

Parking Services On-Street Terms and Conditions

These terms and conditions and rules and responsibilities apply to any parking permit purchased on a month-to-month basis for on-street parking and residential and residential visitor permits. "Month-to-month basis" means the parking permit is renewed on a regular monthly basis.

Displaying the Parking Permit

Each parked vehicle must display a valid parking permit or proper proof of payment in the manner required by the City of Vancouver. A vehicle with an improperly displayed parking permit or proof of payment or a vehicle with an invalid parking permit or proof of payment is subject to parking citation(s) and possible removal and impoundment.

Misuse of Parking Permit or Proof of Payment

Misuse of any parking permit or proof of payment may result in a parking citation(s), and/or suspension of the parking permit, and possibly removal and impoundment.

Lost, Stolen, Damaged or Destroyed Parking Permits

If a parking permit is lost, stolen, damaged, or destroyed, you may apply for a replacement parking permit by mailing your request, or appearing in person at, City of Vancouver Customer Service Department, City Hall, 415 W. 6th Street, Vancouver, WA 98660. A \$10 permit replacement fee will be charged. Damaged parking permits must be returned to the Customer Service Department before receiving a replacement parking permit.

Termination & Refunds

Notification of permit termination (i.e. return of permit) must be received by City of Vancouver Customer Service, City Hall, 415 W. 6th Street, Vancouver, WA 98660. Refunds will be approved for any unused portion of the parking permit period following the effective termination date. Once a customer terminates a parking permit, even for a temporary period of time, then that permit will become void and a new permit will need to be purchased.

Purchases and Renewal Payments

A parking permit not renewed by the expiration date will result in citation(s) being issued. All unpaid parking citations must be paid in full before you may purchase or renew your parking permit.
