

Please complete and submit to: eplans@cityofvancouver.us

General Information: Residential early permit submittal may be requested, at your own risk, to allow the submittal of Single Family Residential (RES) building permit application(s) for processing/review prior to Final Plat approval. The project must have received Preliminary Plat Approval and Civil Engineering Plan Approval.

The developer will follow the standard infrastructure acceptance process and final plat process.

Please note: Residential (RES) building permit(s) will not be issued prior to **Final Plat** recording with Clark County. The building permit applications will be ready for issuance once the final plat is recorded, final addresses verified and final City reviews completed.
