promoting civic engagement for students of color. Created and launched a Connecting Across Cultures Wellness Fair. Hosted four community equity and inclusion workshops.

Consideration: Staff capacity and budget limitations.

Objective: Support and ensure Councilmembers promote DEI through policymaking, community outreach, and through Boards & commissions. (Internal & External)

Accomplishment: Hosted two professional development opportunities for Councilmembers. Process improvement for recruitment/on-

boarding/exiting of boards and commissions to be more inclusive. Integrated equity and inclusion or racial equity professional development for all boards and commissions.

Objective: Completion of the self-evaluation (of organization) and then the ADA transition plan. Evaluate city-owned properties, streets and sidewalks, and programming and services.

Outcome: Access to safe and affordable: housing, transportation, and dependable utilities. All communities have basic needs met

Focus Area: Housing and Human Needs

Community Indicator: Transportation User Experience. Resident Satisfaction with Municipal Services.

Performance Measure: ADA compliance, Reduction in complaints about barriers for community members with disabilities.

2025-2026 Objectives

Objective: Launch the Language Access Plan Across the City. Individuals with limited English, blind or vision impaired, are deaf or hard of hearing with have access to translation or interpretation of City services and programs.

Outcome: All communities have basic needs met

Focus Area: Housing and Human Needs

Community Indicator: Resident Satisfaction with Municipal Services.

Performance Measure: ADA compliance, Reduction in complaints about barriers for community members with disabilities.

Objective: Integration of restorative practices and trauma informed decision making.

Outcome: All communities have basic needs met

Focus Area: Housing and Human Needs

Community Indicator: Resident Satisfaction with Municipal Services.

Performance Measure: Reduce bias incidents, support healthy conflict, prevention of the creation of harm

Parks, Recreation & Cultural Services

Parks, Recreation and Cultural Services – Organizational Chart

Parks, Recreation and Cultural Services

Divisions: Parks, Trails and Natural Resources, Recreation, Cultural Services, Administration

Key service(s):

- Administration
- Aquatics and Sports
- Youth and Teen Programs and Access to Recreation
- Fitness and Senior and Special Programs
- Parks Assets, Planning and Operations
- Cultural Services (including Special Events, Volunteer Management and Culture, Art and Heritage)

Mission statement:

Parks, recreation opportunities, natural areas and public spaces for art and culture are critical components of community health, wellness, and quality of life. Vancouver Parks, Recreation & Cultural Services creates community through our people, programs, events, facilities, parks, natural areas, and public spaces. We strive to provide inclusive and equitable access for the diverse communities we serve.

Department description:

Parks, Recreation & Cultural Services manages parkland, trails, developed parks, natural areas, two community centers, a senior center and a growing cultural program that celebrates the diversity and history of Vancouver through public art and events. Parks Recreation and Cultural Services works with two commissions: Culture, Arts and Heritage Commission and Parks and Recreation Advisory Commission.

Vancouver Parks, Recreation & Cultural Services helps build healthy connections between neighbors and nature. We do this by being responsible stewards of public resources, engaging community members, removing barriers to access and fulfilling unmet needs. We strive to provide inclusive and equitable access for the diverse communities we serve.

Our department has four divisions that support climate resilience, economic vitality, public safety, community health and quality of life in Vancouver:

Parks, Trails and Natural Resources:

Acquisition and development of parks, trails and natural areas throughout the city.

Recreation:

Recreation programs and activities for all ages and abilities, hosted in parks and at Firstenburg and Marshall/Luepke community centers.

Cultural Services:

Special events, volunteer programs and culture, arts and heritage activities.

Administration:

Management, budgeting, communications and other administrative support.

2023-2024 Accomplishments

Objective: Complete the radically inclusive, accessible playground improvements at Esther Short and Marshall community parks and replace play equipment that has exceeded useful life and safety

Accomplishment: Updated playgrounds at Esther Short and Marshall opened to the public in 2023. Chelsea Anderson Memorial Play Station at Marshall Park selected as a 2024 Spotlight Award Winner by the Washington Recreation and Park Association. Play equipment replacements have been completed at Columbia Lancaster and Van Vleet parks in 2024, while Homestead is in progress.

Objective: Finalize plan for reuse concept and remodel of historic library building, and support new cultural opportunities and events, including through partnerships

Accomplishment: Initial study for the arts hub proposal at the historic library building was completed in 2023. Activation started with community groups using the space in 2024 while staff work on full building design. The cultural grant program was offered in 2023 and 2024; grants totaling \$250,000 supported over 30 local

projects and initiatives. The inaugural Vancouver Arts & Music Festival took place in 2023; this event will occur again 2024 through a partnership with the Vancouver Symphony Orchestra.

Objective: Expand recreation programming and opportunities with a strategic focus on expanded community access

Accomplishment: Efforts have created more program options including continued outreach about the free youth opportunity pass and teen programs, restoring pool hours, expanding senior events and adding family programming.

Consideration: Existing staff capacity is a limiting factor.

Objective: Propose new Park Impact Fee structure for non-residential properties and new park classifications

Accomplishment: Coordination is underway to align this effort with the planning process for adoption of Our Vancouver, the Comprehensive Plan.

2023-2024 Accomplishments

Objective: Begin work in 2024 to establish more trails and trail system connectivity in a wider variety of locations in Vancouver

Accomplishment: Trails plan review is complete, and grant priorities identified.

Consideration: Proposing to reclassify an existing position to better align the necessary skills and abilities with this program intent.

2025-2026 Objectives

Objective: Advance the design of the arts hub facility and complete initial improvements that expand use and engage the community.

Outcome: Access to art and music events, well-attended events. Realize the vision for the arts hub.

Focus Area: Culture and Heritage

Community Indicator: Economic impact

Performance Measure: Investment in arts culture and heritage

Objective: Complete the acquisition and design for the park at the Vancouver Innovation Center.

Outcome: Land valued beyond economic benefits. Deliver on key opportunities to acquire and develop new parks facilities.

Focus Area: Climate and natural systems

Community Indicator: Parkland acreage per 1,000 residents

Performance Measure: Proximity to parks

Objective: Complete design and begin

construction of new community park facilities at Oakbrook, Shaffer, Bagley, the Heights and Waterfront Gateway to increase the acres of park land per residents. Complete replacement of aged playground equipment at Fruit Valley and Homestead neighborhood parks.

Outcome: City services and programs that enhance quality of life and community prosperity

Focus Area: Vibrant & Distinct Neighborhoods

Community Indicator: Neighborhood Cohesion

Performance Measure: Proximity to parks

Objective: Collaborate with Public Works and community volunteers to advance new nature space sites as planned.

Outcome: Protection and restoration of natural resources.

Focus Area: Climate and natural systems

Community Indicator: Parkland acreage per 1,000 residents

Performance Measure: Proximity to parks

2025-2026 Objectives

Objective: In response to reduced resources, recreation services will be more focused on core programs and activities. Updated fees will also be implemented. We will work to ensure the community, and our staff understand the reasons for the changes and have information about all options that are available.

Outcome: Fiscally responsible organization. Reorganize recreation to focus on a more limited set of core services.

Focus Area: High performing government.

Community Indicator: Resident satisfaction with municipal services

Operating

CM00886 - Language Access Plan

Recommended

This decision package is to allocate dedicated budget for language services from the Human Resources budget to the Office of Equity and Inclusion.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	10,500	0.00	10,500	0.00

CW00728 - 2025/2026 Fleet Replacement Shortfalls

Recommended

This decision package is to request funding for vehicles that will be replaced in 2025 and 2026. The amount requested is the shortfall between the reserves collect, and the current cost of replacing the vehicles.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	23,200	0.00	155,900	0.00

CW00731 - Foundant Technologies Grant Award Subscription Support

Recommended

This decision package is for license renewal for our current grant system. This system is used by multiple departments for their grant programs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	0	0.00	2,848	0.00

CW00735 - Passthrough Of Credit Card Charges To Consumers

Recommended

Previously, the fee for customers to use a credit card has been paid for by the City. This fee will now be paid for by the customer if they choose to use a credit card.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(123,085)	0.00	(123,085)	0.00

CW00741 - Utilities Baseline Budget Adjustment

Recommended

this decision package is to adjust the increase of baseline budget for Electricity and Natural Gas by 14% and 12% from the initial 5% inflator used.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	26,975	0.00	26,975	0.00

▮PR00847 - Eliminate 1.0 FTE vacant Recreation Services Manager position Recommended

▮Eliminate 1.0 FTE vacant Recreation Services Manager position; position has been held to ensure it has necessary focus and resources. Dept. management duties will be reviewed and prioritized.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(214,523)	(1.00)	(222,302)	(1.00)

▮PR00848 - Reclassify 1.0 FTE for Senior Park Developer to Parks Development Services Manager Recommended

▮Reclassify 1.0 FTE Senior Parks Developer to Parks Development Services Manager position.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	11,393	0.00	11,620	0.00

City Manager Recommended 2025-2026 Budget 330

Decision Packages by Type

Parks, Recreation & Cultural Services

Operating

PR00849 - Eliminate 0.5 FTE vacant Departmental Aide

Recommended

Eliminate 0.5 FTE vacant Departmental Aide position.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(41,027)	(0.50)	(42,538)	(0.50)

PR00850 - Eliminate two vacant Senior Recreation Specialist 0.50 FTE positions (1.0 FTE total)

Recommended

Eliminate two vacant Senior Recreation Specialist 0.50 FTE positions (1.0 FTE total) in the Fitness and Senior team commensurate with reduction in program offerings per PR00883, PR00884, and PR00879.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(113,798)	(1.00)	(117,932)	(1.00)

PR00852 - Increase community center membership fees

Recommended

Increase community center membership fees by approx. 10% each year of the biennium, except for the 2025 Family rate which would increase 10% plus \$10 to better align with market rates.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	75,566	0.00	173,454	0.00

PR00853 - Increase community center drop-in fees

Recommended

Increase community center drop-in fees by 20% in 2025, then by 10% in 2026, except for ages 0-3 in 2026 which would increase by \$1.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	66,203	0.00	112,210	0.00

PR00854 - Remove non-resident subsidy for Youth Opportunity Pass

Recommended

Remove non-resident subsidy for Youth Opportunity Pass by establishing a low-fee pass options for non-resident youth.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	9,408	0.00	9,615	0.00

City Manager Recommended 2025-2026 Budget 331

Decision Packages by Type

Parks, Recreation & Cultural Services

Operating

PR00875 - Vancouver Arts & Music Festival

Recommended

Budget for the multi-day Vancouver Arts & Music Festival, in partnership with the Vancouver Symphony Orchestra. Building on the success of the inaugural festival in 2023, the three-day event features multiple stages, juried art shows, pop-up galleries, dance performances, family activities, food vendors and three concerts by the Vancouver Symphony Orchestra USA.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	210,000	0.00	0	0.00

PR00876 - Administrative supply and service reductions

Recommended

Eliminate budget for Recreation print catalogue production; the Recreation catalogue has transitioned to online. Reduce budget for professional association memberships, subscriptions, and apparel. Eliminate subscription to Recreation registration software reporting module.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(50,000)	0.00	(51,500)	0.00

PR00877 - Special Event and Park operations program fee increases

Recommended

This decision package is to show an increase fees associated with permitted events and park shelter reservations by 10% for residents and 25% for non residents. This decision package partially depends on revenue generated from PR00889.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	67,827	0.00	67,827	0.00

PR00878 - Volunteer Management program eliminations

Recommended

No longer fund one AmeriCorps position that had been split between the PRCS department and Urban Forestry. Decrease Naturespaces funding. Increase Community Gardens fees.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	1,210	0.00	1,210	0.00
001 General Fund	Expense	Ongoing	(12,025)	0.00	(12,025)	0.00

Decision Packages by Type

Parks, Recreation & Cultural Services

Operating

PR00879 - Eliminate travel for PRCS programs and remove vans

Recommended

This decision package is to show budget reductions within the fleet assigned to Recreation. This results in removing field trips from camps and eliminate senior hike program. This is a reduction of roughly \$230,000 including an addition of \$9,000 in rentals to supplement the removal our fleet for Recreation.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	7,310	0.00	7,310	0.00
001 General Fund	Expense	Ongoing	(228,209)	0.00	(228,209)	0.00
001 General Fund	Revenue	One-time	234,535	0.00	0	0.00
001 General Fund	Expense	One-time	(1,006)	0.00	(1,006)	0.00

PR00880 - Code all Parks division staff fully to capital funding

Recommended

Code all Parks division staff fully to capital funding through a combination of direct and indirect charges to capital projects.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	468,495	0.00	480,274	0.00
001 General Fund	Expense	Ongoing	174,428	0.00	178,827	0.00

PR00881 - Increase Recreation program fees based on updated cost recovery target

Recommended

Increase Recreation program fees for classes and camps to increase overall cost recovery to a target of 75%. Fees vary by program but the increase is generally 10-15% for residents and 20-25% for non residents.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	86,858	0.00	94,674	0.00

PR00882 - Reduce funding to Citywide events, including elimination of Waterfront Concert Series

Not Recommended

Overall event programing will decrease including the elimination of the popular Waterfront Park concert series. This is the most costly event program we offer and it is not easily accessible to some community members. This decision package coordinates with PR00894.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	(30,000)	0.00	(30,000)	0.00

City Manager Recommended 2025-2026 Budget 333

Decision Packages by Type

Parks, Recreation & Cultural Services

Operating

001 General Fund	Expense	Ongoing	(68,141)	0.00	(68,141)	0.00
------------------	---------	---------	----------	------	----------	------

PR00883 - Recreation program eliminations for Fitness and Adult, Senior & Special Programs

Recommended

Eliminate Recreation programming based on reduced staffing per PR00895. This will include fewer senior dances, elimination of special events at Luepke and other reductions. A club based senior program remains.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	(22,484)	0.00	(22,484)	0.00
001 General Fund	Expense	Ongoing	(16,698)	0.00	(35,537)	0.00

PR00884 - Reduce Summer Playgrounds program

Not Recommended

Reduce the free summer playgrounds program - one of three sites eliminated in 2025, and one additional eliminated in 2026. The two sites eliminated would be Hough and Crestline; the one remaining site would be Evergreen Park. This decision package coordinated with PR00895.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(20,888)	0.00	(43,939)	0.00

PR00885 - Close the community centers on holidays

Not Recommended

Currently community centers are open reduced hours on most city holidays. They will now be closed.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(25,800)	0.00	(25,800)	0.00
001 General Fund	Revenue	Ongoing	(5,000)	0.00	(5,000)	0.00

PR00886 - Recreation program eliminations for Youth Programs & Sports and Access to Recreation (ATR)

Not Recommended

Eliminate Recreation programming based on reduced staffing per PR00896. This will include elimination of Teen Late Night program; youth baseball, volleyball, and basketball leagues; climbing wall; Homeschool program; cornhole; and temporary staffing during drop-in gym times.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(118,613)	0.00	(282,545)	0.00

Decision Packages by Type

Parks, Recreation & Cultural Services

Operating

001 General Fund	Revenue	Ongoing	(109,542)	0.00	(210,096)	0.00
------------------	---------	---------	-----------	------	-----------	------

PR00887 - Reduction of temporary staff for communication support

Recommended

Reduced communication support in the second year of the biennium as we move into a lower level of offerings.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	0	0.00	(18,000)	0.00

PR00888 - Recreation program eliminations for Aquatics and Adult Sports

Not Recommended

Eliminate Recreation programming based on reduced staffing as existing resources are deployed within the department. This will include elimination of the adult basketball and volleyball leagues and a shift of the adult softball league to a contracted provider.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	(121,208)	0.00	(121,208)	0.00
001 General Fund	Expense	Ongoing	(61,939)	0.00	(61,939)	0.00

PR00889 - Add 1.0 FTE Permit Specialist

Recommended

This decision package is to add 1.0 FTE Permit Specialist as part of a new service model that relies more heavily on FTE staff to support the year-round needs of the Special Events team. The position will provide strategic support to the special events permitting process and also act as the City's representative on site during events hosted by outside groups, ensuring compliance and safety. The City is seeing more permitted events, many of which require intense oversight due to their size, duration and impact on the surrounding venue. This position would help bring in revenue for PR00877.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	72,761	1.00	75,091	1.00

PR00890 - Code Culture, Arts, and Heritage staff to Cultural Access funding

Not Recommended

If the cultural access tax is approved, existing city staff may serve in an administrative role and bill their costs to the funding source.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	0	2.00	(189,918)	2.00

Decision Packages by Type

Parks, Recreation & Cultural Services

Operating

PR00891 - Reduction of budget from previously reduced or streamlined programs

Recommended

This decision package shows the budget reductions within different programs offered by the department. Most significant reductions were made to operating supplies, professional and contracted services, advertising, travel.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(203,000)	0.00	(220,000)	0.00

PR00892 - Reclassification of 1.0 FTE vacant Park Developer to Trails Planner

Recommended

In discussions with Community Development and other city partners, it has been determined that the planner position will better suit the assignment of this position.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(1)	0.00	(1)	0.00

PR00894 - Eliminate position in Cultural Services - Senior Recreation Specialist

Not Recommended

Eliminate 1.0 FTE Senior Recreation Specialist in cultural services commensurate with reduction in event offerings per PR00882.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(108,176)	(1.00)	(112,233)	(1.00)

PR00895 - Eliminate 1.0 FTE in Fitness/Seniors - Senior Recreation Specialist

Recommended

Eliminate 1.0 FTE Senior Recreation Specialist in fitness/seniors commensurate with reduction in recreation program offerings.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(105,521)	(1.00)	(109,486)	(1.00)

PR00896 - Eliminate position in youth programs - Senior Recreation Specialist

Not Recommended

Eliminate 1.0 FTE Senior Recreation Specialist in youth/sports/Access to Recreation (ATR) commensurate with reduction in program offerings per PR00886.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(105,523)	(1.00)	(109,489)	(1.00)

001 General Fund	Expense	One-time	900,000	0.00	1,622,220	0.00

PR00860 - Neighborhood play equipment replacements

Recommended

Resources to replace aging assets in the play equipment inventory and address safety issues for park users. These projects are ineligible for Park Impact Fee funding because they do not increase the service area or capacity of existing parks. Proposed sites include Jaggy Road and St. Helens in 2025; 2026 sites to be determined pending update of play equipment inventory prioritization scoring.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

Public Safety

Fire Department – Organizational Chart

Vancouver Fire Department

Divisions: Emergency Medical Services, Fire Suppression, Fire Special Operations, Fire Marshal's Office, Fire Training

Key service(s):

- Emergency Medical Services – primary response to community medical emergencies
- Fire Suppression – response to structure fires and motor vehicle accidents
- Fire Special Operations – secondary response to hazardous situations and rescues
- Fire Marshal's Office – permit and fire inspections, code enforcement, fire investigation, arson investigation, public education
- Fire Training – employee education and training, skill development and certification maintenance

Mission statement:

The mission of Vancouver Fire Department is to provide highly trained professionals, well-equipped to respond effectively to the education, prevention, and emergency response needs of our community.

Department description:

Vancouver Fire Department (VFD) is one of the largest and busiest fire departments in the region, serving 89 square miles and 296,198 citizens in the mostly suburban and consolidated area. City population has more than doubled since 1990, with emergency calls increasing an average of 5.8% per year over the past five years.

VFD protects this growing population by responding to 38,459 calls from 11 permanent stations. This is done with 241 full-time firefighters, approximately 0.8 firefighters per thousand citizens. Mutual aid agreements include automatic aid provisions with Clark County and agreements with the State Homeland Security Region 4, WA Dept. Of Natural Resources, the City of Portland, Oregon, and the Marine Fire Safety Association allow daily interaction with nearby agencies serving over 1,900,000 citizens.

2023-2024 Accomplishments

Objective: Meet Standard of Cover response goals for fire and medical response.

Accomplishment: There was a slight degradation of response times (12 seconds) for Priority 1 and 2 calls, (2 seconds) for Priority 3 and 4 calls; remaining measures held steady.

Performance measure: 7:59 (90th percentile) Priority 1 and 2; 10:59 (90th percentile) Priority 3 and 4.

Objective: Enhance the rescue program

Accomplishment: Completed enhancement of the program by adding three, 24-hour per day units, with increased capabilities and increased total unit hours by 62 hours per day over previous program.

Consideration: Changed from one, ten-hour per day rescue, to three, 24-hour per day squad units.

Objective: Strategically plan for future growth within service area.

Accomplishment: Planning for new Station 6, new Station 3, remodel of Station 8, remodel of Station 5, truck in service at Station 10 until new truck arrives to be housed at Station 8.

Consideration: Implementation of Prop 2 is currently behind schedule.

Objective: Add additional Lucas CPR Devices to continue improving cardiac arrest outcomes.

Accomplishment: Lucas CPR devices are now deployed on frontline engines and trucks in part using grant funding.

Performance measure: Cardiac survival rate. Vancouver's cardiac incident survival rate is currently three times better than national average, and twice WA State average.

Consideration: Survival rate is a factor of deployed equipment, response time, and quality of training combined. Any changes in these factors affects overall survivability rates.

2023-2024 Accomplishments

Objective: Create environment where social equity can thrive.

Accomplishment: 100% in-person attendance for Fire staff at Citywide DEI training, two members on Accessibility Committee, recruitment efforts to increase diversity.

Consideration: Overtime cost prohibitive for live DEI training, difficult to measure lasting effectiveness.

Objective: Continue to successfully prioritize and compete for grants at the regional, state, and federal levels; Continue to fund and execute apparatus replacement program per industry standards.

Accomplishment: Very successful with the federal Assistance to Firefighters grant program for equipment, fire prevention, and hazardous materials training.

Performance measure: 2023 Notable Grant Awards: \$2,710,032

Consideration: Federal grant resource reductions

continue; Supply chain issues plague the procurement process; timelines for new apparatus now exceed four years.

Objective: Assess and re-establish baseline funding options for Special Operations programs, including Hazmat, Technical Rescue, and Marine (fireboat) teams

Accomplishment: Due to the budget deficit, this objective will remain unmet for the foreseeable future.

Performance measure: Net increase in total Special Operations divisions budgets

2023-2024 Accomplishments

Objective: Proactively maintain the inspection, testing and maintenance of approximately 6,600 fire protection systems for operability.

Accomplishment Division was able to accommodate 100% of the requested acceptance inspections, and permitted 758 new or upgraded fire protection systems.

Performance measure: Number of fire and life safety inspections. In 2023 23,844 fire code violations or hazards were abated.

Objective: Determine fire origin and fire cause by conducting systematic, thorough, and professional investigations that concurrently increase the arrest and conviction rate for fire-related crimes and decrease “preventable” caused fires (cooking, smoking, candles, etc.)

Accomplishment: Results of investigation of 2023 Fire cases: 27% preventable; 73% not preventable

Performance measure: Reduction in preventable fires, year over year.

2025-2025 Objectives

Objective: Meet Standard of Cover response goals for fire and emergency medical response.

Outcome: Mitigate property losses and loss of life where timely response can make a difference.

Focus Area: Safe and Prepared Community

Community Indicator: Residents' Perception of Safety

Performance Measure: Fire Response Time

Objective: Strategically plan for future growth within service area

Outcome: Adequate resources, whether capital, specialized equipment, or highly trained personnel deployed to meet the future demand for emergency services.

Focus Area: Safe and Prepared Community, High Performing Government

Community Indicator: Residents' Perception of Preparedness

Performance Measure: Price of Government

Objective: Create environment where social equity can thrive.

Outcome: A workforce that closely resembles the community we service, reflecting beliefs and values

Focus Area: High Performing Government

Performance Measure: Workforce Profile Alignment

Objective: Continue to successfully prioritize and compete for grants at the regional, state, and federal levels; Continue to fund and execute apparatus replacement program per industry standards

Outcome: Safe and Prepared Community, High Performing Government

Focus Area: High Performing Government

Community Indicator: Residents' Perception of Preparedness

Performance Measure: Price of Government

2025-2025 Objectives

Objective: Determine fire origin and fire cause by conducting systematic, thorough, and professional investigations that concurrently increase the arrest and conviction rate for fire related crimes and decrease “preventable” caused fires (cooking, smoking, candles, etc.).

Outcome: Decreasing the number of fires in the future.

Focus Area: Safe and Prepared Community

Community Indicator: Residents’ Perception of Safety

Performance Measure: Violent and Property Crime Rate (arson)

Police Department – Organizational Chart

Vancouver Police Department

Divisions: Office of the Chief - Administration, Professional Standards, Investigations, Patrol

Key service(s):

- Investigation of crimes
- Patrol – community-initiated and officer-initiated
- Professional standards – internal and external
- Communications with the public
- Response to public disclosure requests

Mission statement:

Partnering with our community to preserve life, protect property and enhance livability.

