Vancouver Parks, Recreation and Cultural Services offers engaging, age-appropriate, secular classes for homeschooled students and those seeking additional weekday enrichment opportunities.

Classes are held on Tuesdays and Thursdays at Firstenburg Community Center for students ages 6–17. Led by experienced educators, subject matter experts, and qualified instructors, these elective-style classes are designed to complement home education while encouraging hands-on learning, creativity, and social interaction with peers of various ages.

Most classes are 50 minutes in length and are offered in 5–8 week sessions. Homeschool students and their families are also invited to enjoy access to The Zone from 11:45 a.m. to 1:15 p.m. as a space to eat lunch, socialize, and connect with other homeschooling families.
