Mission:
Our Mission is to support our
local community in SW
Washington with Lost and
Found Pet Recovery,
Transport, and Tracking
Services.

Self-led Litter Steward

There has been a strong response from the community to help with litter removal throughout Vancouver. We look forward to training and equipping more community members to help us with this complex need. If you're considering picking up litter around your neighborhood on a frequent basis, this self-led option is for you! Let us get you started so that you may pick up litter in a park or public space. We'll help you with supplies and disposal support. Volunteers will need to make an ongoing commitment, complete the [volunteer application](#), attend an orientation, follow all safety protocols and have preapproved locations for removal.