Department description:

The Vancouver Police Department is a professional, progressive, and innovative law enforcement agency. We take pride in our role as an integral part of the community. We strive to be a full-service organization that incorporates diverse values and beliefs to be fair, equitable, and responsible in providing quality law enforcement services to the public. Our employees are leaders in problem solving and crime prevention in the community, within the agency, and throughout the law enforcement profession. We partner with the community to preserve life, protect property, and enhance livability through equitable law enforcement and effective use of resources.

Office of the Chief and Administration

Provides leadership and direction for essential police department operations and services, ensuring safe and efficient police protection, responsiveness to community needs, fair and equitable law enforcement, and effective use of public resources to enhance community safety, engagement, and quality of life. In addition to budget and evidence functions, responsible for planning, scheduling, and documenting mandatory and specialized police training to improve operational efficiency, cost-effectiveness, safety, and services to the community.

Professional Standards

The Professional Standards Unit monitors potential risk areas and investigates reports of alleged employee's misconduct and potential policy violation. Findings are used to assess training needs and guide policy development. Professional Standards fosters an environment of professionalism, accountability, and trust between police and the public by ensuring department compliance with policy standards.

Investigations

Investigates complaints of potential crimes (reported by the community or observed by officers on patrol) such as cyber crimes, domestic violence, property crimes, arson, suspicious deaths, assaults, robberies, major traffic collisions, unlawful possession of firearms, firearms and drug trafficking, and violent felonies. Tactics include digital evidence, collision reconstruction and multiple, technical methods of gathering evidence.

Patrol

Police patrol officers protect life and property by responding to 911 calls for service and are responsible for patrol related duties including problem solving, protecting life and property through enforcement of laws and ordinances, preventing, detecting, and investigating crimes, and issuing civil infractions. Officers also enhance community livability through problem solving, proactive enforcement and community engagement as time allows.

2023-2024 Accomplishments

Objective: Fill all vacancies.

Accomplishment: Objective partially completed. Vancouver Police Department ramped up recruitment efforts and was successful but through attrition and separations, vacancies continue to be outstanding.

Performance measure: 95% of the authorized sworn positions filled at the end of the second quarter 2024.

Objective: Full implementation of department camera program.

Accomplishment: The implementation of Body Worn Cameras (BWC) for all sworn personnel was completed in March 2023. The second phase of implementation of front-facing and rear passenger vehicle cameras in Vancouver Police Department patrol vehicles, and some detective vehicles was completed in October 2023. Additionally, cameras were also installed in precinct interview rooms.

Objective: Completion of remaining 10 Police Executive Research Forum recommendations.

Accomplishment: All 84 PERF recommendations were addressed. Some were not implemented or have since been updated due to Washington legislative changes and state law.

Objective: Participation in development of regional law enforcement training center.

Accomplishment: Completed in late 2023 with first class graduation in May 2024. Additionally, the state Criminal Justice Training Center contracted with a Vancouver Police Department Lieutenant to serve as the Southwest Washington CJTC Commander and a Vancouver Police Department Sergeant to serve as the Training, Advising, Counseling TAC Officer. Vancouver Police Department also provided multiple instructors who taught sessions as collateral duty during the inaugural academy.

2023-2024 Accomplishments

Objective: Technology implementation to provide increased transparency on crime trends and community sentiment.

Accomplishment: Zencity was implemented in early 2023 to provide insights and feedback from residents in the City of Vancouver regarding public safety. This platform provides live data, monthly overview reports and surveys that have been developed by VPD to query residents on specific topics. The platform filters based on district and neighborhood breakdowns to allow for more granular information for use by VPD personnel assigned to specific geographic areas for operational adjustments and areas of focus based on resident input.

Consideration: The contract for this platform expires in December 2024 and due to budget constraints for 2025/2026, VPD will discontinue use of Zencity.

2025-2026 Objectives

Objective: Increase diversity within the Vancouver Police Department to more closely align with the community we serve and in parallel with our 30x30 pledge.

Outcome: Leadership that aligns community needs with strategic planning and City operations

Focus Area: Safe and Prepared Community, High Performing Government

Community Indicator: Resident satisfaction with Municipal Services

Performance Measure: Female VPD Staff

Objective: Decrease crime rates by implementing projects and programs

Outcome: Communities free from violence and crime.

Focus Area: Safe and Prepared Community

Community Indicator: Resident's Perception of Safety

Performance Measure: Crime rates

Objective: Improve efficiency and enhance safety through the adoption of new technologies

that extend our ability to support community safety.

Outcome: Fiscally responsible organization. Efficient and effective government processes

Focus Area: Safe and Prepared Community, High Performing Government

Community Indicator: Resident satisfaction with municipal processes

Performance Measure: Project progress and completion.

Objective: Increase staffing to more adequately meet the demand for police services.

Outcome: Effective emergency prevention strategies. Increased capacity for community-oriented policing activities.

Focus Area: Safe and Prepared Community

Community Indicator: Resident's perception of safety.

Performance Measure: Measurement of community-initiated requests for police services relative to staffing levels and community surveys.

2025-2026 Objectives

Objective: Develop formal retention plan. Implement strategies for officer wellness, measure and identify wellness services and components.

Outcome: Leadership that aligns community needs with strategic planning and City operations. Improved health for officers leads to improved service to the community.

Focus Area: High Performing Government

Community Indicator: Satisfaction with Municipal Services

Performance Measure: Employee Satisfaction and Engagement. Establish new hire mentoring program.

Operating

PL00823 - Criminal Justice Training Commission Academy Revenue

Recommended

In August of 2023, VPD signed a contract with the Criminal Justice Training Commission (CJTC), combined with other regional law enforcement agencies, opened the Southwest Washington Regional Academy. VPD has two full-time employees whose salaries are fully trainers and several trainers whose overtime is reimbursable. This is a new, ongoing revenue stream for VPD, into the foreseeable future.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	584,637	0.00	577,426	0.00

PL00825 - Digital Evidence Cybercrime Unit (DECU) Storage Replacement

Recommended

Digital Evidence Cybercrime Unit's (DECU) storage will be at end-of-life at the end of 2025. The servers will need to be replaced in early 2026 with an estimated cost of \$400,000.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
128 Criminal Justice Fund	Expense	One-time	0	0.00	400,000	0.00

PL00827 - Technical Services Program

Recommended

The Technical Services Program utilizes specialized electronic equipment to support the various VPD patrol and investigative missions. VPD uses a wide range of electronic technology to supplement field operations that help to identify persons suspected of criminal activity, vehicles involved in serious crimes, respond to planned and unplanned events and to increase the safety of officers and detectives working in high-risk environments. The Technical Services Program has been in place since approximately the early 2000's but there has never been an established budget or designated cost center for the program.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
128 Criminal Justice Fund	Expense	Ongoing	61,620	0.00	61,620	0.00

PL00828 - Uncrewed Aircraft System Program

Recommended

VPD's UAS (Uncrewed Aircraft System) program will be utilized to enhance safety to community members and officers. UAS allows officers to follow Washington State law utilizing time, shielding and distance to attempt to deescalate potential use of force situations. UAS also greatly improves efficiency of response with the use of technology to minimize the amount of time and officers needed to process collision and crime scenes, aligning with the City of Vancouver's Climate Action Framework by reducing the carbon footprint. UAS can also improve efficiency to responding to calls for service. The use of UAS has become a law enforcement industry standard throughout the nation to assist with public safety, scene reconstruction, search and rescue and disaster response.

001 General Fund	Expense	Ongoing	54,000	0.00	54,000	0.00

RS00695 - Workers' Compensation State Funded with Employer Paid Contributions Recommended

Transitioning to state Workers' Compensation program. Employees will cover the mandated component of workers' compensation costs and the City will cover the remaining employee costs. Anticipated transition date is April 1, 2025.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	488,247	0.00	323,858	0.00

RS00696 - Workers' Compensation Self-Funded Program True-Up Not Recommended

Self-funded Workers' Compensation annual claims payouts and outstanding liability reserve adjustment.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	613,369	0.00	613,369	0.00

RS00697 - General Liability Insurance True Up Recommended

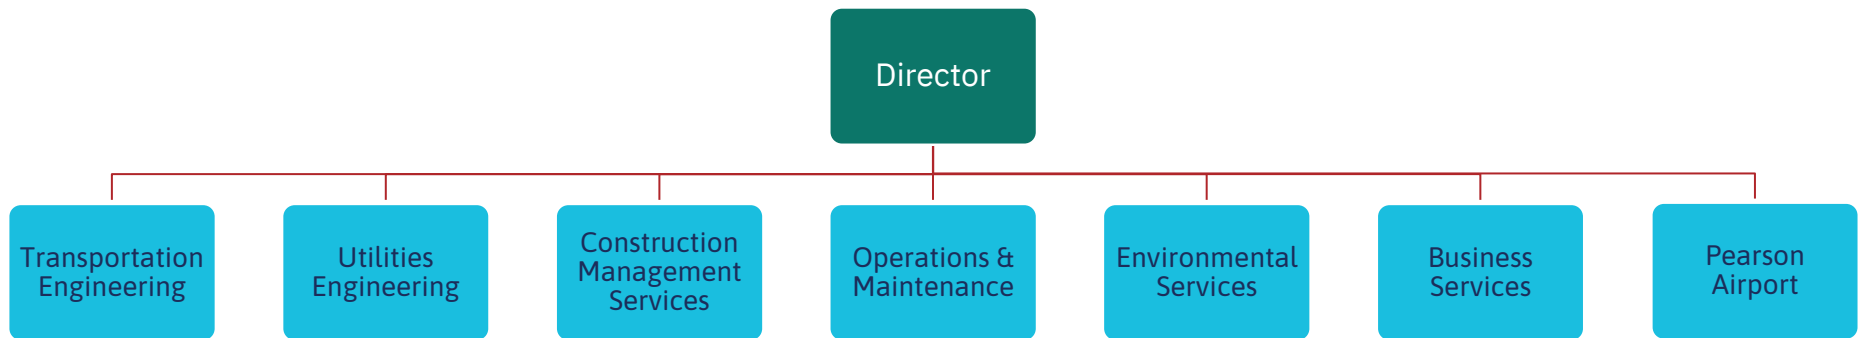

Adjusting for increasing costs of General Liability and Property insurance costs

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	136,896	0.00	136,896	0.00

Public Works

Public Works – Organizational Chart

Public Works

Divisions: Business Services, Construction Management Services, Pearson Airport, Transportation Engineering, Utilities Engineering, Environmental Services, Operations and Maintenance

Key service(s):

- Design, Construction, and Maintenance of Transportation, Water, Wastewater and Surface Water Infrastructure
- Vehicle and Equipment Services (maintenance and replacement)
- Parks, Medians and Greenways Maintenance
- Garbage and Recycling Services including collection and disposal
- Urban Forestry Management
- Natural Areas and Watershed Education
- Pearson Airport Management and Operations
- Business Services including Utility Billing and Geographic Information Systems (GIS)

Mission statement:

City of Vancouver Public Works provides residents, businesses, and other customers with a wide range of essential public facilities and services that are safe, reliable, efficient, environmentally sensitive and cost effective. Advanced planning, quality design and construction, proper operation and maintenance, open dialogue, and active outreach are key to the work we do, supporting and enhancing our community's vibrant quality of life.

Department description:

Provides for clean drinking water, sewer service and wastewater treatment, streets, traffic signals and lighting, pavement maintenance and street sweeping. We make our services as reliable and environmentally effective as possible while keeping rates affordable. We help neighborhoods plant trees, recycle right, and protect waterways and groundwater aquifers. We make it fun for residents of all ages to learn how to use natural resources wisely.

Business Services Division

Provides leadership and policymaking for all Public Works divisions, ensuring the development and maintenance of public infrastructure with best practices that prioritize safety, health and cost-efficiency. This division sets goals, oversees finances and rate collections, provides Geographic Information Systems and asset management, and supports Transportation and Utilities Engineering, Construction Services, Operations and Maintenance and Environmental Services.

Construction Management Services Division

Fosters City of Vancouver values by responsibly delivering quality projects that support our community, promote economic opportunities, and enhance equity and inclusion in a safe environment for employees, professional partners, and the public. Ensures high-quality public facilities through timely and thorough inspections, contract management and quality assurance for public projects involving water, wastewater, stormwater, roadways, and traffic signals. The division includes the **City Surveyor's** office which ensures accurate and quality-controlled location measurements for public construction projects by tracing legal property boundaries.

Pearson Airport

Oversees the operations and maintenance of the city's airport facilities, ensuring compliance with federal and safety regulations and providing efficient service.

Transportation Engineering Division

Manages the city's transportation assets to ensure safe, efficient, and cost-effective movement of people and goods. This is achieved through various work groups, including capital projects engineering, traffic engineering, pavement and sidewalk management, and development review.

Utilities Engineering Division

Provides technical expertise to support the city's utility systems. This division prepares and maintains capital improvement programs to meet current and future demands, adhere to regulatory trends, and design construction projects.

Environmental Services Division

Ensures a healthy, livable, and sustainable city through education, outreach, planning, and management of natural resources. Programs include:

- **Solid Waste:** ensures timely and efficient collection of residential and commercial waste, emphasizing recycling and waste reduction. The Solid Waste program protects community health and safety and conserves resources through planning for and managing the delivery of high quality, economical and efficient garbage, and recycling collection services within the City of Vancouver.
- **Urban Forestry:** manages planting, maintenance, and preservation of trees in urban areas, enhancing green spaces and improving air and water quality. The Urban Forestry program maximizes the many benefits trees provide, including clean air and water, while minimizing conflicts to assure a healthy, green Vancouver for future generations.
- **Water Resources Education Center:** dedicated to place-based nature discovery and environmental education, promoting positive change to benefit local watersheds. The Water Resources Education Center's mission is to inspire connections between healthy water and people through education, exploration, and stewardship of the natural world.

Operations and Maintenance Division

Proactively maintains and responds to emergency repairs for the city's utility systems, streets, grounds maintenance, and citywide fleet needs. The Operations Center provides services directly to community members and to internal customers. Programs include:

- **Fleet Services:** manages the city's vehicles and equipment, ensuring operational efficiency and compliance.
- **Water Maintenance:** oversees water operations, ensures reliable supply and infrastructure maintenance, manages water production, distribution, and quality through regular sampling, and oversees backflow inspection and cross-connection control programs.
- **Sewer Maintenance:** oversees the wastewater collection system to prevent overflows.
- **Storm Water Maintenance:** manages the storm/surface water collection system and environmentally sensitive areas.
- **Street Operations:** maintains all paved and graveled streets, alleys, and road shoulders, including traffic signs and markings.
- **Grounds Maintenance:** maintains parks, trails, open spaces, natural areas, cemeteries, street medians, transportation right of ways, and facilities, including mowing, pruning, irrigation management, sanitation, and litter control. Provides high-quality, efficient, and professional vegetation management services by maintaining functional, inviting, safe landscapes, and promoting community partnerships.

2023-2024 Accomplishments

Business Services (Administration)

Objective: Annual Capital Improvement Program (CIP)/Transportation Improvement Program (TIP) updates. Also update the interim project prioritization for the TIP to reflect Council's direction on climate/equity/and safety.

Accomplishment: Complete. Added Climate/Equity/Safety components to scoring matrix during Transportation Improvement Program development and adoption in 2024; also adding to Capital Improvement Program development occurring for 2024 budget adoption.

Objective: Update and develop the Safety Program including Safety Manual, trainings, industrial first aid and injury prevention.

Accomplishment: Established three safety committees. Offered two online safety trainings (Hazard Identification, and Emergency Response) through Clark County Fire District 5.

Consideration: Safety manual taking longer than anticipated. Collaborating with the Risk department to ensure consistency with the

organization. Accident Prevention Program. Need staff with a background in safety and policy writing.

Objective: Provide responsive customer service for a safe community.

Accomplishment: Met goal of responding to dispatch line calls within one business day.

Construction Services

Objective: Limit the number of change orders to projects that increase the cost and/or duration of a capital project.

Accomplishment: Ongoing; Construction Services saw a slight increase in the percentage of construction projects with change orders that were more than 10% of the contract budget but significantly decreased project delays caused by change orders in 2023. Additional attention will be provided to the design to ensure a comprehensive bid process.

2023-2024 Accomplishments

Pearson Airport

Objective: Update business plan to continue airport management and maintenance

Accomplishment: In process. Outgoing Airport Manager is completing plan and has reinstated regular monthly meetings with advisory committee in 2024.

Objective: Conduct a comparison of hangar rates and adjustments to remain competitive with other airports.

Accomplishment: In process. Included as an objective for 2025-26 under new Airport Management.

Objective: Finish the design of an electrical vault/runway lighting system rehabilitation.

Accomplishment: Successfully completed design. Construction expected to begin in late 2024 into spring 2025.

Utilities Administration

Objective: Transition remaining recurring payment utility customers to the new payment platform.

Accomplishment: Utilities Administration transitioned the remaining recurring payment utility customers to the new payment platform in first quarter 2023.

Objective: Add texting reminders to utility billing system.

Accomplishment: On hold due to limited resources.

Objective: Increase the numbers of customers enrolled in e-billing and recurring/auto payments for utilities.

Accomplishment: In process. This is an ongoing process and is currently at 19.9%, increasing 1-2% per year. Utilities Administration markets the e-billing and recurring/auto payments twice per year and is exploring additional incentives to increase enrollment.

Consideration: This objective will continue in 2025-26 with a goal to increase participating customers by 5% annually.

2023-2024 Accomplishments

Environmental Services - Solid Waste

Objective: Update Interlocal Agreement (ILA) with Clark County and continue to support regional program priorities – food waste prevention, long-term system planning and capital construction projects, and coordinated outreach.

Accomplishment: Completed. Executed two ILAs with Clark County in early 2024 for Planning and Solid Waste Coordination.

Consideration: Clark County leads this process with City Solid Waste input. Began working on updating the ILA for Planning upon finalization of the solid waste management plan.

Objective: Continue to advance local and regional recycling contamination reduction efforts.

Accomplishment: Collaborated with regional partners to deliver information about contamination to specific households through a cart-tagging program to complement general program messages. Contamination levels decreased in 2023.

Consideration: Ongoing; continue to monitor and pilot opportunities to reduce contamination in recycling streams from single family, multifamily and commercial customers. Evaluate best practices and update contract as needed.

Objective: Support implementation of State organics/food waste diversion mandates from HB 1799

Accomplishment: Set up a new spending category to track expenses for organics/food waste diversion disposal. Will continue to work with Procurement on reporting requirements under HB 1799/Organics Management laws.

Consideration: To continue support, staff will advocate for capital project improvements at regional transfer facilities to enable more diversion of food and organics. Contingent on staffing capacity, a partner in advancing food waste reduction and prevention per Organics Management Laws, state plans, and the City's Climate Action Framework.

2023-2024 Accomplishments

Objective: Support the update to and adoption of the regional comprehensive Solid Waste Management Plan to guide policy and programming with a 20-year horizon.

Accomplishment: In process

Consideration: Clark County leads the Plan update process with City Solid Waste input from our City Solid Waste Advisory Commission representative, Regional Solid Waste System Steering Committee representative and City staff. Review of the draft Plan is underway with the goal of finalization and adoption of an updated Solid Waste Management Plan in 2025.

Environmental Services - Urban Forestry

Objective: Update and implement the Urban Forestry Management Plan (UFMP) with community engagement and participation. The UFMP incorporates an integrated and sustainable approach to managing the urban forest over the next 20 years.

Accomplishment: Complete. UFMP has been updated and Urban Forestry is implementing recommendations.

Objective: Create better communities with a commitment to equity, diversity, inclusion, and environmental justice. Strive to include equity, diversity, inclusion, and environmental justice in all areas of the Urban Forestry Program and explore feasibility of new program elements.

Accomplishment: New programs included Proactive Street Tree Maintenance to improve the health and distribution of street trees throughout the city, and Low-income Hazard/Invasive Tree to support property owners with pruning and tree removal. Trees that are removed will be replanted with quality trees that help support climate initiatives.

Environmental Services - Water Resource Education Center

Objective: Complete Exhibit Master Plan phases 1 – 6 with exhibit production and installation by end of 2025.

Accomplishment: Completed phases 1-4. Started phase 5, exhibit design and development in 2024.

2023-2024 Accomplishments

Consideration: Exhibit design phase will end in 2025. Upon completion of RFP process and Council approval, exhibit fabrication, construction and installation will be completed in 2025-2026.

Objective: Develop new curriculum that serves a wider range of students and expands use of outdoor areas; develop new programming designed to bring new visitors to the Water Center.

Accomplishment: In process. New programming and new curriculum is developed but will continue in 2025 - 2026 as additional staff resources are in place.

Objective: Update staffing structure to meet current needs and better serve customers.

Accomplishment: Hired a new Water Resources Education Center Supervisor in early 2024 to oversee facility, programs, and staff.

Consideration: Additional staff resources are still needed. A Facilities Assistant position has been requested to fully support Center operations, Community Room rentals, new exhibits, and better serve the community.

Operations and Maintenance – Fleet Services

Objective: Continue introducing fleet sustainability fuels and technology i.e., hybrid, electrification, bi-fuel propane conversion, renewable gas, diesel, and propane fuels where applicable and feasible

Accomplishment: Upfitted 8 light duty trucks to bi-fuel propane (aka Autogas), added 18 hybrid and 3 electric vehicles (EV) units to the fleet and changed over to renewable R99 diesel fuel usage. 52% of the fleet is utilizing some form of clean technology to meet long-term sustainability goals.

Consideration: Increased cost of renewable fuel, upfront funding for the purchase of vehicles, equipment and infrastructure to support sustainability mandates. Limited availability of resources in the region such as renewable fuels, manufacturer supply chain issues and/or production constraints.

Objective: Respond quickly to service needs through innovative thinking.

2023-2024 Accomplishments

Accomplishment: Reduced turn-around time of vehicles and equipment for servicing, with upgrades at both shops utilizing the fleet management system for paperless shops, enhancing accuracy and increasing speed and productivity. Fleet availability, 97%, fleet downtime, 3%

Consideration: Supply chain challenges for parts, staffing and shop floor capacities.

Objective: Paperless shop setup at Fire shop

Accomplishment: Complete. Fire shop systems and resources were upgraded to the latest software technology called RTA, trained staff and moved to a paperless shop to better track costs and improve efficiencies.

Consideration: Training, equipment supply chain challenges, funding and Information Technology resource availability.

Objective: Replacement orders to be 90% or greater

Accomplishment: With manufacturer availability,

fleet services successfully submitted replacement orders as follows: 2023 - 80%, 2022 - 92%.

Consideration: Replacement funds were underfunded, due to manufacturer cost increases. Experienced global supply chain challenges, resulting in delivery delays or manufacturer cancelation of orders.

Operations and Maintenance – **Sewer/Wastewater Maintenance**

Objective: Less than 5 sewer overflows per year

Accomplishment: 3 sanitary sewer overflows occurred (SSO) in 2023.

Consideration: We can accomplish this by proactively using the TV camera inspections, sewer flushing, root foaming and root cutting. Funding to sustain these programs will help us to continue to reduce SSOs and minimize the environmental impact associated.

2023-2024 Accomplishments

Operations and Maintenance – Storm Water/Greenway Sensitive Lands Maintenance

Objective: Continue to provide exceptional customer service, and work towards solutions with storm water asset deficiencies

Accomplishment: Continued to proactively prepare for localized flooding within “hot spots” and responded to service requests and customer concerns for other high water-related issues. Worked constructively with our Engineering group to identify areas of concern and provided available solutions.

Objective: Adapt to and successfully maintain Complete Streets improvements

Accomplishment: Developed a sweeping program, using the mini-sweeper, to remove sediments, leaves, and other hazards from the dedicated bike lanes, which were added as improvements by Complete Streets programming.

Consideration: Continue to monitor the designs in Complete Streets for future dedicated bike

lanes to ensure the ability to properly maintain.

Objective: Continue to adapt to and clean up impacts from homeless encampments

Accomplishment: Conducted 55 coordinated encampment cleanups spanning from January 2023 through mid-June 2024, removing 419 tons of debris.

Consideration: The cost of encampment cleanup efforts continues to increase due to inflationary factors, storage of belongings, and reliance upon outside vendors.

Objective: Continue to partner with Vancouver Watershed Alliance and other external agencies, to improve the storm water conditions of the Burnt Bridge Creek watershed.

Accomplishment: Worked with multiple external agencies to plant native trees/shrubs, remove invasive vegetation, and promote environmental education.

2023-2024 Accomplishments

Consideration: Will be partnering with the Lower Columbia Estuary Partnership to design a floodplain restoration project on the lower section of Burnt Bridge Creek. We will be focusing on grant funding and Capital match.

Operations and Maintenance – Streets **Operations & Maintenance**

Objective: Start construction of SE 1st Street Phase II

Accomplishment: Successfully started. Construction on phase II of SE 1st Street to begin in 2024 or early 2025

Objective: Start construction of NE 137th Avenue

Accomplishment: Successfully started. Construction on NE 137th project began in Summer 2024.

Objective: Implement sidewalk repair assistance program for property owners.

Accomplishment: In process; developing program for City to initiate repairs and invoice homeowners in place of waiting for homeowners

to self-repair after receiving notice from City.

Operations and Maintenance – Grounds **Maintenance**

Objective: Reduce City water usage and costs in parks by exercising enhanced irrigation management practices

Accomplishment: Installed upgraded irrigation controllers, that use regional evapotranspiration rates to determine precise irrigation needs, at 18 parks in 2023. Controllers did not result in reduced water usage and expense as anticipated. However, the new controllers did create efficiencies as they are managed remotely resulting in lower fuel use due to reduced travel time for staff.

Consideration: Water use is determined largely by Parks staff responsible for aesthetic and safety requirements of City parks. Examples include watering athletic fields to maintain safe playing surfaces and irrigating prominent sites that host community and special events.

Objective: Continue to improve and enhance our Integrated Pest Management practices.

2023-2024 Accomplishments

Accomplishment: The City's IPM program was improved by increases in licensed staff to spray parks, increased frequency and lower rates of chemical application over a broad area and minimization of weed growth through utilization of recycled mulch and fertilizers.

Consideration: Chemical application is a critical component of the Grounds Maintenance operation and is most effectively realized in the landscape when applications are spread evenly throughout the inventory.

Objective: Improve playgrounds and sports court safety, maintenance, and sanitation using certified staff

Accomplishment: Seven employees attended the certified Playground Maintenance Technician training hosted by the National Recreation and Park Association in 2023. These employees are now formally equipped to independently inspect and repair playgrounds and are distributed evenly throughout the city, so inspections occur on a more regular and frequent basis.

Consideration: Certified inspection staff also

apply chemicals and perform most of the irrigation repair in City parks. Maintenance needs vary by season, and the department continues to prioritize the need to deploy staff on an as-needed basis.

Objective: Expand utilization of volunteers in parks and cemeteries to supplement FTE labor resources

Accomplishment: Volunteer services were expanded in Parks and Cemeteries in 2023-2024.

Consideration: Volunteers in maintenance must be overseen and managed by full-time staff. Increasing projects and work in the parks also increases work for the Full-Time Equivalent staff.

2023-2024 Accomplishments

Objective: Reorganize staff composition and practices to maximize efficiencies and effectiveness

Accomplishment: The Grounds department adopted a new maintenance service model in 2024. This model ensures services are more equitably and efficiently delivered across the city and that all sites receive the same standard of care.

Consideration: Success of this model is contingent on funding certain limited-term positions beyond 2024.

Objective: Increase pollinator vegetation

Accomplishment: An increase of pollinator habit at 21 City parks through newly planted and restored landscape.

Consideration: Restoring or creating new habitat creates a maintenance need that is filled by Full-Time Equivalent (FTE) Grounds staff.

Utilities Engineering

Objective: Manage and deliver the capital projects workplan to address water quality, safe

streets and environmental protection.

Accomplishment: The following projects were completed or progressed during the biennium. Future reporting will be tied to capital workplan.

- Water Station 5 - construct two new reservoirs and a booster pump station: substantially complete in 2024.
- Design of Phase 3 of the E-Interceptor Rehabilitation, Phase 1-2 of the Burnt Bridge Creek Interceptor, and the Marine Park solids conveyance pipeline: Design complete.
- Construction of Cured-In-Place rehabilitation on 19,000+ LF of oversized interceptors and 3 pump station upgrades: In process.

2023-2024 Accomplishments

- Construction of seven water quality improvement projects throughout the city with \$11+ million dollars in state grant funding: In process.
- Construction of substandard stormwater systems to improve reliability, reduce maintenance costs, and alleviate roadway flooding: In process.

Water Engineering

Objective: Continue to follow new per-and polyfluoroalkyl substances (PFAS) regulations closely, begin testing per state requirements and continue public communications. Conduct pilot testing and begin design of PFAS treatment systems at various water stations if required by new EPA regulations.

Accomplishment: In process.

Consideration: Many unknowns in regulation and funding sources. Currently have grants for treatment at water stations 4 and 14 with more expected in 2025-26. Mitigation or treatment for PFAS is expected at all water stations.

Objective: Complete design and construction to

replace the gas chlorine systems at Water Stations 4, 8 and 15 with on-site sodium hypochlorite generation (OSHG) systems.

Accomplishment: In process. Water Station 4 project combined with the PFAS treatment project, construction slated for 2025. Developing request for proposal to evaluate different OSHG systems to replace the existing systems at Water Station 8 and 15.

Consideration: The evaluation of on-site sodium hypochlorite generation systems is a result of operational issues at sites where systems had been installed recently.

Objective: Complete construction of a transmission main in Fourth Plain from Lincoln to Main St. Additional water main replacement projects will be completed to replace high-risk water mains.

Accomplishment: Substantially complete. Final phase out to bid third quarter of 2024.

Consideration: Pavement Management is slated to repave all of Fourth Plain from Main Street west to the Mill Plain connection in the summer of 2025.

2023-2024 Accomplishments

Objective: Complete design and award the Water Station 3 Reservoir and Pump Station Project and complete design and construction to replace three wells at Water Station 1.

Accomplishment: Delayed. Final design estimated end of 2025 and construction start mid-late 2026.

Consideration: Major components of this project will include construction of PFAS treatment.

Wastewater/Sewer Engineering

Objective: Complete a long-range wastewater solids master plan that compliments the City's Climate Action Plan, Strategic Plan, Comprehensive Plan and Water Resiliency Strategy.

Accomplishment: In process. Phase 1 and 2 complete. Phase 3, implementation plan beginning.

Objective: Complete construction of Marine Park UV disinfection upgrade, BBC Pump station, and Westside Medium Voltage equipment upgrade.

Accomplishment: Marine Park UV disinfection upgrade delayed to spring 2025 primarily

because of a long lead time for electrical equipment. Westside Medium Voltage equipment upgrade is 100% complete.

Objective: Expand sewer system to developed areas using septic systems and provide the opportunity for approximately 600 new connections through the Sewer Connection Incentive Program (SCIP).

Accomplishment: Expanded sewer system access to 68 parcels resulting in 2 new connections.

Consideration: Another 173 parcels were scheduled to have sewer provided but were pushed out for lack of capacity at construction and will be completed in 2025.

Stormwater Engineering

Objective: Continue to meet the demands for quality and timely reviews of development applications to support the community and approve viable, maintainable, effective storm water systems and facilities.

Accomplishment: Accomplished

2023-2024 Accomplishments

Objective: Continue to achieve compliance with regulations through the implementation of programs including water protection, surface water quality monitoring, erosion prevention, source control, and private facility maintenance.

Accomplishment: Accomplished

2025-2026 Objectives

Business Services

Objective: Geographic Information Systems (GIS) team will map new city infrastructure improvements from at least 100 construction projects per year into the GIS system as new assets.

Outcome: Transparent, efficient, and effective decision-making processes. A Comprehensive database of new assets for use in mapping, dashboards to improve communication, efficiency, management, and decision-making within all divisions of Public Works.

Focus Area: High Performing Government

Community Indicator: Open Data Hub Datasets

Performance Measure: Number of projects mapped to GIS system

Objective: Business Services will increase the number of utility customers enrolled in e-billing and recurring payments by 5% each year.

Outcome: Fiscally responsible organization. Secure, convenient process for utility customers and reduced expenses with predictable cash flow for the city. This recognizes that paperless

billing (e-billing) and reoccurring payments are better for the environment, more convenient for customers, and can reduce ongoing expenses.

Focus Area: High Performing Government

Community Indicator: Price of Government

Performance Measure: % of new utility customers enrolled in e-billing and reoccurring payments

Objective: Business Services will maintain call wait times at or below 2023 levels recognizing that a single dissatisfactory caller interaction can quickly undermine confidence in the city's utilities.

Outcome: Equitable processes. Call wait times that are consistent with existing service levels despite increased number of utility customer accounts or complexity of account issues.

Focus Area: High Performing Government

Community Indicator: Resident Satisfaction with Municipal Services

Performance Measure: Call wait times

2025-2026 Objectives

Construction Management

Objective: Minimize the impact of construction contract change orders on project budgets and schedules to ensure financial efficiency and project integrity.

Outcome: Fiscally responsible organization. Construction projects are completed with change orders totaling less than 10% of the original contract amount and minimize extending the project's schedule through additional working days, thereby maintaining budget control and on-time delivery.

Focus Area: High Performing Government

Community Indicator: Price of Government

Performance Measure: Achieve an annual average of less than 10% for both the number and dollar amount of change orders compared to the original contract amount, while minimizing the number of additional working days added to construction contracts due to change orders.

Objective: Utilize the expertise of City staff to

complete the capital construction workplan, aiming to reduce reliance on consultant contract employees. By the end of FY 2026, limit consultant contract labor to

less than 20% of total project management hours.

Outcome: Fiscally responsible organization. Lower spending on contracted services for capital construction projects.

Focus Area: High Performing Government

Community Indicator: Price of Government

Performance Measure: Limit consultant contract labor to less than 20% of total project management hours on capital construction projects by the end of FY 2026.

2025-2026 Objectives

Pearson Airport

Objective: Ensure Pearson Airport operations are self-sustaining by conducting a comparison of hangar rates and adjustments to remain competitive with other airports. This effort will be ongoing and reviewed annually to ensure rates are sufficient for 100% of operating costs including reserves needed for capital projects.

Outcome: Fiscally responsible organization. Self-sustaining operations at the Pearson Airport

Focus Area: High Performing Government

Community Indicator: Resident Satisfaction with Municipal Services

Performance Measure: annual comparison of revenue and expenditures; amount of General Fund subsidy.

Transportation Engineering

Objective: Implement a sidewalk repair assistance program for property owners in Summer 2025.

Outcome: A transportation system that supports multi-modal movement of people and goods.

Focus Area: Transportation & Mobility

Community Indicator: Transportation User Experience, Mode Split

Performance Measure: Miles of improved sidewalk

Objective: Administer and execute transportation projects in alignment with the Transportation Improvement Program.

Outcome: Vancouver has a safe, future-ready and convenient transportation system that offers affordable and climate-friendly options for people to get where they need to be.

Focus Area: Transportation & Mobility

Community Indicator: Transportation User Experience

2025-2026 Objectives

Performance Measure: Timely project execution. Delivered within budget.

- Commence construction of NE 18th Street (97th Ave to 107th Ave) in Fall 2025
- Commence design of NE 18th Street (148th Ave to 162nd Ave) in Winter 2025, commence ROW in Spring 2026
- Commence construction of Mill Plain/MacArthur in Spring 2025
- Commence construction of RAISE funded Grand Loop in Spring 2026

Objective: Secure grants to leverage City funding of Transportation projects. Maintain 95% budgetary constraints for Complete Streets program.

Outcome: Fiscally responsible organization

Focus Area: High Performing Government

Community Indicator: Price of Government

Performance Measure: number of grants received, amount of city match to size of project budget.

Utilities Engineering

Objective: Decrease development review timeframes to reduce resident and developer frustrations.

Outcome: Reliable, fiscally responsible, equitable Government. Consistent expectation for completion of development review across all utilities.

Focus Area: High Performing Government

Community Indicator: Resident Satisfaction with Municipal Services

Performance Measure: % of development reviews completed within required timelines. Target: Complete 95% of all private development reviews within required timelines. Decrease the amount of time between development application and approval by 50%.

Objective: Provide excellent resource planning and consistent capital workplan activities to support the review and recommendations for future utility rate setting for each utility.

2025-2026 Objectives

Outcome: Transparent, efficient, and effective decision-making processes. Realistic planning and budgeting for capital workplan projects

Focus Area: High Performing Government

Community Indicator: Price of Government

Performance Measure: Number of planned projects initiated per year compared to workplan. Target: Begin the design of at least 85% of planned capital improvement projects each year.

Objective: Continue to follow new per- and polyfluoroalkyl substances (PFAS) regulations closely and complete mitigation and treatment projects at municipal water sources by the end of FY 2028. Utilities Engineering understands PFAS in the water system can decrease confidence in the city's municipal water utilities and will continually monitor PFAS levels and communicate results to the community in addition to treatment and mitigation.

Outcome: Transparent, efficient, and effective decision-making processes. Increased confidence in city response to PFAS levels in municipal water systems.

Focus Area: High Performing Government

Community Indicator: Resident Satisfaction with Municipal Services

Performance Measure: PFAS Regulatory Compliance. Number of water sources mitigated or treated for PFAS; % level of PFAS above regulation in water system.

Objective: Eliminate water pollution by regulating point sources that discharge into surface waters and ensure that discharges are not harmful to public health and the environment.

Outcome: Protection and preservation of the environment by ensuring pollution laws and regulations are followed.

Focus Area: Climate and Natural Systems

Community Indicator:

2025-2026 Objectives

Performance Measure: Business Inspections. Number of NPDES Permit noncompliance notices received. Target: Maintain 100% compliance with National Pollutant Discharge Elimination System (NPDES) Permits, issued by the Washington Department of Ecology.

Environmental Services – Solid Waste

Objective: Solid Waste will increase diversion of organics and food waste disposal from landfills by 5% annually. The Solid Waste program is responsive to mandates established under Washington State House Bill 1799 (HB1799) and will continue to support regional priorities including food waste prevention and long-term disposal and treatment of food waste through solids planning processes with Utilities Engineering.

Outcome: Environmental stewardship and efforts to address climate change ensure that everyone has a sustainable future. Decreased food waste and organics disposed of in landfills, contributing to higher greenhouse gas emissions.

Focus Area: Climate and Natural Systems

Community Indicator: Waste Diversion

Performance Measure: % of food waste and organics diverted from landfill

Environmental Services – Urban Forestry

Objective: Urban Forestry will plant 1,800 large caliper trees annually to outpace tree mortality and expand the urban tree canopy to maximize the many benefits trees provide, including clean air and water, and to ensure a healthy, green Vancouver for future generations.

Outcome: Protection and restoration of natural resources. Expanded urban tree canopy and increased ecosystem services.

Focus Area: Climate and Natural Systems

Community Indicator: Tree Canopy

Performance Measure: number of large caliper trees planted in the community.

2025-2026 Objectives

Environmental Services – Water Center

Objective: Inspire connections between healthy water and people through education, exploration, and stewardship of the natural world. New exhibits will provide new programs that will bring more visitors to the Water Center, enhance curriculum, that will serve a broader range of students that visit through educational field trips.

Outcome: Environmental stewardship and efforts to address climate change ensure that everyone has a sustainable future. Comprehensive education to broader range of students and increased visitors to Water Center.

Focus Area: Climate and Natural Systems

Community Indicator: Waste Diversion

Performance Measure: % of exhibit installation complete. Complete the exhibit installation at the Water Resources Education Center (Water Center) by the end of FY 2026.

Operations and Maintenance

Objective: Operations and Maintenance will respond to calls for homeless encampment and litter cleanup within 72 hours when reported by HART or other community partnership team; in addition, smaller roadside cleanups will be responded to within one business day. Public Works recognizes that litter cleanup is a high priority issue and can impact community perceptions of safety and wellbeing.

Outcome: Vancouver feels like a safe place to live, work, learn and play. Less litter and debris on public facing properties

Focus Area: Safe and Prepared Community, High Performing Government

Community Indicator: Resident's Perception of Safety, Resident Satisfaction with Municipal Services

Performance Measure: number of calls for service responded to within 72 hours when reported by HART; number of smaller calls responded to within one business day.

2025-2026 Objectives

Objective: Operations and Maintenance will implement proactive maintenance programs and infrastructure upgrades to minimize downtime and extend the lifespan of critical assets.

Outcome: Vancouver feels like a safe place to live, work, learn and play.

Focus Area: Safe and Prepared Community, High Performing Government

Community Indicator: Resident's Perception of Safety, Resident Satisfaction with Municipal Services

Performance Measure: number of work orders initiated outside of customer complaints, emergency response process.

Objective: Operations and Maintenance will repair system leaks within 24 hours to provide customers with safe and reliable drinking water. Maintenance of the existing aging water system is crucial to providing access to water for the community and includes proactive maintenance of hydrants, valves, wells, and booster systems. Public Works will also explore Automated Meter Reading and Advanced Metering Infrastructure

technology to identify system leaks before a large system failure.

Outcome: City services and future growth facilitated by high-quality public infrastructure. Less water lost through system leakage and increased confidence in the municipal water system.

Focus Area: Safe and Prepared Community, High Performing Government

Community Indicator: Resident Satisfaction with Municipal Services, Residents' perception of preparedness

Performance Measure: number of system leaks repaired within 24 hours

Decision Packages by Type

Public Works - Business Services

Operating

CM00890 - Redistribute Deputy City Manager

Recommended

This decision package is to redistribute a percentage of a Deputy City Manager's position to non-general fund departments within their portfolio.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	73,834	0.00	74,097	0.00

CW00723 - Building Rental Rate increases

Recommended

This decision package trues up the rental rates for buildings across the city. These rates are for inter-departmental charges.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Revenue	Ongoing	3,923,901	0.00	3,923,901	0.00
445 Water Utility Fund	Expense	Ongoing	156,030	0.00	156,030	0.00

CW00728 - 2025/2026 Fleet Replacement Shortfalls

Recommended

This decision package is to request funding for vehicles that will be replaced in 2025 and 2026. The amount requested is the shortfall between the reserves collect, and the current cost of replacing the vehicles.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	One-time	13,700	0.00	10,600	0.00

CW00734 - Additional Utility Tax on Gross Utility Revenue

Recommended

To change the basis of taxation on all city utilities to gross revenues of the utilities.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Expense	Ongoing	79,198	0.00	79,198	0.00
445 Water Utility Fund	Expense	Ongoing	1,883,234	0.00	1,883,234	0.00

Decision Packages by Type

Public Works - Business Services

Operating

▮CW00735 - Passthrough Of Credit Card Charges To Consumers Recommended

▮Previously, the fee for customers to use a credit card has been paid for by the City. This fee will now be paid for by the customer if they choose to use a credit card.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Expense	Ongoing	(136,240)	0.00	(136,240)	0.00
445 Water Utility Fund	Expense	Ongoing	(565,389)	0.00	(565,389)	0.00
475 Sewer Utility Fund	Expense	Ongoing	(430,706)	0.00	(430,706)	0.00

▮CW00741 - Utilities Baseline Budget Adjustment Recommended

▮this decision package is to adjust the increase of baseline budget for Electricity and Natural Gas by 14% and 12% from the initial 5% inflator used.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	554	0.00	554	0.00

▮CW00747 - Create Equipment Rental & Revolving (ER&R) Model for Workday Recommended

▮This decision package is to create a schedule for the eventual replacement of Workday. Workday has a lifespan of 15 years and we are in the fifth year of using Workday.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	28,465	0.00	28,465	0.00
475 Sewer Utility Fund	Expense	Ongoing	686	0.00	686	0.00
102 Street Fund	Expense	Ongoing	1,372	0.00	1,372	0.00
444 Surface Water Management Fund	Expense	Ongoing	1,372	0.00	1,372	0.00

▮CW00751 - 2025/26 Cost Allocation Alan (CAP) true-up Recommended

▮This decision package allocates the increase cost in the Internal services funds to the various funds, based on the new decision packages.

2025 Budget	2025 FTE	2026 Budget	2026 FTE
-------------	----------	-------------	----------

City Manager Recommended 2025-2026 Budget 436

Decision Packages by Type

Public Works - Business Services

Operating

475 Sewer Utility Fund	Expense	Ongoing	1,860	0.00	672	0.00
444 Surface Water Management Fund	Expense	Ongoing	1,935	0.00	699	0.00
102 Street Fund	Expense	Ongoing	1,297	0.00	469	0.00
445 Water Utility Fund	Expense	Ongoing	35,721	0.00	12,910	0.00

▮PW01244 - 445-CC0207 Add 1.00 FTE Public Works Facility Manager

Not Recommended

▮This decision package funds 1.00 FTE to service as a Public Works Facilities Manager for all Public Work facilities.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	175,467	1.00	176,539	1.00

▮PW01247 - 445-CC0207 Realign Funding for Support Specialist Positions

Recommended

▮This request realigns the salary and benefits cost for Administrative staff to the Public Works Administration cost center (CC0207).

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	165,162	0.00	167,012	0.00

▮PW01248 - 445-CC0207 Budget & Administration Reduction Target

Recommended

▮This decision package reduces operating supplies and services to align with historic spending levels and project budget needs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	(32,726)	0.00	(32,726)	0.00

▮PW01249 - 444-CC0207 Budget & Administration Reduction Target

Recommended

▮This decision package reduces operating supplies and services to align with historic spending levels and project budget needs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Expense	Ongoing	(35,692)	0.00	(35,692)	0.00

Decision Packages by Type

Public Works - Business Services

Operating

▮PW01250 - 445-CC0207 Add 1.0 FTE Financial Analyst Position

Not Recommended

▮This decision package adds 1.0 FTE Financial Analyst position to support grant application and administration for all utilities and transportation.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	147,142	1.00	146,629	1.00

▮PW01251 - 445-CC0083 Add Funding to Recreate Scanned Images and Documents Archived and Retrieval System (SIDARS) Web Interface on Servers

Recommended

▮Clark County created a web interface called SIDARS approximately 20 years ago to store and access approved as-builts, civil plans, and engineering reports such as traffic and stormwater reports. SIDARS has worked well and is currently the City's repository for electronic records of engineering plans/as-builts as required by State law for records retention. However, the information is stored on 20-year old County servers which creates concern for security and ease of use. This decision package requests funding to move the information onto City servers to improve security and control of the information. Additionally, Public Works would like to upgrade the SIDARS interface through a customized software produced in house with IT that would make it more user friendly and utilize current technology.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
475 Sewer Utility Fund	Expense	One-time	10,000	0.00	0	0.00
445 Water Utility Fund	Expense	One-time	10,000	0.00	0	0.00

▮PW01252 - 445-CC0083 GIS & Asset Management Reduction Target

Recommended

▮This decision package reduces operating supplies and services to align with historic spending levels and project budget needs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	(4,040)	0.00	(4,040)	0.00

▮PW01253 - 445-CC0083 Reclass Engineering Specialist to IT System Analyst

Recommended

▮This decision package reclasses an existing position within the Public Works GIS workgroup: Engineering Specialist to IT System Analyst.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	14,277	0.00	17,916	0.00

Decision Packages by Type

Public Works - Business Services

Operating

PW01255 - 445-CC0182 Eliminate 1.0 FTE (vacant) Utility Accounting Clerk and Outsource Printing and Mailing to Washington State **Recommended**

This decision package eliminates 1.0 FTE Utility Accounting Clerk and vehicle by outsourcing the printing and mailing of utility bills and notices to Washington State Department of Enterprise Services (DES).

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	14,343	(1.00)	12,099	(1.00)

PW01256 - 445-CC0182 Reclass Senior Accounting Clerk to Lead Senior Accounting Clerk **Recommended**

This decision package reclasses an existing Senior Accounting Clerk position to Lead Senior Accounting Clerk consistent with an earlier reclass and representative of additional job duties.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	5,639	0.00	8,420	0.00

PW01257 - 445-CC0183 Add 2.0 FTE for Tiered Rate Implementation **Not Recommended**

This decision package requests ongoing funding for 2.0 FTE to implement a tiered utility rate structure in Public Works. The proposal includes funding for a Utility Customer Service Representative position and a Senior Accounting Clerk position.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	84,741	2.00	83,383	2.00

490 Solid Waste Fund	Expense	Ongoing	2,744	0.00	2,744	0.00
444 Surface Water Management Fund	Expense	Ongoing	10,974	0.00	10,974	0.00

City Manager Recommended 2025-2026 Budget 446

Decision Packages by Type

Public Works - Environmental Services

Operating

▮CW00751 - 2025/26 Cost Allocation Alan (CAP) true-up

Recommended

▮This decision package allocates the increase cost in the Internal services funds to the various funds, based on the new decision packages.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	6,668	0.00	2,410	0.00
490 Solid Waste Fund	Expense	Ongoing	5,744	0.00	2,076	0.00
444 Surface Water Management Fund	Expense	Ongoing	3,870	0.00	1,399	0.00
442 City Tree Reserve Fund	Expense	Ongoing	120	0.00	43	0.00

▮PW01247 - 445-CC0207 Realign Funding for Support Specialist Positions

Recommended

▮This request realigns the salary and benefits cost for Administrative staff to the Public Works Administration cost center (CC0207).

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
490 Solid Waste Fund	Expense	Ongoing	(70,994)	0.00	(71,866)	0.00

▮PW01369 - 490-CC0158 Add 1.0 FTE Solid Waste Planner

Recommended

▮This decision package adds 1.0 FTE Solid Waste Analyst to serve as a planner for the Solid Waste division. The Solid Waste program increased rates in 2024 in anticipation of adding this position starting in 2025-26. The additional rate revenue supports the ongoing funding of the position.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
490 Solid Waste Fund	Expense	Ongoing	139,187	1.00	139,534	1.00

▮PW01370 - 490-CC0158 Add Funding for Recreational Vehicle Abatement

Recommended

▮This decision package adds \$70,000/year to the baseline budget of \$100,000 for recreational vehicle (RVs) abatement and disposal.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
490 Solid Waste Fund	Expense	Ongoing	70,000	0.00	70,000	0.00

Decision Packages by Type

Public Works - Environmental Services

Operating

PW01371 - 490-CC0158 Adjust Environmental Services Manager Funding for Urban Forestry and Water Resources Education Center **Recommended**

This decision package moves 25% payroll expenses for the Environmental Services Manager position from the Solid Waste program to the Water Resource Education Center (12.5%) and Urban Forestry (12.5%) programs to reflect management of those functions.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
490 Solid Waste Fund	Expense	Ongoing	(46,471)	0.00	(48,195)	0.00
445 Water Utility Fund	Expense	Ongoing	23,233	0.00	24,098	0.00
444 Surface Water Management Fund	Expense	Ongoing	23,233	0.00	24,098	0.00

PW01372 - 490-CC0158 Increase Revenue for Solid Waste Rates **Recommended**

This decision package recognizes increased revenue from Solid Waste rates in 2025 and 2026.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
490 Solid Waste Fund	Revenue	Ongoing	363,325	0.00	332,169	0.00

PW01373 - 490-CC0158 Reduce Solid Waste Funding for Community Partnerships **Recommended**

This decision package reduces the baseline for Solid Waste for community partnerships.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
490 Solid Waste Fund	Expense	Ongoing	(200,000)	0.00	(200,000)	0.00

PW01374 - 490-CC0158 Reduce Solid Waste Baseline **Recommended**

This decision package reduces the baseline for Solid Waste based on projected budget needs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
490 Solid Waste Fund	Expense	Ongoing	0	0.00	(70,915)	0.00

Decision Packages by Type

Public Works - Environmental Services

Operating

▮PW01375 - 490-CC0158 Add Funding for AmeriCorps Position in Solid Waste

Recommended

▮This decision package adds \$37,000 in 2025 and \$38,110 in 2026 to fund an AmeriCorps member within the Solid Waste program.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
490 Solid Waste Fund	Expense	Ongoing	37,000	0.00	38,110	0.00

▮PW01376 - 490-CC0158 Realign Professional Services Budget in Solid Waste

Recommended

▮This decision package realigns funding with professional services to reflect actual spending activities.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
490 Solid Waste Fund	Expense	Ongoing	265,521	0.00	321,431	0.00

▮PW01377 - 444-CC0181 Appropriate Street Tree Inventory Grant

Recommended

▮This decision package requests \$350,000 in Professional Services to complete a Tree Inventory funded by a Washington State Department of Natural Resources and Federal Inflation Reduction Act (IRA) Grant with no matching requirement.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Revenue	One-time	250,000	0.00	100,000	0.00
444 Surface Water Management Fund	Expense	One-time	250,000	0.00	100,000	0.00

▮PW01378 - 444-CC0181 Add Funding for Urban Forestry Green Workforce Grant

Recommended

▮This decision package appropriates years two and three of a Federal Inflation Reduction Grant that was secured in 2023 to grow and maintain a healthy urban forest through development of a summer green workforce training program. The \$300,000 grant is for five years; expenses of \$60,000 per year are reimbursable without a match.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Expense	One-time	60,000	0.00	60,000	0.00
444 Surface Water Management Fund	Revenue	One-time	60,000	0.00	60,000	0.00

Decision Packages by Type

Public Works - Environmental Services

Operating

▮PW01379 - 444-CC0181 Add 1.0 FTE Limited Term Position to Support New Initiatives

Not Recommended

▮This decision package requests a limited term position to support Urban Forestry's development of a green workforce and young plant care program to ensure high survival rate of new plants while engaging younger generations.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Expense	One-time	93,317	1.00	92,746	1.00

▮PW01381 - 444-CC0181 Reduce Urban Forestry Baseline

Recommended

▮This decision package reduces the baseline for Urban Forestry based on projected budget needs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Expense	Ongoing	(6,000)	0.00	(6,000)	0.00

▮PW01382 - 444-CC0181 Reduce Urban Forestry Baseline for Tree Planting

Recommended

▮This decision package includes reductions for \$22,500 in the tree planting and \$19,000 in proactive street tree maintenance programs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Expense	Ongoing	(41,500)	0.00	(41,500)	0.00

▮PW01383 - 445-CC0193 Add 1.0 FTE Water Center Facilities Assistant

Recommended

▮This decision package requests funding for 1.0 FTE Facilities Assistant to support rental, facility, grounds operations and programs at the Water Resources Education Center.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	One-time	3,100	0.00	0	0.00
445 Water Utility Fund	Expense	Ongoing	84,173	1.00	86,337	1.00

Decision Packages by Type

Public Works - Environmental Services

Operating

▮PW01384 - 445-CC0193 Increase Room Rental Rates at the Water Center

Recommended

▮This decision package recognizes additional revenue from facility rental rates at the Water Resources Education Center.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Revenue	Ongoing	22,000	0.00	29,200	0.00

▮PW01385 - 445-CC0193 Reduce Water Center Baseline

Recommended

▮This decision package reduces the baseline for the Water Resources Education Center based on projected budget needs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	(15,983)	0.00	(15,983)	0.00

▮PWOM00988 - 508-CC0087 Add 2.0 FTE Grounds Maintenance Worker Positions

Not Recommended

▮This decision package funds 2.0 FTE Maintenance Worker positions to support grounds maintenance and provide litter pick up.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
490 Solid Waste Fund	Expense	Ongoing	50,000	0.00	50,000	0.00

▮RS00695 - Workers' Compensation State Funded with Employer Paid Contributions

Recommended

▮Transitioning to state Workers' Compensation program. Employees will cover the mandated component of workers' compensation costs and the City will cover the remaining employee costs. Anticipated transition date is April 1, 2025.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	2,385	0.00	1,582	0.00
444 Surface Water Management Fund	Expense	Ongoing	2,948	0.00	1,956	0.00
490 Solid Waste Fund	Expense	Ongoing	3,692	0.00	2,449	0.00

Decision Packages by Type

Public Works - Environmental Services

Operating

RS00696 - Workers' Compensation Self-Funded Program True-Up

Not Recommended

Self-funded Workers' Compensation annual claims payouts and outstanding liability reserve adjustment.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Expense	Ongoing	3,704	0.00	3,704	0.00

Decision Packages by Type

Public Works - Operations & Maintenance

Operating

CM00886 - Language Access Plan

Recommended

This decision package is to allocate dedicated budget for language services from the Human Resources budget to the Office of Equity and Inclusion.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	10,500	0.00	10,500	0.00

CM00910 - Communications Vehicle Reduction

Recommended

This decision package is to reduce budget within the Communications department by removing one vehicle.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	(5,198)	0.00	(5,198)	0.00
510 Internal Administrative Services Fund	Revenue	Ongoing	4,726	0.00	4,726	0.00

CW00723 - Building Rental Rate increases

Recommended

This decision package trues up the rental rates for buildings across the city. These rates are for inter-departmental charges.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
102 Street Fund	Expense	Ongoing	19,875	0.00	19,875	0.00
444 Surface Water Management Fund	Expense	Ongoing	48,838	0.00	48,838	0.00

Not Recommended

▮This decision package reduces funding for diesel fuel to meet the Fleet Services Operation Fund (Fund 504) reduction target.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
504 Fleet Services Operation Fund	Expense	Ongoing	(70,397)	0.00	(127,940)	0.00

▮PWFS00667 - 504-CC0116 Eliminate 2.0 FTE Vehicle Service Technicians

Recommended

▮This decision package eliminates 2.0 FTE Vehicle Service Technician positions to reach the Fleet Services Operation Fund (Fund 504) reduction target. There are currently two vacant positions.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
504 Fleet Services Operation Fund	Expense	Ongoing	(224,103)	(2.00)	(232,734)	(2.00)

▮PWOM00965 - 444-CC0086 Greenway & Sensitive Lands Reduction of Community Partnership Plantings

Recommended

▮This decision package includes a series of budget reductions that will result in service impacts to the Greenway and Sensitive Land (GSL) program resulting in a reduction of plant material/mulch that historically supports community partner non-profits. This includes an ongoing reduction in Operating Supplies of \$9,924 in 2025 and \$20,000 in 2026.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Expense	Ongoing	(9,924)	0.00	(20,000)	0.00

▮PWOM00967 - 444-CC0086 Greenway & Sensitive Lands Operating Reductions

Recommended

▮These budget reductions will reduce, but not restrict, the ability to provide critical travel, training and rental equipment for GSL staff. We will continue to provide enough budget for local or online training for any required training, including but not limited to spray license and erosion control certifications. We will also retain minimal budget allowing staff to rent essential equipment when necessary.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Expense	Ongoing	(16,760)	0.00	(21,450)	0.00

Decision Packages by Type

Public Works - Operations & Maintenance

Operating

▮PWOM00968 - 444-CC0169 Stormwater Operating Reductions

Recommended

▮This decision package will reduce Professional Services by \$97,951 in 2025 and by \$129,080 in 2026, including a \$9,961 cut for potential encampment cleanups within Stormwater properties. Despite an annual budget of \$21,000 for these cleanups, significant impacts or the need to contract out services have not been observed, so Stormwater staff would handle these efforts if needed. Additionally, the package will reduce, but not eliminate, funds for critical travel, training, and rental equipment for Stormwater staff, maintaining sufficient budget for local or online training, including spray license and erosion control certifications. In 2026, the package will eliminate the budget for a typically unnecessary seasonal worker and reduce the Uniforms and Protective Clothing budget from \$33,000 to \$25,000.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
444 Surface Water Management Fund	Expense	Ongoing	(97,951)	0.00	(195,901)	0.00

▮PWOM00969 - 475-CC0190 Wastewater Operating Reductions

Recommended

▮Reductions eliminate temporary help, which has not been required in recent years due to increased Regular Staffing, and travel for conferences and trainings. All required trainings are local or held remote, so this will not impact current operations.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
475 Sewer Utility Fund	Expense	Ongoing	(72,888)	0.00	(72,888)	0.00

▮PWOM00970 - 475-CC0190 Wastewater Emergency Repair Contingency Reductions

Recommended

▮This money is mainly dedicated for emergency repairs that the sewer department cannot perform themselves such as digs over 30' deep as we do not have the equipment. If this fund is eliminated and an emergency occurs we will still need to do the work under an emergency provision and request funds later or absorb in current operating budget.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
475 Sewer Utility Fund	Expense	Ongoing	(67,000)	0.00	(83,828)	0.00

▮PWOM00971 - 475-CC0190 Wastewater Calcium Nitrate (Bioxide) Reductions

Recommended

▮We will purchase less Calcium Nitrate (Bioxide) which could result in creation of H2S in the sewer pipes and correspondingly more odor complaints and will degrade concrete pipes quicker.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
475 Sewer Utility Fund	Expense	Ongoing	0	0.00	(123,000)	0.00

Decision Packages by Type

Public Works - Operations & Maintenance

Operating

▮PWOM00972 - 445-CC0188 Warehouse Inventory Reductions

Recommended

▮A reduction of \$35,000 ongoing in Warehouse supplies in order to meet reduction targets. This will result in fewer supplies purchased as inflation has increased drastically over the past few years.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	(25,000)	0.00	(25,000)	0.00

▮PWOM00973 - 445-CC0205 Water Emergency Repair Reductions

Recommended

▮Reductions in repair and maintenance directly related to emergency repairs to water production equipment and facilities so that we can continue to provide safe and reliable drinking water to the community. If emergencies arise on failed equipment and facilities, budget will have to be asked for on a one-time basis or adjustments to other programming to fund would occur.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	(49,807)	0.00	(198,570)	0.00

▮PWOM00974 - 445-CC0192 Eliminate Regular 0.75 FTE Departmental Aide

Recommended

▮The 0.75 Departmental Aide supported Warehouse functions, but was vacated in 2022. Responsibilities of this position have been absorbed by the remaining warehouse staff and is no longer needed.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	(66,886)	(0.75)	(67,872)	(0.75)

▮PWOM00975 - 445-CC0196 Water Quality Future Testing Reductions

Recommended

▮The funds for this reduction were taken primarily out of sampling and testing, other operating supplies, and temporary help. Sampling and testing had extra funds in preparation for additional sampling from PFAS and additional regulations. At this time the sampling for PFAS has been a production assignment and there has been no requirement for distribution testing. Should this change then additional funds may be need to meet regulatory requirements. Temporary help has been helpful to meet the demand of the program as staff is over worked due to large work loads.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	(30,000)	0.00	(84,945)	0.00

Decision Packages by Type

Public Works - Operations & Maintenance

Operating

▮PWOM00976 - 445-CC0192 Water Future Regulatory Compliance Communication Reductions

Recommended

▮The water admin budget has had some built in programs for postage and additional communications for future regulatory requirements. While we have found other ways to deal with current required notifications, this may affect future notifications based on water quality issues. The remaining reductions where spread out among the other spend categories to make up the reduction target. I don't expect these to have significant concerns but will limit the ability to absorb inflation for services.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	(100,000)	0.00	(157,000)	0.00

▮PWOM00977 - 445-CC0186 Locates 811 Call Center Reduction to Current Levels

Recommended

▮Reducing professional services ongoing in the Locates division for the 811 call center. This brings the budget to historical costs, but may not be enough to keep up with any increases in the future. Providing this services is mandated by the state, so if increases occur alignment from other programs or increase in budget will be necessary.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	(7,000)	0.00	(20,000)	0.00

▮PWOM00978 - 445-CC0186 Locates Operating Reductions

Recommended

▮Reduction of Operating Supplies ongoing in 2026 eliminates budget set aside for equipment break downs and replacement. Depending on the failures this may result in the inability for the locators to preform the work and additional support would have to be requested. Additional reductions in Travel and Training are also included. Eliminating the ability for locators to travel for training and conferences.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
445 Water Utility Fund	Expense	Ongoing	(7,750)	0.00	(11,750)	0.00

▮PWOM00979 - 445-CC0115 Reduce Software Maintenance Budget in Operations Administration

Recommended

▮This decision package reduces appropriation for software maintenance to meet the Water Utility Fund (Fund 445) reduction target.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

▮CW00747 - Create Equipment Rental & Revolving (ER&R) Model for Workday

Recommended

▮This decision package is to create a schedule for the eventual replacement of Workday. Workday has a lifespan of 15 years and we are in the fifth year of using Workday.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
103 Street Funding Initiative - Operating Fund	Expense	Ongoing	7,545	0.00	7,545	0.00
102 Street Fund	Expense	Ongoing	15,732	0.00	15,732	0.00

City Manager Recommended 2025-2026 Budget 471

Decision Packages by Type

Public Works - Transportation Engineering

Operating

▮CW00749 - Sidewalk Reconstruction and Maintenance Additional Funding

Recommended

▮Increasing the sidewalk maintenance ongoing budget in by \$500,000.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
102 Street Fund	Revenue	Ongoing	500,000	0.00	135,192	0.00
102 Street Fund	Expense	Ongoing	500,000	0.00	135,192	0.00

▮CW00751 - 2025/26 Cost Allocation Alan (CAP) true-up

Recommended

▮This decision package allocates the increase cost in the Internal services funds to the various funds, based on the new decision packages.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
131 Transportation Special Revenue Fund	Expense	Ongoing	576	0.00	208	0.00
102 Street Fund	Expense	Ongoing	27,228	0.00	9,840	0.00
103 Street Funding Initiative - Operating Fund	Expense	Ongoing	16,307	0.00	5,894	0.00

▮PW01247 - 445-CC0207 Realign Funding for Support Specialist Positions

Recommended

▮This request realigns the salary and benefits cost for Administrative staff to the Public Works Administration cost center (CC0207).

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
102 Street Fund	Expense	Ongoing	(15,028)	0.00	(15,183)	0.00

▮RS00695 - Workers' Compensation State Funded with Employer Paid Contributions

Recommended

▮Transitioning to state Workers' Compensation program. Employees will cover the mandated component of workers' compensation costs and the City will cover the remaining employee costs. Anticipated transition date is April 1, 2025.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
103 Street Funding Initiative - Operating Fund	Expense	Ongoing	18,251	0.00	12,051	0.00

Decision Packages by Type

Public Works - Transportation Engineering

Operating

RS00696 - Workers' Compensation Self-Funded Program True-Up

Not Recommended

Self-funded Workers' Compensation annual claims payouts and outstanding liability reserve adjustment.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
103 Street Funding Initiative - Operating Fund	Expense	Ongoing	22,970	0.00	22,970	0.00

RS00697 - General Liability Insurance True Up

Recommended

Adjusting for increasing costs of General Liability and Property insurance costs

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
103 Street Funding Initiative - Operating Fund	Expense	Ongoing	790	0.00	790	0.00

TR00673 - 102-CC0166 Add 1.0 FTE Superintendent Position for Streets Maintenance

Recommended

This decision package adds 1.0 FTE Superintendent position to oversee street and traffic operations and maintenance. Reducing supplies and services budgets to fund this position.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
102 Street Fund	Expense	Ongoing	(85,644)	0.00	(87,637)	0.00

TR00674 - 102-CC0174 Align Traffic Maintenance Positions and Budget with New Cost Center

Recommended

This decision package moves some operations and maintenance staff to new cost centers within the same fund to reflect an internal reorganization in Public Works.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
102 Street Fund	Expense	Ongoing	(2,017,834)	0.00	(2,017,834)	0.00

TR00675 - 103-CC0167 Reduce General Fund Transfer for Pavement Management

Recommended

This budget request reduces the General Fund amount spent on Pavement Management.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
103 Street Funding Initiative - Operating Fund	Revenue	Ongoing	0	0.00	(2,099,000)	0.00

City Manager Recommended 2025-2026 Budget 473

Decision Packages by Type

Public Works - Transportation Engineering

Operating

TR00676 - 103-CC0167 Reduce General Fund Funding for Curb Ramp Retrofits

Recommended

This budget request reduces the General Fund amount spent on Curb Ramps.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
103 Street Funding Initiative - Operating Fund	Revenue	Ongoing	(2,299,000)	0.00	(2,499,000)	0.00

TR00680 - 102-CC0174 Add 1.0 Senior Traffic Engineer and 1.0 FTE Engineering Specialist for Complete Streets and Citywide Traffic Safety Programs

Recommended

This decision package funds 1.0 FTE Traffic Engineer and 1.0 FTE Engineering Specialist in Traffic Engineering and Operations.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
102 Street Fund	Expense	Ongoing	53,406	2.00	54,741	2.00

TR00681 - 102-CC0179 Add 1.0 FTE Senior Civil Engineer and 1.0 FTE Civil Engineer for Complete Streets Design

Recommended

This request includes 1.0 FTE Senior Civil Engineer and 1.0 FTE Civil Engineer to support design of Complete Streets projects.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
102 Street Fund	Expense	Ongoing	81,759	2.00	75,220	2.00

TR00682 - 103-CC0168 Add Funding for Transportation Demand Management Program

Recommended

This decision package adds \$25,000 transfer from Fund 634 to support the Transportation Demand Management Program. Funding for this budget allocation supports both the travel options coordinator position and their work on various transportation demand management (TDM) activities.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

City Manager Recommended 2025-2026 Budget 495

Decision Packages by Type

Public Works - Utilities Engineering

Operating

445 Water Utility Fund	Expense	Ongoing	143,768	0.00	143,768	0.00
------------------------	---------	---------	---------	------	---------	------

Capital

GS00288 - Operations Center Design and Construction (Water Funding)

Recommended

Water Utility Fund funding to complete design and construction of the Public Works Operations Center Redevelopment.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
440 Water Revenue Bond - Operations Center	Expense	One-time	0	0.00	20,744,944	0.00
448 Water Construction Fund	Expense	One-time	21,183,000	0.00	12,237,056	0.00
448 Water Construction Fund	Revenue	One-time	8,820,218	0.00	6,019,741	0.00
445 Water Utility Fund	Expense	One-time	8,820,218	0.00	6,019,741	0.00

PW01283 - SWM - W 22nd St & Thompson

Recommended

This decision package funds surface water improvements at W 22nd St and Thompson.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	2,263,810	0.00	0	0.00
443 Surface Water Construction Fund	Revenue	One-time	1,697,858	0.00	0	0.00

PW01284 - SWM - Columbia Way to Columbia River Retrofits

Recommended

This decision package funds surface water improvements along Columbia Way to the Columbia River.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	1,386,740	0.00	0	0.00
443 Surface Water Construction Fund	Revenue	One-time	1,040,055	0.00	0	0.00

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01285 - SWM - Downtown Capacity Analysis & Upgrade Recommended

▮This decision package funds surface water improvements identified in a downtown capacity analysis.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	850,000	0.00	0	0.00

▮PW01286 - SWM - Fruit Valley Neighborhood Storm Retrofit Recommended

▮This decision package funds surface water retrofit improvements in the Fruit Valley Neighborhood.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Revenue	One-time	75,000	0.00	2,625,000	0.00
443 Surface Water Construction Fund	Expense	One-time	100,000	0.00	3,500,000	0.00

▮PW01287 - SWM - Columbia Slope Culvert - Mill Creek Recommended

▮This decision package funds surface water improvements at the Columbia slope culvert - Mill Creek.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	200,000	0.00	3,000,000	0.00

▮PW01288 - SWM - Primrose Court Swale Retrofit Recommended

▮This decision package funds surface water swale retrofit improvements on Primrose Court.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	400,000	0.00	0	0.00

▮PW01289 - SWM - Linda Lane Vault Retrofit Design Recommended

▮This decision package funds surface water vault retrofit improvements at Linda Lane through Department of Ecology grant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	150,000	0.00	300,000	0.00

City Manager Recommended 2025-2026 Budget 497

Decision Packages by Type

Public Works - Utilities Engineering

Capital

443 Surface Water Construction Fund	Revenue	One-time	127,500	0.00	255,000	0.00
-------------------------------------	---------	----------	---------	------	---------	------

▮PW01290 - SWM - Evergreen High School Retrofit Design

Recommended

▮This decision package funds surface water retrofit design at Evergreen High School through Department of Ecology grant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	280,000	0.00	75,000	0.00
443 Surface Water Construction Fund	Revenue	One-time	238,000	0.00	63,750	0.00

▮PW01291 - SWM - Garrison Heights Design

Recommended

▮This decision package funds design of surface water improvements at Garrison Heights through Department of Ecology grant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	40,000	0.00	275,000	0.00
443 Surface Water Construction Fund	Revenue	One-time	34,000	0.00	233,750	0.00

▮PW01292 - SWM - Burnt Bridge Creek Property Acquisition

Recommended

▮This decision package funds surface water property acquisitions along the Burnt Bridge Creek Corridor through Department of Ecology grant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	25,000	0.00	635,000	0.00
443 Surface Water Construction Fund	Revenue	One-time	25,000	0.00	635,000	0.00

▮PW01294 - SWM - Middle Burnt Bridge Creek Basin Stormwater Management Action Plan (SMAP)

Recommended

▮This decision package funds surface water management action plan efforts in the middle Burnt Bridge Creek basin through Department of Ecology grant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	120,000	0.00	150,000	0.00
443 Surface Water Construction Fund	Revenue	One-time	102,000	0.00	127,500	0.00

City Manager Recommended 2025-2026 Budget 498

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01295 - SWM - Washington Department of Transportation (WSDOT) Fees

Recommended

▮This decision package appropriates surface water improvements funded through WSDOT fees.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	498,730	0.00	523,665	0.00
443 Surface Water Construction Fund	Revenue	One-time	498,730	0.00	523,665	0.00

▮PW01296 - SWM - Waste Incentive Network (EPA Grant)

Recommended

▮This decision package appropriates surface water improvements funded through Waste Incentive Network grants.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	228,610	0.00	0	0.00
443 Surface Water Construction Fund	Revenue	One-time	171,458	0.00	0	0.00

▮PW01297 - SWM - Ambient Water Quality Monitoring

Recommended

▮This decision package funds surface water improvements for ambient water quality monitoring.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	235,000	0.00	235,000	0.00

▮PW01298 - SWM - Pollution Prevention Assistance (2023-2025)

Recommended

▮This decision package funds surface water pollution prevention efforts through Department of Ecology grant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	47,255	0.00	0	0.00
443 Surface Water Construction Fund	Revenue	One-time	47,255	0.00	0	0.00

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01299 - SWM - 2023-2025 Stormwater Capacity Grant Recommended

▮This decision package funds surface water improvements through state capacity grants.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
443 Surface Water Construction Fund	Expense	One-time	29,350	0.00	0	0.00
443 Surface Water Construction Fund	Revenue	One-time	29,350	0.00	0	0.00

▮PW01300 - SWR - Capital Preservation and Compliance Recommended

▮This decision package funds wastewater treatment improvements as identified during the year.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	2,000,000	0.00	3,000,000	0.00

▮PW01301 - SWR - Marine Park Bar Screens Upgrade Recommended

▮This decision package funds bar screen wastewater treatment improvements at Marine Park Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	2,600,000	0.00	0	0.00

▮PW01302 - SWR - Marine Park Phase 2A Recommended

▮This decision package funds phase 2A wastewater treatment improvements at Marine Park Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	2,250,000	0.00	3,250,000	0.00

▮PW01303 - SWR - Marine Park WRF Process Piping R&R Recommended

▮This decision package funds WRF process piping improvements at Marine Park Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	200,000	0.00	200,000	0.00

City Manager Recommended 2025-2026 Budget 500

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01304 - SWR - Marine Park Medium Voltage Upgrade

Recommended

▮This decision package funds phase medium voltage improvements at Marine Park Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	200,000	0.00	400,000	0.00

▮PW01305 - SWR - Marine Park Forcemain

Recommended

▮This decision package funds forcemain wastewater treatment improvements at Marine Park Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	500,000	0.00	0	0.00

▮PW01306 - SWR - Westside WRF Process Piping R&R

Recommended

▮This decision package funds WRF process piping improvements at Westside Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	300,000	0.00	300,000	0.00

▮PW01307 - SWR - Westside Sodium Hypochlorite Delivery

Recommended

▮This decision package funds sodium hypochlorite delivery improvements at Westside Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	100,000	0.00	0	0.00

▮PW01308 - SWR - West 16th Pump Station Replacement

Recommended

▮This decision package funds wastewater treatment improvements at the West 16th Street Pump Station.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	1,300,000	0.00	0	0.00

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01309 - SWR - Westside Replace Odor Control Scrubber

Recommended

▮This decision package funds odor control scrubber improvements at Westside Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	500,000	0.00	1,000,000	0.00

▮PW01310 - SWR - Industrial Coating Projects

Recommended

▮This decision package funds industrial coating projects at the wastewater treatment plants.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	250,000	0.00	0	0.00

▮PW01311 - SWR - Process Controls Electronics (Westside/Marine Park SCADA)

Recommended

▮This decision package funds process controls improvements in the Supervisory Control and Data Acquisition (SCADA) system at the wastewater treatment plants.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	200,000	0.00	200,000	0.00

▮PW01312 - SWR - Westside Replace Centrifuges

Recommended

▮This decision package funds centrifuge replacement at Westside Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	800,000	0.00	0	0.00

▮PW01313 - SWR - Westside Electrical Upgrade Design

Recommended

▮This decision package funds design of electrical upgrades at Westside Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	200,000	0.00	200,000	0.00

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01314 - SWR - Westside WWTF Buildings Coatings Project

Recommended

▮This decision package funds WWTF Buildings Coatings at Westside Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	100,000	0.00	100,000	0.00

▮PW01315 - SWR - Westside/Marine Park Chemical Tanks Rehab

Recommended

▮This decision package funds chemical tanks rehab at the wastewater treatment plants.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	100,000	0.00	100,000	0.00

▮PW01316 - SWR - Westside Solids Planning

Recommended

▮This decision package funds solids planning analysis for future treatment at Westside Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	1,000,000	0.00	0	0.00

▮PW01317 - SWR - Westside Equipment and Parts Storage Building

Recommended

▮This decision package funds construction of an equipment and parts storage building at Westside Wastewater Treatment Plant.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	0	0.00	2,000,000	0.00

▮PW01318 - SWR - BBC Pump Station Repair Upgrade

Recommended

▮This decision package funds repairs at the Burnt Bridge Creek Pump Station.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	0	0.00	500,000	0.00

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01319 - SWR - SEH Industrial Pump Station

Recommended

▮This decision package funds wastewater treatment improvements at the SEH Industrial Pump Station.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	1,400,000	0.00	0	0.00

▮PW01320 - SWR - IR - Interceptor Rehabilitation

Recommended

▮This decision package funds emergent wastewater collection improvements on the interceptors.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	2,000,000	0.00	2,000,000	0.00

▮PW01321 - SWR - Capital Preservation - Collection System

Recommended

▮This decision package funds emergent wastewater collection improvements.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	2,700,000	0.00	2,000,000	0.00

▮PW01322 - SWR - East Interceptor Rehab Ph 1 & Ph 2

Recommended

▮This decision package funds wastewater collection improvements on the East Interceptor, phases one and two.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	500,000	0.00	0	0.00

▮PW01323 - SWR - Maplecrest Pump Station Reconstruct & Growth Management Act Force Main Extension

Recommended

▮This decision package funds wastewater collection improvements at the Maplecrest pump station.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	1,000,000	0.00	0	0.00

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01324 - SWR - Jefferson-Kauffman Sewer Improvements

Recommended

▮This decision package funds wastewater collection improvements at Jefferson-Kauffman.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	600,000	0.00	0	0.00

▮PW01325 - SWR - Heights District Redevelopment

Recommended

▮This decision package funds wastewater collection improvements in the Heights district.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	1,550,000	0.00	0	0.00

▮PW01326 - SWR - Pearson Pump Station Upgrade

Recommended

▮This decision package funds wastewater collection improvements at Pearson pump station.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	800,000	0.00	0	0.00

▮PW01327 - SWR - Burnt Bridge Creek Interceptor - PH 1

Recommended

▮This decision package funds wastewater collection improvements on the Burnt Bridge Creek Interceptor, phase one.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	200,000	0.00	1,000,000	0.00

▮PW01328 - SWR - E-Interceptor Rehab - PH 3

Recommended

▮This decision package funds wastewater collection improvements on the East Interceptor, phases three.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	200,000	0.00	5,000,000	0.00

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01329 - SWR - Main Street - 5th to 15th (ARPA) Recommended

▮This decision package funds wastewater collection improvements on Main Street.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	900,000	0.00	0	0.00

▮PW01330 - SWR - G2 Sewer Basin/Trunk Interceptor Realignment Recommended

▮This decision package funds wastewater collection improvements in the G2 sewer basin.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	1,200,000	0.00	0	0.00

▮PW01331 - SWR - Springbrook Pump Station Upgrades Recommended

▮This decision package funds wastewater collection improvements at Springbrook pump station.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	200,000	0.00	0	0.00

▮PW01332 - SWR - NE 152nd Avenue Sewer Extension Recommended

▮This decision package funds wastewater collection improvements on NE 152nd Avenue.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	100,000	0.00	0	0.00

▮PW01333 - SWR - 18th Street Trunk Rehabilitation Project Recommended

▮This decision package funds wastewater collection improvements on the 18th Street trunk.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	2,000,000	0.00	0	0.00

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01334 - SWR - Section 30 South Pump Station

Recommended

▮This decision package funds wastewater collection improvements in Section 30.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	3,000,000	0.00	0	0.00

▮PW01335 - SWR - NE 65th Avenue Sewer Upsize

Recommended

▮This decision package funds wastewater collection improvements on NE 65th Avenue.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	800,000	0.00	800,000	0.00

▮PW01336 - SWR - E-Interceptor Rehab Phase 4

Recommended

▮This decision package funds wastewater collection improvements on the East Interceptor, phases four.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	0	0.00	200,000	0.00

▮PW01337 - SWR - NE 137th Ave, 49th St to Fourth Plain Blvd

Recommended

▮This decision package funds wastewater collection improvements on NE 137th Avenue.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	300,000	0.00	0	0.00

▮PW01338 - SWR - Demand Response - SCIP

Recommended

▮This decision package funds emergent access to public sanitary sewer systems.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	0	0.00	3,400,000	0.00

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01339 - SWR - NE 60th Street Sewer Improvements (SCIP) Recommended

▮This decision package funds access to public sanitary sewer systems on NE 60th Street.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	1,000,000	0.00	0	0.00

▮PW01340 - SWR - NE 122nd Ave (Sewer Connection Incentive Program (SCIP)) Recommended

▮This decision package funds access to public sanitary sewer systems on NE 122nd Avenue.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	600,000	0.00	0	0.00

▮PW01341 - SWR - West Vancouver Phase 1 (Sewer Connection Incentive Program (SCIP)) Recommended

▮This decision package funds access to public sanitary sewer systems in West Vancouver.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	1,500,000	0.00	0	0.00

▮PW01342 - SWR - NE 51st Street Sewer Improvements Recommended

▮This decision package funds access to public sanitary sewer systems on NE 51st Street.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
478 Sewer Construction Fund	Expense	One-time	700,000	0.00	1,000,000	0.00

▮PW01343 - WTR - Pressure Reducing Valves (PRV) Flowmeters/SCADA System Connections Recommended

▮This decision package funds water system component replacements.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
448 Water Construction Fund	Expense	One-time	60,000	0.00	0	0.00

Decision Packages by Type

Public Works - Utilities Engineering

Capital

▮PW01344 - WTR - Water Demand Response Recommended

▮This decision package funds emergent water infrastructure improvements.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
448 Water Construction Fund	Expense	One-time	300,000	0.00	300,000	0.00

▮PW01345 - WTR - SCIP Coordination Projects Recommended

▮This decision package funds water infrastructure improvements in coordination with sewer connection incentive projects.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
448 Water Construction Fund	Expense	One-time	50,000	0.00	50,000	0.00

▮PW01346 - WTR - Water Station 8 Hypo Generation System Recommended

▮This decision package funds hypo generation water infrastructure improvements at Water Station 8.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
448 Water Construction Fund	Expense	One-time	580,000	0.00	0	0.00

▮PW01347 - WTR - Water Station 5 Tower Internal Coating Recommended

▮This decision package funds water infrastructure improvements at Water Station 5.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
448 Water Construction Fund	Expense	One-time	400,000	0.00	0	0.00

▮PW01348 - WTR - Leak Abatement Recommended

▮This decision package funds water improvements to mitigate system leaks.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
448 Water Construction Fund	Expense	One-time	600,000	0.00	1,000,000	0.00

Decision Packages by Type

Public Works - Utilities Engineering

Capital

PW01349 - WTR - Water Station 1 Replace Wells 3, 4, 5

Recommended

This decision package funds replacement of wells 3, 4, and 5 at Water Station 1.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

Support Services

Financial and Management Systems – Organizational Chart

Financial and Management Services

Divisions: Procurement, Treasury, Accounting, Budget and Performance Management, Internal Audit, Payroll

Key service(s):

- Purchasing of goods and services
- Budget Development and Adoption Process
- Business and Special Licensing
- Internal Auditing
- Performance Management & Data Governance
- Payroll
- Treasury/Investment Management and Accounts Receivable
- Accounting and mandatory financial reporting
- City Clerk

Mission statement:

Our mission is to allocate financial resources to support Council and community priorities while ensuring transparency, accountability, and adherence to best practices.

Department description:

We ensure fiscal prudence, conformance with legal and professional standards, and provide for the short and long-term financial needs of the city while ensuring its continued financial viability. We provide objective analysis and consulting to stakeholders for the optimal allocation of limited resources to achieve the identified goals of the organization and community outcomes.

Procurement

Procurement Services is responsible for the purchasing of goods, services and construction contracts on behalf of the City of Vancouver. We administer the City's procurement card program and assist City departments with their surplus disposition, as needed. Assures transparency and fair treatment in all business transactions in compliance with all public purchasing regulations.

Treasury

Treasury provides direction to maximize the returns on the City's assets and minimize debt interest expense on the City's outstanding debt. Treasury manages banking services and the City's investment portfolio and performs bank/cash reconciliations to the General Ledger. This division also manages the in-person **Customer Service** desk at City Hall, where customers may pay for City services, and **Accounts Receivable** provides revenue receipting, timely and accurate billing, and collection of customer accounts in compliance with relevant laws, regulations, and accounting principles.

Accounting

Accounting provides reports of financial activities of the City to internal and external users. This reporting is accomplished through the preparation of the Annual Comprehensive Financial Report (ACFR), quarterly reports, and the cost allocation plan. The Accounting group assists management with establishing, implementing, and maintaining proper internal controls, policies, and procedures. Accounting ensures compliance with and conformance to grant reporting and billing as defined by contractual provisions, federal, state, or other guidelines. The **Accounts Payable** team coordinates the payment process for all suppliers, services, employee reimbursements, and capital expenditures of the City.

Budget and Performance Management

The Budget team provides stewardship for the City's biennial operating and capital budget process. Ensures long-term financial stability of City operations by making decisions consistent with Council-approved financial policies. The Budget team prepares the financial forecast, provides review, coordination and analysis of budget issues and requests and monitors spending compared to budget. Business Intelligence assists City departments in accessing, analyzing, and automating data through business intelligence software so managers can make timely operational business decisions and create useful financial reports for multiple departments across the City from the Enterprise Resource Planning (ERP) system.

The Performance Analyst provides organization-wide support with the goal of becoming a high performing, data-driven government. Key services include performance management guidance and technical assistance including development and tracking of organization and community indicators. Facilitates process improvement projects and manages the enterprise data governance initiative.

Internal Audit

Internal Audit plans and conducts financial audits of various City activities; examines and evaluates the adequacy and effectiveness of the City's internal control systems; examines the reliability and integrity of information; ensures compliance with policies and procedures, laws and regulations; and prepares analysis, appraisals, recommendations, and information concerning activities reviewed.

Payroll

Payroll audits pay documents for compliance with relevant policies, procedures, and legal requirements. Payroll processes and remits payments to employees, pensioners, regulatory agencies, and vendors. Payroll also provides timely reporting to tax agencies and employees and provides appropriate training and assistance to City timekeepers to ensure accurate entry of payment source documents (timecards).

2023-2024 Accomplishments

Objective: Improve staffing and succession planning efforts in Finance and Management Services by filling all vacant positions in the department by the first quarter of 2023. Areas in the department where succession planning is necessary will be identified and an associated training program developed by the end of calendar year 2022. Begin training in 2023.

Accomplishment: The Finance Department staffing is stable. In 2023, the department successfully filled all but one vacant position.

Objective: Improve the success rate for Disadvantaged Minority/Women's Business Enterprise (DMWBE) businesses bidding on City contracts by identifying disparities and establishing a program to increase participation in the State of Washington's certification of such enterprises. Develop and deliver a training program for DMWBE by mid-2023. If funded, hire a consultant to work with the City to develop the Disparity Study by the end of 2023.

Accomplishment: The project to analyze Women & Minority Business Enterprises in City contracts is underway and expected to be completed by the end of 2024.

Objective: Streamline tracking and accounting for the City's capital assets. Engage customers and define the challenges to the existing capital asset tracking/recording policies and practices by the end of the first quarter 2023. Identify and implement process improvement practices by the end of 2023.

Accomplishment: During 2023, assets were realigned to simplify audit reporting to the State Auditor's Office. The realignment reduces the risk of misreporting asset information and provides significant time savings for staff working in our capital asset system.

2025-2025 Objectives

Objective: Improve the delivery of the Annual Consolidated Financial Report and streamline loan administration through technology enhancements and process efficiencies.

Outcome: Reliable City government

Focus Area: High Performing Government

Community Indicator: Satisfaction with Municipal Services

Performance Measure: ACFR completed by June 30, timely processing of loan payments

Objective: Develop, deliver and maintain training programs related to Financial and Management Services.

Outcome: Reliable City government

Focus Area: High Performing Government

Community Indicator: Satisfaction with Municipal Services

Performance Measure: Increase the number of training materials available in Workday Learning and on Currents (City's intranet site).

Objective: Streamline capital asset management.

Outcome: Fiscally responsible organization

Focus Area: High Performing Government

Community Indicator: Satisfaction with Municipal Services

Performance Measure: Decrease the time it takes to evaluate asset removals and replacements, increase the reliability of the balance sheet.

Objective: Implementation of data governance projects identified for years one and two in the Data Management Strategy and Workplan.

Outcome: Fiscally transparent government

Focus Area: High Performing Government

Community Indicator: Satisfaction with municipal services

Performance Measure: Open data hub datasets (internal and external)

2025-2025 Objectives

Objective: Create an effective way to collect and audit the new and existing revenues of the City.

Outcome: Fiscally transparent government

Focus Area: High Performing Government

Community Indicator: Satisfaction with municipal services

Performance Measure: Successful implementation of new revenue programs, processes and policies.

Financial & Management Services - 510 Internal Administrative Services Fund

Operating

CM00886 - Language Access Plan

Recommended

This decision package is to allocate dedicated budget for language services from the Human Resources budget to the Office of Equity and Inclusion.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	3,500	0.00	3,500	0.00

CW00725 - Admissions Tax - New

Recommended

Implement 5% admissions tax on commercially ticketed events (primarily movie theatres). In 2025, \$150,000 of the revenue will be used to support the Performing Art Center (PAC) study.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Revenue	One-time	150,000	0.00	0	0.00
510 Internal Administrative Services Fund	Expense	One-time	150,000	0.00	0	0.00

CW00730 - Commercial Parking Tax - New

Recommended

New commercial parking tax to be used for transportation improvements.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	131,837	1.00	135,192	1.00

CW00735 - Passthrough Of Credit Card Charges To Consumers

Recommended

Previously, the fee for customers to use a credit card has been paid for by the City. This fee will now be paid for by the customer if they choose to use a credit card.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	(59,332)	0.00	(59,332)	0.00

CW00739 - Business and Occupation Tax (Retail Only)

Recommended

Implement new business and occupation tax on retail sector only.

2025 Budget	2025 FTE	2026 Budget	2026 FTE
City Manager Recommended 2025-2026 Budget			524

---	---------	---------	---------	------	---------	------

CW00747 - Create Equipment Rental & Revolving (ER&R) Model for Workday **Recommended**

This decision package is to create a schedule for the eventual replacement of Workday. Workday has a lifespan of 15 years and we are in the fifth year of using Workday.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	41,360	0.00	41,360	0.00

FS00705 - Finance Service Reductions **Recommended**

This is reducing Extra Help in Treasury (\$3,961) and removing the LockBox service for Finance-Customer Service (\$10,000).

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	(13,961)	0.00	(13,961)	0.00

FS00710 - Reclass Associate Accountant to Senior Accountant **Not Recommended**

The reclassification of the Associate Accountant position to a Senior Accountant position is needed to align the job title and pay scale, with the job duties being performed. Accounting work has become more complex in the last few years, due to challenging GASB pronouncements. The new Government Accounting Standards Board (GASB) require more research and work to implement than in the past. GASB has assured us that these pronouncements will continue in the future, meaning this is not just a short term problem. This change will align the job title with the work being performed, without having to work or be paid, "out of class".

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	4,254	0.00	4,665	0.00

FS00711 - Reclass Senior Accounting Clerk to Revenue Auditor **Not Recommended**

In conjunction with FS00706, this would reclass the position that will be responsible for performing business license compliance audits, which is a more complex level of work.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

Human Resources – Organizational Chart

Human Resources

Divisions: Benefits, Human Resources Information Systems, Compensation, Learning & Development, Recruitment, Employee Engagement and Wellness, Leave and Accommodation, HR Business Partners Risk & Safety

Key service(s):

- Recruitment
- Learning and Engagement
- Leaves and Accommodation
- Benefits
- Compensation
- HR Business Partners
- Safety
- Risk Management

Mission statement:

We recruit and retain an engaged and high-performing workforce by providing excellent service, meaningful programs and a shared commitment to equity, stewardship, resilience and safety and by cultivating an open and authentic culture where people can do their best work.

Department description:

Human Resources' customers include applicants, employees, retirees and seasonal and temporary workers, whom we support from application through all phases of employment and into retirement. Department priorities include partnering with and assisting City leaders with employee-related needs; utilizing best practices to ensure HR programs and services are relevant and effective; providing timely, consistent and highly responsive service to all customers; cultivating an organizational learning culture centered around diversity, equity, inclusion and employee engagement; and ensuring that programs, initiatives, and benefit offerings are meaningful to employees and elevate the City as an Employer of Choice.

2023-2024 Accomplishments

Objective: Attract and retain top talent, reduce costs associated with turnover. Supports Equity, and Inclusion priorities by creating an inclusive work environment for employees where employee voices are heard.

Accomplishments: Hired 279 Full Time Equivalent employees from January 2023 to June 2024.

Recruited and filled executive positions including Public Works Director and City Manager.

Fulfilled staffing needs proposed in Proposition 2 – a voter approved levy to support community safety and well-being. Hired two female Assistant Police Chiefs and assisted in recruiting and filling 95% of authorized sworn positions.

Performance measure: (Data from Workday, the City's enterprise resource system) 96.5% of employees who received a rating of "exceeds expectations" were still employed with the City the following year. Turnover percentage numbers for 2023: 10.51% and 2024: 4.12%.

Objective: Provide employees with growth and development opportunities, supporting an organizational learning culture which leads to increased job performance, employee satisfaction and overall engagement by employees.

Accomplishment: Ongoing expansion of the Workday Learning catalog through curated and vendor-supplied content that supports employee growth and development. Supported Office of Equity and Inclusion with required equity and inclusion learning hours. Supported Risk and Safety with safety compliance content. Facilitated curated content to support City supervisors across multiple topics: Hiring/Selection, Onboarding, Employment Laws, Protected Leaves, Risk/Safety, Performance Management and more. Continued participation in CoV LEADs! with new cohorts starting in 2024 as well as a new version for new/frontline supervisors. Fall of 2023, launched annual performance evaluations through Workday and set up automatic schedule for launching probationary evaluations in Workday.

2023-2024 Accomplishments

Performance measure: Approximately 13,000 completed learning hours in Workday Learning from 1/1/2023 through May 2024 across 1,644 employees averaging 8 hours per employee, launched 546 annual performance evaluations with 512 completed (94%) – all departments except Police/Fire

Objective: Increase utilization of commute trip reduction program to meet council's climate action goals.

Accomplishment: Successfully increased employee participation.

Performance measure: (Data from Workday, the City's enterprise resource system)

Based on enrollment data, participation increased from 4% to 7% city-wide and increased 10% to 17% for City Hall employees.

Objective: Continuous improvement of HR processes to scale delivery of HR services and work product in response to city growth.

Accomplishment: Decreased the average number of days to close a Workers Compensation claim from 134 to 110 days; 94% completion of Performance Evaluations submitted in Workday; successfully negotiated VPOG contract prior to expiration and successor agreements for VCG, Fire Suppression/Command, and VFDG; grievances are down 36% compared to last biennium (2023 grievances: 7, 2024 grievances to date: 1)

Performance measure: Workday data

2025-2026 Objectives

Objective: Partner with Information Technology to implement the Leave/Absence module in Workday that will automate processes, streamline work, reduce errors, and improve the employee experience related to requesting and tracking protected leave.

Outcome: Fiscally responsible organization.

Focus Area: High Performing Government

Community Indicator: Price of Government

Performance Measure: Initial processing of leave requests within 5 days of submission; consistent and timely auditing of leave pay.

Objective: Improve and streamline HR processes where possible; enhance overall service delivery and online resources to assist employees; and optimize overall the experience employees and candidates have with Human Resources.

Outcome: An organizational culture that supports and exhibits collaboration, inclusivity, innovation, compassion, and empowerment.

Focus Area: High Performing Government

Community Indicator: Resident Satisfaction with Municipal Services

Performance Measure: Employee Satisfaction and Engagement

Objective: Enhance recruitment and outreach efforts to continue to attract top talent and promote the City of Vancouver as a strong employer with a positive and welcoming culture.

Outcome: Leadership that aligns community needs with strategic planning and City operations. Well-qualified candidates consider, pursue and ultimately accept positions at the City.

Focus Area: High Performing Government

Community Indicator: Resident Satisfaction with Municipal Services

Performance Measure: Workforce Profile Alignment, Employee Satisfaction and Engagement

2025-2026 Objectives

Objective: Successfully negotiate collective bargaining contracts by individual expiration dates that effectively balance fiscal sustainability and union requests supporting organizational values.

Outcome: Leadership that aligns community needs with strategic planning and City operations.

Focus Area: High Performing Government

Community Indicator: Resident Satisfaction with Municipal Services

Performance Measure: Employee Satisfaction and Engagement

Decision Packages by Type

Human Resources

Operating

CM00886 - Language Access Plan

Recommended

This decision package is to allocate dedicated budget for language services from the Human Resources budget to the Office of Equity and Inclusion.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	3,500	0.00	3,500	0.00

CW00735 - Passthrough Of Credit Card Charges To Consumers

Recommended

Previously, the fee for customers to use a credit card has been paid for by the City. This fee will now be paid for by the customer if they choose to use a credit card.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
511 Benefits Fund	Expense	Ongoing	(2,600)	0.00	(2,600)	0.00

CW00744 - Self-Insured Medical Expense Adjustment

Recommended

Increased expenses for self-insured medical coverage including medical, prescription, vision, dental stop loss coverage and administrative costs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
512 Self-Insured Health Insurance Fund	Expense	Ongoing	1,382,338	0.00	2,297,838	0.00
512 Self-Insured Health Insurance Fund	Revenue	Ongoing	1,097,601	0.00	1,151,557	0.00

CW00747 - Create Equipment Rental & Revolving (ER&R) Model for Workday

Recommended

This decision package is to create a schedule for the eventual replacement of Workday. Workday has a lifespan of 15 years and we are in the fifth year of using Workday.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	19,892	0.00	19,892	0.00

CW00751 - 2025/26 Cost Allocation Alan (CAP) true-up

Recommended

This decision package allocates the increase cost in the Internal services funds to the various funds, based on the new decision packages.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
--	--	--	-------------	----------	-------------	----------

City Manager Recommended 2025-2026 Budget 538

Decision Packages by Type

Human Resources

Operating

511 Benefits Fund	Expense	Ongoing	11,404	0.00	4,121	0.00
512 Self-Insured Health Insurance Fund	Expense	Ongoing	12,773	0.00	4,616	0.00
617 Police Pension Trust Fund	Expense	Ongoing	737	0.00	266	0.00
618 Fire Pension Trust Fund	Expense	Ongoing	1,071	0.00	387	0.00

HR00724 - Fund Limited Duration Leave Analyst position for 2025

Recommended

This request is to continue funding of the limited duration Leave Coordinator (HR Coordinator) position through 2025. Currently, leave processes are manual and require keeping multiple spreadsheets up to date and performing lengthy audits before each payroll is processed. The team handles a high volume of leave requests in an increasingly complex leave landscape. Current staff is behind (30-45 days) in processing leave requests. Having a processing backlog results in a poor employee experience, often at a very stressful time in employees' lives, and it requires additional time, attention and work when it comes to pre-payroll auditing.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	One-time	161,512	1.00	0	0.00

HR00725 - Eliminate Vacant Department Aide Positions

Recommended

Eliminate vacant Departmental Aide positions that have not been filled in the past five years and are not needed now or moving forward. Eliminating this position ensures that essential HR positions do not have to be eliminated or reduced over the biennium.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	(60,088)	(0.80)	(62,506)	(0.80)

HR00727 - Reclassify Lead Benefit Analyst Position to Supervisor

Not Recommended

The Lead Benefits analyst leads a team of four employees, 3 HR Specialists and a Support Specialist. She already and helps prioritize work, stays abreast of all issues, and is the first and usually final point of contact for the team when they need assistance. This request is to formalize her role as a supervisor of the team.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	13,434	0.00	15,274	0.00

Decision Packages by Type

Human Resources

Operating

HR00728 - Eliminate Professional Services for Deferred Comp Broker Fees

Recommended

The City uses a broker to lead quarterly Defined Contribution Plan (DCP) Committee meetings; present plan review/investment review reports; identify potential issues with individual funds in the portfolio; liaise with the recordkeeper for various City needs; participate in retirement plan strategy discussions with City committee; and serve as project lead for City projects (e.g., benchmarking fees, coordinating requests for information, etc.). These costs have historically been paid from Benefits Fund 511. It is a common industry practice, however, to roll broker fees into the overall plan administration costs so they become part of the fees participants pay. In June of 2024, the DCP committee voted to roll the broker fees into the overall plan administration costs.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
511 Benefits Fund	Expense	Ongoing	(37,000)	0.00	(37,000)	0.00

HR00729 - Increase Funding for City Employee Assistance Program contract

Recommended

The current Employee Assistance Program (EAP) contract with Canopy allows 3 visits for the same issue in a calendar year. Staff understands anecdotally that employees are often hesitant to utilize EAP because they feel three visits is not enough to fully engage around an issue. The current annual contract cost for EAP is under \$27,000. It covers services in addition to employee counseling, including a number of hours for customized training and webinars as well as access to a library of learning materials. This package requests amending the contract by \$22,000 beginning on 1/1/25 to allow for additional employee visits. The amount requested is based on a quote from Canopy increasing visits from 3 to 8.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
511 Benefits Fund	Expense	Ongoing	22,000	0.00	22,000	0.00

HR00730 - Eliminate HR Analyst Position (vacant)

Recommended

This HR Analyst position is currently vacant. Because of changes to City compensation processes, there is not a need for two analysts.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	(145,381)	(1.00)	(150,864)	(1.00)

HR00731 - Reallocation of Services Line Item Budgets

Recommended

This request is primarily to move existing professional services funding to where it is most needed moving forward based on historical usage, current spending information, and expected future expenses. The goal was to reduce line items that could be reduced and more adequately fund line items that were lacking.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	(8,598)	0.00	(8,598)	0.00

City Manager Recommended 2025-2026 Budget

540

Decision Packages by Type

Human Resources

Operating

HR00732 - Human Resources Classification and Compensation Study Carryforward

Recommended

Carry forward of the classification and compensation market study as Human Resources is going to expand the scope of the initial approved project.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	One-time	200,000	0.00	0	0.00

HR00733 - Reduce 1.0 FTE IT Systems Analyst from Human Resources

Recommended

Move IT Systems Analyst who supports Human Resources into Information Services

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	(178,472)	(1.00)	(180,786)	(1.00)

PL00837 - Reduce Human Resources Specialist

Recommended

VPD is eliminating the position of Human Resources Specialist. This position was a reclassification to assist in recruitment efforts. Recruitment has slowed down over the last 10 months and no longer needed. This position is slated to be reduced in 2026, unless the levy lift is passed, VPD may request to reinstate the position to prepare for future recruitment.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

Information Technology – Organizational Chart

Information Technology

Key service(s):

- Computer Services
- Help Desk – support for city staff
- Applications
- Infrastructure and security
- GIS and Data Management

Mission statement:

The mission of the City's Information Technology Department is to support our internal customers by providing responsive, secure, and innovative technology services.

Department description:

The Information Technology Department maintains computers, phones, servers, networks, and databases, ensures cybersecurity, supports software and cloud applications, and provides technical assistance to all departments through our customer-centric Information Technology Help Desk.

Computer Services

Maintain and assist City staff with desktop computers, laptops, mobile data computers (MDCs) and the related operating systems and software; and repairs or replaces equipment as needed. Administer and maintain the City telephone systems, voicemail, manages phone lines, and coordinates phone implementations for new City facilities.

Help Desk

Provide responsive support to City staff regarding requests for technology assistance, tracks all issues, provide City staff with updates on issue resolution, and maintain the City Help Desk system.

Applications

Manage major citywide applications including Infor/Hansen, ePlans, Document management system, T2 Parking and several others. Conduct the planning and change management for application updates, major upgrades and other enhancements. Provide application development services including development and maintenance of interfaces and specialized applications. Create data marts and provide data and reports to managers and analysts for decision making.

GIS (Geographic Information Systems) and Data Management

Provide GIS infrastructure, services, and data that is utilized across all departments. Manage all enterprise GIS operations including sharing GIS data with Clark County, data structure and metadata development, GIS interfaces, user support, and training. Provide major application support for the City's Workday financial and human resources system, and database administration for the City's SQL Server and Oracle databases.

Infrastructure and Security

Manage the overall infrastructure of physical servers and virtual machines in the City's data center, manage the City's email and Office 365 environment, and performs backups of all City systems. Provide data wiring for facilities and network infrastructure administration; deploy fiber infrastructure for connecting facilities; and manage the City's traffic system network, firewalls, City Internet access, Wi-Fi within City facilities and remote access for teleworkers. Manage the City's information security program, which includes leading security audits and assessments, monitoring the City's security operations, leading major security incident responses, and managing the City's cybersecurity awareness training.

2023-2024 Accomplishments

Objective: Maintain enterprise software, hardware, and support at current service levels.

Accomplishment: Current level of licensing, replacements and support provided.

Objective: Migrate the City's current SharePoint 2013 site to SharePoint Online.

Accomplishment: The SharePoint migration project was completed in Spring 2024.

Objective: Improve management and security of the City's intelligent traffic systems.

Accomplishment: Complete. Traffic network management improvements include Centralized security account management; Adding a new management and monitoring software; Collaborated with Public Works staff to resolve technical network and hardware issues that arose.

Objective: Increase the City's capacity to analyze and visualize data related to equity, climate change, and safety.

Accomplishment: Complete. Examples include creation of: Homeless point-in-time survey, Police crime dashboard, and deployment of Vancouver open data hub public portal.

Objective: Perform a Total Cost of Ownership (TCO) assessment of the Infor/Hansen enterprise system.

Accomplishment: In Progress. This project is currently in progress and expected to be complete by July 2024.

2025-2026 Objectives

Objective: Reduce costs and increase efficiencies by replacing the City's old legacy phone system with one that leverages the City's investment in Microsoft Teams, reduces on-going maintenance and support, and utilizes a common communication platform.

Outcome: Fiscally responsible organization

Focus Area: High Performing Government

Community Indicator: Trend in Price of Government

Performance Measure: Phone system replacement project completed successfully.

Objective: Migrate the City's Infor for Public Sector system, which operates within the City's data center, to a newer Software as a Service (SaaS) version hosted in the cloud by Infor to reduce dependency on the City's data center, reduce dependency on Oracle databases and infrastructure, and simplify future system upgrades.

Outcome: Fiscally responsible organization

Focus Area: High Performing Government

Community Indicator: Trend in Price of Government

Performance Measure: Infor system migration project completed successfully.

Objective: To reduce software costs by decreasing software licenses, consolidating software systems and eliminating duplicate maintenance costs.

Outcome: Fiscally responsible organization

Focus Area: High Performing Government

Community Indicator: Trend in Price of Government

Performance Measure: Software costs successfully reduced.

510 Internal Administrative Services Fund	Expense	Ongoing	(170,000)	0.00	(170,000)	0.00
---	---------	---------	-----------	------	-----------	------

IT00761 - Reduce Phone System Maintenance

Recommended

Reduce Avaya phone system maintenance across the City by eliminating phone system gateways at most facilities. These gateways are utilized almost exclusively for faxing, and a more cost-effective way to accommodate faxing will be implemented.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	(17,500)	0.00	(35,000)	0.00

IT00762 - Eliminate MyVancouver App

Recommended

The functionality of the MyVancouver app is redundant to what is available on the City's newly redesigned website. Many of the resources linked to on the MyVancouver app redirect users directly to the City's website. This decision package would eliminate the MyVancouver app.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	(40,000)	0.00	(40,000)	0.00

IT00763 - Eliminate Microsoft Unified Support Agreement

Recommended

The City has used the Microsoft Unified Support agreement for cybersecurity improvement engagements, technical training, and for priority resolution of complex issues associated with Microsoft Exchange email, Teams, SharePoint and other Microsoft products. This would be discontinued.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	0	0.00	(85,000)	0.00

IT00770 - Contract With Managed Security Operations Center Provider

Not Recommended

In a cybersecurity assessment conducted in Spring 2024, a top recommendation was to engage with a managed security operations center (SOC) to provide 24/7 monitoring with the ability to investigate and take action in response to malicious network or system activity. This request would provide for contracting with a managed security operations center to provide a 24/7 enhanced level of cybersecurity to the city.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
510 Internal Administrative Services Fund	Expense	Ongoing	250,000	0.00	250,000	0.00

Operating

IT00772 - Additional Computer, Laptop and Network Hardware Replacements

Recommended

Scheduled replacement of additional computers, laptops, ruggedized mobile data computers, server, and network gear devices. During the pandemic there was a delay in replacements of computers and network gear due to supply chain issues. The delayed replacements are being resolved over the span of the 2023-2024 biennium and 2025-2026 biennium.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
506 Computer Repair & Replacement Fund	Expense	One-time	443,200	0.00	328,925	0.00

IT00773 - Phone System Replacement

Recommended

The City has been on the same Avaya (previously Lucent) phone system for more than 25 years. This request would replace the City's old legacy phone system with one that leverages the City's investment in Microsoft Teams and resulted in less expensive on-going maintenance and support. The City has accumulated funds for the replacement of the City's phone system within Fund 506.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
506 Computer Repair & Replacement Fund	Expense	One-time	525,000	0.00	50,000	0.00

IT00775 - Migrate On-Premise Infor System To Cloud

Recommended

In the 2023-2024 biennial budget, the City funded an assessment of the Infor for Public Sector (IPS) system, which includes modules for Utility Billing, Building and Land Use Permitting, and Enterprise Asset Management. The assessment recommends migrating the current version of the system, which operates within the City's data center, to a newer SaaS version that would be hosted in the cloud by Infor. This implementation provides significant benefits: It reduces dependency on the City's data center, reduces dependency on Oracle databases and infrastructure, and simplifies future system upgrades. The City has accumulated funds for this project within Fund 506.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
506 Computer Repair & Replacement Fund	Expense	One-time	1,780,768	0.00	1,045,000	0.00

IT00776 - Reduce Equipment Replacements By Extending Useful Life

Recommended

The average replacement cycle for computers, servers and network gear is approx. 5 years. To meet the target reduction this will be increased to 5.5 or 6 years where possible.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE

Risk & Safety – Organizational Chart

Risk & Safety

Key service(s):

- Procure and manage the City's insurance portfolio
- Administer city-wide safety and health program
- Ensure compliance with state and federal laws
- Technical support and training related to risk, health, and safety
- Administration related to worker's compensation and processing first and third-party claims

Mission statement:

To protect the City from loss by minimizing financial risk, promoting the physical well-being of employees and citizens who interact with City operations, and preventing the disruption of services.

Department description:

Risk oversees the city's first party claims for property losses and recovery of losses through subrogation and restitution; provides support in the administration of third-party liability claims against the city; tracks claims and loss data; assists in the review of insurance and indemnity provisions in contracts. Risk assists city departments in identifying and analyzing potential risks and finding ways to mitigate those risks. Risk procures and manages the city's insurance portfolio ensuring that the city's property and operations are properly protected.

Safety develops, manages, implements, and leads comprehensive safety and health programs for city employees; interpret complex state and federal safety laws and policies; interact with management and employees in city departments and act as a technical advisor on safety issues. Direct the administration of safety training to employees and departments. Identify, analyze, and minimize exposure to personnel and property losses; serve as an ambassador for the city to promote safe work procedures.

Workers' Compensation administers the city's self-insured workers' compensation program and performs a variety of complex technical work related to monitoring and coordinating workers' compensation claims; create accurate case history documentation; contact and assist injured workers through the workers' compensation process; and serve as liaison with the third-party administrator (TPA). Act as the city's designated point of contact for both employees and management in the processing and managing of work-related injuries, light duty assignments and return to work processes.

2023-2024 Accomplishments

Objective: Update and simplify city-wide written safety program, user friendly and easily accessible.

Accomplishment: Updated the city-wide accident prevention program, bloodborne pathogens, wildfire smoke, and outdoor heat exposure control plans. Implemented simplified incident reporting process citywide. Published safety topic pages on city intranet.

Performance measure: Five programs and processes created/updated.

Consideration: Citywide safety advisory group efforts stalled.

Objective: Reduce injuries through pro-active safety initiatives.

Accomplishment: Bolstered safety committees by facilitating topics and providing resources. Conducted facility safety inspections at all City locations. Follow up investigations of near miss and incident reporting. Established an incident review process, hazard evaluation processes (including ergonomics). Creation of safety procedure manual in Police department by

department personnel.

Performance measure: Workers' compensation claims

reduced 16 percent in 2023 and trending toward reduction in 2024 as well. Overall incident reports have increased. This increase signals increased safety awareness and sensitivity to less severe incidents.

Consideration: Late adoption of updated processes in some work groups. Increased overall incident numbers reflect increased awareness, are considered a positive indicator.

Objective: Reduce financial impact associated with claims

Accomplishment: Standardized reporting process through single Risk Management Information System portal reducing reporting time, increasing accuracy of information received, and bringing immediate awareness to supervisors and the Risk and Safety team.

2023-2024 Accomplishments

Performance measure: 67% decrease in average total paid across all claims from 2022 to 2023.

Consideration: Not all claims have been paid and closed for the 2023 claim year. Average total paid will rise as claims are brought to closure but are trending down.

Objective: Finalize Americans with Disabilities Act transition plan.

Accomplishment: Hired an ADA Coordinator with the expertise to lead the updating of the ADA Transition Plan as well as ensure complete and responsible ADA compliance across the City. In accordance with the City's values, the new ADA Coordinator position goes beyond compliance and supports people with disabilities within the organization and community with compassion and inclusiveness.

Performance measure: Accessibility Committee formed in 2024 to help with updating the transition plan.

Consideration: In October 2023, the ADA

Coordinator was transferred to Office of Equity and Inclusion; which better aligns with the City's goals and values.

Objective: Property valuation project – updating values of city properties to ensure most appropriate insurance coverage.

Accomplishment: Performed a buildings and contents valuation of 34 of the City's highest valued buildings as of August 17, 2022.

Performance measure: The results of the valuation increased the City's total insurable values (TIV) by more than \$64 million for the surveyed buildings. Although this increased the City's insurance premiums, the updated values ensure the correct levels of insurance coverage.

Consideration: The next valuation update will include another set of properties and is scheduled to take place summer of 2025.

2025-2026 Objectives

Objective: Reduce average cost of non-litigated claim by 10%. This measure is important because it reflects claim complexity and effectiveness of claim management. Conducting a thorough investigation of first and third-party bodily injury and property damage claims and determining if there is any negligence. When necessary, negotiating a successful resolution based on liability and facts of the claim.

Outcome: Fiscally responsible organization.

Focus Area: High performing government.

Community Indicator: Price of Government

Performance Measure: Reducing overall total claim costs by 10%

Objective: Department trainings to create greater understanding of Workers' Compensation incident/injury to facilitate claim reporting.

Outcome: Fiscally responsible government. To avoid delays in claim reporting.

Focus Area: High Performing Government

Community Indicator: Price of Government

Performance Measure: Legal and regulatory training. Reduced lag time of claim filing.

Objective: Ergonomic Self-Assessment tool in Origami to reduce RSI incidents. Ensure correct ergonomic workstation is set up.

Outcome: Fiscally responsible organization. Comfortable workstation = more productive employee.

Focus Area: High Performing Government

Community Indicator: Price of Government

Performance Measure: Reduction of repetitive stress injury claims

Objective: Decrease the timeframe for open, non-litigated General Liability claims.

Outcome: Fiscally responsible organization.

Focus Area: High Performing Government

Community Indicator: Price of Government

Performance Measure: Open versus closed claims within a 30-day period, excluding cases held in a hold/wait capacity. Reduce average cost by 10%.

2025-2026 Objectives

Objective: Continue to increase the number of cases in recovery for subrogation and restitution matters whereas the City of Vancouver is the claimant and/or victim.

Outcome: Fiscally responsible organization. Financial reimbursement to the City of Vancouver for damages sustained by another person and/or entity.

Focus Area: High Performing Government

Community Indicator: Price of Government

Performance Measure: Amount of money recovered for the City of Vancouver.

Operating

FR00956 - General Fund Fire Support

Recommended

This decision package is to show all general fund support for the fire department's decision packages.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	3,824,365	0.00	3,935,555	0.00

FR00957 - Fire Radio Replacement

Recommended

This decision package is to replace 190 Fire radios that are beyond their useful life of 10 years. Fire will be replacing half of the oldest radios in 2025 and the second half in 2026.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
151 Fire Fund	Expense	One-time	774,488	0.00	774,488	0.00
151 Fire Fund	Revenue	One-time	176,583	0.00	176,583	0.00

FS00706 - In House Compliance Audit Conversion

Recommended

Compliance auditing for business licensing is currently outsourced. This would bring that service in-house to be performed by staff already working with businesses to administer the licenses.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	Ongoing	(104,000)	0.00	(104,000)	0.00

FS00707 - Increased Interest Accrual

Recommended

This is changing our bank account to a hybrid account so interest earnings in excess of fees will be paid directly to the City.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Revenue	Ongoing	50,000	0.00	50,000	0.00

FS00708 - Special License Rate Increase

Recommended

This is updating the fees related to special licensing to cover the internal cost of administering the licenses. The fees have not been updated for many years.

Recommended

▮This decision package, along with PR00905 establishes and carryforwards General Fund and REET funding for Parks maintenance (along with \$200,000 REET support already included in the baseline). Per VMC 3.20.040, the REET contribution toward Parks major maintenance is \$250,000 annually, with a \$150,000 match from the General Fund to be used towards minor maintenance.

			2025 Budget	2025 FTE	2026 Budget	2026 FTE
001 General Fund	Expense	One-time	50,000	0.00	50,000	0.00

Long-term Debt Obligation

Long-term Debt Obligations

Description: This summary level program was established to budget for long-term debt service payments for the City of Vancouver. The following section describes the purpose/project that each obligation supports. An additional section has been added for the proposed debt issuance as seen below.

2012B &C Limited Tax General Obligation Refunding Bonds

This bond was issued 12/12/2012 to partially refund the 2002 Limited Tax General Obligation (LTGO) refunding bond issue that was issued for the Vancouver Center and West Coast Parking (Columbia Bank) garages, and Transportation projects. The Columbia Bank parking garage was sold in 2021, and that portion of the debt was defeased. The bond issue has a final maturity of 12/1/2025 and a true interest cost of 2.361%.

2015A Limited Tax General Obligation Bonds (Vancouver Heritage Bonds)

This bond was issued 6/16/2015 for the West Barracks renovation. The City sold bonds to individual investors residing in Clark County to connect residents to investing in their community. Bond sales were limited to a maximum of \$10,000 per household. The first bond payment to investors began on 12/1/2021. The bond issue has a final maturity of 12/1/2028 and a true interest cost of 4.33%.

2015B Limited Tax General Obligation and Refunding Bonds

This bond was issued 6/16/2015 to partially refund the 2005A, 2006, and 2008 LTGO bonds that were issued to construct and equip the East Precinct Police facility, the Marshall Community Center remodel, Transportation projects, the West Police Precinct, Fire Station 10, and the Evidence Building. In addition, new bond proceeds were issued for the West Barracks renovation. The bond issue has a final maturity of 12/1/2034 and a true interest cost of 2.71%.

2016 Limited Tax General Obligation Refunding Bonds

This bond was issued 6/22/2016 to partially refund the 2009 LTGO bond issue that was issued for Transportation projects. The bond issue has a final maturity of 12/1/2028 and a true interest cost of 1.89%.

2020 Limited Tax General Obligation Refunding Bonds

This bond was issued 9/10/2020 to partially refund the 2010 LTGO bond issue that was issued to purchase the building at 415 W 6th Street, the location for City Hall. The bond has a final maturity of 12/1/2035 and a true interest cost of 1.56%.

2021A Limited Tax General Obligation Refunding Bonds

This bond was issued 9/7/2021 to partially refund the 2011 LTGO bond issue that was issued to fund transportation projects for the Waterfront Access Project. The bond has a final maturity of 12/1/2035 and a true interest cost of 1.67%.

2021B Limited Tax General Obligation Refunding Bonds

This bond was issued 9/7/2021 to partially refund the 2012A Refunding LTGO bond issue that was issued to refund the 2003 LTGO bonds that funded construction of the Firstenberg Community Center. The bond has a final maturity of 12/1/2029 and a true interest cost of 1.41%.

2006 Public Works Trust Fund Loan

This Public Works Trust Fund Loan was issued 6/30/2006 to fund Transportation projects on NE 138th Avenue, and NE 18th Street to NE 28th Street. The Washington State Department of Commerce Public Works Board provided the loan to the City of Vancouver. The bond issue has a final maturity of 6/1/2026 and has an interest rate of 0.5%.

2018 Public Works Trust Fund Loan

This Public Works Trust Fund Loan was approved 5/31/2018, but did not have any draws until January 2020. It was issued to fund City Street Light Conversion to Light Emitting Diode (LED lighting). The Washington State Department of Commerce Public Works Board provided the loan to the City of Vancouver. The bond issue has a final maturity of 6/1/2038 and has an interest rate of 1.16%.

2010 Section 108 HUD Loan

This loan was issued 7/7/2010 to fund Transportation projects related to the Waterfront Access project. The loan has a final maturity of 8/1/2029 and coupon rates range from 0.83% to 3.35%.

2024 Section 108 HUD Loan

This loan was issued 8/7/2024 to support the Fourth Plain Commons project collaboratively developed with the Vancouver Housing Authority (VHA) and the City of Vancouver. The loan has a final maturity of 8/1/2044 with a variable rate of interest of 35 basis points (0.35%) above the 3-Month T-Bill Rate.

Proposed Debt:

2026 Water Revenue Bonds

This proposed debt service is anticipated to be issued in 2026 and will support building the new Operations Center.

City of Vancouver - Schedule of Debt Liabilities

Capital Decision Packages by Group

General

Bridge Shelter Design, Construction and Operating Costs

Recommended

Requesting funding for the Bridge Shelter to complete design and construction and closeout of the project.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	9,500,000	0

Heights Development Phase 1 Design/Planning

Recommended

Following receipt of the RAISE grant, acquiring a piece of property in 2025 is a critical, time sensitive step to construct the Grand Loop. The Loop is a critical piece of infrastructure to support the first phase of development in the Heights District. Based on the appraisal, this cost is \$69,000.

		2025 Budget	2026 Budget
001 General Fund	Capital	69,000	0

Capital Decision Packages by Group

General - Asset Management

521 Chkalov Drive Property Remodel

Recommended

Carryforward of capital funds to complete design and construction of 521 Chkalov

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	7,000,000	7,983,618

Amtrak Gutter Repairs

Recommended

Repair damaged gutter and downspouts.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	0	13,650

Amtrak Security Upgrade

Recommended

Additional building electronic security, which includes card-key access, perimeter monitoring and CCTV.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	52,500	0

City Hall Building Envelope Repairs

Recommended

Moisture appears to be getting into the perimeter precast concrete lintels and is creating efflorescence streaks down the face of the brick cladding below.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	27,300	0

City Hall Heating Ventilation Air Conditioning Upgrades

Not Recommended

Aging air-cooled chiller runs 24x7 serving the mission-critical City data center, plus at least one of the stacked core IT rooms. Aging modular heat pump compressors may need replacement before overall heat pump obsolescence. Two large rooftop air handling units approaching twenty years of age. Variable air volume terminal units approaching twenty years of age.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	129,150	317,100

Capital Decision Packages by Group

General - Asset Management

City Hall Interior Lighting Upgrade

Recommended

Replace and upgrade lighting control and replace light fixtures with smart LED fixtures. Lighting Control System is obsolete and in some situations unfunctional. Each floor has approximately 150 - 200 controls that need to be replaced. Lighting fixtures need to be updated and replaced with fixtures that have smart connections to communicate with lighting control system and are energy efficient (LED). Energy efficient (LED) lighting advances the City's progress to meeting Climate Action Plan goals.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	1,000,000	0

Citywide Fire Panel Upgrades

Recommended

Fire Panel upgrades for WREC Water Dept, Operations Center, Brookside, Water Station 7, Water Station 15

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	263,120	0

Clark County Historic Museum Building Envelope Repairs

Recommended

CMU wall cracking, especially adjacent and in line with fenestration openings (based on era, wall is assumed to be unreinforced and uninsulated masonry), Concrete sills are cracking and eroding in areas.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	133,410	0

Clark County Historic Museum Electrical Upgrades

Recommended

Aged and obsolete fixtures, Insufficient receptacles for increasingly powered exhibits, including specialty lighting.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	275,000	0

Clark County Historic Museum Plumbing Upgrades

Recommended

Aged galvanized domestic water distribution piping.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	18,900	0

City Manager Recommended 2025-2026 Budget

597

Capital Decision Packages by Group

General - Asset Management

Covington House Building Envelope Repairs

Not Recommended

A cementitious based chinking (not a proper material for log chinking) is beginning to weather, crack, and break away in areas.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	112,350	0

Electric Vehicle Charging Stations

Recommended

Installation of electric vehicle charging stations at City facilities to support the transition to EV's. Projects include installation of mass charging station at Chkalov site for the fire Marshall team.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	241,664	0

Esther Short Park Bell Tower Remodel

Recommended

Carryforward of capital funds to complete construction project and closeout Project currently under active construction would not be completed. The Bell Tower plaza and Ester Short Park would be unusable and an extreme safety risk would be created in the park along a main city street and sidewalk.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	1,000,000	0

Firstenburg Community Center Roof Repairs

Recommended

Numerous locations where upper roof water is collected and directly discharged onto lower roofs where the combined flow overwhelms drains when tree roof debris is present.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	64,050	0

Firstenburg HVAC Repairs

Recommended

Elevator machine room makeshift cooling using a wine cooler, Fin tube unit housings in exposed areas are damaged by apparent user abuse.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	110,250	0

City Manager Recommended 2025-2026 Budget

598

Capital Decision Packages by Group

General - Asset Management

Firstenburg Replace AMAG Technologies Building Access Control Panels

Recommended

Access Control panel upgrade at Firstenburg

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	100,000	0

Fort Vancouver Regional Libraries Plumbing Repairs

Not Recommended

Problematic side sewer service to basement level with periodic back-ups requiring restroom closure.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	0	35,700

Fort Vancouver Regional Libraries Security Upgrades

Not Recommended

Minimal electronic security with modest security concerns.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	0	187,950

Fort Vancouver Regional Library Roof Replacement

Recommended

Major roof repairs are needed to protect the integrity of the FVRL building. This project will trigger extensive asbestos abatement as well as the installation of fire sprinklers to satisfy current building codes (these costs are captured in the total project amount).

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	1,500,000	1,827,800

Fruit Valley Roof/Gutters Replacement

Recommended

Demolition of Fruit Valley Community center which has reached its end-of-life. The Parks team will begin the process of re-programming the site.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	350,000	0

Capital Decision Packages by Group

General - Asset Management

HVAC Controls

Recommended

Upgrades to building HVAC controls at multiple city facilities

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	160,000	0
336 Capital Improvement Fund	Capital	370,128	0

Luepke Center - Replace Air Handlers and Exhaust Fan Systems

Recommended

2024 Project that has not started. Chiller needs significant repairs due to its end of life, there would be significant building impact if the Chiller fails

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	500,000	0

Luepke Replace AMAG Technologies Building Access Control Panels

Recommended

Access Control panel upgrade at Luepke

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	100,000	0

Marine Park HVAC Repairs

Recommended

Aged domestic hot water gas-fired heater. Aged HVAC controls. Aging variable air volume terminal units.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	177,450	0

Marshall Center Fire Panel Upgrade

Recommended

Fire Panel Upgrade, if the Fire Panels are not repaired or replace, there would be impact on the building life safety system.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	139,120	0

City Manager Recommended 2025-2026 Budget

600

Capital Decision Packages by Group

General - Asset Management

Marshall Center HVAC Chiller Repairs Recommended

2024 Project that has not started. Chiller needs significant repairs and is at its end of life, there would be significant impact to services upon failure

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	250,000	0

Marshall HVAC Upgrades Recommended

Two aging gas furnaces serving west areas.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	0	56,700

Marshall Replace AMAG Technologies Building Access Control Panels Recommended

Access Control panel upgrade at Marshall Center

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	100,000	0

Marshall Site HVAC Repairs Recommended

Aging pool heat recovery unit HRU-1. Original electric resistance duct heaters. Two aging condensing units serving the two west furnace systems.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	309,690	78,810

Operations Center Fleet Door Replacement Recommended

Overhead Door replacement, an overhead door in the Fleet garage at the operations center has reached its end-of-life and is in need of replacement.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	25,000	0

Operations Center Redevelopment Recommended

General Fund funding to complete design and construction of the Public Works Operations Center Redevelopment.

		2025 Budget	2026 Budget
City Manager Recommended 2025-2026 Budget			601

Capital Decision Packages by Group

General - Asset Management

Operations Center Redevelopment

Recommended

General Fund funding to complete design and construction of the Public Works Operations Center Redevelopment.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	14,122,000	21,988,000

Police HQ Chkalov

Recommended

Carryforward of capital funds for programming, design and construction of the Vancouver Police Department Headquarters.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	1,000,000	18,963,092

Police HQ Chkalov

Not Recommended

This decision package captures the additional budget amount requested to design the Police Headquarters.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	0	1,000,000

Slocum House Building Envelope Repairs

Recommended

A number of the boards are getting water- and weather-damaged and paint is cracking and peeling. Paint assumed to contain lead.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	0	101,850

Slocum House Electrical/Plumbing Repairs

Recommended

About five electric wall heaters at upper level and one at main level. One or two not working, one or two partially working, and one or two working, but aged. Aged cloth non-metallic cable, cracked and damaged receptacles, unclear ground fault protection at wet areas, no safety lanyards for larger light fixtures. Aging galvanized water distribution piping. Ongoing vandalism with no closed-circuit television (CCTV). Several building roof drainage downspouts discharge to grade at basement walls.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	0	121,800

Capital Decision Packages by Group

General - Asset Management

Slocum House Lighting Upgrade Recommended

No permanent emergency lighting

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	11,550	0

Solar + Battery Recommended

This DP is an alternate decision package to GS00205 for Firstenburg Solar + Battery. This decision package will show grant funding for the project

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	2,000,000	0

Solar + Battery Not Recommended

Solar PhotoVoltaic and battery system at Firstenburg Community Center. Design was completed in 2024 with funds procured through a State of Washington Department of Commerce Grant.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	2,000,000	2,122,924

VPD East Precinct HVAC/Electrical Repairs Recommended

Aging DDC controls. Aging domestic hot water heater. Aging main distribution frame room cooling system. Increasingly obsolete and some failed or failing CCTV cameras. Rooftop gas-pack units are approaching end of life.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	0	520,800

VPD Evidence Fence Upgrades Recommended

West fence of covered evidence has a tarpaulin screen to prevent wind and water from damaging stored evidence. This barrier is inadequate, torn, and at end of life. Evidence is not protected from water, dust, rodents, or birds.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	97,650	0

Capital Decision Packages by Group

General - Asset Management

VPD HQ HVAC Repairs

Recommended

Aged and aging lower floor split-Dx condensing units. Aged packaged terminal air conditioning units serving lower level south vehicle bay private offices may fail at any time. Aged, inefficient, marginal, and failing lighting throughout. HVAC outside condensing unit on east side of building is on slope beginning to fall away from the building. No apparent fuel island spill containment or oil/water separator.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	0	464,100

VPD HQ Interior Repairs

Recommended

Corrosion on some frames, metal door paint oxidized and faded.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	16,800	0

VPD West Precinct Exterior Repairs

Recommended

Paint peeling off the deck above the patrol car parking.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	43,050	0

Water Resources Education Center ADA Bathroom Improvements

Recommended

The restrooms on both floors lack a push-button ADA opener which has been the subject of an accessibility complaint in the past. There are 4 bathrooms in total that need ADA buttons for their doors plus electrical work to connect

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	25,000	0

Water Resources Education Center HVAC Repairs

Recommended

Aged DDC control. Aging terminal units. Water source heat pumps past end of life with unclear functionality.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	214,200	0

Capital Decision Packages by Group

General - Asset Management

Water Resources Education Center Lighting Upgrade

Recommended

Aged and obsolete lighting and light controls.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	587,000	0

Water Resources Education Center Roof Repairs

Recommended

Moss and lichen growth occurring on brick and exterior insulation finish system (EIFS) surfaces in protected areas, Water intrusion in the parapet of the chiller enclosure is leaching out and causing efflorescence on the brick. Wall lights were also reported to have filled with water and were recently replaced.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	0	45,000

Waterfront Gateway Modification

Recommended

Relocation of the Generator and Ground-Source Heat Pump wells from the south lot to the new footprint of city hall to support the Gateway Development project.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	5,173,146	0

Webber Building Electrical Repairs/ Upgrades

Not Recommended

Aged analog (zoned) fire alarm system, Aged emergency lighting fixtures, Aging card-key access and perimeter monitoring, with no CCTV, Aging pool heater for condenser water loop.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	200,000	0

Webber Building Heating Ventilation Air Conditioning Repairs

Not Recommended

Aged building HVAC controls. Aged HVAC ductwork to spaces, with unclear service to multiple tenant-improved spaces. Aging rooftop cooling tower for the water source heat pump condenser water loop. Condenser water piping system with signs of corrosion and leakage. Estimated 1981 domestic hot water heater missing seismic straps, expansion tank, recirculation pump, and pipe insulation. No apparent permanent ventilation system. Water source heat pumps past end of life with unclear functionality.

2025 Budget	2026 Budget

Capital Decision Packages by Group

General - Asset Management

Webber Building Heating Ventilation Air Conditioning Repairs

Not Recommended

Aged building HVAC controls. Aged HVAC ductwork to spaces, with unclear service to multiple tenant-improved spaces. Aging rooftop cooling tower for the water source heat pump condenser water loop. Condenser water piping system with signs of corrosion and leakage. Estimated 1981 domestic hot water heater missing seismic straps, expansion tank, recirculation pump, and pipe insulation. No apparent permanent ventilation system. Water source heat pumps past end of life with unclear functionality.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	1,045,800	94,500

Zhen Building Heating Ventilation Air Conditioning/Plumbing Repairs

Not Recommended

Assume two older rooftop gas-pack units serving middle tenant spaces. Roof drains not connected to storm service, resulting in localized flooding.

		2025 Budget	2026 Budget
336 Capital Improvement Fund	Capital	29,400	81,900

Capital Decision Packages by Group

General - Fire Construction

2023 State Department of Commerce

Recommended

Carry-forward of capital funds to complete construction on the Esther Short Bell Tower that will be completed in 2025

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	825,000	0

Access Control Security Upgrade

Recommended

Access Control panel upgrade

		2025 Budget	2026 Budget

Fire Station #3 Drive Apron Repairs

Not Recommended

Significant cracking of the concrete drive aprons.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	89,250	0

Capital Decision Packages by Group

General - Fire Construction

Fire Station #3 Electrical Repairs

Not Recommended

Aged generator and obsolete transfer switch. Battery-operated smoke and CO detectors. East face apparatus bay door jams are damaged by both water and impact. The boiler is abandoned in place, wasting space and hampering maintenance and performance of other systems. Wood lap siding is at end of life with areas of dry rot, peeling and faded paint, other water damage.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	305,550	21,000

Fire Station #3 Heating Ventilation Air Conditioning Repairs

Not Recommended

Aging domestic hot water heaters, both missing expansion tanks and pipe insulation. No observed recirculation pumps. No make-up air for apparatus bay and no exhaust for shop space. Obsolete CO monitor for apparatus bay with no NOx monitoring or control. Signs of aged ductwork and air terminal devices, with unclear air flow balancing in station house areas.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	56,700	28,350

Fire Station #5 Heating Ventilation Air Conditioning/Electrical Repairs

Not Recommended

Aged office and living area fluorescent fixtures, with increasingly difficult to obtain repair and upgrade parts. Aged terminal device and other field controls; no apparatus bay air quality monitoring or control, other than battery-operated CO alarm. Aging domestic hot water heater (2000). Mostly original ductwork and grilles, registers, and diffusers with signs of leakage and comfort issues, with portable equipment in use in multiple areas by occupants. Obsolete variable air volume (VAV) technology with separate VAV air flow control damper and hydronic reheat coil.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	595,350	174,300

Fire Station #6 AC/Heat Pump Repair

Not Recommended

1998 Trane XE1000 split-Dx condensing unit outside to south approaching end of life and with obsolete R-22 refrigerant. Aging station house heat pump furnace approaching end of life.

Not Recommended

No vehicle fueling area containment.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	17,850	0

Fire Station #6 Heating Ventilation Air Conditioning Repairs

Not Recommended

Aging gas-fired infrared heater at apparatus bay.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	0	27,300

Fire Station #8 Plumbing Repairs

Not Recommended

About half the plumbing fixtures and trim (faucets and flush valves) are worn and need service or replacement. The one-piece showers are light-duty. Original cast iron drain, waste, and vent, (DW&V) piping near end of life, with reports of odors.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	43,050	47,250

Fire Station 1 Overhead Door Repair

Recommended

Two doors still have the original door operating mechanisms which appear to have been undersized for the amount of use and have consistently broken springs and other operator components.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	0	10,500

Fire Station 3 Relocation

Recommended

Establish a new DP to differentiate the carry forward of prior requested funds and the newly requested funds for construction of Fire Station 3 design.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	1,000,000	1,000,000

Capital Decision Packages by Group

General - Fire Construction

Fire Station 5 Electrical Repairs

Recommended

Aging automatic transfer switch (ATS) increasingly obsolete with difficulty obtaining spare parts, and increasingly obsolete technology including break-before-make control. Aging underground fuel oil storage tanks and fuel dispensers. Door operator motors at end of life.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	129,150	261,450

Fire Station 5 HVAC Repairs

Recommended

Metal cladding paint faded and some panels damaged.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	54,600	0

Fire Station 5 Interior Repairs

Recommended

Original aged radiant heating systems with some damaged reflectors. Prefinished paint faded, some impact damage (especially near bay jambs). North face with significant algae growth and water staining from emergency roof overflows.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	203,700	0

Fire Station 6 Door Opener Replacement

Recommended

Two doors still have the original door openers and are in need of replacement.

		2025 Budget	2026 Budget
335 Fire Acquisition Fund	Capital	15,000	0

Fire Station 6 Relocation

Recommended

Carry-forward of capital funds to move forward with programming and design. Fire Station 6 does not provide the modern fire station features necessary for proper response. The building is over 50 years old and was not originally constructed as a fire station. The site is at high risk of liquefaction during an earthquake. The commitment made under Prop 2 would not be upheld.

		2025 Budget	2026 Budget

This decision package funds street improvements to reconfigure the roadway to create pedestrian, bike and small mobility facilities that meet Transportation System Plan policy on NE 122nd.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	200,000	200,000

NE 184th Avenue - SE 1st Street to NE 4th Street

Recommended

This decision package funds street improvements on NE 184th Avenue from Se 1st Street to NE 4th Street.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	3,500,000	0

Capital Decision Packages by Group

Transportation/Streets - Transportation

NE 18th St - 141st Ave to 162nd Ave

Recommended

This decision package funds street improvements on NE 18th Street from 141st Avenue to 162nd Avenue.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	800,000	200,000

NE 18th St - 97th Ave to 107th Ave

Recommended

This decision package funds street improvements on NE 18th St - 97th to 107th.

		2025 Budget	2026 Budget
330 Transportation Capital Fund	Capital	5,000,000	6,000,000

NE 192nd Avenue - NE 18th Street to SE 1st Street

Recommended

This decision package funds street improvements on NE 192nd Avenue from NE 18th to SE 1st Street (\$500k Department of Transportation Federal Grant).

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	1,000,000	800,000

NE 29th Street - Kauffman Avenue to Neals Lane Complete Street Project

Recommended

This decision package funds street improvements to reconfigure the roadway to create pedestrian, bike and small mobility facilities that meet Transportation System Plan policy on NE 29th Street.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	500,000	0

NE 33rd Street - Main Street to P Street Complete Street Project

Recommended

This decision package funds street improvements to reconfigure the roadway to create pedestrian, bike and small mobility facilities that meet Transportation System Plan policy on NE 33rd Street.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	500,000	0

Capital Decision Packages by Group

Transportation/Streets - Transportation

NE 72nd Avenue Safety and Mobility Complete Street

Recommended

This decision package funds street improvements to reconfigure the roadway to create pedestrian, bike and small mobility facilities that meet Transportation System Plan policy on NE 72nd Avenue.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	200,000	200,000

NE 86th/NE 87th Avenues Safety and Mobility Complete Street

Recommended

This decision package funds street improvements to reconfigure the roadway to create pedestrian, bike and small mobility facilities that meet Transportation System Plan policy on NE 86th/NE 87th Avenues.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	200,000	200,000

NE 97th/98th Avenues Safety and Mobility Complete Street

Recommended

This decision package funds street improvements to reconfigure the roadway to create pedestrian, bike and small mobility facilities that meet Transportation System Plan policy on NE 97th/98th Avenues.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	200,000	200,000

NE Fourth Plain Blvd - Enhanced Pedestrian Crossings

Recommended

This decision package funds pedestrian improvements on NE Fourth Plain Boulevard.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	500,000	0

Neighborhood Traffic Safety Alliance (NTSA) & Real Estate Excise Tax (REET) Administration

Recommended

This decision package funds safety improvements through the Neighborhood Traffic Safety Alliance (NTSA).

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	25,000	25,000

Capital Decision Packages by Group

Transportation/Streets - Transportation

Non-Programmed Safety

Recommended

This decision package funds post construction and emergent street improvement projects.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	200,000	200,000

Safe Routes For All Projects

Recommended

This decision package funds safety improvements in the Fourth Plain area through Department of Transportation grant.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	2,900,000	2,900,000

SE 1st Street - 177th Ave to 192nd Ave

Recommended

This decision package funds street improvements on SE 1st Street - 177th to 192nd.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	2,000,000	0

SE 34th Street Complete Street Project

Recommended

This decision package funds street improvements to reconfigure the roadway to create pedestrian, bike and small mobility facilities that meet Transportation System Plan policy on SE 34th Street through Federal Direct Grant - Department of Transportation.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	600,000	0

St. Johns/St. James - 4th Plain Boulevard to City Limits

Recommended

This decision package funds street improvements to reconfigure the roadway to create pedestrian, bike and small mobility facilities that meet Transportation System Plan policy on St. Johns/St. James.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	100,000	0

Capital Decision Packages by Group

Transportation/Streets - Transportation

Traffic Signal Sustainability²

Recommended

This decision package funds traffic signal projects citywide.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	365,000	365,000

Upper Main Street (37th to City Limits) Complete Street

Recommended

This decision package funds street improvements to reconfigure the roadway to create pedestrian, bike and small mobility facilities that meet Transportation System Plan policy on upper Main Street.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	1,500,000	0

Vancouver Plaza Drive Pedestrian Crossing

Recommended

This decision package funds pedestrian improvements on Vancouver Plaza Drive through department of transportation grant.

		2025 Budget	2026 Budget
331 Street Funding Initiative - Capital Fund	Capital	400,000	0

Vancouver Waterfront Access Project

Recommended

This decision package pays the debt service for the Vancouver waterfront access project from developer contributions collected.

		2025 Budget	2026 Budget
330 Transportation Capital Fund	Capital	300,000	300,000

Capital Decision Packages by Group

Wastewater

Section 30 South Pump Station

Recommended

This decision package funds wastewater collection improvements in Section 30.

		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	3,000,000	0

Capital Decision Packages by Group

Wastewater - Collection & Treatment

18th Street Trunk Rehabilitation Project		Recommended	
This decision package funds wastewater collection improvements on the 18th Street trunk.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	2,000,000	0
Burnt Bridge Creek Interceptor Phase 1		Recommended	
This decision package funds wastewater collection improvements on the Burnt Bridge Creek Interceptor, phase one.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	200,000	1,000,000
Burnt Bridge Creek Pump Station Upgrade		Recommended	
This decision package funds repairs at the Burnt Bridge Creek Pump Station.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	0	500,000
Capital Preservation - Collection System "PROGRAM FUNDS"		Recommended	
This decision package funds emergent wastewater collection improvements.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	2,700,000	2,000,000
Capital Preservation and Compliance "PROGRAM FUNDS"		Recommended	
This decision package funds wastewater treatment improvements as identified during the year.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	2,000,000	3,000,000
East Interceptor Rehab Phase 1 & Phase 2		Recommended	
This decision package funds wastewater collection improvements on the East Interceptor, phases one and two.			
		2025 Budget	2026 Budget
	City Manager Recommended 2025-2026 Budget		630

Capital Decision Packages by Group

Wastewater - Collection & Treatment

East Interceptor Rehab Phase 1 & Phase 2		Recommended	
This decision package funds wastewater collection improvements on the East Interceptor, phases one and two.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	500,000	0
E-Interceptor Rehab Phase 3		Recommended	
This decision package funds wastewater collection improvements on the East Interceptor, phases three.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	200,000	5,000,000
E-Interceptor Rehab Phase 4		Recommended	
This decision package funds wastewater collection improvements on the East Interceptor, phases four.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	0	200,000
G2 Sewer Basin/Trunk Interceptor Realignment		Recommended	
This decision package funds wastewater collection improvements in the G2 sewer basin.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	1,200,000	0
Heights District Redevelopment		Recommended	
This decision package funds wastewater collection improvements in the Heights district.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	1,550,000	0
Industrial Coating Projects		Recommended	
This decision package funds industrial coating projects at the wastewater treatment plants.			
		2025 Budget	2026 Budget
City Manager Recommended 2025-2026 Budget			631

Capital Decision Packages by Group

Wastewater - Collection & Treatment

Industrial Coating Projects		Recommended	
This decision package funds industrial coating projects at the wastewater treatment plants.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	250,000	0
IR - Interceptor Rehabilitation "PROGRAM FUND"		Recommended	
This decision package funds emergent wastewater collection improvements on the interceptors.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	2,000,000	2,000,000
Jefferson-Kauffman Sewer Improvements		Recommended	
This decision package funds wastewater collection improvements at Jefferson-Kauffman.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	600,000	0
Main Street - 5th to 15th (ARPA)		Recommended	
This decision package funds wastewater collection improvements on Main Street.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	900,000	0
Maplecrest Pump Station Reconstruct & Growth Management Act Force Main Extension		Recommended	
This decision package funds wastewater collection improvements at the Maplecrest pump station.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	1,000,000	0
Marine Park Bar Screens Upgrade		Recommended	
This decision package funds bar screen wastewater treatment improvements at Marine Park Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
City Manager Recommended 2025-2026 Budget			632

Capital Decision Packages by Group

Wastewater - Collection & Treatment

Marine Park Bar Screens Upgrade		Recommended	
This decision package funds bar screen wastewater treatment improvements at Marine Park Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	2,600,000	0
Marine Park Forcemain		Recommended	
This decision package funds forcemain wastewater treatment improvements at Marine Park Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	500,000	0
Marine Park Medium Voltage Upgrade		Recommended	
This decision package funds phase medium voltage improvements at Marine Park Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	200,000	400,000
Marine Park Phase 2A		Recommended	
This decision package funds phase 2A wastewater treatment improvements at Marine Park Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	2,250,000	3,250,000
Marine Park Process Piping Repair & Replacement		Recommended	
This decision package funds WRF process piping improvements at Marine Park Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	200,000	200,000
NE 137th Avenue, 49th to Fourth Plain		Recommended	
This decision package funds wastewater collection improvements on NE 137th Avenue.			
		2025 Budget	2026 Budget
City Manager Recommended 2025-2026 Budget			633

Capital Decision Packages by Group

Wastewater - Collection & Treatment

NE 137th Avenue, 49th to Fourth Plain		Recommended	
This decision package funds wastewater collection improvements on NE 137th Avenue.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	300,000	0
NE 152nd Avenue Sewer Extension		Recommended	
This decision package funds wastewater collection improvements on NE 152nd Avenue.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	100,000	0
NE 65th Avenue Sewer Upsize		Recommended	
This decision package funds wastewater collection improvements on NE 65th Avenue.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	800,000	800,000
Pearson Pump Station Upgrade		Recommended	
This decision package funds wastewater collection improvements at Pearson pump station.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	800,000	0
Process Controls Electronics		Recommended	
This decision package funds process controls improvements in the Supervisory Control and Data Acquisition (SCADA) system at the wastewater treatment plants.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	200,000	200,000
SEH Industrial Pump Station		Recommended	
This decision package funds wastewater treatment improvements at the SEH Industrial Pump Station.			
		2025 Budget	2026 Budget
City Manager Recommended 2025-2026 Budget		634	

Capital Decision Packages by Group

Wastewater - Collection & Treatment

SEH Industrial Pump Station		Recommended	
This decision package funds wastewater treatment improvements at the SEH Industrial Pump Station.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	1,400,000	0
Springbrook Pump Station Upgrades		Recommended	
This decision package funds wastewater collection improvements at Springbrook pump station.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	200,000	0
West 16th Pump Station Pump Replacement		Recommended	
This decision package funds wastewater treatment improvements at the West 16th Street Pump Station.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	1,300,000	0
Westside Centrifuge Replacement		Recommended	
This decision package funds centrifuge replacement at Westside Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	800,000	0
Westside Electrical Upgrade Design		Recommended	
This decision package funds design of electrical upgrades at Westside Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	200,000	200,000
Westside Equipment and Parts Storage Building		Recommended	
This decision package funds construction of an equipment and parts storage building at Westside Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
City Manager Recommended 2025-2026 Budget			635

Capital Decision Packages by Group

Wastewater - Collection & Treatment

Westside Equipment and Parts Storage Building		Recommended	
This decision package funds construction of an equipment and parts storage building at Westside Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	0	2,000,000
Westside Odor Control Planning		Recommended	
This decision package funds odor control scrubber improvements at Westside Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	500,000	1,000,000
Westside Process Piping Repair & Replacement		Recommended	
This decision package funds WRF process piping improvements at Westside Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	300,000	300,000
Westside Sodium Hypochlorite Delivery		Recommended	
This decision package funds sodium hypochlorite delivery improvements at Westside Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	100,000	0
Westside Solids Planning		Recommended	
This decision package funds solids planning analysis for future treatment at Westside Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	1,000,000	0
Westside WWTF Buildings Coatings Project No. 3 (Inactive)		Recommended	
This decision package funds WWTF Buildings Coatings at Westside Wastewater Treatment Plant.			
		2025 Budget	2026 Budget
City Manager Recommended 2025-2026 Budget			636

Capital Decision Packages by Group

Wastewater - Collection & Treatment

Westside WWTF Buildings Coatings Project No. 3 (Inactive)

Recommended

This decision package funds WWTF Buildings Coatings at Westside Wastewater Treatment Plant.

		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	100,000	100,000

Westside/Marine Park Chemical Tanks Rehab

Recommended

This decision package funds chemical tanks rehab at the wastewater treatment plants.

		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	100,000	100,000

Capital Decision Packages by Group

Wastewater - SCIP

Demand Response - SCIP "PROGRAM FUNDS"

Recommended

This decision package funds emergent access to public sanitary sewer systems.

		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	0	3,400,000

NE 122nd Ave (Sewer Connection Incentive Program (SCIP))

Recommended

This decision package funds access to public sanitary sewer systems on NE 122nd Avenue.

		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	600,000	0

NE 51st Street Sewer Improvements - Sewer Connection Incentive Program (SCIP)

Recommended

This decision package funds access to public sanitary sewer systems on NE 51st Street.

		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	700,000	1,000,000

NE 60th Street Sewer Improvements (SCIP)

Recommended

This decision package funds access to public sanitary sewer systems on NE 60th Street.

		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	1,000,000	0

West Vancouver Phase 1 (Sewer Connection Incentive Program (SCIP))

Recommended

This decision package funds access to public sanitary sewer systems in West Vancouver.

		2025 Budget	2026 Budget
478 Sewer Construction Fund	Capital	1,500,000	0

Capital Decision Packages by Group

Water

99th Street to 152nd Avenue and Padden to Ward Road Transmission Main (T-33)			Recommended	
This decision package funds water infrastructure improvements on 99th Street to 152nd Avenue and Padden to Ward Road.				
			2025 Budget	2026 Budget
448 Water Construction Fund	Capital		25,000	2,400,000
BNSF 4th Plain Crossing (T-3)			Recommended	
This decision package funds water infrastructure improvements at the BNSF-Fourth Plain crossing.				
			2025 Budget	2026 Budget
448 Water Construction Fund	Capital		200,000	2,500,000
Burton Road Transmission Main (T-34)			Recommended	
This decision package funds water infrastructure improvements on Burton Road.				
			2025 Budget	2026 Budget
448 Water Construction Fund	Capital		200,000	3,700,000
Ellsworth Well 1 Replacement			Recommended	
This decision package funds replacement of well 1 at Ellsworth Water Station.				
			2025 Budget	2026 Budget
448 Water Construction Fund	Capital		5,400,000	0
Emergency Mobile Water Treatment Trailer			Recommended	
This decision package funds the purchase of an emergency mobile water treatment trailer.				
			2025 Budget	2026 Budget
448 Water Construction Fund	Capital		150,000	0
Heights District Redevelopment			Recommended	
This decision package funds water infrastructure improvements in The Heights.				
			2025 Budget	2026 Budget
			City Manager Recommended 2025-2026 Budget	639

Capital Decision Packages by Group

Water

Heights District Redevelopment

Recommended

This decision package funds water infrastructure improvements in The Heights.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	1,000,000	1,000,000

Leak Abatement

Recommended

This decision package funds water improvements to mitigate system leaks.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	600,000	1,000,000

Mill Plain and Chkalov Drive Transmission Main (T-45)

Recommended

This decision package funds water infrastructure improvements on Mill Plain and Chkalov Drive.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	915,000	0

Operations Center Redevelopment

Recommended

Water Utility Fund funding to complete design and construction of the Public Works Operations Center Redevelopment.

		2025 Budget	2026 Budget
440 Water Revenue Bond - Operations Center	Capital	0	20,744,944
448 Water Construction Fund	Capital	21,183,000	12,237,056

Phoenix Way to California Street Water Main Replacement

Recommended

This decision package funds water infrastructure improvements on Phoenix Way and California Street

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	500,000	1,500,000

Capital Decision Packages by Group

Water

Polyfluoroalkyl Substances (PFAS) Studies

Recommended

This decision package provides funding to study PFAS treatment alternatives.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	200,000	200,000

Pressure Reducing Valves (PRV) Flowmeters/SCADA System Connections

Recommended

This decision package funds water system component replacements.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	60,000	0

Sewer Connection Incentive Program (SCIP) Coordination Projects

Recommended

This decision package funds water infrastructure improvements in coordination with sewer connection incentive projects.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	50,000	50,000

Study to Add 4th Pump to the St. Johns Pump Station

Recommended

This decision package provides funding to study the feasibility of adding a 4th pump to the St. Johns pump station.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	0	10,000

Supervisory Control and Data Acquisition (SCADA) Hardware Upgrade

Recommended

This decision package provides funding to upgrade SCADA hardware.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	216,000	23,000

Water Demand Response

Recommended

This decision package funds emergent water infrastructure improvements.

Capital Decision Packages by Group

Water

Water Demand Response

Recommended

This decision package funds emergent water infrastructure improvements.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	300,000	300,000

Water Station 1 Polyfluoroalkyl Substances (PFAS) Treatment System

Recommended

This decision package funds treatment for PFAS in water at Water Station 1.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	20,000	1,400,000

Water Station 1 Replace Wells 3, 4, 5

Recommended

This decision package funds replacement of wells 3, 4, and 5 at Water Station 1.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	1,500,000	0

Water Station 14 Polyfluoroalkyl Substances (PFAS) Treatment System

Recommended

This decision package funds treatment for PFAS in water at Water Station 14.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	7,500,000	2,500,000

Water Station 15 Polyfluoroalkyl Substances (PFAS) Mitigation

Recommended

This decision package funds mitigation efforts for PFAS in water at Water Station 4.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	420,000	880,000

Water Station 3 Reservoir/Tower/Booster Replace/Hypo

Recommended

This decision package funds water infrastructure improvements at Water Station 3.

		2025 Budget	2026 Budget
	City Manager Recommended 2025-2026 Budget		642

Capital Decision Packages by Group

Water

Water Station 3 Reservoir/Tower/Booster Replace/Hypo

Recommended

This decision package funds water infrastructure improvements at Water Station 3.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	550,000	1,950,000

Water Station 5 Tower Internal Coating

Recommended

This decision package funds water infrastructure improvements at Water Station 5.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	400,000	0

Water Station 8 Hypo Generation System

Recommended

This decision package funds hypo generation water infrastructure improvements at Water Station 8.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	580,000	0

Water Station Greensand Replacement

Recommended

This decision package funds water infrastructure improvements at Water Station 7.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	0	300,000

Water System Plan

Recommended

This decision package funds development of an updated water system plan.

		2025 Budget	2026 Budget
448 Water Construction Fund	Capital	300,000	300,000

Glossary of Terms

2023 Actuals - actual expense, revenue or full time equivalent (FTE) positions occurring in 2023.

2024 Actuals - actual expense, revenue or FTEs occurring in 2024.

2024 Budget - budgeted expense, revenue or FTEs in 2024.

2025/2026 Baseline - developed by the Budget Office using the 2024 budget including, 2024 Supplemental 1 data, and removing one-time, capital, limited-term programs, and carryforward appropriations.

2025/2026 Submitted Budget - baseline budget, plus decision packages in recommended and not recommended status.

2025/26 Recommended Budget - baseline budget, plus decision packages in recommended status.

2025/26 Rec Budget Adj - decision package adjustments made as shown in the personnel section indicating changes made through recommended decision packages.

Accrual - A method of accounting that recognizes the financial impact of an expense or revenue when they occur, regardless of the timing of related cash flows.

ADA (Americans with Disabilities Act) - A federal act which addresses the problem of discrimination against individuals with disabilities in critical areas such as employment, housing, public accommodations, education, transportation, communication, recreation, and access to public services.

Adopted Budget - The budget that City Council approved by ordinance.

Annexation - A process whereby a city becomes responsible for providing services to a new geographic area contiguous with its existing city limits.

Appropriation - An authorization granted by City Council to make expenditures and to incur obligations for specific purposes up to a set dollar amount. The City's current biennial budget includes appropriations for 2025 and 2026.

Assessed Valuation - A valuation set upon real estate or other property by a government as a basis for levying taxes. For general property taxes, the County Assessor establishes this value.

Balanced Budget - A situation in the budgeting process where total expected revenues are equal to total planned spending.

Baseline - The cost of providing the same level of services in the upcoming fiscal year as the department provided in the current year. To develop the baseline, calculations are made to the current year budget to remove one-time expenditures and apply inflationary factors where appropriate. This becomes the starting point for developing the budget for the upcoming biennium. Also referred to as the Base Budget.

Glossary of Terms

Baseline Adjustments - baseline adjustments made as shown in the personnel section indicating changes made to the baseline.

Biennium – A specified time period over two years.

Bond - A written promise to pay a sum of money on a specific date at a specified interest rate. Common types of bonds issued by the City include General Obligation and Revenue bonds.

Budget - The financial, operating, and management plan for the City that establishes annual appropriations in accordance with Washington State law and allows for the provision of services.

Budget Calendar - Schedule of major events in the budget process.

Budget Phases - Steps within the development of the budget. These steps include Baseline, Decision Packages, Requested Budget, and Adopted Budget. These four steps are defined separately in this Glossary.

Cash Basis - A method of accounting that recognizes the financial impact of an expense or revenue when the cash is expended or received. This was the basis used to develop the revenue and expenditure budget. Assumes that revenues and expenditures will be collected and spent during the biennium and that there will either be sufficient revenues to cover expenditures or that there are sufficient cash reserves in the fund to cover one-time expenditures.

Capital Facilities Budget - This budget includes capital projects that are expected to begin in the upcoming biennium and accounts for all future costs associated with completing each project. This budget reserves the funding associated with the entire project, although there may be expenditures that will not occur until future years.

Capital Outlay - These purchases are items necessary for city operations which cost more than \$10,000 and have a useful life of three or more years (examples include vehicles, street resurfacing, and routine replacements of water pipes).

Capital Projects - Major capital improvements, which are beyond the routine operation of the City, are budgeted under separate Capital Project Funds. These projects, which often require more than one year for completion, include items such as expansion of treatment plants and reconstruction of intersections.

Capital Project Funds - Fund type used to account for financial resources that must be used for the acquisition or construction of major capital projects or facilities.

Community Indicator – A component of the City's Strategic Plan that provides quantifiable metrics that informs investments and creates accountability to progress.

Glossary of Terms

Concurrency - A Growth Management Act requirement that public infrastructure improvements necessitated by public or private development are in place at the same time as (concurrent with) the development.

COPPS (Community Oriented Policing and Problem Solving) - Federal program of the Department of Justice intended to put more police officers on the street.

Core Values – A component of the City’s Strategic Plan that guides a vision for engaging with the public and help re-imagine City structures, practices, and policies.

Cost Allocation Plan – A plan that shows the distribution of indirect costs to ensure that respective funds are paying for the services received.

Councilmanic (Non-voted) Bond - A General Obligation Bond

COPPS (Community Oriented Policing and Problem Solving) - Federal program of the Department of Justice intended to put more police officers on the street.

Core Values – A component of the City’s Strategic Plan that guides a vision for engaging with the public and help re-imagine City structures, practices, and policies.

Cost Allocation Plan – A plan that shows the distribution of indirect costs to ensure that respective funds are paying for the services received.

Councilmanic (Non-voted) Bond - A General Obligation Bond issued without voter approval to finance the general capital needs of the City. The amount of debt that can be issued without voter approval is limited by state statute to 1.5% of the City’s assessed value.

CRT (Community Resource Team) - In April 2016, the Mayor directed the formation of a CRT consisting of 20 members, including three City Council members, representing a diverse range of backgrounds to work with the City Manager to review City trends, resources, service levels, and demands in order to recommend resource needs.

Debt Service - The amount of principal and interest payments due over a given period, usually one year, for short- and long-term borrowing entered into by the City.

Debt Service Funds - Governmental fund type used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

Decision Package - A request for funding that varies from the baseline budget amount. This includes requests for expansion or reduction of existing programs and the establishment of new programs or FTEs.

Glossary of Terms

Franchise Fee - A monetary payment from private contractors for the exclusive right to provide services to citizens in a specific area at regulated prices. Typical services are solid waste collection and cable television.

FTE (Full Time Equivalent) - Full time employees are defined as working 40 hours per week. Full time equivalents combine employees working less than 40 hours per week to create a count that is equal to one employee working 40 hours per week. For example, two people each working half time, or 20 hours per week, are counted as one FTE.

Full Accrual Accounting - An accounting method where expenditures and revenues are recorded when incurred, rather than when the cash is spent or received.

Fund - A fiscal and accounting entity of the City with a self-balancing set of accounts that are segregated to record a specific set of activities.

Fund Balance - The excess of assets over liabilities as measured at year-end for a specified fund.

Functional Organization Chart - The key function organization chart illustrates the structure of the department, helping to identify the services and programs that deliver community outcomes.

General Fund - A governmental fund type that typically serves as the chief operating fund of a government. The

general fund is used to account for all activities not otherwise required to be accounted for in other fund types. The activities in this fund include police services, general public works, parks and recreation, legal services, general administration, and other general activities.

General Obligation Bonds - Voter or Councilmanic approved bonds backed by the full faith and credit and taxing authority of the City, which are used to fund general capital needs.

GIS (Geographical Information System) - A method of mapping locations based on longitude and latitude.

Goal - A long-range statement of broad direction and purpose of intent, based on the needs as identified.

Grant - A contribution awarded from another government or outside organization to support a particular function, activity, or project within the City.

Growth Management Act - State requirements related to development and its impact on public infrastructure.

Infor (previously Hansen) - City's Utility Billing and Asset Management system.

Glossary of Terms

Impact Fee - Fees charged to developers to cover, in whole or in part, the anticipated cost of improvements that will be necessary as a result of the development. These fees support expanded infrastructure needs such as roads and parks, which are deemed necessary to maintain service to a particular area at the expanded development level.

Indirect Cost - The costs assigned to funds in return for General Fund support services, such as accounting. These charges are a way of distributing these support costs to the benefiting city departments.

Infrastructure - Long-lived capital assets that are stationary in nature and can be preserved for a significantly greater number of years than most capital assets. Examples of these include roads, bridges, drainage systems, as well as water and sewer systems.

Interfund Charges - A payment from one city fund to another as reimbursement for services provided.

Intergovernmental Charges - A payment between government agencies as a reimbursement for services provided.

Internal Service Funds - A fund type used to report any activity that provides goods or services to other funds, departments, or agencies of the primary government, on a cost-reimbursement basis. Funds in this category include Internal Services, Equipment Services, Grounds and Facilities Services, Technology Repair &

Replacement, and the Self-Insurance Fund.

Limited Term Employee - A city employee that is not a permanent employee and is hired for a specific time frame. Limited Term employees most commonly have one to two years of work eligibility.

Mandatory Programs - A designation used to categorize city programs based on the service being provided. Programs classified as Mandatory include those programs or services required by Federal, State or local laws. Examples include costs incurred by building/plan review, court and jail, debt service, and city council.

Measurement Focus - A reporting methodology that identifies which transactions and events should be recorded regarding the inflow and outflow of resources that affect an entity.

Mission - A statement of an organization's or program's overall purpose.

Modified Accrual Accounting - An accounting method where revenues are recognized in the accounting period in which they become available and measurable and expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable.

Multi-Family Tax Exemption Program - Allows for an 8- or 12-year tax exemption for the approved value of newly constructed or rehabbed residential units.

Glossary of Terms

NAP (Neighborhood Action Plan) - A plan designed to identify issues of concern amongst residents of a neighborhood and devise strategies for addressing the concerns in order to protect and enhance the livability within the neighborhood and fulfill the community vision.

Non-Cash Expenditure - A type of expenditure that does not impact cash. These non-cash expenditures include depreciation and amortization expenses. The City budgets for non-cash expenditures in enterprise funds, the general fund and internal service funds where appropriate.

OEI (Office of Equity and Inclusion) – The Office of Equity and Inclusion (formally the Office of Diversity, Equity, and Inclusion) was created in the 2021-22 Biennial Budget. The OEI team works collaboratively with individuals and departments to create informed and equitable solutions for internal staff and externally provided services.

OFM (Office of Financial Management) - The department of the State that is responsible for budget planning, policy development, and fiscal administration for the executive branch of State government.

Organization - A broad function or a group of related activities within a department. Also referred to as a Program or shortened to Org.

Park 'n GoTM - Parking reservation software.

Performance Measure - An indicator that measures

workload, productivity, or the degree of accomplishment of a certain objective.

Permanent Funds - A fund type that accounts for a donation or contribution set aside for a specific purpose. In these funds, the original principal must stay intact and only the interest earnings can be used to support expenditures. The City does not currently have any funds that fall into this fund type.

Program - A broad function or a group of related activities within a department. Also referred to as an Organization or Org.

Property Tax Levy - The total amount of property taxes to be raised by the City in a given year as approved by the City Council. The regular levy excludes property taxes that are dedicated to debt service costs of voter approved bonds.

Property Tax Millage - The property tax rate per thousand dollars of assessed value. The millage multiplied by the City's total assessed value (expressed in \$1,000's) equals the property tax levy.

Proprietary Fund - A fund that focuses on the determination of operating income, changes in net assets (or cost recovery), financial position and cash flows. There are two types of Proprietary funds: Enterprise and Internal Service funds.

Glossary of Terms

RCW (Revised Code of Washington) - The most recent edition, in a consolidated and codified form, of all the laws of the State of Washington of a general and permanent nature.

Real Estate Excise Tax – Also known as REET, is a tax on the sale of a tangible property.

Reallocation – The act of distributing or allocating budget and/or funds in a different way.

Recommended Budget - City Manager’s Recommended budget presented to council for adoption. This budget includes baseline and only recommended decision packages.

Reserves - Resources set aside for unanticipated, emergency expenses and downturns in the economy, which provide for the stability of ongoing services.

Revenue - Funds received as income by a governmental unit. It includes items such as taxes, fines, fees for services, interest earnings, and grants.

Revenue Bond - A bond issued for either a project or enterprise financing where the bond is secured by the revenues generated by the facility being financed. Typical examples are water and sewer utility project financing.

SDC (System Development Charges) - A fee charged on new development to support required water and sewer

infrastructure.

Special Revenue Funds - A fund type used to account for the proceeds of revenue sources that are legally restricted to be spent for specified purposes. Funds in this category include Street, Street Funding Initiative, Fire, and Tourism.

Strategic Commitments - A section of the City’s Strategic Plan that addresses the six most important things the City needs to accomplish to move forward in support of the community and organizational visions. These commitments were developed by the City in response to the needs identified by the citizens of Vancouver.

Strategic Plan - A plan that outlines the broad vision of the community and organization, expresses fundamental values, and identifies the most important commitments that will move the community and the organization in the direction of the vision.

Supplemental Budget – An additional budget that provides changes to items in the final budget and or new additions to the final budget.

Support - A designation used to categorize city programs based on the service being provided. Programs classified as Support provide administrative, logistical, technical, or other support to city departments.

Glossary of Terms

Support for Mandatory or Essential Programs - A designation used to categorize city programs based on the service being provided. Programs classified as Support for Mandatory or Essential programs provide administrative, logistical, technical, or other support to a mandatory or essential department.

SWAT (Special Weapons and Tactics) - The SWAT Team is an Agency fund that was established by the City in 2002 to account for the expenses related to providing specialized Police services within the City of Vancouver and the surrounding areas. The surrounding cities and counties contribute to this fund to help cover the costs of the service.

T2 - Permit and parking management software.

Transportation Improvement Board - This is an independent agency that manages the gas tax revenue grant program for Washington State.

Transportation Improvement Plan - A plan required by the Growth Management Act that identifies the City's transportation priorities over a six-year timeframe. This plan is updated annually with input from a citizen committee.

Trust and Agency Funds - A fund type used to account for resources that the City does not have the authority to spend on its own because they are holding the assets in a

trustee capacity or as an agent for another organizational unit. The Police and Fire Pension funds are examples of Trust Funds. The City/County Cable TV fund is an example of an Agency Fund. Also known as Fiduciary Funds.

Urban Growth Area - The areas established pursuant to the Growth Management Act that allow for the efficient provision of urban levels of governmental services and where urban growth will be encouraged.

Urban Growth Boundary - The line designating the extent of the Urban Growth Area. Cities cannot annex land outside of the Urban Growth Boundary.

WAC (Washington Administrative Code) - Laws adopted by state agencies to implement state legislation.

Workday - a cloud-based software vendor that specializes in human capital management and financial management applications.
